

Time Schedule

Preliminary

Autumn Quarter 1987

	Last day to register and receive highest priority
Preregistration: May 14, 15, 18-22, 26-29	
Freshmen (0-44 credits)	May 14, 15, 18, 19, 20
Seniors (135 credits)	May 20, 21
Graduate students	May 21, 22
Postbaccalaureate (fifth-year) students	May 22, 26
Juniors (90-134 credits)	May 26, 27
Sophomores (45-89 credits)	May 27, 28, 29

Class standing is based on the projected number of credits the student will have at the beginning of the next quarter. Faculty and staff using tuition exemptions may not preregister.

In-person registration (by appointment only)

- Matriculated students: June 25-August 21, September 14-18, 21, 22
- Nonmatriculated students: September 23
- Tuition-exempt faculty/staff: September 23
- "Access" students: September 23

New Copy

Students using wheelchairs or with other mobility limitations should proceed to 264 Schmitz to register or add/drop courses instead of Hutchinson Hall, which has stairway access only.

Winter Quarter 1988 Preregistration dates. Registration: October 29, 30, November 2-13

AUTUMN QUARTER 1987 CALENDAR

REGISTRATION

PREREGISTRATION for all matriculated students in school Spring Quarter 1987.

May 14, 15, 18-22, 26-29

IN-PERSON REGISTRATION APPOINTMENTS available at Window 8, second floor, Schmitz Hall, for continuing students who missed preregistration and for continuing non-matriculated students.

June 1

PROGRAMS OF STUDY mailed to preregistration participants.

June 15

IN-PERSON REGISTRATION for matriculated students by appointment only, 2nd floor Schmitz Hall.

June 25-August 21

PROGRAMS OF STUDY mailed to participants in June-August in-person registration.

September 10

IN-PERSON REGISTRATION for matriculated students, by appointment only, Hutchinson Hall.*

September 14-18, 21-23

IN-PERSON REGISTRATION for nonmatriculated students, tuition-exempt faculty/staff, and "Access" students, by appointment only, Hutchinson Hall.*

September 23

CHANGE OF REGISTRATION

Sept. 14-18, 21-23, 28-30,

Oct. 1, 2

Hutchinson Hall*

Sept. 14-18, 21-23

By appointment only.

8:15 a.m.-4:00 p.m.

Sept. 28-30, Oct. 1, 2

8:15-5:30 p.m.

Go to 225 Schmitz, Window 3

for appointments (8 a.m.-5

p.m. starting Sept. 11)

Autumn I.D. required.

No appointment required for

S/NS, credit changes,

dropping only, or adding

courses with course entry

cards.

Sept. 28-Oct. 2

209 HUB

Engineering majors. No

appointment required.

8 a.m.-4:30 p.m.

Sept. 28-Oct. 2

T-wing Lobby

Dentistry, Medicine,

Pharmacy, Public Health and

Community Medicine,

Nursing, Forest Resources,

Ocean and Fishery Sciences,

and the Department of

Biology. 8 a.m.-4:30 p.m. No

appointment required.

Sept. 28-Oct. 2

264 Schmitz

Graduate students only.

8 a.m.-4:30 p.m. No

appointment required.

Last day to change to or from S/NS grading.

October 2

ADDING/DROPPING COURSES OR UNIVERSITY WITHDRAWAL

Last day for official withdrawal from the University without owing tuition or fees.

October 2

Last day to add a course without instructor's permission.

October 2

Last day to add or drop a course without being assessed a \$20 change fee.

October 2

Last day to drop a course without entry on transcript.

October 9

Last day for undergraduate, postbaccalaureate (fifth-year), and nonmatriculated students to drop a course, except for peremptory drops and hardship withdrawal.

October 23

Last day for graduate students to drop a course.

November 13

Last day to withdraw from the University (dropping all classes).

December 9

FEE PAYMENTS

Fee statements mailed to all registered students.

October 5

Fee payment deadline for all registered students.

October 16

Late-payment period (requires a \$30 late-payment fee).

October 19-23

Thirtieth calendar day (see *Fee Forfeitures or Refunds* section).

October 27

APPLICATION DEADLINES

Last day to return approved applications for credit by examination, 207 Schmitz.

October 9

Applications for baccalaureate degrees for Autumn Quarter 1987 for Arts and Sciences must be submitted to B10 Padelford.

October 13

Applications for baccalaureate degrees and certificates (all schools and colleges) to be conferred Autumn Quarter 1987 must be submitted to Graduation Office, 207 Schmitz.

October 16

Credit by examination (students must make arrangements with the Educational Assessment Center, 543-1170).

Fifth week of quarter

Last day to hand-deliver an application for resident status to Residence Classification Office, 209 Schmitz. Applications must be postmarked October 27 if mailed at the Terminal Annex, Third Avenue South and South Lander Street.

October 27

GRADES

Grades for Autumn Quarter 1987 mailed to students.

~~GENERAL INFORMATION~~

Registration Guide -
lines

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, or (3) students not meeting their departmental continuation policies.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission, including payment of \$25 application fee, with the Registrar's Office. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration, Immigration and Naturalization Service, and Social Security Administration may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

NONMATRICULATED STUDENTS

Nonmatriculated students register September 23 and enroll only on a space-available basis. Because nonmatriculated students register after all other students, enrollment may be closed in the following areas: mathematics, English composition, beginning foreign languages (particularly French and Spanish), business, and art. Nonmatriculated students may participate in preregistration for the Summer Quarter.

TUITION-EXEMPT FACULTY/STAFF

With the approval of their department heads, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister; registration may occur no earlier than the last day of the registration period. Faculty/staff who register before the last day will not be eligible to use a tuition exemption that quarter. Registration appointments are not required. New faculty/staff members who enroll must be officially admitted by the Office of Admissions by the regular admission closing date; May 1 is the closing date for Autumn Quarter. Faculty/staff members who are former students returning either in the same classification or as nonmatriculated students should apply at the Registration Office, Window 8, second floor, Schmitz Hall.

Employees should present their approved tuition exemption cards at Sections, Hutchinson Hall, according to the schedule listed below. A \$5 registration fee will be collected at the time of registration. The alphabetical priority will change each quarter. Regularly admitted faculty and staff members who are unable to meet this schedule may register late by paying \$25 if registering by the tenth day of the quarter; \$75 if registering after the tenth day of the quarter.

Autumn Quarter Registration Date: September 23, 1987

Last names beginning with D-E-F (8-9 a.m.); G-H (9-10

a.m.); I-J-K (10-11 a.m.); L-M (11 a.m.-noon); N-O-P (noon-1 p.m.); Q-Z (1-2 p.m.); A-B (2-3 p.m.); C (3-4 p.m.); make-up (4-4:30 p.m.).

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students, on a space-available basis. The fee is \$5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. Students who attend the University under the Access program are limited to two courses per quarter. Registration may be made in person on Wednesday, September 23, between 8 a.m. and 2 p.m. at the Sections branch office, Hutchinson Hall. Interested students should proceed to the area marked *Access*. For additional information on mail-in registration or about the program in general, telephone Conference Management, 543-2300, between 8 a.m. and 5 p.m.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. *Access: University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Hutchinson Hall registration or add/drop area is reached by a full flight of stairs, so wheelchair users and other students with mobility limitations should go to the Sections Office at 264 Schmitz. Students using this location need no Change of Registration Appointment Card (although those registering for the first time do need a registration appointment).

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543-8924, and the academic adviser of that department immediately to evaluate whether some accommodation of the facilities will be necessary.

ATHLETIC EVENTS

Students may purchase a Husky Football Season Pass at the Husky Ticket Office, 101 Graves, or at the HUB Ticket Office, for admission to the following athletic events: football, soccer, and volleyball. For additional information, telephone 543-2200.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

See an academic adviser to discuss your educational objectives and to learn the procedures involved in registering at the University. Have an idea of the courses you would like to take before seeing an adviser by reviewing the *General Catalog* and the quarterly *Time Schedule*.

PREREGISTRATION (Continuing Students Only)

1. Eligibility

Preregistration is reserved for all continuing students *except* tuition-exempt faculty/staff, older adults auditing under the Access program, and nonmatriculated students. These last three groups may register only during the last day of in-person registration (see Autumn Quarter calendar).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University.

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Registration Office, Window 3, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

Students preregistering may turn in forms at:

- Registration lobby, second floor, Schmitz Hall
- B10 Padelford
- Fourth-floor student lounge, T-wing, Health Sciences Building

3. If You Miss Preregistration

Obtain an in-person registration appointment and register by September 22 at Window 8, Schmitz Hall. After September 22 you will be required to register late and to pay a \$25 late registration fee at the Registration Office, 225 Schmitz, if registering by the tenth day of the quarter; \$75 after the tenth day of the quarter.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, and sophomores.

5. Registered Students

Students who preregister but are not scheduled into any courses are not considered registered students, and are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION (New and Returning Students)

1. Eligibility

In-person registration is primarily for newly admitted and returning former students. Continuing matriculated students who miss preregistration, tuition-exempt faculty/staff, older students in the Access program, and nonmatriculated students also register during in-person registration. All students, except Access students, must be admitted to the University and issued a registration appointment before attempting to register.

2. How to Register

On or before your registration appointment, obtain a *Time Schedule* and a Registration Instructions worksheet from your advisory office or from the Registration Office, second floor, Schmitz Hall. (These may also be obtained in the Hutchinson Hall registration area while registration is in progress.) Obtain permission and/or course entry cards (if required) as indicated in the *Time Schedule* before attempting to register. Once your registration is completed by the Sections staff, you are obligated for tuition and fee payment unless you officially withdraw by the fifth day of the term. Undergraduates will not be scheduled for more than 19 credits until the first day of the quarter to allow all students a chance to develop a basic program.

3. Submitting the Registration Form

a) New and returning former students register by appointment only on June 25–August 21 at the Registration Office Window 3 or B-10 Padelford Hall.

b) If you are a continuing matriculated student who did not preregister, you must obtain an in-person registration appointment and register by September 22. Continuing students who request in-

person registration appointments and register after September 22 will be required to register late during the first ten days of school and pay a \$25 late registration fee; after the first ten days of the quarter, a \$75 late registration fee is assessed.

c) If you are registering September 14–18, 21–23 go to the Sections branch office, Hutchinson Hall, on the date and time indicated on your registration appointment. Students with a mobility disability must register in 264 Schmitz because there are stairs leading to the Hutchinson gymnasium. Engineering students will register in Hutchinson Hall.

d) Nonmatriculated students, tuition-exempt faculty/staff members and students in the Access program register only on September 23.

4. Schedule of Classes

a) If you register June 25–August 21, your schedule of classes will be mailed to the address you indicate on the registration form. All students registering during this period are scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth year) students, juniors, and sophomores. Schedules will be mailed September 10.

b) If you register September 14–18, 21–23 your courses will be scheduled while you wait and you will be given a copy of your completed program when you have finished registering.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

LATE REGISTRATION

Students who register after the official registration period will be charged a \$25 late registration fee if registering by the tenth day of the quarter; \$75 after the tenth day of the quarter.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) Changes to a student's program should be completed during the following change periods. For preregistered students only: July 7–August 21, at 265 Schmitz; no appointment required. All other students: September 14–18, 21–23, 28–30, October 1, 2; by appointment only.

Appointments are not required to (1) drop a course, (2) change to or from S/NS or C/NC, (3) change variable credits. Evening-only students do not need appointments for the 5–6:15 p.m. change period during the first week of the quarter. Graduate students do not need appointments during the first week at 264 Schmitz. A student who arrives more than a half-hour late will be required to make a new appointment. Wheelchair users and other students with mobility limitations should use the sections office at 264 Schmitz; no Change of Registration Appointment card is required.

Students will be expected to present Autumn Quarter 1987 UW student identification cards when requesting appointments. No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or the date has expired.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, and Forest Resources, and the Department of Biology may make changes during the first week of the quarter, without an appointment, in the fourth floor lobby of the T-wing, Health Sciences Building.

Engineering students may make changes without an appointment or register late with an appointment, in 209 A-B HUB, during the first week of the quarter.

Changes made after the official change period are restricted and, if permitted, cost \$20 and may result in fee forfeiture (see item 3 of this section).

b) Undergraduates in the College of Arts and Sciences must have their adviser's signature to carry more than 22 credits; 30 credits is the limit per quarter.

2. Grades in Dropped Courses and Drop Restrictions

a) *Undergraduates.* Undergraduate students who drop courses after the change periods receive no entry on their academic record if the drop is made during the first two weeks of the quarter, except if

all courses are dropped then a university withdrawal date is entered. Drops made during the third and fourth weeks of the quarter will be recorded with a "W." No drops are permitted after the fourth week except a limited number may be dropped as determined by the number of credits earned at the University. While completing the first 44 credits at the University, a student has three drops permitted after the fourth week. Any of these three drops not used at the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. No drops, other than hardship withdrawals may be made after the last day of instruction.

b) *Graduate Students.* Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W." No drops are permitted after the seventh week of instruction.

c) Students may petition the Registrar for a hardship withdrawal after the regular drop deadline if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course. Hardship withdrawals are for dropping individual courses only. See section on Withdrawal from the University for the procedure to follow for dropping all courses for the quarter; no petition is required.

3. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter. Only partial fee reductions will result for courses dropped after the first week of the quarter.

b) Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition and fees associated with that course.

c) Courses dropped after the thirtieth calendar day receive no refund.

d) The effect of fee forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as in (b) and (c) above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

e) Drops become effective the date received in Sections.

4. Courses Added After the Official Change Period

a) As a general rule, no courses may be added after the official change period. Exceptional cases may be approved if both the instructor of the course and the dean of the student's college consent.

b) Courses audited may not be changed to a credit registration after the first two weeks of the quarter.

FEE PAYMENT

1. You should indicate selection of your permanent or local address on your mark-sense registration form for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

2. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in # 3 below.

3. If you fail to pay by the deadline you may continue to pay your fees, with a \$30 late fee, for one week following the due date. If fees have not been received in the Student Accounts and Scholarships Office by this time, your registration will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

4. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) All fees for registration must be paid by cash, money order, or cashier's check. No reregistration will be possible after the last day of instruction. *Please note: Even if your registration is canceled you will continue to owe one-half your tuition and fees.*

5. Credit card checks are not accepted.

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have

extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

CHANGE OF ADDRESS

If you change your address after you have turned in your mark-sense registration form, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by Continuing Education or Conferences and Institutes, including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, or the Access program.

2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student insurance and wish to add, cancel, or change your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the revised amount or you may do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition/fees and the student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International Students

International students must subscribe to the student insurance plan. Penalties for not paying insurance fees by the tuition due date are the same as tuition penalties under #3 of Fee Payment section. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter (or upon initial admission if other than Autumn Quarter), because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary. To be eligible for the student health insurance plan, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. International students who want coverage during the Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not desire to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, pay the regular tuition and fees plus \$2.

WASHINGTON STUDENT LOBBY (WSL)

An optional \$1 fee is indicated on the fee statement for the Washington Student Lobby (WSL), a voluntary, independent organization of university students whose purpose is to influence the state legislative process on matters of special interest to students. Students not wishing to support this activity simply pay the regular tuition and fees. Students supporting WSL pay the regular tuition and fees plus \$1.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. Obtain an approved withdrawal form from your adviser or from the Withdrawal Office.

2. Present the withdrawal form to the Withdrawal Office, Sections, 264 Schmitz, *Withdrawals are effective the date they are received in the Registrar's Office. Fees owed will be based upon the date the withdrawal is received in the Registrar's Office.* No withdrawals accepted after the last day of instruction, December 9.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former

student for Winter Quarter.

3. Students are required to turn in their student I.D. cards when they withdraw and are not eligible to continue using University services or facilities after their withdrawal.

The forfeiture schedule for withdrawing from the University is as follows:

(a) Students withdrawing before the sixth day of the quarter do not pay tuition or fees. New and returning students forfeit their \$50 enrollment service fee.

(b) Students withdrawing on the sixth day or through the thirtieth calendar day continue to owe one-half of their tuition and fees.

(c) Students withdrawing after the thirtieth calendar day continue to owe full tuition and fees.

Students who were unable to turn in their withdrawal in time may petition the Comptroller's Office. Petition forms are available at the Student Accounts and Scholarships Office, 129 Schmitz.

Courses dropped as part of a University withdrawal completed during the first two weeks of a quarter receive no grade and no entry except date of withdrawal is made on the student's permanent academic record. Withdrawals completed after the first two weeks result in the courses being assigned a grade of "W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report grades from 4.0 to 0.7 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range will be converted by the Registrar's Office to 0.0. For graduate students, grades reported in the range 1.6-0.1 will be converted to 0.0; 100-200-level courses are excluded from credits earned and grade-point averages although such grades are recorded on the transcript; for 300-level courses and courses numbered 600, 601, 700, 750, and 800, grades are recorded and credit is allowed but grades are not included in the grade-point averages. Numerical grades may be considered equivalent to letter grades as follows:

Undergraduate/Graduate*

A	4.0-3.9	
A-	3.8-3.5	
B+	3.4-3.2	
B	3.1-2.9	
B-	2.8-2.5	
C+	2.4-2.2	
C	2.1-1.9	
C-	1.8-1.5	* Lowest grade earning credit for graduate students is 1.7.
D+	1.4-1.2	
D	1.1-0.9	
D-	0.8-0.7	Lowest passing grade for undergraduates.
E	0.0	Failure or Unofficial Withdrawal. No credit earned.

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz.

Repeating Courses

With the approval of the academic department offering the course, an undergraduate student may repeat a course once. Both the original grade and the second grade will be computed in the student's grade-point average but credit will be allowed once. Students repeating courses should so indicate on their registration form.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Spring Quarter course must be made up by the last day of Autumn Quarter or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year maximum with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter in residence. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the course work is not completed. This time limitation may be waived by the

dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. The final grade is posted under the quarter in which the final grade is received.

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete. A grade earned in a repeat course will not be recorded as an incomplete conversion grade.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted, and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. A course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected during initial registration or added or dropped during the official change of program period.* Undergraduate students earning grades of 2.0 or above receive a grade of S (Satisfactory) while grades below 2.0 are recorded as NS (Not Satisfactory).

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average, N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

Grade Appeal Procedure

A student who believes he or she has been improperly graded first discusses the matter with the instructor. If the student is not satisfied with the instructor's explanation, the student may submit a written appeal to the Chairperson of the department, or in a nondepartmental college, to the Dean, with a copy of the appeal sent to the instructor. The Chairperson, or Dean, consults with the instructor to ensure that the evaluation of the student's performance has not been arbitrary or capricious. Should the Chairperson believe the instructor's conduct to be arbitrary or capricious and the instructor declines to revise the grade, the Chairperson (or the Dean in a nondepartmentalized school or college), with the approval of the voting members of his or her faculty, shall appoint an appropriate member, or members, of the faculty of that department to evaluate the student's, or students', performance and assign a grade. The Dean and Provost should be informed of this action.

Once a student submits a written appeal, this document and all subsequent actions on this appeal are recorded in written form for deposit in a department or college file.

SEXUAL HARRASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harrassment may contact either of the two offices listed below:

Ombudsman for Sexual Harrassment
(206) 543-0283

Human Rights Office
4045 Brooklyn Avenue N.E.
(206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

Autumn Quarter 1987 Examination Schedule

The last day of instruction is Wednesday, December 9.

HOUR lecture session actually meets during quarter	Hour and day on which examination occurs, by days of class meeting in the week.				
	Meeting four times a week, or daily	MWF; MT; MW; MF; WF; MWTh; MTh	TTh; T; Th; TThF; MTTh; TW; TF; TWTh	M; W; F; S Meeting once a week	Day of examination

3:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Wednesday December 16
4:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Thursday December 10
EVENING CLASSES (5:30 or thereafter)	8-10 p.m. Thursday December 17	8-10 p.m. Monday December 14	8-10 p.m. Tuesday December 15	8-10 p.m. Wednesday December 16	
Makeups Incomplete Removals Conflicts	When mutually agreeable to faculty members and students concerned, provided scheduled <i>no later than Thursday, December 17.</i>				

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for changing the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent. If the instructor determines that

neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure that the room is going to be available.

Questions concerning the examination schedule should be directed to Room Assignments, 543-1080.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

Entry card required symbol (>>>), if appropriate

Schedule line number

Department

Course number

Term designation—if *a* or *b* term

Section designation

Section type—laboratory, quiz, or conference

Credits—listed with lecture section only; slash (/) means *or*; 2.5 means 2½ credits; hyphen (-) means *to*; VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e.g., ½ credit—cannot be processed for variable credit courses where the credit may vary

from student to student in a single quarter)
Honors (H), Permission Required (#), or New Course (%), as appropriate

Writing Course meeting University requirement (W)

Day(s) of meeting (ARR means “to be arranged”)

Time of meeting

Place of meeting (** means “to be arranged”)

Course title and remarks—CR/NC ONLY means course offered for credit/no credit grading only

Name of instructor

Classes taught in the same classroom at the same time—students register and receive credit for one course only (example: ARAB 312 with ARAB 472)

NEW COURSES FOR AUTUMN 1987

The following list includes new courses that will be offered Autumn Quarter 1987, which were added to the University curriculum after publication of the 1986-88 *General Catalog* consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

ARCHITECTURE

ARCH 360 INTRODUCTION TO ARCHITECTURAL THEORY (3)
Function of architectural theory in comprehending and ordering various human purposes in architecture, types of architectural purpose, types of theories. Focus on current concerns.

ARCH 460 DESIGN THEORY AND ANALYSIS (3)
Problematical nature of philosophies of architecture; interaction of philosophical concepts and architectural form and expression. Fundamentals of architectural criticism.

COLLEGE OF ARTS AND SCIENCES

APPLIED MATHEMATICS

AMATH 514 NETWORKS AND COMBINATORIAL OPTIMIZATION (3)
Offered jointly with MATH 514. See Mathematics for description.

ASIAN LANGUAGES AND LITERATURE

Chinese

CHIN 575 STUDIES IN CHINESE DRAMA (5, MAX. 15)
Readings and discussion of Chinese drama. Subject emphasis varies. Prerequisite: permission of instructor. (Offered alternate years.)

Hindi

HINDI 431 ADVANCED CONVERSATIONAL HINDI (2, MAX. 8)
Advanced Hindi conversation, based on selected reading passages. Prerequisite: 323 or equivalent or permission of instructor.

Indian

INDN 403 INTRODUCTION TO WRITTEN URDU (3)
Introduction to modern written Urdu for students with at least elementary knowledge of Hindi. Prerequisite: HINDI 313 or equivalent.

INDN 404 READINGS IN URDU LITERATURE (3, MAX. 18)
Readings in Urdu prose and poetry. Urdu prose composition. Prerequisite: 403 or equivalent.

CLASSICS

Greek

GRK 504 PLATO (3)
The *Republic* or other dialogues.

Latin

LAT 508 SILVER LATIN LITERATURE (3)
Selections from Martial, Lucan, and Petronius.

COMMUNICATIONS

CMU 501 DEVELOPMENT OF MASS COMMUNICATION (5)
Institutions of mass communication. Political and social roles.

DRAMA

DRAMA 401 DRAMA COLLOQUIUM (1-0-0, MAX. 3)
Weekly lectures by guest artists, presentations by faculty or students of works in progress. Required of all undergraduate and graduate drama majors.

DRAMA 441 BEGINNING PLAYWRITING (5, MAX. 10)
Writing exercises and drafts of a one-act play provide students with first experience in writing for performance. Readings of representative one-act plays introduce genres and writing styles. Prerequisites: 253 or 353; and 210, 211, 212; or practical theatre experience.

DRAMA 454 PROJECTS IN ACTING (3, MAX. 9)
Rehearsal and classroom performance of dramatic literature of various periods and styles. Prerequisite: audition.

DRAMA 541 GRADUATE PLAYWRITING SEMINAR I (3-6, MAX. 18)
Workshop for development of new plays. Graduate playwriting students develop one-act and full-length plays, which continue through rewriting until ready for public reading. Readings of representative contemporary full-length plays address specific problems of playwright's crafting.

DRAMA 542 GRADUATE PLAYWRITING SEMINAR II (3-6, MAX. 18)
Continuation of play development through classroom critique, rehearsed readings, and twenty-hour rehearsal workshop productions. Readings address more complex craft problems. Regular rewriting of each student's work.

ECONOMICS

ECON 509 MACROECONOMICS III (4)
Modern macroeconomic research models. Prerequisite: 503.

INTERNATIONAL STUDIES

Middle Eastern Studies

SISME 530 READING SEMINAR ON MIDDLE EAST STUDIES (2)

Study of Middle Eastern historiography, Islamic law, Islamic theology, the relations between the Middle East and the world economy, political structures, and social movements in the Middle East.

MATHEMATICS

MATH 514 NETWORKS AND COMBINATORIAL OPTIMIZATION (3)

Networks and directed graphs. Paths and trees. Feasible and optimal flows and potentials. Transportation problems, matching and assignment problems. Algorithms and applications. Joint with AMATH 514. Prerequisites: 302 and 327 or equivalent.

MUSIC

MUSIC 543 PRECEPTORIAL READINGS IN SYSTEMATIC MUSICOLOGY I (3)

Examines the significant research literature on acoustical, psychological, and social systems operating in music.

POLITICAL SCIENCE

POL S 490 FOUNDATIONS OF POLITICAL ANALYSIS (5)

Fundamental issues pertaining to research in political science: logics of inquiry, problems of concept formation, and development of research methods. Examination of positivist, post-empiricist, and other arguments about the nature of scientific knowledge.

PSYCHOLOGY

PSYCH 426 NEURAL BASIS OF MOTOR BEHAVIOR (5)

Focuses on motor systems with emphasis on human motor behavior. Neuromuscular subsystems in motor control: spinal sensorimotor circuitry; propriospinal interlimb connections and regulation; supraspinal regulation of lower motor neurons to include motor and sensory cortex, cerebellum, and basal ganglia. Prerequisites: 101 or 102, and 10 credits in biology or zoology.

WOMEN STUDIES

WOMEN 455 CONTEMPORARY FEMINIST THEORY (5)

Examines recent work on study of women, focusing on social science research which has challenged our fundamental presuppositions about organization of family, nature of moral development, definition of political behavior, conceptualization of time in history, and division of labor in market place. Recommended: 200, 206, or course in social theory.

SCHOOL AND GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

BUSINESS ADMINISTRATION

BA 371 COOPERATIVE EDUCATION IN BUSINESS (2, MAX. 6)

Business practicum: one- or two- quarter internship with approved business or government agency. Open only to students who meet requirements of the internship program. Internship credit may not be applied to fulfill specific course requirements or to 180 credits required for graduation. Offered on a credit/no credit basis only.

MANAGEMENT AND ORGANIZATION

Human Resources Management - Organizational Behavior

HRMOB 450 LEADERSHIP AND DECISION MAKING (4)

Focuses on the manager as leader and decision maker. Different leadership theories, styles, and behaviors are examined. Different decision-making models and techniques are explored. Prerequisite: junior standing or above.

HRMOB 470 MOTIVATION AND PERFORMANCE (4)

Different strategies for influencing employee motivation and performance are reviewed. Included are reward systems, goal-setting procedures, and various techniques to enlarge and enrich one's job. The effects of these formal and informal strategies on job attitudes are examined. Prerequisite: junior standing or above.

HRMOB 550 LEADERSHIP (3)

Various theories of leadership are reviewed and critiqued. These include trait theories, leader behavior theories, and situational theories. The concept of leadership is examined within the broader framework of power - how power is gained, lost, and distributed within organizations. Prerequisite: permission of the graduate office.

HRMOB 555 EMPLOYEE ATTACHMENT TO THE ORGANIZATION (3)

Theory, research, and practice on selected topics such as employee turnover, absenteeism, organizational commitment, job involvement, socialization, career management, and organizational climate are examined. These concepts are discussed from the standpoint of prediction, understanding, and control. Prerequisite: permission of the graduate office.

HRMOB 560 NEGOTIATIONS (3)

Analyzes the strategy used in negotiations other than labor-management bargaining for the purpose of developing skills necessary to devise a negotiation strategy appropriate to the situation. Learning methods include negotiation of contracts in simulated business settings, case studies, and readings. Prerequisite: permission of the graduate office.

MARKETING

MKTG 570 INTERNATIONAL MARKETING (3)

Analysis of the marketing strategies and tactics of multinational corporations. Choice of entry strategies for foreign markets, analyzing international competition at home and abroad, and developing global marketing strategies. Prerequisite: 500; recommended: one international business course.

SCHOOL OF DENTISTRY

ORAL MEDICINE

ORALM 404 CONSIDERATIONS IN CARE OF THE PATIENT WITH A DISABILITY (*, MAX. 6)

Topics relating to the role of auxiliaries in dental treatment of the special patient including psychosocial issues, communication techniques, wheelchair transfers; dental prevention, medical and dental management of specific disabilities; drug therapy, sedation, and anesthesia. Prerequisite: permission of instructor.

ORALM 460 CLINICAL MANAGEMENT OF PATIENTS WITH DISABILITIES (*, MAX. 10)

Participation in chair/bedside dental treatment of a broad range of disabled populations, including homebound and institutionalized patients. Prerequisites: 404 and permission of instructor.

COLLEGE OF EDUCATION

EDUCATIONAL CURRICULUM AND INSTRUCTION

EDC&I 488 EDUCATIONAL TECHNOLOGY AND LEARNING IN ALTERNATIVE SETTINGS (3)

Examination of how educational technology can be used to encourage learning in nonschool environments such as museums, radio and television broadcasts, parks and recreation centers, and distance education programs. Students investigate one of these areas and prepare a project.

SPECIAL EDUCATION

EDSPE 561 ASSESSMENT OF PRESCHOOL HANDICAPPED CHILDREN (3)

Students learn to select, administer, interpret, and prepare written reports on appropriate classroom tests for preschool-aged handicapped children.

INDEPENDENT STUDY, RESEARCH, AND FIELD EXPERIENCE

EDUC 423 EDUCATING DIVERSE GROUPS (3)

Provides background information on socioethnic/cultural diversity in United States; its impact on decision making in school structure, school programming, administration. Socioeconomic, ethnic minority, women, handicapped groups. Emphasizes educational implications of discrimination based on gender, race, ethnicity, social class, handicapping conditions. Prerequisite: admission to teacher education program or teaching experience.

COLLEGE OF ENGINEERING

INTERDEPARTMENTAL CURRICULAR PROGRAM

ENGR 275 FUNDAMENTALS OF COMPUTER OPERATING AND ORGANIZATION (4)

Organization and operation of digital computers. Representation of information, instruction formats, addressing, flow of control,

processor and system components, and soft-ware systems. The digital computer studied at various levels (microprogramming, machine, and system). Prerequisite: 141.

ENGR 280 INTRODUCTION TO SYSTEM ENGINEERING (4)

Applied general systems theory is presented as a framework for system engineering. Concepts of system hierarchies, tradeoffs, and feedback all applied in two team oriented projects. Prerequisite: 141.

ELECTRICAL ENGINEERING

EE 370 INTRODUCTION TO DIGITAL SYSTEMS AND COMPUTERS (4)

Introductory course in digital logic, Boolean algebra, combinational and sequential circuits, design and operation of digital computers including ALU, memory, I/O, and control. Computer operation and organization including instruction formats, addressing, and stacks.

EE 375 DISCRETE MATHEMATICS FOR COMPUTER ENGINEERING (3)

Symbolic logic, set theory, algebraic structures, groups and formal languages, graphs, lattices and Boolean algebra, finite fields, and computability with computer engineering applications.

EE 500 GRADUATE SEMINAR (1, MAX. 3)

Weekly seminars on current topics in electrical engineering. More than one section may be offered in a given quarter. No more than three credits can be applied to meet departmental graduation requirements.

EE 529 SEMICONDUCTOR OPTICS AND OPTICAL DEVICES (3)

Energy states in semiconductors and simple perturbations; absorption processes; optical constants; radiative and non-radiative transitions; processes occurring at p-n junctions; luminescence and stimulated emission; photovoltaic effects; design of practical light-emitting diodes, semiconductor lasers, and photodetectors; bi-stable devices. Prerequisites: 383 and one senior course in semiconductor devices, or permission of instructor.

EE 540 VLSI TESTING (3)

VLSI testing and design-for-test techniques are covered. Emphasizes reliability predictions and characterizations for integrated circuits and systems. Students test the circuits fabricated in 536 as laboratory work. Prerequisites: 535, 536.

EE 579 ADVANCED TOPICS IN ELECTROMAGNETICS, OPTICS, AND ACOUSTICS (1-5)

Topics of current interest in electromagnetics, optics, and acoustics. Content varies from year to year, based on current professional interests of faculty member in charge. May be repeated for credit. Prerequisite: permission of instructor.

INDUSTRIAL ENGINEERING

IND E 324 ENGINEERING APPLICATIONS OF LINEAR PROGRAMMING (3)

Optimization of linear systems, mathematical model design, simplex methods, primal-dual algorithms, parametric programming, network theory, integer and goal programming. Emphasis on design aspects of models with applications involving transportation, allocation, and total industrial systems. Prerequisites: MATH 328, ENGR 141.

MATERIALS SCIENCE AND ENGINEERING

MSE 599 SPECIAL TOPICS IN MATERIALS SCIENCE (1-5, MAX. 5)

Studies of special advanced topics in materials science. Prerequisite: permission of instructor.

SCIENTIFIC AND TECHNICAL COMMUNICATION

STC 501 THEORETICAL DIMENSION OF TECHNICAL COMMUNICATION (3)

Examination of theories and research drawn from a variety of fields that inform such topics as the historical and social context of technical communication, the aims of technical discourse, readability, invention and audience, audience analysis, technical style, and graphics. Prerequisite: admission to an engineering Master's program or permission of instructor.

STC 599 SPECIAL PROJECTS (1-4)

Written report required. Prerequisite: permission of program director.

STC 600 INDEPENDENT STUDY OR RESEARCH (*)

Written report required. Prerequisite: permission of program director.

STC 700 MASTER'S THESIS (*)

Prerequisite: permission of thesis advisor.

COLLEGE OF FOREST RESOURCES

FOREST RESOURCES MANAGEMENT

FRM 310 PHYSICAL ASPECTS OF THE FOREST ENVIRONMENT (5)

Micrometeorology (radiation, energy budgets), fire physics, soils (weathering, soil formation, physics, chemistry, water flow), and forest hydrology (watersheds, water budgets, runoff). Relationships to forest productivity. Five laboratories, five field trips.

FRM 321 FOREST BIOLOGY I (5)

Introduction to regional forest biology, taxonomy, life histories, genetics and physiology of forest trees and shrubs. Classification and life histories of forest insects and other animals.

FRM 370 SOCIAL FUNCTIONS OF FOREST ECOSYSTEMS (3)

Introduction to structure and function of forest ecosystems; resources as social functions; role of social institutions in modifying ecosystem structure and processes; multiresource case studies and field trips.

FRM 420 FOREST BIOLOGY III (3)

Disturbance effects on forest species, composition, structure and function on both geologic (glacial epoch) and higher frequency scales. Biotic (wildlife, insects, and diseases) and abiotic (weather, soil movement, fire) disturbances are discussed relative to forest management. Occasional field trips.

FRM 461 FOREST MANAGEMENT AND ECONOMICS II (4)

Basic concepts of timber harvest scheduling, sustained yield models, contemporary analytical techniques, timber supply, and

forest products markets. Prerequisites: 460 and Q SCI 340 or equivalent.

FRM 495 SENIOR PROJECT (5)

Individual study of a forest resources management problem under the direction of a faculty member. Prerequisites: 471; approved plan of study and permission of major advisor; generally taken in last quarter of residence.

INTERSCHOOL/INTERCOLLEGE PROGRAMS

QUANTITATIVE SCIENCE

Q SCI 597 SEMINAR IN QUANTITATIVE ECOLOGY (1, MAX. 9)

Lectures and discussions of current problems in quantitative ecology. Credit/no credit only.

UNIVERSITY CONJOINT COURSES

UCONJ 501 INTERNATIONAL HEALTH EDUCATION (1)

Weekly two-hour seminar provides in-depth and concrete preparation for international health work involving extensive use of case studies; a problem-solving format; and time for teaching practical skills and tools relevant to clinical, epidemiological, and laboratory needs. Each seminar prepared and presented by a faculty/student team.

GRADUATE SCHOOL OF LIBRARY AND INFORMATION SCIENCE

LIBR 513 MANAGEMENT OF AUTOMATED SYSTEMS IN LIBRARIES (3)

Developing criteria for selection and design of computer systems for libraries and information centers. Applying criteria in evaluation of hardware and software. Examining related management challenges such as vendor relations, financing options, personnel requirements, and design of auxiliary activities. Prerequisites: 501, 503, or permission of instructor.

LIBR 594 COLLECTION DEVELOPMENT (3)

Access to materials as context for development and management of library collections in academic, public, school libraries. Community analysis, library mission; collection development policies, criteria, principles, levels, responsibilities; aids to selection; collection evaluation, use studies; controversial, difficult materials. Major issues, research, trends. Prerequisites: 500, 501, or permission of instructor.

SCHOOL OF MEDICINE

MICROBIOLOGY AND IMMUNOLOGY

MICRO 522 CURRENT RESEARCH IN MICROBIOLOGY (1)

Weekly student and faculty seminar presentations based on the current literature. May be repeated for credit. Credit/no credit only. Prerequisite: graduate standing in microbiology.

OPHTHALMOLOGY

OPHTH 501P OPTHALMOLOGY PRECEPTORSHIP (1)

Individualized experiences with one or more of the full-time faculty members of the department covering research, teaching, and patient care. Student observes activities in the clinic, hospital ward, operating room, and research laboratories. Prerequisites: first- or second-year medical student and permission of instructor.

SURGERY

SURG 505P PRECEPTORSHIP IN SURGERY (1)

Opportunity for first- and second-year medical students to gain personal experience with clinical faculty members in the community. Students observe general aspects of private practice, including clinical problems seen; practice limitation; doctor-doctor, doctor-patient, and doctor-nurse relationships in the office and hospital. Prerequisite: permission of department.

SCHOOL OF NURSING

PARENT AND CHILD NURSING

PCN 512 ADVANCED PRACTICUM IN PERINATAL NURSING I (2-10)

Clinical practicum/seminar provides opportunity to develop expertise in nursing care of childbearing family. Opportunities for developing proficiency in comprehensive nursing assessment, prescription, implementation, and evaluation of nursing therapies in collaboration with other health-care providers. Prerequisite: graduate standing or permission of instructor.

PCN 529 PERINATAL PHYSIOLOGIC ADAPTATIONS (3)

Analysis of normal physiologic and anatomic changes in the pregnant woman and fetal-neonatal development physiology. Emphasis on implications for perinatal nursing practice. Examination of the research basis for selected nursing management strategies. Prerequisite: graduate standing or permission of instructor.

SCHOOL OF PHARMACY

PHARMACY PRACTICE

PHARM 497 DRUG THERAPY FOR THE ELDERLY (3)

Current knowledge of effects of aging on clinical use of drugs for elderly and aged patients. Lectures and readings emphasize drugs of choice and drug therapy monitoring. Case studies illustrate use of multiple drug regimens in treatment of multiple pathologies. Prerequisite: 415 or 484 or permission of instructor.

SCHOOL OF PUBLIC HEALTH AND COMMUNITY MEDICINE

HEALTH SERVICES

HSERV 537 TOPICS IN MATERNAL AND CHILD HEALTH I (2)

Historic, legislative, structural, and economic basis for maternal and child health services in the United States. Seminar format, in which students critically review assigned readings and prepare questions for class discussion. Prerequisite: graduate standing or permission of instructor.

W COURSES OFFERED AUTUMN QUARTER 1987

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983 or later must complete 10 credits of courses designated "W." W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses taught Autumn Quarter 1987 have been designated as W courses.

SPORTS SKILLS CLASSES FOR AUTUMN QUARTER 1987

Sports skills instruction classes are available through the Department of Recreational Sports Programs (IMA) on a noncredit basis for a class registration fee. Classes are open to all regularly enrolled students and to faculty/staff who are eligible facility users. Specific information on fees, dates, and times will be available at the IMA building after September 1, 1987. Registration will be October 5, 6, and 7, from 7:45 a.m. to 6:00 p.m. in Meeting Room A of the IMA building. If spaces are still available, registration will continue in the IMA administration office from 8:00 a.m. to 4:30 p.m., Monday through Friday. Disabled students are encouraged to participate in sports skills classes and should contact the Sports Skills Office.

AEROBIC DANCE	GOLF (registration at golf range)	RACQUETBALL	SKIING
AEROBIC EXERCISE	GYMNASTICS	ROLLERSKATING	SWIMMING
ARCHERY	HYDRO-AEROBICS	SKIN AND SCUBA DIVING	TAE KWON DO
BADMINTON	JUDO	SOCCER	TENNIS
CONDITIONING	PICKLEBALL	SPRING BOARD DIVING	VOLLEYBALL
DANCE - BALLET, JAZZ		SQUASH	WEIGHT TRAINING
FENCING			

The majority of classes are held at the IMA; others are held in the HEC Edmundson Pavilion or Hutchinson Hall (upper campus). Equipment is provided or can be checked out from the main issue window for most of the classes. Aerobic classes are offered daily from 7:10 a.m. to 6:30 p.m. You may sign up for two-, three-, or five-day-a-week sessions.

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Distance Learning office provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Distance Learning courses are separate from residence tuition and are \$35 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Distance Learning credit should consult his or her departmental advisor prior to enrolling in a Distance Learning course. Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 3001 25th N.E., or by telephoning 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).
