## STAR REGISTRATION

The University of Washington's touchtone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. STAR registers students in course sections immediately and accommodates subsequent course adds and course drops, immediate alternative section availability if the requesting sections are closed or cancelled, spoken listing of confirmed registration schedule, and open/closed status of course sections. The touchtone telephone registration system is available through the fifth class day of the quarter.

## REGISTRATION PERIOD I

May 4-June 14  
via STAR  
6 a.m. to 12 midnight, Monday-Friday  
STAR is closed May 29 for Memorial Day.

**ELIGIBILITY.** This period is open only for continuing students currently enrolled Spring Quarter 1989. Priority registration dates are based on the projected number of credits students will have completed by the end of Spring Quarter 1989. Students may call STAR on, or after, their registration dates to register and make changes to their schedules. The priority registration schedule follows:

- Any day.....Graduates and Professionals
- May 4, 5.....Disabled students only as designated by the Disabled Student Services Office.
- May 8-12.....Freshmen (1-44 credits)
- May 15-19.....Seniors (135 or more credits)
- May 15-19.....Postbaccalaureates (fifth-yr)
- May 22-26.....Juniors (90-134 credits)
- May 30-June 2.....Sophomores (45-89 credits)
- June 5-14.....Open to all continuing students.

## REGISTRATION CONFIRMATION AND ID CARDS WILL BE MAILED ON SEPTEMBER 1.

Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

## REGISTRATION PERIOD II

June 15-September 21  
via STAR  
6 a.m. to 12 midnight  
Monday-Friday  
STAR closes at 6 p.m. on September 21.

STAR is closed for holidays on July 4 and September 4, and on September 22 for production of class lists.

**ELIGIBILITY.** This period is primarily for newly admitted students and returning former students. Advising/registration notice of dates are mailed to newly admitted or readmitted students. Students may register on, or after, their date. Continuing students may access STAR any day during this period.

## REGISTRATION CONFIRMATION AND ID CARDS.

If registered June 15 through August 29, Registration Confirmation and ID cards will be mailed on September 1.

If registered August 30 through September 8, Registration Confirmations and ID Cards will be mailed September 13.

If registered September 11 through 21, Registration Confirmations and ID Cards will not be mailed but may be picked up in person in the Registration Office, second floor, Schmitz Hall after 10 a.m. on the weekday morning following a call to STAR before 5:30 p.m. the prior day. If STAR is called after 5:30 p.m., the Registration Confirmation and ID Card will be available two working days after 10 a.m. in the Registration Office.

Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

## CHANGE OF REGISTRATION CONFIRMATIONS.

Registration Change Confirmations will be mailed periodically after August 29. Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

## REGISTRATION PERIOD III

via STAR  
September 23-24  
Saturday and Sunday  
12 noon to 12 midnight

September 25-29  
Monday-Friday  
6 a.m. to 12 midnight  
STAR closes for the quarter at 6 p.m. September 29  
or via  
Sections Satellites 8 a.m. - 5:30 p.m.  
209 HUB  
264 Schmitz  
Health Sciences T-Wing

**ELIGIBILITY.** This period is open to all students for late registration and for changes to registration schedules. A \$25 late registration fee is assessed and billed to students registering during this week, except for faculty/staff tuition exempt and ACCESS students. No fee is assessed for changes of registration.

Students are encouraged to register and complete changes to registration earlier in this period to avoid being blocked from reaching STAR on September 29 due to heavy phone usage. (Additional fees for changes of registration go into effect Monday, October 2)

**ADD GUIDELINES.** Students may add a section without permission through the fifth class day unless the class is full or requires permission, in which case an entry code is required. The Registrar's Office will accept course overload authorization up to 115% of classroom capacity when the student presents an entry code from either the instructor or other authorized person in the department.

**NEW REGISTRATION CONFIRMATION AND ID CARDS.** Registration Confirmations and ID Cards will not be mailed but may be picked up in person in the Registration Office, second floor, Schmitz Hall after 10 a.m. on the weekday morning following a call to STAR before 5:30 p.m. the prior day. If STAR is called after 5:30 p.m., the Registration Confirmation and ID Card will be available two working days after 10 a.m. in the Registration Office.

**CHANGE OF REGISTRATION CONFIRMATIONS.** Registration change confirmations will be mailed on October 2. Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

## EXCEPTION PERIOD

October 2-December 6  
Sections Office, 264 Schmitz  
8 a.m.-5 p.m. Monday-Friday

This period is open for registration transactions which are due to unusual circumstances; exceptions are made to allow students to late add and drop courses. A \$20 fee is assessed for changes of registration. New registrants are assessed \$25 through October 6, and \$75 beginning October 9.

**ADDING COURSES.** From October 2 through the remainder of the quarter, an add will be approved **only under** unusual circumstances. Students must obtain departmental authorization signatures

using Add/Drop cards. All Add/Drop cards must be submitted in person at the Sections Office.

From October 2-27, course adds will be accepted with departmental authorization signatures but only up to 105% of the classroom capacity of the course section.

From October 30-December 6, course adds require the signatures of both the instructor and the department chairperson of the department offering the course. Registration will not be permitted if enrollment has reached 100% of classroom capacity.

**DROPPING COURSES.** Refer to Grading Information Related to Registration section.

### NONMATRICULATED STUDENTS

September 20, 6 a.m. to midnight, via STAR

September 21, 6 a.m. to 6 p.m. via STAR

Because nonmatriculated students register after all other students, enrollment may be closed in such areas as: mathematics, English composition, beginning foreign languages (particularly French and Spanish), business, and art.

Nonmatriculated students who register after September 21 will be charged a \$25 late registration fee if registering by the tenth day of the quarter, and \$75 after the tenth day of the quarter.

### FACULTY/STAFF TUITION EXEMPTION

September 15-UW Faculty/Staff Tuition Exemption

Request Card due in Sections.

September 20, 6 a.m. to midnight, registration via STAR

September 21, 6 a.m. to 6 p.m. registration via STAR

**APPROVAL REQUIRED.** With the approval of their department administrator, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other matriculated students have registered.

**ADMISSION STATUS.** Faculty/staff members who enroll must be officially admitted by the Office of Admissions by the regular admission closing date; July 1 is the closing date for Autumn Quarter. Faculty/staff members who are former students returning either in the same classification or as nonmatriculated students should apply at the Registration Office, window 7, second floor, Schmitz Hall.

**HOW TO REGISTER.** Mail, or present in person, an appropriately signed UW Faculty/Staff Tuition Exemption Request Card to Sections Office, 264 Schmitz, Mailstop PD-10. This card must be received no later than September 15 to insure the tuition exemption status will be recognized when STAR is called this quarter. Complete the STAR Work Sheet before calling in. **FACULTY AND STAFF WILL NOT BE PERMITTED TO CONVERT TO THE TUITION EXEMPTION PROGRAM IF THEY HAVE ALREADY REGISTERED FOR AUTUMN QUARTER PRIOR TO September 20, AND THEY WILL BE REQUIRED TO PAY REGULAR TUITION FOR THOSE**

If using a Merlin phone on the UW campus to call STAR, press the # sign key twice to send transactions.

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

**FEE PAYMENT.** The \$5 registration fee will be billed, but only if registration has successfully occurred. Do not send a \$5 payment until a bill has been received.

**LATE REGISTRATION.** If registration or drop/add is necessary the first week of the quarter, use STAR or one of the Sections satellites. The late registration fee will not be assessed during this period for faculty and staff in the tuition exemption program.

### ACCESS PROGRAM FOR OLDER ADULTS

September 20

Sections, 264 Schmitz

(ACCESS Students do not Register through STAR)

Registration time is based on last name.

9-10 a.m.	F-H
10-11 a.m.	I-L
11-12 noon.	M-O
12-1 p.m.	P-R
1-2 p.m.	S
2-3 p.m.	T-Z
3-4 p.m.	A-B
8-9 a.m.	C-E

September 21, 8 a.m. - 5 p.m., open to any ACCESS student who missed their previous registration time.

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes, as auditing students, on a space-available basis. The fee is \$5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. A transcript is not maintained. Students who attend the University under the Access program are limited to two courses per quarter.

For information on mail-in registration or about the program in general, telephone UW Extension, 543-2300, between 8 a.m. and 5 p.m., weekdays.

### REGISTRATION ELIGIBILITY

#### CONTINUING STUDENT GUARANTEED ELIGIBILITY.

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (See General Catalog).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter not included) will not be eligible to register as continuing students for the third quarter, and must reapply as former students returning to the University.

If an undergraduate does not enroll for one or more quarters, or if a graduate goes on-leave, s/he must file an application for readmission with the Registrar's Office, second floor, Schmitz Hall, window 3. Undergraduates must include payment of the \$25 application fee. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

**NEW STUDENTS.** Students new to the University or applying for a new classification should contact the Office of Undergraduate Admissions for undergraduate and/or postbaccalaureate (fifth-year) standing, or the Office of Graduate Admissions for graduate standing. Application closing date is July 1 for new students entering from high school, and for all other new and former students.

**RETURNING FORMER STUDENTS.** Returning former students not enrolled in Spring quarter and on-leave graduates must apply for readmission. A \$50 enrollment service fee will be required of each eligible applicant. Former graduate students who did not request an on-leave status must contact the Office of Graduate Admissions. Space is limited, and enrollment quotas will be filled on a first-paid, first-served basis. Application closing date is July 1.

### ACADEMIC ADVISING

Students are strongly encouraged to see an academic adviser to discuss their educational objectives, to assess progress toward completion of requirements, and to learn procedures involved in registering at the University. It is wise for students to make appointments with advisers and to have ideas of courses they would like to take by reviewing the *General Catalog* and the quarterly *Time Schedule* before the advising session. If students fail to maintain contact with their advisers and problems develop with degree programs, these problems are the students' responsibilities. The consequence may be additional time to complete degree programs.

**1. TOUCHTONE TELEPHONE.** Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Your touchtone phone acts as a computer keyboard, enabling you to enter your course requests just as if you were sitting at a computer terminal. Within minutes, you will know your confirmed schedule.

**2. CALLING STAR.** STAR is available, during published registration dates and times. STAR is closed on holidays and may close earlier than 12 midnight on a few days to produce registration confirmations, ID cards, and instructors' class list. If STAR does not answer your call, it is not in operation. If the phone line is busy, all lines are being used. Call back later. You may call STAR during, or after, your initial registration date to add, drop, check section status, etc.

**3. VOICE RESPONSE.** A voice response will guide you after each transaction. If you do not understand a response or instruction and would like it repeated, press the star key (\*) first, and then the number sign key (#).

**4. IF YOU MAKE A MISTAKE.** If you make a mistake before finishing an entry, press the star key and the number sign key (\*#), and your entry will be discarded.

**5. TO SPEED UP YOUR REGISTRATION.** To expedite your registration, you may enter data during the voice response. Be cautious about doing this, since you may miss some important information such as when and where to obtain your Registration Confirmation and ID Card.

**6. DISCONNECT ACTION.** Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. You may immediately call back to STAR.

**7. TRANSACTIONS.** The transactions you enter on your touchtone telephone communicate to the computer what action to take (such as add a course, drop a course, check a section status, etc.) and what data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = Hear a spoken listing of your assigned courses
- S = Check the open or closed status of a course
- T = Terminate your call and get information on how to obtain your Registration Confirmation and ID card
- \* = Star key; used to separate data
- # = Number sign key; used to send transactions that you enter

**8. ENTRY CODES.** Entry codes are five digit random numbers issued to you by academic departments as authorization to enroll in restricted course sections. Academic departments have the ability to establish varying levels of enrollment control for course sections in each registration period, or they can maintain the same level of control throughout.

Courses requiring entry codes are designated with the symbol > to the left of the schedule line number (SLN) in the *Time Schedule*. Please note that departments reserve the right to require entry codes whether the course is so designated in the *Time Schedule* or not. Usually information on where to obtain entry codes is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the *Time Schedule*.

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to readd the section.

When you use an entry code to register, it becomes a part of your registration record, and is visible with your name on computer terminal screens. Entry codes are valid only through the fifth day of the quarter.

Beginning the sixth day, you must obtain departmental authorization signatures to add courses using standard Add/Drop cards. These cards must be submitted in person at the Sections Office, 264 Schmitz Hall, and a \$20 change fee will be assessed.

**9. LECTURE/LAB/QUIZ/CONFERENCE.** These are combined under one SLN for each possible combination of time and day. On STAR, when you register for a course SLN associated with a lecture, lab and/or quiz or conference, you will be registered for all the lecture, lab, quiz or conference combination as listed under one SLN in the *Time Schedule*.

**10. ALTERNATE SELECTIONS.** If the section requested is closed you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly *Time Schedule*). You can then immediately select an alternate section to be added to your schedule. Have a pencil ready and be prepared to write down schedule line numbers (SLN) and meeting times of alternate sections.

**11. TIME CONFLICT.** You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want two time-conflicting courses, you must add the second course, in person, at Sections in 264 Schmitz during any registration period, or at one of the satellites during Registration Period III. Time conflicts of more than one hour require instructors' signatures for both courses involved.

**12. REGISTRATION HOLDS.** If you have a hold on your registration, you will not be permitted to complete your registration until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released.

**13. ELECTING S/NS GRADING OPTION.** You may register for a course on STAR, but you must go in person to Sections, 264 Schmitz, or to one of the satellites during Registration Period III, to elect the Satisfactory/Not Satisfactory grading option.

**14. AUDIT.** Audit registrations will not be processed by STAR, but must be completed in person at Sections, 264 Schmitz Hall.

**15. CREDIT LIMITATIONS.** Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

**16. VARIABLE CREDITS.** Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. To change variable credits, go to Sections, 264 Schmitz.

**17. SECTION II ON STAR WORKSHEET.** Since Section II requires selection decisions only during your first telephone call this quarter, you may proceed directly from Section I to Section III through Section IX in a random manner when making subsequent calls.

STAR will not accommodate changes of your initial decisions in SECTION II. You must go in person to the Sections Office, 264 Schmitz Hall to modify selections. Faculty/staff using tuition exemption program will not be asked to make decisions for Section II.

**18. MERLIN TELEPHONE.** If using a Merlin AT&T telephone to call STAR, press the # sign key twice to send transactions.

**19. QUESTIONS.** If you have questions regarding registration, please call Sections, (206) 543-5875, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

## ADDITIONAL REGISTRATION INFORMATION AND NOTICES

**1. ADDRESS CHANGE TELEPHONE SERVICE - CALL 543-3868.** Students are responsible for notifying the Registrar's Office when their address changes. An Address Change Telephone Answering Service is available 24 hours a day, seven days a week for changes of local and permanent addresses and telephone numbers, restricting release of directory information, and where to mail registration confirmations, ID cards, tuition billing statements, and final grades. Students should always leave a forwarding address with the U. S. Postal Service whenever they move. Addresses may also be changed at the Registration Office, window 5, second floor, Schmitz Hall.

If you have applied for financial aid, you must also report your address change to the Office of Financial Aid.

**2. CLASS ATTENDANCE GUIDELINES.** To provide enrollment space for others, students who do not attend regularly scheduled class meetings during the first week of the quarter are subject to being dropped at the discretion of the teaching departments. Affected courses will be identified in the *TIME SCHEDULE* and posted in departmental offices.

Students must not assume that departments will automatically initiate a drop for nonclass attendance. Students who register for courses they do not attend are themselves responsible for officially dropping the courses through the Registrar's Office. The consequence of not officially dropping courses is a 0.0 grade.

Students should contact the instructor or teaching department if they plan to be absent any day during the first week of the quarter.

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been officially registered through the Registrar's Office. An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from the Registrar's Office.

**3. REGISTRATION TAMPERING.** A student who tampers or attempts to tamper with the registration records of another student including but not limited to dropping courses and adding courses may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 47B-120).

**4. SECURING YOUR REGISTRATION DATA.** If, for any reason, you believe that another person might tamper with your registration on STAR and you want to avoid this possibility, you may go to the Registration Office, second floor, Schmitz Hall and request a security code. Ask for the Security Code Request Form and identify the 6 digits you wish to use instead of your date of birth when accessing STAR each quarter.

**5. FULL-TIME STUDENT REQUIREMENT.** To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. However, it is important to note that differing criteria and standards for full-time enrollment exist for participatory eligibility, e.g., Veterans Administration, athletic eligibility, Bureau of Indian Affairs, Vocational Rehabilitation, and various forms of financial aid. Information on full-time requirements of the Veterans Administration and the Immigration and Naturalization Service may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

**6. OVERLOAD GUIDELINES.** For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Registrar's Office monitors course enrollments throughout the quarter according to the following guidelines:

a. Through the fifth class day, students may add a section without permission unless the class is full or requires permission; then an entry code is required. The Registrar's Office will accept course overloads up to 115% of classroom capacity when the student presents an entry code from either the instructor or authorized person in the department.

b. From the second through the fifth week, overload authorization signatures will be accepted up to 105% of classroom capacity.

c. Beginning the sixth week, no course registration will be accepted without co-signatures by both the instructor and the department chairperson. Registration will not be permitted if enrollment has reached 100% of classroom capacity.

**7. \$20 CHANGE-OF-REGISTRATION FEE.** The \$20 change-of-registration fee is assessed uniformly for all registration schedule changes made after the fifth class day of each quarter. The \$20 fee is a service charge, not a penalty.

There is no charge for changes made in Registration Periods I, II and III. This "free" period gives students an incentive to complete their schedule before the quarter is too far advanced.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and complete a petition for a refund. The petition will be sent to the Dean of your college for a decision. You will be notified of the decision by the Registrar's Office. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

**8. COMPLETE WITHDRAWAL FROM THE UNIVERSITY.** (dropping all courses for the quarter). It is the student's responsibility to withdraw completely if he or she is unable to attend for the quarter. Students must write the Withdrawal Office, 264 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195, or withdraw in-person at 264 Schmitz Hall. Complete withdrawal for the quarter is not available via STAR.

Tuition owed will be based upon the date the complete withdrawal is received in the Withdrawal Office. No withdrawals are accepted after the last day of instruction for the quarter.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on the student's UW transcript; however, the date of the complete withdrawal is recorded.

Students are required to turn in their student ID cards when they withdraw from the University and are not eligible to continue using University services or facilities after their withdrawal.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

**The forfeiture schedule for completely withdrawing from the University is as follows:**

a. Students withdrawing before the sixth day of the quarter do not pay tuition. New and returning students forfeit their \$50 enrollment service fee.

b. Students withdrawing on the sixth day through the thirtieth calendar day continue to owe one-half of their tuition.

c. Students withdrawing after the thirtieth calendar day continue to owe full tuition.

d. Students whose registrations are cancelled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

e. International students who are registered for and English as a Second Language course must make a separate request for a refund for that course by contacting the ESL Office in 102 Lewis Hall at the same time they withdraw from the University.

**9. UNDERGRADUATE SATISFACTORY PROGRESS.** Students admitted to the University to pursue baccalaureate degrees are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of

credits. Refer to the *GENERAL CATALOG* for additional information.

**10. STUDENT DIRECTORY INFORMATION.** The University will routinely release student directory information, unless requested otherwise by the student. Directory information is defined as student's name, address, telephone number, date and place of birth, major field of studies, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended by the student.

**11. DISCLOSURE OF STUDENT RECORDS.** As a general rule the University will not release a student's education records to a third party without written consent of the student. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus, and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records.

**12. FOLLOWING RULES AND REGULATIONS.** It is the University's expectation that a student will follow University rules and regulations as they are stated in the *GENERAL CATALOG*. In instances where no appeal procedure is spelled out and the student believes that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

**13. EQUAL OPPORTUNITY.** The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

**14. SEXUAL HARASSMENT GRIEVANCE PROCEDURE.** Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283  
Human Rights Office, (206) 543-7217  
Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

**15. INTERNATIONAL STUDENTS** must subscribe to the student insurance plan unless they are covered by another plan. Refer to the *STUDENT INSURANCE* section for more details.

**16. DISABLED STUDENTS.** Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services (DSS), 482 Schmitz, 543-8924, 543-8925 TDD, for information on equipment services, accessibility, and accommodations to meet individual needs.

Students with disabilities who require special accommodations for science labs, internships, etc., should contact the DSS Coordinator and the academic adviser of that department immediately to work out appropriate services.

The STAR Work Sheet and Instructions are available from DSS in alternate media, including tape recording, large print and braille. Students with disabilities which would limit their ability to use STAR may register through DSS or at the Sections Office, 264 Schmitz Hall.

**17. ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW).** The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office students must be members. Student's membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union Building.

**18. PLACEMENT CENTER.** The Placement Center provides comprehensive career and job search information and services for students and alumni to facilitate their transition from academic programs of the UW to the broader society. Services are available to UW students and alumni who are registered with our office. Registration is free for students; alumni must pay applicable fees for the period of time during which services are desired.

Types of services offered include individual career counseling, job search seminars, a career information library, a Minority Job Placement Program, on-campus interviews, job opportunity bulletins, a placement/credential file service, and career and degree-related summer jobs/internships. To participate in the on-campus interview program, students must attend an orientation session. For more information, please come by the Placement Center at 301 Loew Hall, FH-30, or call (206)543-0535.

**DROP COURSE GRADES AND RESTRICTIONS**

Instructor's signature is not required for dropping courses.

**UNDERGRADUATES.** Undergraduate students who drop courses receive no entry on their academic record if the drop is made during the first two weeks of the quarter, except if all courses are dropped, then a university withdrawal date is entered on the student's record.

Drops made during the third and fourth weeks of the quarter will be recorded with a "W." Refer to deadlines shown in the Student Action Guide on the following page.

After the fourth week, only a limited number of drops are permitted as determined by the number of credits earned at the University. While completing the first 44 credits at the University, a student has three drops permitted after the fourth week. Any of these three drops not used at the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary.

No drops may be made after the last day of instruction (December 6).

**GRADUATE STUDENTS.** Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W."

No drops are permitted after the seventh week of instruction.

**HARDSHIP WITHDRAWAL.** Hardship withdrawals are for dropping individual courses only. The \$20 change of registration fee will be assessed. (See section on Complete Withdrawal from the University for procedure to follow for dropping all courses for the quarter)

Students may petition the Registrar for a hardship withdrawal if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the drop deadline. See the *General Catalog* for complete information.

**SATISFACTORY/NOT SATISFACTORY**

Students may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Advisers should be consulted, and in no case are undergraduate students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter.

Students may register for the course on STAR, but they must go in person to Sections in 264 Schmitz Hall to elect the S/NS grade option. STAR will not accommodate the S/NS grade option.

For undergraduates, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to

"S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected during initial registration or added or dropped during the first five days of the quarter.*

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

**CREDIT/NO CREDIT COURSES**

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

**AUDITORS**

STAR is not available for audit registration, which must be completed in person at Sections, 264 Schmitz Hall. Registration is available during any of the registration periods. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on the space available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after the second week of the quarter.

**INCOMPLETE GRADE**

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students **must not reregister for courses in which they have received an Incomplete**, since a grade earned in a repeat course will not be recorded as an incomplete conversion grade. See the *General Catalog* on Incomplete conversion deadlines.

**GRADE APPEAL PROCEDURE**

See the *General Catalog*, page 25, for appeal procedure.

# TUITION/BILLING INFORMATION AND STUDENT INSURANCE

## QUARTERLY TUITION SCHEDULE

Autumn 1989, Winter 1990, Spring 1990

The tuition schedule had not been approved by the Washington Legislature at publication time of the Autumn 1989 *Time Schedule*.

The tuition schedule will be mailed to students with their Registration Confirmations and ID Cards on September 1 and 13. After September 8, students may pick up a copy of the tuition schedule in the Registration Office, second floor, Schmitz Hall.

### Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

## TUITION FORFEITURES OR REFUNDS

Students will be billed for the number of credits, including audit hours, on their programs at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter.

Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition associated with that course.

Courses dropped after the thirtieth calendar day receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

Course drops become effective the date received and processed on STAR, in the Sections Office-264 Schmitz, or through the Department Registration Screen used in academic departments.

## TUITION PAYMENT GUIDELINES

1. It is the student's responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify the student's responsibility for payment by the due date.

2. You should indicate selection of your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

3. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in #4 below.

4. If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee as follows:

Past Due Balance	Late Fee
Over \$100	\$30
\$30-\$100	\$10
Less than \$30	\$ 0

If payment has not been received in the Student Accounts and Scholarships Office by this time, your registration will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

5. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) No reregistration will be possible after the

last day of instruction. *Please note: Even if your registration is cancelled you will continue to owe one-half of your tuition.*

6. Credit cards and credit card checks are not accepted.

7. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter.

## APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

## STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. UW students (except those enrolled in programs administered by UW Extension and UW employees attending classes under the employee tuition exemption program) who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the plan.

Students may sign up for the plan when they register for classes. If students are registered for classes by their academic departments, and no plan is indicated, they will be enrolled in the student only quarterly plan. The insurance premium will be included on the quarterly tuition statements and must be paid by the quarterly tuition-due date. In most cases Financial Aid will not pay insurance directly so students must make sure the premium is paid on time. There is no late payment period for the insurance premium.

If students are billed for student insurance and wish to add, cancel, or change coverage, complete the appropriate section on the remittance advice copy of the billing statement and pay the revised amount, or make payment in person at the Student Accounts and Scholarships Office by the tuition-due date.

International students must subscribe to the student insurance plan unless they are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the 2nd floor Information Window in Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

## WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. Students may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

## WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization. Students may choose to support WashPIRG by contributing \$2.00 each quarter. Support for WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

Questions concerning the examination schedule should be directed to Room Assignments, 543-1080.

# NEW COURSES FOR AUTUMN QUARTER 1989

The following list includes new courses that will be offered Autumn Quarter 1989, which were added to the University curriculum after publication of the 1988-90 General Catalog. Consult the appropriate academic department for information on courses not listed below.

## COLLEGE OF ARCHITECTURE AND URBAN PLANNING

### PREPROFESSIONAL

**CAUP 498 SPECIAL PROJECTS (1-12, MAX. 12)**  
Instructor-initiated and college-approved systematic study and offering of specialized subject matter. Topics vary and are announced in preceding quarter. Entry code required.

### ARCHITECTURE

**ARCH 418 WATERCOLOR DRAWING (3)**  
Principles and practice of using transparent watercolor for the naturalistic representation of objects, people, and interior and exterior space.

### URBAN DESIGN AND PLANNING

**URBDP 422 GEOGRAPHIC INFORMATION SYSTEMS IN PLANNING ANALYSIS (3)**  
Principles of geographic information systems applied to problems encountered in planning, landscape, architecture, and general land use. Emphasizes practical problem-solving using existing computer software (ARC/INFO, GRASS). Use of GIS for siting, environmental evaluation, and wetlands inventories explored. Prerequisite: 420 which may be taken concurrently or permission of instructor.

## COLLEGE OF ARTS AND SCIENCES

### AMERICAN ETHNIC STUDIES

**AES 150 INTRODUCTORY HISTORY OF AMERICAN ETHNIC GROUPS (5)**  
Survey of the history of African Americans, Asian Americans, Chicanos, and Native Americans in the United States.

**AES 214 SURVEY OF AFRO-AMERICAN LITERATURE (5)**  
Chronological survey of Afro-American literature in all genres from its beginnings to the present day. Emphasizes Afro-American writing as literary art; the cultural and historical context of Afro-American literary expression and the aesthetic criteria of Afro-American literature. Joint with ENGL 214.

**AES 250 RACE IN THE AMERICAN UNIVERSITY (5)**  
Racial integration in American institutions of higher education. Entry to, and impact on, American universities by people of color. History of ethnic studies and its relation to other disciplines. Recommended: 150, 151.

### *Chicano Studies*

**CHSTU 255 MEXICAN WOMEN: PAST AND PRESENT (5)**  
Survey of women in Mexican society from Meso-American times to the 1940's.

**CHSTU 260 INTRODUCTION TO CHICANO POLITICS (5)**  
Surveys the political position and activities of Mexican American people in the United States from two perspectives: (1) Chicanos as objects of the political process of United States life; (2) contributions of the Chicano people to United States politics.

**CHSTU 356 THE CHICANO FAMILY (5)**  
The historical, psycho-social, and socio-cultural role of the Chicano Family from Meso-American times to the present.

### ANTHROPOLOGY

**ANTH 331 NORTHWEST COAST INDIAN ARTS (5)**  
Joint with ART H 331. See Art History for description.

### APPLIED MATHEMATICS

**AMATH 400 METHODS OF ENGINEERING ANALYSIS (3)**  
Applications of mathematics to problems in chemical engineering; vector calculus: properties and methods of solution of first and second order partial differential equations; similarity transforms, separation of variables, Laplace and Fourier transforms. Joint with CH E 400. Prerequisites: MATH 205, MATH 238, MATH 327 or permission of instructor.

### ART HISTORY

**ART H 331 NORTHWEST COAST INDIAN ARTS (5)**  
Introduction to arts of Indians of the Pacific Northwest from precontact to present. Themes explored include diversity of artistic expression; cultural contexts; styles; artists' responses to foreign trade and settlement; and ways in which art may reflect historical developments in the lives of the Indians. Joint with ANTH 331.

**ART H 598 MASTER'S PRACTICUM (\*, MAX. 15)**

### BIOLOGY

**BIOL 150 BIOLOGY: THE ORGANISM (5)**  
Fundamentals of living systems, with emphasis on organisms. Selected organisms, both animal and plant, examined in detail to explore how structure is related to function, and how the whole is integrated into a successful individual.

**BIOL 476 CONSERVATION BIOLOGY (3)**  
Joint with ENV S 476. See Environmental Studies for description.

### BOTANY

**BOT 575 TRANSPORT PROCESSES IN PLANTS (3)**  
Analysis of pathways and mechanisms of water, ion, and sugar transport in higher plants, from a biophysical understanding of membrane properties, water potential, and electrophysiology to whole plant control of water status, nutrient transport and carbon allocation. Prerequisites: BIOL 210, 211, 371, 372 or permission of instructor; recommended: 441.

**DRAMA****DRAMA 305 COMPUTERS IN THE THEATRE (5)**

Computing and information systems as problem solving tools for the theatre. Analysis of problems in theatre production and scholarship, with approaches to solutions through computing. Database, spreadsheet, and CAD system applications in the practice and study of lighting and scenic design, theatre management, and research in theatre history and criticism.

**ECONOMICS****ECON 602 TEACHING INTRODUCTORY ECONOMICS (1)**

Examines problems encountered in preparing and presenting courses in introductory economics and offers practice in classroom teaching.

**ENGLISH****ENGL 214 SURVEY OF AFRO-AMERICAN LITERATURE (5)**  
Joint with AES 214. See American Ethnic Studies for description.**ENGL 281 INTRODUCTION TO AMERICAN POLITICAL CULTURE (5)**

Introduction to the methods and theories used in the analysis of American culture. Emphasizes an interdisciplinary approach to American literature, including history, politics, anthropology, and mass media. Joint with POL S 281.

**ENVIRONMENTAL STUDIES****ENV S 476 CONSERVATION BIOLOGY (3)**

Explores biological, managerial, economic, and ethical concepts affecting survival of species. Applications of ecology, biogeography, population genetics, and social sciences for the preservation of species in the face of widespread global habitat modification, destruction, and other human activities. Joint with BIOL 476. Prerequisite: 204 or BIOL 472 or equivalent.

**ENV S 555 LAKE MANAGEMENT (2)**

Joint with CEWA 555. See Civil Engineering for course description.

**GEOGRAPHY****GEOG 360 PRINCIPLES OF CARTOGRAPHY (5)**

Origins, development, and methods of cartography. Principles of data representation and map design for thematic and topographic mapping. Introduction to the use of computers for mapping.

**GERMANICS****GERM 321 INTRODUCTION TO GERMAN STUDIES (5)**

The German quest for national identity and the conflict of unity and division. Reading from literature, history, politics, and anthropology. Prerequisite: reading knowledge of German.

Content varies. Prerequisite: permission of instructor.

**MATHEMATICS****MATH 307,308,309 LINEAR ANALYSIS I,II,III (3,3,3)**

Ordinary differential equations, Laplace transform, series solutions, systems of linear equations, vector space  $R^n$ , systems of linear differential equations, stability, partial differential equations, Fourier series, orthogonal bases, projections, inner products. Prerequisites: 126 for 307, 307 for 308, 308 for 309.

**MUSIC*****Music*****MUSIC 464 JAZZ LABORATORY (1, MAX. 9)**

Forum for testing new technical skills, improvisational techniques, and jazz compositions and/or arrangements in a formal laboratory setting. Prerequisite: concurrent registration in MUSAP 400 or higher, or permission of instructor.

**PHYSICS****PHYS 341 ENERGY: CONSUMPTION PATTERNS, FOSSIL FUELS, AND CONSERVATION (3)**

Survey of energy use, especially in the United States. Fossil fuels, with emphasis on resource availability, and on greenhouse effect and other environmental consequences. Methods for reducing consumption through conservation. Prerequisites: 121,122,123.

**POLITICAL SCIENCE****POL S 281 INTRODUCTION TO AMERICAN POLITICAL CULTURE (5)**

Joint with ENGL 281. See English for description.

**PSYCHOLOGY**

**PSYCH 354 INTRODUCTION TO COGNITIVE SCIENCE (5)**  
Discusses and compares approaches to cognition taken by psychology, computer science (artificial Intelligence), philosophy, linguistics, and anthropology. Relevant basic material in the neurosciences also presented. Prerequisite: enrollment in College Studies Program, or introductory course in one of the disciplines listed above.

**PSYCH 500 LABORATORY IN STATISTICAL COMPUTATION I (2)**  
Techniques of statistical computation using statistical software on personal computers and mainframe computers. Organization of data files, transformations of variables, graphical representations of data, descriptive statistics, elementary inferential statistical analyses. Prerequisites: at least one undergraduate course in statistics or probability and concurrent enrollment in 513, or permission of instructor

**ROMANCE LANGUAGES AND LITERATURE****Spanish**

**SPAN 333 LATIN AMERICAN FILM (5)**  
Introduction to major issues in the study of Latin American cinema from various national contexts. Prerequisites: 200 or 206; junior or senior standing; one or more upper-division course relevant to Women Studies; prior completion of the course (or equivalent) to be tutored; permission of instructor.

**SCHOOL AND GRADUATE SCHOOL OF BUSINESS ADMINISTRATION****INFORMATION SYSTEMS**

**IS 300 MANAGEMENT INFORMATION SYSTEMS (4)**  
Fundamentals of information systems, what they are, how they affect organizations. Technical and organizational foundations of information systems, building information systems, managing information system resources. Laboratory emphasizes using computer to analyze, coordinate, solve organizational decision-making problems. Prerequisite: admission to School of Business Administration or permission of undergraduate office.

**SCHOOL OF DENTISTRY****ORAL MEDICINE**

**ORALM 564 DENTAL CARE OF THE DISABLED (DECOD) I (\*, MAX. 10)**  
Advanced topics in rehabilitation dentistry including psychosocial issues; characteristics and needs of patients with specific disabilities; patient management and use of portable equipment; drug therapy, sedation and anesthesia; dental prevention, and emergency procedures. Seminars and self-directed study. Prerequisite: permission of instructor.

**ORALM 584 DENTAL CARE OF THE DISABLED (DECOD) III (\*, MAX. 10)**  
Field practice in community outreach to facilities and agencies serving disabled populations. Includes observation, dental screenings, patient education and in-service training of direct care staff. Prerequisite: 404 or 664.

**ORALM 664 DENTAL CARE OF THE DISABLED (DECOD) II (\*, MAX. 10)**  
Practicum in chair/bedside delivery of dental care to different disabled populations. Includes rotations to institutions, long-term care facilities, and homebound service, using mobile equipment. Prerequisites: 564 and permission of instructor.

**COLLEGE OF EDUCATION****INDEPENDENT STUDY, RESEARCH, AND FIELD EXPERIENCE**

**EDUC 551 EDUCATIONAL INQUIRY: UNDERSTANDING THE ALTERNATIVES (3)**  
Acquaints doctoral students with ways in which educational inquiry is currently conducted and with the rationales which have been articulated in support of the various approaches. Also considers the utility, strengths, and shortcomings of those approaches. Prerequisite: doctoral student status in education.

**COLLEGE OF ENGINEERING****CHEMICAL ENGINEERING**

**CH E 400 METHODS OF ENGINEERING ANALYSIS (3)**  
Joint with AMATH 400. See Applied Mathematics for course description.

**CIVIL ENGINEERING****Transportation, Surveying, and Construction Engineering**

**CETS 506 DESIGN OF TEMPORARY STRUCTURES IN CONSTRUCTION (3)**  
Fundamental criteria to be considered in the design of various temporary structures in construction. Temporary structures include rock crushing plants, belt conveying systems, concrete forms, cellular fill cofferdams, braced cofferdams. Manual and computer aided design approaches. Prerequisite: 406 which may be taken concurrently, CESH 486 or equivalent, or permission of instructor.

**Environmental Engineering and Science**

**CEWA 555 LAKE MANAGEMENT (2)**  
Application of recognized techniques/approaches to restore and

manage eutrophic lakes. Includes critiques of restoration proposals. Joint with ENV S 555. Prerequisites: 434, BIOL 473, or permission of instructor.

## MATERIALS SCIENCE ENGINEERING

MSE 700 MASTER'S THESIS (\*)

## COLLEGE OF FOREST RESOURCES

### FOREST RESOURCE MANAGEMENT

FRM 503 ADVANCED FOREST STAND DYNAMICS (3)

Emphasizes current research and sources of knowledge about forest stand development and responses to manipulations. Development of pure and mixed species forests, even-aged and uneven-aged stands. Responses to disturbances, interactive changes with time, patterns and responses to manipulation, growth and yield quantification. Prerequisite: previous ecology courses.

## INTERSCHOOL/INTERCOLLEGE PROGRAMS

### UNIVERSITY CONJOINT COURSES

UCONJ 525 OVERVIEW OF FACULTY RESEARCH IN NEUROBIOLOGY (1)

Reviews research topics currently being studied in neurobiology. Student preparation consists of reading pertinent articles published on each topic. Prerequisite: first year graduate student in neurobiology.

UCONJ 526 INTRODUCTION TO LABORATORY RESEARCH IN NEUROBIOLOGY (4)

Students become familiar with, and assist in, the performance of research on ongoing projects in designated laboratories. Emphasis on employed methodology and techniques. Prerequisite: first year graduate students in neurobiology.

UCONJ 530 AIDS: A MULTIDISCIPLINARY APPROACH (2)

Comprehensive overview of the public health, clinical and laboratory aspects of AIDS. Topics include the pathogenesis, natural history, and management of human immunodeficiency virus (HIV) infections. The impact of AIDS on community and global health care and prospects for prevention and control.

## SCHOOL OF MEDICINE

### MEDICAL HISTORY AND ETHICS

MHE 402 NORMATIVE ETHICAL THEORY (5)

Development of moral thought from Hobbes through Nietzsche, with particular emphasis on the ethical writings of David Hume, Immanuel Kant, and Jeremy Bentham. Recommended: one course in ethics.

## COLLEGE OF OCEAN AND FISHERY SCIENCES

### FISHERIES

FISH 310 BIOLOGY OF SHELLFISH (5)

Commercially important mollusca and crustacea highlighted with respect to systematics, anatomy, reproductive strategies, feeding,

and growth. Basic management and/or aquaculture efforts for key species; several major fisheries that highlight variability in recruitment and landings, management of species with complex life cycles. Laboratories, field trips. Prerequisites: ten biology/zoology credits.

FISH 498 INTERNSHIP/EXPERIENTIAL LEARNING (1-9, MAX. 9)

Structured, practical training in the fishing industry, government agencies and other areas utilizing fisheries, food science, or quantitative science expertise. Experiences are supervised and evaluated. Written reports required. Prerequisite: permission of faculty advisor.

### FOOD SCIENCE

FD SC 450 FOOD ENGINEERING FOR ENGINEERS (3)

Scientific and engineering principles of food engineering, including catching, harvesting, transporting, storing, processing, packaging, and distributing food and food products. Of particular concern are the design and operation of processing machinery and equipment for these unit processes and operations. Prerequisite: senior or graduate student in engineering, food science, or fisheries.

### MARINE STUDIES

IMS 514 MARINE POLLUTION MANAGEMENT ISSUES (3)

Management aspects of marine pollution, emphasizing two-way interaction between environmental managers and environmental and policy scientists which ideally shapes policy. Recommended: familiarity with marine science or ocean policy or pollution control policy.

## PUBLIC HEALTH AND COMMUNITY MEDICINE

### EPIDEMIOLOGY

EPI 519 EPIDEMIOLOGY OF CARDIOVASCULAR DISEASE (3)

Principles, methods, and issues in the epidemiology of cardiovascular disease. Focuses on coronary heart disease and its major risk factors; also covers other topics such as stroke and sudden death. The format includes informal lectures and discussions of the current literature. Prerequisites: 511 or 512-513.

### HEALTH SERVICES

HSERV 598 EXTENDED DEGREE PROGRAM PROJECT OPTION (\*, MAX. 9)

Supervised project work on a selected topic related to student's concentration in graduate study. Includes survey of literature, development of approach, and written paper on conclusions. Prerequisites: registration in extended MPH degree program and satisfactory completion of the first summer's course work.

# COLLEGE STUDIES COURSES OFFERED AUTUMN QUARTER 1989

Students in the College of Arts and Sciences who elect to fulfill their general education requirement through College Studies must complete three sequences of 1 credit each in Natural Science, Social Science, and Humanities/Fine Arts from the College Studies list. The following courses taught Autumn Quarter 1989 belong to various College Studies sequences.

## FRESHMEN INTEREST GROUP COURSES OFFERED AUTUMN QUARTER 1989

By signing up in the Arts and Sciences Advising Office for one of the cluster of courses listed below, you will become a member of a small group of about 2 freshmen who share similar academic instructors, and a peer adviser, who will meet with the group each week to discuss areas of common interest and life at the University. Many special sessions are planned by each group, such as discussions with professors, tours of campus resources and social events.

The English course, which will consist of the members of your group only, will satisfy part of the College proficiency requirements.

Freshman Interest Groups (FIGs) are a good way to get to know other students in your classes and to build a cooperative learning environment.

### REGISTRATION:

In person registration (only) is October 2, 3, and 4, 1989 from 7:45AM to 6:00PM at the Intramural Activities Building (IMA), Meeting Room A. Bring your Autumn Quarter Student ID Card or IMA Facility Use Card (Faculty/Staff) and pay when you register. Register throughout the quarter at the Golf Range for all golf classes, 543-8759.

# Independent Study by Correspondence

Distance Learning offers University of Washington courses through independent study by correspondence. These courses are self-paced. Students complete the required assignments and examinations on their own schedule. The minimum completion time is two months.

Although you cannot enroll in these courses through STAR, you can enroll for a course at any time (not just at the beginning of a quarter) and have up to a year from that date to finish the coursework.

A regularly-enrolled UW student who wishes to register for additional courses through Distance Learning should consult with a departmental adviser to verify applicability to his/her academic program. Fees for Distance Learning courses are separate from Autumn Quarter tuition and are \$45 per credit.

Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning (206) 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).

# GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

- Department
- Entry code required symbol (>), if appropriate
- Schedule line number
- Honors (H), or New Course (%), as appropriate
- Writing Course meeting University requirement (W)
- (B), means both honors and writing
- Course number
- Section designation
- Section type--laboratory, quiz, or conference
- Credits--listed with lecture section only; slash (/) means or; 2.5 means 2 1/2 credits; hyphen (-) means to; VAR means variable credit and any number of credits may be elected (however, fractional credit registration--e.g., 1/2 credit--cannot be processed for variable credit courses where the credit may vary from student to student in a single quarter)

- Course title
- Day(s) of meeting (ARR means "to be arranged")
- Time of meeting
- CR/NC ONLY means course offered for credit/no credit grading only

- Remarks
- Term designation--if a or b term
- Classes taught in the same classroom at the same time--students register and receive credit for one course only (example: ARAB 312 with ARAB 472)
- Place of meeting (\*\* means "to be arranged")
- Name of instructor

# GUIDE TO CLASSROOM LOCATIONS

The three letter abbreviation is spoken on STAR and accompanied by the classroom number when the list schedule transaction (L#) is performed. The classroom abbreviation is also printed with the classroom number on your printed Registration Confirmation. Refer to the campus map located near the back cover of your UW General Catalog.
