The listing of courses contained in this Time Schedule is a preliminary list provided for planning purposes. The University reserves the right to (1) add or delete courses from its offerings, (2) change times, days, or locations of courses, (3) change academic calendars, or (4) cancel any courses for insufficient registration or academic/administrative decision without notice. All announcements in the Time Schedule are subject to change without notice and do not constitute an agreement between the University of Washington and the students.

IBM announces an enhancement to the PS/2.

A high-speed loan.

If you're like most students, you're often running on empty when it comes to ready cash. That's why we've come up with the IBM PS/2[®] Loan for Learning. It's easy. It's fast. And it's affordable.

Interest rates are substantially lower than those of most consumer loans. Just 1.5% above the Prime Rate (as published in *The Wall*

Street Journal).

Qualified students (or their parents), faculty and staff[†] can borrow from \$1,500 to \$8,000 for the purchase of an IBM Personal System/2.^{®*} The one-page application makes it as easy as applying for a credit card.

Pay for your PS/2 in easy bites. Take five years to repay. Choose from two payment plans: Standard (fixed) or Graduated. Under the Graduated plan, you pay as little as \$33.32 a month** for a PS/2 Model 30 286 preloaded with software.

Here's the smart way to get the money you need, for the PS/2 you need. Visit your campus outlet for an application or call the Nellie Mae Loan Hotline at 1 (800) 634-9308.

See the PS/2 Family at the Micro/Workstation Showroom, Parrington Hall Room 1. For a personal demonstration, call Mike Stout at 828-7711.

[†]The loan offer is available only to qualified students, faculty and staff who purchase IBM PS/2's through participating campus outlets.

^{*}Applicants must have a combined minimum annual income of \$20,000 to be eligible.

^{**}The monthly payment is based upon 100% financing repaid in 60 monthly installments based on the chart below and includes the 1% guarantee fee. The interest rate is variable, subject to change each month.

| Amount Financed | Months | Months | Months | APR |
|-----------------|---------|---------|---------|--------|
| \$2,322.22 | 1-12 | 13-36 | 37-60 | 12.37% |
| | \$33.32 | \$42.90 | \$76.68 | |

AUTUMN QUARTER 1990 STUDENT ACTION GUIDE

REGISTRATION

- May 14-June 15.....Registration Period I.
 August 31.....Registration Confirmations and ID Cards mailed for registrations to date.
 June 18-September 28.....Registration Period II.
 September 27.....STAR closes at 6 p.m. for preparation of Instructor's Class Lists.
 September 29-October 12...Registration Period III.
 October 12.....STAR closes at 6:00 p.m..
 October 12.....Last day entry codes are valid to add a course.
 October 12.....Last day to register or add a course for Autumn 1990.
 October 15-November 16...Period IV - Drops only.
 October 22.....Winter Quarter *Time Schedule* available.
 November 13.....Winter Quarter Registration Begins.

ADDING/DROPPING COURSES OR UNIVERSITY WITHDRAWAL

- October 5.....Last day for Autumn Quarter complete withdrawal from the University without owing tuition or fees.
 October 5.....Last day for graduate students to apply for on-leave status.
 October 5.....Last day to make change to or from S/NS grade option.
 October 7.....Last day to add or drop a course through STAR without being assessed a \$20 change fee and possible tuition forfeiture.
 October 8-30.....One-half tuition due if officially withdrawing completely from the University for Autumn Quarter.
 October 12.....Last day to add a course.
 October 12.....Last day to drop a course without entry on transcript. (W and week designation is assigned beginning October 15).
 October 12.....Last day to change to/or from audit grade option.
 October 31-December 12...Full tuition due if withdrawing completely from the University for Autumn Quarter.
 November 16.....Last day to drop a course.
 December 12.....Last day to withdraw completely from the University (dropping all classes for Autumn Quarter).
 December 12.....Last day to re-register if cancelled for non-payment of tuition (additional \$75 fee assessed).

TUITION/FEE ASSESSMENTS AND DEADLINES

- September 29-October 12...\$25 late fee assessment to late register.
 October 1.....Tuition statements mailed to all registered students.
 October 8.....\$20 change fee assessment to add and/or drop a course begins.
 October 8.....\$5 fee assessment for replacement of University of Washington student ID Card begins.
 October 8-30.....One-half tuition due if withdrawing completely from the university for Autumn Quarter.
 October 15.....\$75 late registration fee assessment begins. (Registration will be permitted only in rare circumstances.)
 October 19.....Tuition payment deadline for all registered students.
 October 19.....Student Insurance payment deadline.
 October 22-26.....Late-payment period (requires a late-payment fee).
 October 30.....Thirtieth calendar day (see *Tuition Forfeitures or Refunds* section).
 October 31-December 12...Full tuition due if withdrawing completely from the university for Autumn Quarter.
 December 12.....Last day to re-register if cancelled for non-payment of tuition (additional \$75 fee assessed).

APPLICATION DEADLINES

- October 12.....Last day to return approved applications for credit by examination to 248 Schmitz.
 October 16.....Applications for Arts and Sciences baccalaureate degrees for Autumn Quarter 1990 must be submitted to B10 Padelford.
 October 19.....Applications for baccalaureate degrees and certificates (all schools and colleges) to be conferred Autumn Quarter 1990 must be submitted to Graduation Office, 207 Schmitz.
 Fifth week of quarter.....Credit by examination (students must make arrangements with the Educational Assessment Center, 543-1170).
 October 31.....Last day to hand-deliver an application for resident status for Autumn Quarter 1990 to Residence Classification Office, 209 Schmitz. Applications that are mailed must be postmarked October 31.

GRADES

- October 15.....W grade and week designation for dropped courses begins.
 December 28.....Grades for Autumn Quarter 1990 mailed to students.

STAR REGISTRATION

The University of Washington's touchtone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. STAR registers students in course sections immediately and handles subsequent course adds and course drops, lists alternative sections available if the requested sections are closed or cancelled, provides a spoken listing of the confirmed registration schedule, and reports the open/closed status of specified course sections.

REGISTRATION PERIOD I

Via STAR
 Monday-Friday: May 14-June 15
 6 a.m. to 12 midnight
 STAR is closed May 28 for Memorial Day.

ELIGIBILITY. This period is open only for continuing students currently enrolled Spring Quarter 1990. Priority registration dates are based on your completed credits plus Spring Quarter 1990 credits registered in as of May 10. You may call STAR on, or after, your registration date to register and make changes to your schedule. The priority registration schedule follows:

| | | |
|----------------------|---|------------------|
| Any day | Graduates and Professionals | |
| May 14 | Disabled students only as designated by the Disabled Student Services Office. | |
| May 15, 16, 17 | Freshmen | (1-44 credits) |
| May 18, 21, 22 | Seniors | (135 credits) |
| May 18, 21, 22 | Postbaccalaureates | (fifth-year) |
| May 23, 24, 25 | Juniors | (90-134 credits) |
| May 29, 30, 31 | Sophomores | (45-89 credits) |
| June 1-15 | Open to all continuing students | |

REGISTRATION CONFIRMATION AND ID CARDS WILL BE MAILED ON AUGUST 31. Call 543-3868 to record your correct address. You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

REGISTRATION PERIOD II

Via STAR
 Monday-Friday: June 18-September 28
 6 a.m. to 12 midnight
 STAR is closed July 4 and September 3 for holidays.

ELIGIBILITY. This period is primarily for newly admitted students and returning former students. Advising/registration notice of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may access STAR any day during this period.

REGISTRATION CONFIRMATION AND ID CARDS. If you register by August 28, your Registration Confirmation and ID Card will be mailed on August 31.

If you register after August 28, your Registration Confirmation and ID Card will be mailed in two working days. Call 543-3868 to record your correct address.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

CHANGE OF REGISTRATION CONFIRMATIONS. Registration Change Confirmations will be mailed periodically. You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

REGISTRATION PERIOD III

Via STAR
 Saturday/Sunday: September 29, 30, October 6, 7
 12 noon to 12 midnight
 Monday-Thursday: October 1-5, 8-11
 6 a.m. to 12 midnight
 Friday: October 12
 6 a.m. to 6 p.m.
 or via
 Registration Office, 225 Schmitz
 (open for transactions not accommodated by STAR)
 Monday-Friday: October 1-5, 8-12
 8 a.m. to 5:00 p.m.

ELIGIBILITY. This period is open to all students for late registration and changes to registration. A \$25 late registration fee is assessed and billed to students registering for the first time, except for faculty/staff tuition exempt and Access students.

You are encouraged to register and complete changes to registration early in this period to avoid additional fees and being blocked from reaching STAR due to heavy phone usage.

\$20 CHANGE FEE. A \$20 change fee will be assessed for any number of add and/or drop transactions processed during a given day beginning Monday, October 8. This fee will be billed to students.

ADD GUIDELINES. Friday, October 12 is the last day to add a course for Autumn Quarter 1990. You may add a section of a course without instructor's permission unless the class is full or requires an entry code.

STAR will accept entry codes for course overload authorization only up to 115% of classroom capacity to compensate for expected course drops. So even though you received an entry code from the department, there is no guarantee that you can register in the course. If you have received an entry code to add a course, enter the data on your touchtone telephone in the following sequence:

| | | | | |
|----------------------------|---|---------------------------------------|--|----------------------------|
| Add | Schedule Line | Star | Entry Code | Number |
| | Number | Key | | Sign Key |
| <input type="checkbox"/> A | <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> | <input checked="" type="checkbox"/> * | <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> | <input type="checkbox"/> # |

COURSE DROPS. You may drop courses during this period and receive no entry on your academic transcript, except if you completely drop all courses, and then a complete withdrawal date is recorded on your transcript. Some departments may require entry codes to drop courses.

WORKING STUDENTS ASSISTANCE. If you need assistance with non-STAR accommodated transactions and you work during the day, you may call the Registration Office at 543-8580 and make arrangements to have a staff person stay no later than 5:30 p.m. to assist you.

PERIOD IV - FOR DROPS ONLY, NO ADDS ACCEPTED

Via STAR
 October 15-November 16
 6 a.m. to 12 midnight
 STAR is closed November 12 for Veterans Day.

ELIGIBILITY. This period is open for dropping courses only. A \$20 change fee will be assessed for all changes occurring during the same day.

DROP GUIDELINES. A course drop made during this period will be recorded on your academic transcript with a "W" and a number designating the week of the quarter in which you dropped the course.

FACULTY/STAFF TUITION EXEMPTION

Procedures for this program may change as a result of recent legislation permitting classified state of Washington employees access to space available courses.

University of Washington employees will be informed of procedures no later than September 1.

ACCESS PROGRAM FOR OLDER ADULTS

Contact University of Washington Extension, 543-2300, weekdays between 8:00 a.m. and 5:00 p.m., for program and registration information.

REGISTRATION ELIGIBILITY

CONTINUING STUDENTS GUARANTEED ELIGIBILITY.

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (See *General Catalog*).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter not included) will not be eligible to register as continuing students for the third quarter, and must reapply as former students returning to the University.

If an undergraduate does not enroll for one or more quarters, or if a graduate goes on-leave, s/he must file an application for readmission with the Registration Office, 225 Schmitz Hall. Undergraduates must include payment of the \$25 application fee. Information on admission closing dates is available at the Registration Office, 225 Schmitz Hall, or by calling 543-5920.

NEW STUDENTS. Students new to the University or applying for a new classification should contact the Office of Undergraduate Admissions for undergraduate and/or postbaccalaureate (fifth-year) standing, or the Office of Graduate Admissions for graduate standing. Application closing date is July 1 for new students entering from high school, and for all other new and former students.

RETURNING FORMER STUDENTS. Returning former students not enrolled in spring or summer quarter and on-leave graduates must apply for readmission. A \$25 application fee is charged, and a \$50 Enrollment Confirmation Deposit will be required of each eligible applicant. Former graduate students who did not request an on-leave status must contact the Office of Graduate Admissions. Space is limited, and enrollment quotas will be filled on a first-paid, first served basis. Application closing date is July 1.

ACADEMIC ADVISING

Students are strongly encouraged to see an academic adviser to discuss their educational objectives, to assess progress toward completion of requirements, and to learn procedures involved in registering at the University. It is wise for students to make appointments with advisers and to have ideas of courses they would like to take by reviewing the *General Catalog* and the quarterly *Time Schedule* before the advising session. If students fail to maintain contact with their advisers and problems develop with degree programs, these problems are the students' responsibilities. The consequence may be additional time to complete degree programs. Advising offices are generally open Monday-Friday, 8:00 a.m. - 4:30 p.m.

UNIVERSITY OF WASHINGTON

Call 543-9000, 24 hours a day, 7 days a week
(Outside the area, call (206) 543-9000)

TALIS is a touchtone telephone audio library service of the University of Washington that answers most commonly asked questions. These messages are free, although, there will be a charge if you are calling long distance.

HOW TO USE TALIS:

1. Using a touchtone telephone, call TALIS at 543-9000.
2. After the greeting, press the 3 digit code followed by # associated with the information you desire.
3. You may go directly to another message at any time by pressing the associated 3 digit code followed by #.
4. When you are finished, just hang up.
5. Our courteous staff will be happy to answer any additional questions, 8AM - 5PM, weekdays.

HOW TO USE STAR

1. TOUCHTONE TELEPHONE. Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Your touchtone phone acts as a computer keyboard, enabling you to enter your course requests just as if you were sitting at a computer terminal. Within minutes, you will know your confirmed schedule.

2. CALLING STAR. STAR is available during published registration dates and times. STAR is closed on holidays and may close earlier than 12 midnight on a few days to produce registration confirmations, ID cards, and instructors' class list. If STAR does not answer your call, it is not in operation. If the phone line is busy, all lines are being used. Call back later. You may call STAR during, or after, your initial registration date to add, drop, check section status, etc.

3. VOICE RESPONSE. A voice response will guide you after each transaction. If you do not understand a response or instruction and would like it repeated, press the star key (*) first, and then the number sign key (#).

4. IF YOU MAKE A MISTAKE. If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

5. TO SPEED UP YOUR REGISTRATION. To expedite your registration, you may enter data during the voice response. Be cautious about doing this, since you may miss some important information.

6. DISCONNECT ACTION. Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. You may immediately call back to STAR.

7. TRANSACTIONS. The transactions you enter on your touchtone telephone communicate to the computer what action to take (such as add a course, drop a course, check a section status, etc.) and what data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = Hear a spoken listing of your assigned courses
- S = Check the open or closed status of a course
- T = Terminate your call.
- * = Star key; used to separate data
- # = Number sign key; used to send transactions that you enter

8. ENTRY CODES. Entry codes are five digit random numbers issued to you by academic departments as authorization to enroll in restricted course sections. Academic departments have the ability to establish varying levels of enrollment control for course sections in each registration period, or they can maintain the same level of control throughout.

Courses requiring entry codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule. Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain entry codes is found in the body of the Time Schedule, either as a comment before the course listing or just after the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

When you use an entry code to register, it becomes a part of your registration record, and is visible with your name on computer terminal screens. Entry codes are valid for adding a course only through the second week of the quarter.

9. LECTURE/LAB/QUIZ/CONFERENCE. These are combined under one SLN for each possible combination of time and day. On STAR, when you register for a course SLN associated with a lecture, lab and/or quiz or conference, you will be registered for all the lecture, lab, quiz or conference combination as listed under one SLN in the Time Schedule.

10. ALTERNATE SELECTIONS. If the section requested is closed you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You can then immediately select an alternate section to be added to your schedule. Have a pencil ready and be prepared to write down schedule line numbers (SLN) and meeting times of alternate sections.

11. TIME CONFLICT. You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want two time-conflicting courses, you must add the second course, in person, at the Registration Office, 225 Schmitz. Time conflicts of more than one hour require instructors' signatures for both courses involved.

12. REGISTRATION HOLDS. If you have a hold on your registration, you will not be permitted to complete your registration until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released.

13. ELECTING S/NS GRADING OPTION. You may register for a course on STAR, but you must go in person to the Registration Office, 225 Schmitz to elect the Satisfactory/Not Satisfactory grading option.

14. AUDIT. Audit registrations will not be processed by STAR, but must be completed in person at the Registration Office, 225 Schmitz Hall.

15. CREDIT LIMITATIONS. Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

16. VARIABLE CREDITS. Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. To change variable credits, go to the Registration Office, 225 Schmitz.

17. SECTION II ON STAR WORKSHEET. Since Section II requires selection decisions only during your first telephone call this quarter, you may proceed directly from Section I to Section III through Section IX in a random manner when making subsequent calls.

STAR will not accommodate changes of your initial decisions in SECTION II. You must go in person to the Registration Office, 225 Schmitz Hall to modify selections. Faculty/staff using tuition exemption program will not be asked to make decisions for Section II.

18. MERLIN TELEPHONE. If using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

19. QUESTIONS. If you have questions regarding registration, please call Registration, (206) 543-5875, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

University Of Washington
Student Telephone Assisted Registration (STAR)

Autumn Quarter 1990 STAR Work Sheet

I. Always access STAR with these four steps.

- Call STAR **5 4 8 - S T A R** (If calling long distance, precede STAR number with 1-206)
(On UW campus call, 9-548-STAR)
7 8 2 7
- Enter Quarter Code **4** 4 = Autumn
- Identify yourself by entering your student ID #
- Enter your birth date or assigned security code as six digits, followed by **#** (Example: 04-16-68 for April 16, 1968)
(For security of your record, do not record your date of birth or your security code on this worksheet.)

| | | |
|------------|--------|-------------------|
| 1 | ABC 2 | DEF 3 |
| GHI 4 | JKL 5 | MNO 6 |
| PRS 7 | TUV 8 | WXY 9 |
| * Star Key | OPER 0 | # Number Sign Key |

SECTION I

II. You will only be asked to provide this information during your first telephone call to STAR each quarter. Make your entry when the STAR voice asks for each selection.

1. STUDENT HEALTH INSURANCE INSURANCE OPTIONS (For descriptions, refer to Time Schedule)

| | |
|--|---|
| 0 (Zero) = No Insurance | 5 = Student Annual Insurance |

SECTION IV

VIII. To exit STAR or to terminate call and receive information on Registration Confirmation and ID Cards:

Exit Code T Number Sign Key #

SECTION VIII

1. ADDRESS CHANGE TELEPHONE SERVICE - CALL 543-3868. Students are responsible for notifying the Registrar's Office when their address changes. An Address Change Telephone Answering Service is available 24 hours a day, seven days a week for changes of local and permanent addresses and telephone numbers, restricting release of directory information, and where to mail registration confirmations, ID cards, tuition billing statements, and final grades. Students should always leave a forwarding address with the U. S. Postal Service whenever they move. Addresses may also be changed at the Registration Office, 225 Schmitz Hall.

If you have applied for financial aid, you must also report your address change to the Office of Financial Aid.

2. CLASS ATTENDANCE GUIDELINES. To provide enrollment space for others, students who do not attend regularly scheduled class meetings during the first week of the quarter are subject to being dropped at the discretion of the teaching departments. Affected courses will be identified in the *TIME SCHEDULE* and posted in departmental offices.

Students must not assume that departments will automatically initiate a drop for nonclass attendance. Students who register for courses they do not attend are themselves responsible for officially dropping the courses through the Registrar's Office. The consequence of not officially dropping courses is a 0.0 grade.

Students should contact the instructor or teaching department if they plan to be absent any day during the first week of the quarter.

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been officially registered through the Registrar's Office. An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from the Registrar's Office.

3. REGISTRATION TAMPERING. A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

4. SECURING YOUR REGISTRATION DATA. If, for any reason, you believe that another person might tamper with your registration on STAR and you want to avoid this possibility, you may go to the Registration Office, second floor, Schmitz Hall and request a security code. Ask for the Security Code Request Form and identify the 6 digits you wish to use instead of your date of birth when accessing STAR each quarter.

5. FULL-TIME STUDENT REQUIREMENT. To be considered full-time, an undergraduate or professional student must register for 12 credits and a graduate student must register for 9 credits. However, it is important to note that differing criteria and standards for full-time enrollment exist for participatory eligibility, e.g., veterans benefits, athletic eligibility, Bureau of Indian Affairs, Vocational Rehabilitation, and various forms of financial aid. Information on full-time requirements of the Department of Veterans Affairs may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

Full-time requirements of the Immigration and Naturalization may be obtained at the International Services Office, 459 Schmitz.

6. OVERLOAD GUIDELINES. For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Registrar's Office monitors course enrollments throughout the quarter according to the following guidelines:

a. Through the tenth class day, students may add a section without permission unless the class is full or requires permission; then an entry code is required. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.

b. No course adds are accepted after the 10th class day of the academic quarter.

7. \$20 CHANGE-OF-REGISTRATION FEE. The \$20 change-of-registration fee is assessed for any number of add or drop transactions processed during a given day beginning the sixth class day of each quarter. The \$20 fee is a service charge, not a penalty.

There is no charge for changes made in Registration Periods I, II and the first week of Period III. This "free" period gives students an incentive to complete their schedule before the quarter is too far advanced.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and complete a petition for a refund. The petition will be sent to the Dean of your college for a decision. You will be notified of the decision by the Registrar's Office. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

8. COMPLETE WITHDRAWAL FROM THE UNIVERSITY. (Dropping all courses for the quarter). It is the student's responsibility to withdraw completely if he or she is unable to attend for the quarter. Students must write the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195, or withdraw in-person at 225 Schmitz Hall. Complete withdrawal for the quarter is not available via STAR.

Tuition owed will be based upon the date the complete withdrawal is received in the Registration Office. No withdrawals are accepted after the last day of instruction for the quarter.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on the student's UW transcript; however, the date of the complete withdrawal is recorded.

Students are required to turn in their student ID cards when they withdraw from the University and are not eligible to continue using University services or facilities after their withdrawal.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

The forfeiture schedule for completely withdrawing from the University is as follows:

- a. Students withdrawing before the sixth day of the quarter do not pay tuition. New and returning students forfeit their \$50 enrollment confirmation deposit.
- b. Students withdrawing on the sixth day through the thirtieth calendar day continue to owe one-half of their tuition.
- c. Students withdrawing after the thirtieth calendar day continue to owe full tuition.
- d. Students whose registrations are cancelled for nonpayment of fees will continue to owe the University one-half their tuition and fees.
- e. International students who are registered for an English as a Second Language course must make a separate request for a refund for that course by contacting the ESL Office in 102 Lewis Hall at the same time they withdraw from the University.

9. HARDSHIP WITHDRAWAL. Hardship withdrawals are for dropping individual courses only. The \$20 change of registration fee will be assessed. (See section on Complete Withdrawal from the University for procedure to follow for dropping all courses for the quarter).

A student may petition the Registrar for a hardship withdrawal if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the drop deadline. See the *General Catalog* for complete information.

10. UNDERGRADUATE SATISFACTORY PROGRESS. Students admitted to the University to pursue baccalaureate degrees are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the *GENERAL CATALOG* for additional information.

11. STUDENT DIRECTORY INFORMATION. The University will routinely release student directory information, unless requested otherwise by the student. Directory information is defined as student's name, address, telephone number, place of birth, major field of studies, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended by the student.

12. DISCLOSURE OF STUDENT RECORDS. As a general rule the University will not release a student's education records to a third party without written consent of the student. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus, and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records.

13. FOLLOWING RULES AND REGULATIONS. It is the University's expectation that a student will follow University rules and regulations as they are stated in the *GENERAL CATALOG*. In instances where no appeal procedure is spelled out and the student believes that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

14. EQUAL OPPORTUNITY. The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

15. SEXUAL HARASSMENT GRIEVANCE PROCEDURE. Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283
Human Rights Office, (206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

16. DISABLED STUDENTS. Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services (DSS), 482 Schmitz, 543-8924, 543-8925 TDD, for information on equipment services, accessibility, and accommodations to meet individual needs.

Students with disabilities who require special accommodations for science labs, internships, etc., should contact the DSS Coordinator and the academic adviser of that department immediately to work out appropriate services.

The STAR Work Sheet and Instructions are available from DSS in alternate media, including tape recording, large print and braille. Students with disabilities which would limit their ability to use STAR may register through DSS or at the Registration Office, 225 Schmitz Hall.

17. INTERNATIONAL STUDENTS must subscribe to the student insurance plan unless they are covered by another plan. Refer to the STUDENT INSURANCE section for more details.

18. ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW). The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, students must be members. Student's membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union Building.

19. PLACEMENT CENTER. The Placement Center provides comprehensive career and job search information and services for students and alumni to facilitate their transition from academic programs of the UW to the broader society. Services are available to UW students and alumni who are registered with our office. Registration is free for students; alumni must pay applicable fees for the period of time during which services are desired.

Types of services offered include individual career counseling, job search seminars, a career information library, a Minority Job Placement Program, on-campus interviews, job opportunity bulletins, a placement/credential file service, and career-and degree-related summer jobs/internships. To participate in the on-campus interview program, students must attend an orientation session. For more information, please come to the Placement Center at 301 Loew Hall, FH-30, or call (206)543-0535.

20. UW ID CARD. Carry your UW ID Card with you at all times since it is required for a variety of transactions and services on campus. In some situations, you may be asked to provide additional pieces of identification, one containing your photo.

Autumn Quarter 1990 Student ID Cards are NOT accepted for Summer IMA use privileges.

IF YOU DO NOT ENROLL FOR SUMMER QUARTER 1990 AND STILL WANT TO USE THE IMA DURING SUMMER QUARTER, YOU MUST RETAIN YOUR SPRING QUARTER STUDENT ID.

Your Spring Quarter student ID Card will be required to ensure you eligibility for use and for purchase of use privileges as follows: you may purchase a Summer IMA Facility Use Card for \$15.25, beginning Tuesday, May 29, 1990, or you may purchase a Single Use Ticket for \$1.75 on each occasion of use, beginning Saturday, June 23, 1990.

*Does not apply to first year professional law students.

(Subject to change without notice)

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

TUITION FORFEITURES OR REFUNDS

Students will be billed for the number of credits, including audit hours, on their programs at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter. Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition associated with that course.

Courses dropped after the thirtieth calendar day receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the Department Registration Screen used in academic departments.

TUITION/FEE ASSESSMENTS AND DEADLINES

1. It is the student's responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify the student's responsibility for payment by the due date.

2. You should indicate selection of your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

3. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in #4 below.

4. If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee as follows:

| <u>Past Due Balance</u> | <u>Late Fee</u> |
|-------------------------|-----------------|
| Over \$100 | \$30 |
| \$30-\$100 | \$10 |
| Less than \$30 | \$ 0 |

If payment has not been received in the Student Accounts and Scholarships Office by end of the late payment period, your registration for the current quarter as well as any future quarters will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

5. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) No reregistration will be possible after the last day of instruction. *Please note: Even if your registration is cancelled you will continue to owe one-half of your tuition.*

6. Credit cards and credit card checks are not accepted.

7. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. UW students (except nonmatriculated students and those

enrolled in programs administered by UW Extension and UW employees attending classes under the employee tuition exemption program) who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the plan.

Students may sign up for the plan when they register for classes. If students are registered for classes by their academic departments, and no plan is indicated, they will be enrolled in the student-only quarterly plan. The insurance premium will be included on the quarterly tuition statements and must be paid by the quarterly tuition-due date. In most cases Financial Aid will not pay insurance directly so students must make sure the premium is paid on time. There is no late payment period for the insurance premium.

If students are billed for student insurance and wish to add, cancel, or change coverage, complete the appropriate section on the remittance advice copy of the billing statement and pay the revised amount, or make payment in person at the Student Accounts and Scholarships Office by the tuition due date.

International students must subscribe to the student insurance plan unless they are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. Students may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization. Students may choose to support WashPIRG by contributing \$2.00 each quarter. Support for WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

GRADING INFORMATION RELATED TO REGISTRATION

SATISFACTORY/NOT SATISFACTORY

Students may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Advisers should be consulted, and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Students may register for the course on STAR, but they must go in person to the Registration Office, 225 Schmitz Hall to elect the S/NS grade option. STAR will not accommodate the S/NS grade option.

S/NS must be elected during initial registration or added or dropped during the first five days of the quarter.

For undergraduates, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree.

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

AUDITORS

STAR is not available for audit registration, which must be completed in person at the Registration Office, 225 Schmitz Hall. Registration is available during any of the registration periods. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on the space available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be cancelled at the discretion of the instructor. No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to/or from credit registrations after the second week of the quarter.

INCOMPLETE GRADE

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade.

To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

GRADE APPEAL PROCEDURE

See the *General Catalog*, page 25, for appeal procedure.

Autumn Quarter 1990 Examination Schedule December 13-20

The last day of instruction is Wednesday, December 12.

| Hour and day on which examination occurs, by days of class meeting in the week. | | | | | |

| 12:30 p.m. | 8:30-10:20a.m. | 8:30-10:20a.m. | 10:30-12:20a.m. | 12:30-2:20p.m. | Wednesday December 19 |
| 1:30 p.m. | 2:30-4:20p.m. | 2:30-4:20p.m. | 4:30-6:20p.m. | 6:30-8:20p.m. | Friday December 14 |
| 2:30 p.m. | 2:30-4:20p.m. | 2:30-4:20p.m. | 4:30-6:20p.m. | 6:30-8:20p.m. | Monday December 17 |
| 3:30 p.m. | 2:30-4:20p.m. | 2:30-4:20p.m. | 4:30-6:20p.m. | 6:30-8:20p.m. | Wednesday December 19 |
| 4:30 p.m. | 2:30-4:20p.m. | 2:30-4:20p.m. | 4:30-6:20p.m. | 6:30-8:20p.m. | Thursday December 13 |
| EVENING CLASSES (5:30 or thereafter) | 8-10 p.m. Thursday December 13 | 8-10 p.m. Monday December 17 | 8-10 p.m. Tuesday December 18 | 8-10 p.m. Wednesday December 19 | |
| Makeups Incomplete Removals Conflicts | When mutually agreeable to faculty members and students concerned, provided scheduled no later than Thursday December 19 | | | | |

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment. Course, term, and section information is listed in the following columnar order:

Department
 Entry code required symbol (>), if appropriate
 Schedule line number
 Honors (H), or New Course (%), as appropriate
 Writing Course meeting University requirement (W)
 (B), means both honors and writing
 Course number
 Section designation
 Credits—listed with lecture section only; slash (/) means or; 2.5 means 2 1/2 credits; hyphen (-) means to; VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e.g., 1/2 credit—cannot be processed for variable credit courses where the credit may vary from student to student in a single quarter)

Course title
 Day(s) of meeting (ARR means "to be arranged")
 Time of meeting
 CR/NC ONLY means course offered for credit/no credit grading only
 Remarks
 Term designation—if a or b term
 Classes taught in the same classroom at the same time—students register and receive credit for one course only (example: ARAB 312 with ARAB 472)
 Place of meeting (** means "to be arranged")
 Name of instructor

GUIDE TO CLASSROOM LOCATIONS

The three letter abbreviation is spoken on STAR and accompanied by the classroom number when the list schedule transaction (L#) is performed. The classroom abbreviation is also printed with the classroom number on your printed Registration Confirmation.

NEW COURSES FOR AUTUMN QUARTER 1990

The following list includes new courses that will be offered Autumn Quarter 1990, which were added to the University curriculum after publication of the 1988-90 *General Catalog*. Consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

PREPROFESSIONAL

CAUP 496 PRACTICAL EXPERIENCE (3-6, MAX. 6)
Unpaid work-study course in cooperation with local professional offices. On location study of various aspects of professional practice under the supervision of a firm or agency involved in any aspect of environmental design, planning management. Prerequisite: upper division standing.

CAUP 498 SPECIAL PROJECTS (1-12, MAX. 12)
Instructor-initiated and college-approved systematic study and offering of specialized subject matter. Topics vary and are announced in preceding quarter. Entry code required.

ARCHITECTURE

ARCH 418 WATERCOLOR DRAWING (3)
Principles and practice of using transparent watercolor for the naturalistic representation of objects, people, and interior and exterior space.

URBAN DESIGN AND PLANNING

URBDP 422 GEOGRAPHIC INFORMATION SYSTEMS IN PLANNING ANALYSIS (3)
Principles of geographic information systems applied to problems encountered in planning, landscape, architecture, and general land use. Emphasizes practical problem-solving using existing computer software (ARC/INFO, GRASS). Use of GIS for siting, environmental evaluation, and wetlands inventories explored. Prerequisite: 420 which may be taken concurrently or permission of instructor.

COLLEGE OF ARTS AND SCIENCES

AMERICAN ETHNIC STUDIES

AES 150 INTRODUCTORY HISTORY OF AMERICAN ETHNIC GROUPS (5)
Survey of the history of African Americans, Asian Americans, Chicanos, and Native Americans in the United States.

AES 250 RACE IN THE AMERICAN UNIVERSITY (5)
Racial integration in American institutions of higher education. Entry to, and impact on, American universities by people of color. History of ethnic studies and its relation to other disciplines. Recommended: 150,151.

Chicano Studies

CHSTU 255 MEXICAN WOMEN: PAST AND PRESENT (5)
Survey of women in Mexican society from Meso-American times to the 1940's.

CHSTU 260 INTRODUCTION TO CHICANO POLITICS (5)
Surveys the political position and activities of Mexican American people in the United States from two perspectives: (1) Chicanos as objects of the political process of United States life; (2) contributions of the Chicano people to United States politics.

CHSTU 356 THE CHICANO FAMILY (5)
The historical, psycho-social, and socio-cultural role of the Chicano Family from Meso-American times to the present.

ANTHROPOLOGY

ANTH 331 NORTHWEST COAST INDIAN ARTS (5)
Joint with ART H 331. See Art History for description.

Physical Anthropology

PHY A 483 HUMAN GENETICS, DISEASE, AND CULTURE (5)
Considers relationships among genetic aspects of human disease, cultural behavior, and natural habitat for a wide variety of conditions. Also considers issues of biological versus environmental determinism, adaptive aspects of genetic disease, and the role of cultural selection. Prerequisites: 201; general background in biology.

APPLIED MATHEMATICS

AMATH 400 METHODS OF ENGINEERING ANALYSIS (3)
Applications of mathematics to problems in chemical engineering; vector calculus; properties and methods of solution of first and second order partial differential equations; similarity transforms, separation of variables, Laplace and Fourier transforms. Joint with CH E 400. Prerequisites: MATH 205, MATH 238, MATH 327 or permission of instructor.

AMATH 503 MATHEMATICAL BIOLOGY I (3)
Mathematical modelling in the biomedical sciences (mainly ecology, epidemiology, physiology, and zoology). Topics covered include modelling (continuous and discrete), population interactions, dynamic diseases, reaction kinetics, biological oscillators, oscillator generated wave phenomena, epidemics, and the dynamics of infectious diseases. Prerequisites: 402 or equivalent; knowledge of ordinary differential equations.

ART

ART 520 SEMINAR IN PAINTING AND PRINTMAKING (1)
Designed as a forum for the presentation and criticism of student work as well as for discussion of contemporary directions in visual art.

Art History

ART H 331 NORTHWEST COAST INDIAN ARTS (5)
Introduction to arts of Indians of the Pacific Northwest from pre-contact to present. Themes explored include diversity of artistic expression; cultural contexts; styles; artists' responses to foreign trade and settlement; and ways in which art may reflect historical developments in the lives of the Indians. Joint with ANTH 331.

ART H 486 ABSTRACT EXPRESSIONISM: HISTORY AND MYTH (3)
Thematic and chronological survey of abstract expressionism, including major genres of critical interpretation, social and art-historical context, and revisionist scholarship. Recommended: 381.

ART H 591 SEMINAR IN TWENTIETH CENTURY ARCHITECTURE (3 OR 5)
Specific focus changes from quarter to quarter. Joint with ARCH 558. Prerequisite: graduate standing with background in architecture, architectural history, or permission of instructor.

ART H 598 MASTER'S PRACTICUM (*, MAX. 15)

ASIAN LANGUAGES AND LITERATURE

Aslan

ASIAN 111 ELEMENTARY INDONESIAN (5)

Introduction to modern standard Indonesian-Malay. Emphasis on grammar and conversational drills. Practice with basic phonological, morphological, and syntactic structures.

Hindi

HINDI 422 SURVEY OF MODERN HINDI LITERATURE (3)

Survey of Hindi literature from the late nineteenth century to the present. Readings from representative poems. Prerequisite: 421 or equivalent.

Indian

INDN 300 GREAT WORKS OF THE INDIAN TRADITION (5)

Survey of the major literary works, both classical and modern, of the Indian subcontinent. Reading consist of English translations from various South Asian languages.

INDN 410 PRAKRIT (3, MAX. 6)

Introduction to the various Prakrit or Middle Indo-Aryan dialects (Sauraseni, Maharashtri, Magadhi) from literary, canonical, and inscriptional sources. Prerequisite: SNKRT 303 or equivalent.

Turkic

TKIC 481 UZBEK MORPHOLOGY AND SYNTAX (3)

Joint with TKISH 481. See Near Eastern Languages and Civilization for description.

ATMOSPHERIC SCIENCES

ATM S 502 INTRODUCTION TO DYNAMIC AND SYNOPTIC METEOROLOGY (4)

Basic equations governing atmospheric motions and their elementary applications; circulation and vorticity, planetary boundary layer, general circulation, dynamics of midlatitude disturbances, analysis of surface and upper level synoptic charts and vertical cross-sections. Prerequisite: concurrent registration in 501.

BIOLOGY

BIOL 150 BIOLOGY: THE ORGANISM (5)

Fundamentals of living systems, with emphasis on organisms. Selected organisms, both animal and plant, examined in detail to explore how structure is related to function, and how the whole is integrated into a successful individual.

BIOL 476 CONSERVATION BIOLOGY (3)

Joint with ENV S 476. See Environmental Studies for description.

CHEMISTRY

CHEM 141 GENERAL CHEMISTRY LABORATORY (2)

Introduction to laboratory work, including experiments to illustrate analytic techniques, stoichiometry, and synthesis. Designed to complement 140. Prerequisite: 140 or 145 (may be taken concurrently).

CHEM 161 GENERAL CHEMISTRY LABORATORY (2)

Introductory experiments in electrochemistry, thermochemistry, chemical kinetics; and organic synthesis. Designed to complement 160. Prerequisites: 151; concurrent registration in or prior completion of 160 or 165.

CHEM 223 ORGANIC CHEMISTRY - SHORT PROGRAM (4)

First of a two-quarter lecture series in organic chemistry, for majors in biology and related fields who elect not to complete the full year sequence. Introduction to structure, nomenclature, reactions, and synthesis of the main functional group families of organic compound. Prerequisite: 155 or 160.

CHEM 312 INORGANIC CHEMISTRY (3)

The Periodic Table: chemistry of representative and transition elements, including discussion of environmental, biological, and everyday aspects of inorganic chemistry. For students who have completed 140, 150, and 160 (or 145 and 155, but not 164. Prerequisite: 155 or 160.

COMMUNICATIONS

CMU 340 INTRODUCTION TO ADVERTISING (5)

Overview of the advertising industry, its history, structure, operations, and institutional role. Prerequisites: 201, 202, 203; MKTG 301.

COMPARATIVE LITERATURE

C LIT 530 LITERATURE AND HISTORY OF IDEAS (5, MAX. 15)

Exploration of either theorists, or schools and movements, or theories which are of relevance to the theory of literature.

C LIT 599 SPECIAL SEMINAR OR CONFERENCE (1-9, MAX. 30)

Group seminars, or individual conferences scheduled to meet special needs. Prerequisite: permission of graduate program adviser.

DANCE

DANCE 380 DANCE MAJOR SEMINAR (1, MAX. 6)

Discussion of topics pertinent to educating a dance artist including training techniques, current trends in choreography and performance, and issues relating to health, nutrition, and body image.

DRAMA

DRAMA 305 COMPUTERS IN THE THEATRE (5)

Computing and information systems as problem solving tools for the theatre. Analysis of problems in theatre production and scholarship, with approaches to solutions through computing. Database, spreadsheet, and CAD system applications in the practice and study of lighting and scenic design, theatre management, and research in theatre history and criticism.

ECONOMICS

ECON 475 ECONOMICS OF THE EUROPEAN ECONOMIC COMMUNITY (5)

Analysis of economic issues relating to the European Economic Community. Explores the institutional aspects, the attempt to coordinate social and economic policies - welfare, employment, commercial, fiscal, and monetary - and the economic linkages between the EEC and the rest of the world. Prerequisites: 300, 301.

ECON 602 TEACHING INTRODUCTORY ECONOMICS (1)

Examines problems encountered in preparing and presenting courses in introductory economics and offers practice in classroom teaching.

ENVIRONMENTAL STUDIES**ENV S 476 CONSERVATION BIOLOGY (3)**

Explores biological, managerial, economic, and ethical concepts affecting survival of species. Applications of ecology, biogeography, population genetics, and social sciences for the preservation of species in the face of widespread global habitat modification, destruction, and other human activities. Joint with BIOL 476. Prerequisite: 204 or BIOL 472 or equivalent.

ENV S 555 LAKE MANAGEMENT (2)

Joint with CEWA 555. See Civil Engineering for course description.

GENERAL STUDIES**G ST 101 UNIVERSITY STUDY SKILLS (2)**

Practice in skills necessary for academic success, including effective studying, note-taking, and test-taking, and time and stress management. Academic planning. Introduction to university and community resources.

GENETICS**GENET 550 METHODS AND LOGIC IN GENETICS (3)**

Critical reading and detailed discussion of genetics-related scientific research papers. Material emphasizes methodological and logical themes of importance in modern genetics, for example: origin of mutants, genetic epistasis, pulse labelling, and *in vivo* gene function. For first year genetics graduate students only.

GEOGRAPHY**GEOG 360 PRINCIPLES OF CARTOGRAPHY (5)**

Origins, development, and methods of cartography. Principles of data representation and map design for thematic and topographic mapping. Introduction to the use of computers for mapping.

GEOG 460 GEOGRAPHIC INFORMATION SYSTEMS ANALYSIS (5)

Methods of analysis provided by geographic information systems (GIS). Operations on map information including map overlay, aggregation/disaggregation, and other spatial and attribute procedures. Exposure to raster and vector software. Review of capabilities of currently available GIS software. Prerequisite: 360 or permission of instructor.

GEOG 492 LIBRARY RESEARCH IN GEOGRAPHY (2)

Introduction to library research methods in geography. Review and assessment of geographical bibliographies and abstract services for monographs, periodicals, gazetteers, dictionaries, encyclopedias, government publications, and statistical sources.

GEOG 511 CONTEMPORARY METHODOLOGIES AND PHILOSOPHIES IN GEOGRAPHY (4)

Overview of major philosophies and methodologies of contemporary geographic research; historical roots of contemporary geography; roles of positivism, behavioralism, and other philosophical schools in geography; the role of space and regions as unifying and explanatory concepts in geography.

GEOG 599 EFFECTIVE TEACHING OF GEOGRAPHY (1)

Designed for the ongoing development of effective teaching and professional skills. Topics/activities include micro-teaching, communications and presentation skills, course organization; time management, personal and small group dynamics, designing of geography curricula using simulations and computer-assisted instruction in the classroom, and fostering of creative thinking.

GERMANICS**GERM 321 INTRODUCTION TO GERMAN STUDIES (5)**

The German quest for national identity and the conflict of unity and division. Reading from literature, history, politics, and anthropology. Prerequisite: reading knowledge of German.

HISTORY**HST 121 THE ANCIENT WORLD: SPECIAL PROBLEMS (5)**

Introduction to the general problems of historiography, using the history of the ancient world as a base. Concentrates on the role of leadership, institutions, and elites in the course of history.

History of Asia**HSTAS 462 SOUTHEAST ASIAN HISTORY TO 1800 (5)**

Absorption and modification of cultures (Indian and Chinese), religions (Islam, Buddhism, Catholicism), and peoples (northern European) by island- and mainland-Southeast Asians. Main themes are cultural contact and the growth of states and peoples.

HSTAS 560- FIELD COURSE IN CHINESE HISTORY, SUNG TO EARLY CH'ING (3-6)-

First quarter of a two-quarter field course in Chinese history. Covers the Sung to Yüan period, 960-1368. Introduces western materials on the history of this period to prepare graduate students for examinations in this field.

HONARS ARTS & SCIENCES**H A&S 252 WESTERN CIVILIZATION II (5)**

Introduction to ideas and society in Western civilization.

H A&S 262 WORLD CIVILIZATION II (5)

Introduction to ideas and society of civilization other than the Western. Specific civilization (Chinese, Japanese, Middle Eastern, South Asian) differs from year to year and section to section.

INTERNATIONAL STUDIES***Canadian Studies*****SISCA 499 UNDERGRADUATE RESEARCH (3-5, MAX. 15)*****East Asian Studies*****SISEA 476 DEVELOPMENT OF MODERN JAPANESE CULTURE (5)**

Interdisciplinary study of Japanese culture from 1600 to the present. Focuses on development of thought, law, religion, education, literature, and art with emphasis on the cultural synthesis that emerged through interaction of Westernization and tradition. Prerequisite: one course on Japan in the College of Arts and Sciences.

Russian and East European Studies**SISRE 418 EASTERN EUROPE: THE POLITICAL ECONOMY OF THE REGION (5)**

Recent economic developments in the Soviet Union and Eastern Europe. Includes the debt problem, economic slowdown, technological and equilibrium gaps, integrated price flexibility. Analysis of current institutional reforms, including changes in the council of Mutual Economic Assistance (COMECON) rules and Soviet-East European relations. Prerequisite: ECON 200.

Southeast Asian Studies

SISSE 499 UNDERGRADUATE RESEARCH (1-5, MAX. 15)

Prerequisite: permission of instructor.

Vietnamese

VIET 111 FIRST-YEAR VIETNAMESE (5)

Introduction to modern Vietnamese conversation and grammar. Emphasis on correct pronunciation and basic structure.

VIET 211 SECOND-YEAR VIETNAMESE (5)

Continuation of 111, 112, 113. Review of Vietnamese grammar, development of conversational skills (listening and speaking), reading literary and cultural materials, writing compositions. Prerequisite: 113 or permission of instructor.

VIET 490 SPECIAL TOPICS IN VIETNAMESE (5, MAX. 15)

Content varies. Prerequisite: permission of instructor.

MATHEMATICS

MATH 307,308,309 LINEAR ANALYSIS I,II,III (3,3,3)

Ordinary differential equations, Laplace transform, series solutions, systems of linear equations, vector space R^n , systems of linear differential equations, stability, partial differential equations, Fourier series, orthogonal bases, projections, inner products. Prerequisites: 126 for 307, 307 for 308, 308 for 309.

MUSIC

Music

MUSIC 438 PROBLEMS IN CONTEMPORARY MUSIC PERFORMANCE (3, MAX. 9)

An active course examining and solving problems relevant to the successful performance of twentieth-century music. Preparation for complex rhythms, odd groupings, new notation, and extended performing techniques. Prerequisite: permission of instructor.

MUSIC 460 ADVANCED VOCAL REPERTOIRE: PRE-NINETEENTH-CENTURY ART SONGS (2, MAX. 6)

Professional preparation of pre-nineteenth century songs with a view to total artistic-musical realization in performance. Appropriate style, character, balance, phrasing, diction, and projection for vocalists and pianists. Prerequisites: 326,327,328, or permission of instructor.

MUSIC 464 JAZZ LABORATORY (1, MAX. 9)

Forum for testing new technical skills, improvisational techniques, and jazz compositions and/or arrangements in a formal laboratory setting. Prerequisite: concurrent registration in MUSAP 400 or higher, or permission of instructor.

Music Applied

MUSAP 136 BASIC JAZZ KEYBOARD (2, MAX. 6)

Basics of jazz and pop chord voicings, reading lead sheets, basic accompanying in various jazz and pop styles. Prerequisites: audition and basic knowledge of music theory.

MUSAP 319 PRIVATE INSTRUCTION: VIOLA DA GAMBA (2-3, MAX. 9)

NEAR EASTERN LANGUAGES AND CIVILIZATION

NE 496 SPECIAL STUDIES IN NEAR EASTERN LANGUAGES AND CIVILIZATION (3-5, MAX. 15)

Course offered occasionally by visitors or resident faculty. Content varies.

NE 596 SPECIAL STUDIES IN NEAR EASTERN LANGUAGES AND CIVILIZATION (3-5, MAX. 15)

Course offered occasionally by visitors or resident faculty. Content varies. Prerequisite: graduate standing.

Turkish

TKISH 4811 UZBEK MORPHOLOGY AND SYNTAX (3)

Introduces the student to a Turkic language, Uzbek. Designed for graduate students and intended to enable them to achieve competence at an accelerated pace. Joint with TKIC 481. Prerequisites: graduate standing.

PHYSICS

PHYS 341 ENERGY: CONSUMPTION PATTERNS, FOSSIL FUELS, AND CONSERVATION (3)

Survey of energy use, especially in the United States. Fossil fuels, with emphasis on resource availability, and on greenhouse effect and other environmental consequences. Methods for reducing consumption through conservation. Prerequisites: 121,122,123.

PSYCHOLOGY

PSYCH 500 LABORATORY IN STATISTICAL COMPUTATION I (2)

Techniques of statistical computation using statistical software on personal computers and mainframe computers. Organization of data files, transformations of variables, graphical representations of data, descriptive statistics, elementary inferential statistical analyses. Prerequisites: at least one undergraduate course in statistics or probability and concurrent enrollment in 513, or permission of instructor

ROMANCE LANGUAGES AND LITERATURE

Spanish

SPAN 303 INTRODUCTION TO STYLISTICS THROUGH COMPOSITION (4)

Prerequisite: 302.

SPAN 321 INTRODUCTION TO SPANISH LINGUISTICS (3)

Synchronic and diachronic linguistic analysis of Spanish, including Spanish phonetics and phonology, morphology, syntax, and evolution of the language. Prerequisite: 303.

SPAN 510 METHODOLOGY OF SPANISH LANGUAGE TEACHING (5)

Theoretical and practical foundation for teaching Spanish. Major topics include modern theories of language and language acquisition which underlie modern methods of foreign language teaching, survey of current methods, teaching techniques, testing classroom relations. Emphasis on the multiple-approach direct method.

SOCIOLOGY**SOC 501 PROSEMINAR (2)**

Introduction of first-year graduate students to each of the substantive areas in sociology and to research facilities.

SOC 536 LOG-LINEAR MODELING AND LOGISTIC REGRESSION FOR THE SOCIAL SCIENCES (3)

Log-linear modeling of multidimensional contingency tables. Logistic regression. Applications to social mobility, educational opportunity, and assortative marriage. Applied and computing focus. Joint with STAT 536. Prerequisite: 425 or STAT 395 or permission of instructor.

SOC 581 SPECIAL TOPICS IN THEORY AND THE HISTORY OF SOCIOLOGICAL THOUGHT (3)

Examination of current topics in theory and the history of sociological thought. Content varies according to recent developments in the field and the interests of the instructor.

SOC 587 SPECIAL TOPICS IN DEVIANCE AND SOCIAL CONTROL (3)

Examination of current substantive topics in deviance and social control. Content varies according to recent developments in the field and the interests of the instructor.

SPEECH COMMUNICATION**SPCH 510 RHETORIC IN SOCIETY (3)**

Selected works of major rhetorical theorists such as Aristotle, Cicero, Augustine, Campbell, Whately, Perelman, and Burke. Examines how rhetorical themes are responsive to and symptomatic of societal conditions and values.

STATISTICS**STAT 536 LOG-LINEAR MODELING AND LOGISTIC REGRESSION FOR THE SOCIAL SCIENCES (3)**

Joint with SOC 536. See Sociology for description.

WOMEN STUDIES**WOMEN 495 TUTORING WOMEN STUDIES (5)**

Trains students to serve as tutors in designated courses. Tutors facilitate weekly group discussions, assist with writing assignments, explain course materials. Prerequisites: 200 or 206; junior or senior standing; one or more upper-division course relevant to Women Studies; prior completion of the course (or equivalent) to be tutored; permission of instructor.

ZOOLOGY**ZOOL 451 VERTEBRATE ZOOLOGY (5)**

An integrated exploration of the biology of vertebrate animals, emphasizing their diversity, adaptations, life styles, and evolutionary history. Introduces aspects of behavior, physiology, morphology, and ecology that emerge from the comparative study of vertebrates. Laboratory includes demonstration, films, and writing workshop. Prerequisites: BIOL 201,202,203.

ZOOL 470 TECHNIQUES FOR MATHEMATICAL BIOLOGY (3)

Equips students to use, rather than prove, many applied mathematics techniques essential in mathematical biology. Includes instruction to use symbolic computation software (Mathematic, Macsyma) to do, by computer, the kind of mathematical formula manipulation that mathematicians formerly performed by hand. Prerequisite: calculus; recommended: linear algebra.

SCHOOL AND GRADUATE SCHOOL OF BUSINESS ADMINISTRATION**INFORMATION SYSTEMS****IS 300 MANAGEMENT INFORMATION SYSTEMS (4)**

Fundamentals of information systems, what they are, how they affect organizations. Technical and organizational foundations of information systems, building information systems, managing information system resources. Laboratory emphasizes using computer to analyze, coordinate, solve organizational decision-making problems. Prerequisite: admission to School of Business Administration or permission of undergraduate office.

OPERATIONS MANAGEMENT**OPMGT 587 ADVANCED TOPICS IN INVENTORY MANAGEMENT (3)**

Survey of literature in inventory/production control with emphasis on current research. Topics include single-echelon deterministic and probabilistic models and multi-echelon stochastic models. For doctoral and advanced masters students. Prerequisites: 517, and STAT 516 or STAT 491.

SCHOOL OF DENTISTRY**ORAL MEDICINE****ORALM 564 DENTAL CARE OF THE DISABLED (DECOD) I (*, MAX. 10)**

Advanced topics in rehabilitation dentistry including psychosocial issues; characteristics and needs of patients with specific disabilities; patient management and use of portable equipment; drug therapy, sedation and anesthesia; dental prevention, and emergency procedures. Seminars and self-directed study. Prerequisite: permission of instructor.

ORALM 584 DENTAL CARE OF THE DISABLED (DECOD) III (*, MAX. 10)

Field practice in community outreach to facilities and agencies serving disabled populations. Includes observation, dental screenings, patient education and in-service training of direct care staff. Prerequisite: 404 or 664.

ORALM 664 DENTAL CARE OF THE DISABLED (DECOD) II (*, MAX. 10)

Practicum in chair/bedside delivery of dental care to different disabled populations. Includes rotations to institutions, long-term care facilities, and homebound service, using mobile equipment. Prerequisites: 564 and permission of instructor.

COLLEGE OF EDUCATION**INDEPENDENT STUDY, RESEARCH, AND FIELD EXPERIENCE****EDUC 551 EDUCATIONAL INQUIRY: UNDERSTANDING THE ALTERNATIVES (3)**

Acquaints doctoral students with ways in which educational inquiry is currently conducted and with the rationales which have been articulated in support of the various approaches. Also considers the utility, strengths, and shortcomings of those approaches. Prerequisite: doctoral student status in education.

CURRICULUM AND INSTRUCTION

EDC&I 482 EDUCATIONAL TECHNOLOGY IN SCHOOLING (3)

Introduction to the application of technologies (computer, tele-communications, interactive video) in schools. Designed primarily for pre- and in-service teachers, but of interest to anyone involved in technology in education.

COLLEGE OF ENGINEERING

CHEMICAL ENGINEERING

CHE 400 METHODS OF ENGINEERING ANALYSIS (3)

Joint with AMATH 400. See Applied Mathematics for course description.

CIVIL ENGINEERING

Transportation, Surveying, and Construction Engineering

CETS 414 PHOTOGRAMMETRY AND REMOTE SENSING (4)

Geometrical characteristics of images and imaging systems. Image acquisition, stereoscopic theory and image measurement. Control design and photogrammetry instrumentation for mapping. Image analysis and target signatures and aberrations for visual, thermal, and radar systems. Photogrammetry and R/S applications in engineering site analysis and evaluation. Prerequisite: CIVE 316 or permission of instructor.

Environmental Engineering and Science

CEWA 555 LAKE MANAGEMENT (2)

Application of recognized techniques/approaches to restore and manage eutrophic lakes. Includes critiques of restoration proposals. Joint with ENV S 555. Prerequisites: 434, BIOL 473, or permission of instructor.

COMPUTER SCIENCE AND ENGINEERING

CSE 522 DESIGN AND ANALYSIS OF ALGORITHMS II (3)

Analysis of algorithms more sophisticated than those treated in 521. Content varies and may include such topics as algebraic algorithms, combinatorial algorithms, techniques for proving lower bounds on complexity, and algorithms for special computing devices such as networks or formulas. Prerequisite: 521.

MATERIALS SCIENCE ENGINEERING

MSE 433 POLYMERIC MATERIALS (3)

Relationship between configuration, conformation, molecular ordering, microstructure and properties of polymeric materials. Application of materials characterization and processing techniques to polymers. Tailoring polymer molecules and microstructures for high-technology applications. Liquid crystalline polymers. Interaction between polymers and their in-service environment. Prerequisites: 315,322.

MSE 510 BONDING, SYMMETRY, AND CRYSTALLOGRAPHY (4)

Atomic bonding, coordination; structures, stability of organic, inorganic compounds in the solid-state. Reciprocal lattice concept, its vectorial basis. Crystallography of solids, emphasis on point and space group symmetries. Structures of complex organic, inorganic compounds. Introduction to physical properties described by tensors: elasticity optical, magnetic, electrical, thermal properties.

MSE 700 MASTER'S THESIS (*)

COLLEGE OF FOREST RESOURCES

FOREST PRODUCTS AND ENGINEERING

FPE 339 PLANE SURVEYING LABORATORY (2)

Plane surveying practice including field and office techniques; involves the use of staff compass, transit, theodolite, surveyor's and engineer's chain, EDM, abney and self-leveling level; uses computer-assisted computations and graphics as applied to traversing, topographic mapping, and volume calculations. Prerequisite: logging engineering students only or by departmental permission.

FPE 430 PLANE SURVEYING (3)

Introduction to the concepts of plane surveying and basic engineering procedures in the collection, reduction, and presentation of data; includes an introduction to the public land survey system. Prerequisite: logging engineering students only or by departmental permission.

FPE 503 PULP AND PAPER TECHNOLOGY AND INDUSTRY ANALYSIS (5)

Characteristics, sources and supply of raw material, chemical and mechanical pulping processes. Paper manufacturing products and grades. Pulp and paper industry organization, including key firms, strategies, and issues. Includes international perspectives and case study analysis.

FOREST RESOURCE MANAGEMENT

FRM 503 ADVANCED FOREST STAND DYNAMICS (3)

Emphasizes current research and sources of knowledge about forest stand development and responses to manipulations. Development of pure and mixed species forests, even-aged and uneven-aged stands. Responses to disturbances, interactive changes with time, patterns and responses to manipulation, growth and yield quantification. Prerequisite: previous ecology courses.

FRM 541 READINGS IN SILVICULTURE (1-5, MAX. 6)

Detailed study of national and international literature pertaining to silviculture.

FRM 545 PRINCIPLES OF FOREST ENTOMOLOGY (3)

Historical perspective of the discipline, introduction to general entomology and taxonomy, forest insect ecology, integrated pest management concepts for defoliators, bark beetles, wood borers, and urban forestry pests. Prerequisites: general biology, botany, zoology or permission of instructor.

FRM 548 SPECIAL TOPICS IN STREAMSIDE STUDIES (2, MAX. 6)

Contemporary problems and issues in forestry, fisheries, and wildlife management in watersheds. Topics vary, yet focus on interactions of land and water resources in the forests of the Pacific Northwest. Joint with FISH 548. Prerequisite: permission of instructor.

FRM 574 URBAN FOREST INTERFACE STUDIES SEMINAR (2)

Overview of contemporary issues in the management of forest lands in environments influenced by human settlement. Discussion of legal, political, and administrative basis for land use decisions and the effects of land use change; evaluation of selected case studies and field visits to example study areas.

URBAN HORTICULTURE

UHF 431 LANDSCAPE PLANT SELECTION (3)

Landscape plant selection principles. Factors and basic relevant ecophysiology: climate (hardiness classification), microhabitat (soil parameters, local temperature, light), pest susceptibility and special conditions (slope, pollution). Design parameters: functional categories, vegetative and reproductive features. Field trips to local plantings. Prerequisite: BOT 331 or equivalent.

UHF 501 URBAN HORTICULTURE PROFESSION (2)

Describes the emerging profession of urban horticulture and forestry, its history and significance, and the attitudes, knowledge and skills necessary for success in the profession. Guest lecturers and student participation will discuss and evaluate opportunities. Prerequisite: MFR-UH candidate, others by permission of instructors.

UHF 590 GRADUATE STUDIES (*, MAX. 15)

Study in fields for which there is not sufficient demand to warrant the organization of regular courses.

UHF 600 INDEPENDENT STUDY OR RESEARCH (*)**UHF 601 INTERNSHIP (3-9, MAX. 9)**

Internship required of students in Master of Forest Resources program in Urban Horticulture. Independent work in collaboration with faculty, arboretum staff, and/or sponsoring institutions. Prerequisite: permission of graduate program adviser.

UHF 700 MASTER'S THESIS (*)**UHF 800 DOCTORAL DISSERTATION (*)****INTERDISCIPLINARY GRADUATE DEGREE PROGRAMS****NUTRITIONAL SCIENCES****NUTR 537 LABORATORY ROTATION PRINCIPLES AND PRACTICE (3)**

Exposure to research being conducted in the laboratories of the graduate nutrition faculty. Provides hands-on experience in laboratory research. Introduces the student to on-going research for preparation of dissertation topics. Prerequisites: 535, permission of graduate adviser.

NUTR 800 DOCTORAL DISSERTATION (*)

credit/no credit only. Prerequisite: permission of program adviser.

INTERSCHOOL/INTERCOLLEGE PROGRAMS**QUANTITATIVE SCIENCE****Q SCI 515 ANALYSIS OF ECOLOGICAL AND ENVIRONMENTAL DATA II (3)**

Complex models for population growth and parameter estimation. Habitat preferences of organisms; study design and data analysis. Capture-recapture models for ecological studies and environmental monitoring. Complications including nonlinear response, redundant ecological information, censored data, sample size limitations. Multiple lines of inquiry; well-defined experiments versus ecological realism. Prerequisite: 514.

UNIVERSITY CONJOINT COURSES**UCONJ 520 MOLECULAR BIOPHYSICS RESEARCH SEMINARS (1)**

A series of research seminars for faculty and students involved with the molecular biophysics program.

UCONJ 525 OVERVIEW OF FACULTY RESEARCH IN NEUROBIOLOGY (1)

Reviews research topics currently being studied in neurobiology. Student preparation consists of reading pertinent articles published on each topic. Prerequisite: first year graduate student in neurobiology.

UCONJ 526 INTRODUCTION TO LABORATORY RESEARCH IN NEUROBIOLOGY (4)

Students become familiar with, and assist in, the performance of research on ongoing projects in designated laboratories. Emphasis on employed methodology and techniques. Prerequisite: first year graduate students in neurobiology.

SCHOOL OF MEDICINE**MEDICAL HISTORY AND ETHICS****MHE 402 NORMATIVE ETHICAL THEORY (5)**

Development of moral thought from Hobbes through Nietzsche, with particular emphasis on the ethical writings of David Hume, Immanuel Kant, and Jeremy Bentham. Recommended: one course in ethics.

MHE 599P INDEPENDENT STUDY FOR MEDICAL STUDENTS (*, MAX. 10)

Research in medical history or medical ethics for ISMS projects. Enrollment restricted to medical students.

ORTHOPAEDICS**ORTHP 505P PRECEPTORSHIP IN ORTHOPAEDIC SURVEY (1)**

Opportunity for first- and second-year medical students to gain experience with clinical faculty members in the community. Students observe general aspects of private practice from a longitudinal perspective. Prerequisite: permission of department.

REHABILITATION MEDICINE**REHAB 544- FUNCTIONAL ANATOMY FOR PHYSIATRISTS (2-)**

Lectures and demonstrations to illustrate functional anatomy as applied by physicians in the practice of clinical rehabilitation. Intended to enhance functional assessments and to improve neuromusculo-skeletal diagnosis and treatment through greater understanding of the underlying anatomy. Prerequisite: resident standing in rehabilitation medicine; others by permission of instructor.

COLLEGE OF OCEAN AND FISHERY SCIENCES**FISHERIES****FISH 310 BIOLOGY OF SHELLFISH (5)**

Commercially important mollusca and crustacea highlighted with respect to systematics, anatomy, reproductive strategies, feeding, and growth. Basic management and/or aquaculture efforts for key species; several major fisheries that highlight variability in recruitment and landings, management of species with complex life cycles. Laboratories, field trips. Prerequisites: ten biology/zoology credits.

FISH 498 INTERNSHIP/EXPERIENTIAL LEARNING (1-9, MAX. 9)

Structured, practical training in the fishing industry, government agencies and other areas utilizing fisheries, food science, or quantitative science expertise. Experiences are supervised and evaluated. Written reports required. Prerequisite: permission of faculty advisor.

FISH 502 FUNDAMENTALS OF FISHERY SCIENCE (5)

Team-taught course designed to provide an advanced overview of all aspects of fishery science. Emphasis on critical concepts of fishery biology relevant to those requiring a basic understanding of major subdisciplines of the field. Theoretical approach emphasized. Extensive use of classical and current literature. Prerequisite: graduate standing.

FISH 548 SPECIAL TOPICS IN STREAMSIDE STUDIES (2, MAX. 6)

Joint with FRM 548. See Forest Resources for description.

FISH 581 FISHERY MANAGEMENT: CASE STUDIES (5)

Joint with IMS 581. See Institute for Marine Studies for description.

MARINE STUDIES

IMS 514 MARINE POLLUTION MANAGEMENT ISSUES (3)

Management aspects of marine pollution, emphasizing two-way interaction between environmental managers and environmental and policy scientists which ideally shapes policy. Recommended: familiarity with marine science or ocean policy or pollution control policy.

IMS 581 FISHERY MANAGEMENT: CASE STUDIES (5)

Examination of historical case studies chosen to illustrate specific fishery management problem areas. Faculty presentations occupy first half of quarter, student presentations the second half. Joint with FISH 581. Prerequisite: 580.

PUBLIC HEALTH AND COMMUNITY MEDICINE

EPIDEMIOLOGY

EPI 519 EPIDEMIOLOGY OF CARDIOVASCULAR DISEASE (3)

Principles, methods, and issues in the epidemiology of cardiovascular disease. Focuses on coronary heart disease and its major risk factors; also covers other topics such as stroke and sudden death. The format includes informal lectures and discussions of the current literature. Prerequisites: 511 or 512-513.

EPI 525 TOPICS IN PREVENTIVE MEDICINE (2)

Examine current scientific knowledge and state of the art of preventive medical interventions. Discuss and consider options for current practice. Joint with HSERV 505. Prerequisite: M.D., O.D., or permission of instructor.

EPI 539 RESEARCH METHODS IN DEVELOPING COUNTRIES (2)

Joint with HSERV 539. See Health Services for description.

EPI 592 PROGRAM SEMINARS (1-6, MAX. 6)

Graduate seminars organized to address specific educational needs of students in various specialized programs within the Department of Epidemiology (i.e., maternal and child health). Prerequisite: permission of instructor.

HEALTH SERVICES

HSERV 525 TOPICS IN PREVENTIVE MEDICINE (2)

Joint with EPI 505. See Epidemiology for description.

HSERV 539 RESEARCH METHODS IN DEVELOPING COUNTRIES (2)

Explores methodologies to obtain useful information regarding health status and health services in countries of the Third World. Standard evaluation methods which require minimal resources discussed regarding their applicability in specific settings. New approaches to assessment of primary health care effectiveness covered. Joint with EPI 539. Prerequisite: graduate standing.

HSERV 552 HEALTH FOR ALL: THE COMMUNITY RESPONDS (3)

Presentations by leaders of community organizations and local government officials concerned with the impact on health of socioeconomic developments, and the response of selected community groups to such developments. Sessions are organized around groups such as the workplace. Hispanic farmworkers, environment, older Americans, homelessness, African-Americans, women.

HSERV 592 PROGRAM SEMINARS (1-6, MAX. 6)

Graduate seminars organized to address specific educational needs of students in various fellowships, residencies, and other specialized programs within the Department of Health Sciences (i.e., maternal and child health, international health, preventive medicine, social and behavioral sciences). Prerequisite: permission of instructor.

HSERV 598 EXTENDED DEGREE PROGRAM PROJECT OPTION (*, MAX. 9)

Supervised project work on a selected topic related to student's concentration in graduate study. Includes survey of literature, development of approach, and written paper on conclusions. Prerequisites: registration in extended MPH degree program and satisfactory completion of the first summer's course work.

SOCIAL WORK

SOC W 534 ADVANCED HUMAN SERVICES PRACTICE (3)

Integration of practice and research is the key objective. Integration includes an understanding of an ability to perform practice skills such as specification of problems and goals, intervention planning, evaluation. Scientific reasoning applied to practice tasks, problems including value conflicts and ethical dilemmas. Prerequisites: 529,530,531,594,595.

Social Welfare

SOCWL 587 FUNDAMENTALS OF SOCIAL WORK STATISTICS I (4)

To be taken concurrently with 580. Begins with descriptive statistics, focuses on inferential statistics. Conceptual approach with emphasis on the underlying logic of statistical inference and on the integration of measurement, research design, and statistical issues especially salient to social workers. SPSSPC used.

W COURSES OFFERED AUTUMN QUARTER 1990

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983, or later, must complete 10 credits of courses designated "W". Some other undergraduate majors also require W courses. W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses being taught Autumn Quarter 1990 have been designated as W courses.

COLLEGE STUDIES COURSES OFFERED AUTUMN QUARTER 1990

Students in the College of Arts and Sciences who elect to fulfill their general education requirement through College Studies must complete three sequences of 15 credits each in Natural Science, Social Science, and Humanities/Fine Arts from the College Studies list. The following courses taught Autumn Quarter 1990 belong to various College Studies sequences.

FRESHMEN INTEREST GROUP COURSES OFFERED AUTUMN QUARTER 1990

27

Freshman Interest Groups (FIG) is a good way to get to know other students in your classes and to experience a cooperative learning environment.

By signing up in the Arts and Sciences Advising Office for one of the cluster of courses listed below, you will become a member of a small group of about 25 freshmen who are enrolled in the same courses in Autumn Quarter. A peer adviser, will meet with the group each week to discuss areas of common interest and life at the University. Many special events are planned, such as discussions with professors, tours of campus resources and social events.

Open only to freshmen entering the University of Washington in Autumn Quarter, 1990.

SPORTS SKILLS CLASSES OFFERED AUTUMN QUARTER 1990

Instruction in a variety of sports is available through the Department of Recreational Sports Programs at the Intramural Activities Building (IMA) on a non-credit basis. Class time schedules will be available at the IMA after September 1, 1990.

The following is a list of classes and registration fees. These classes are subject to change depending on enrollment and space availability. Contact the Sports Skills Office at 543-2571 for more information.

| CLASS | Fee | Level | CLASS | Fee | Level |
|-----------------------------------|---------------|-----------|-----------------------|---------|----------------|
| AEROBICS | \$18,24,26,32 | All | ROLLERSKATING | \$12 | Beg./Int. |
| ARCHERY | \$10 | Beg. | SKI CONDITIONING | \$14 | All |
| BADMINTON | \$10 | Beg. | SKIING | \$40 | Beg./Int. |
| CONDITIONING | \$10,14 | All | SKIN & SCUBA | \$140 | Beg. |
| DANCE/JAZZ | \$40 | Beg./Int. | SOCCER | \$12 | All |
| FENCING: FOIL, SABRE | \$18 | Beg./Int. | SPRINGBOARD DIVING | \$12 | Beg. |
| GOLF (registration at golf range) | \$15,24 | Beg. | SQUASH | \$14 | Beg./Int. |
| GYMNASTICS | \$20 | Adv.-Beg. | SYNCHRONIZED SWIMMING | \$18 | Beg. |
| HYDRO-AEROBICS | \$18,26 | Beg. | TAE KWON DO | \$18 | Beg. |
| JUDO | \$18 | All | TENNIS | \$20,30 | Beg./Int./Adv. |
| KARATE | \$18 | Beg. | VOLLEYBALL | \$10 | All |
| RACQUETBALL | \$14 | Beg./Int. | WEIGHT TRAINING | \$12 | Adv.-Beg. |
| | | | YOGA | \$18 | Beg. |

ELIGIBILITY FOR CLASSES:

Autumn Quarter Students. Faculty/Staff who have purchased an IMA Facility Use Card (\$21.00 per quarter).

REGISTRATION:

In person registration (only) is October 8, 9, and 10, 1990 from 7:45AM to 6:00PM at the Intramural Activities Building (IMA), Meeting Room A/Lobby. Bring your Spring Quarter Student ID Card or IMA Facility Use Card (Faculty/Staff) and pay when you register. Register throughout the quarter at the Golf Range for all golf classes, 543-8759.

SPORT CLUBS - AUTUMN QUARTER 1990

Sport Clubs provide a program of instruction, recreation and competition available through the Department of Recreational Sports Programs. For further information stop by the Intramural Activities Building (IMA), Sports Club Office, or call 543-9499.

INTRAMURAL SPORTS - AUTUMN QUARTER 1990

Intramurals provide an opportunity for students and Faculty/Staff to participate in special events, leagues, tournaments, and officiating in various sport activities such as: crew (rowing), soccer, softball, tennis, track and field, ultimate frisbee, and volleyball. For further information call the IMA Sports Line, 543-8558 daily between 12:00 noon and 6:30 p.m.

ATTENTION - AUTUMN QUARTER STUDENTS

Autumn Quarter 1990 Student ID Cards are NOT accepted for Summer IMA use privileges.

IF YOU DO NOT ENROLL FOR SUMMER QUARTER 1990 AND STILL WANT TO USE THE IMA DURING SUMMER QUARTER, YOU MUST RETAIN YOUR SPRING QUARTER STUDENT ID.

Your Spring Quarter Student ID Card will be required to ensure you eligibility for use and for purchase of use privileges as follows: you may purchase a Summer IMA Facility Use Card for \$15.25, beginning Tuesday, May 29, 1990, or you may purchase a Single Use Ticket for \$1.75 on each occasion of use, beginning Saturday, June 23, 1990.

Independent Study by Correspondence

Distance Learning offers University of Washington courses through independent study by correspondence. These courses are self-paced. Students complete the required assignments and examinations on their own schedule. The minimum completion time is two months.

Although you cannot enroll in these courses through STAR, you can enroll for a course at any time (not just at the beginning of a quarter) and have up to a year from that date to finish the coursework.

A regularly-enrolled UW student who wishes to register for additional courses through Distance Learning should consult with a departmental adviser to verify applicability to his/her academic program. Fees for Distance Learning courses are separate from Autumn Quarter tuition and are \$51 per credit.

Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning (206) 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).

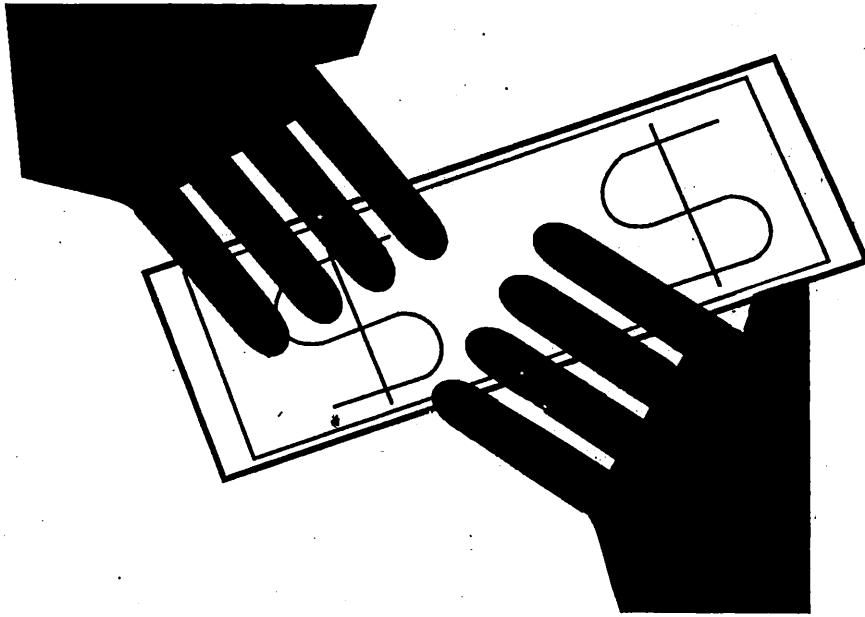

College of Arts and Sciences

“Buddy, can you spare a Buck?”

WASHINGTON STUDENT LOBBY

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students. The purpose of WSL is to influence the Washington State Legislature and others on higher education matters of special interest to students.

Last year Washington Student Lobby represented students' interests on the following issues:

FINANCIAL AID ISSUES
CRIME PREVENTION AND CAMPUS SAFETY
GRADUATE STUDENT FELLOWSHIPS
STUDENT ACTIVITY FEES

Make your \$1.00 contribution to Washington Student Lobby when you register for classes through S*T*A*R.

Washington Student Lobby . . .
where your dollar works for you!

21 & Over please
(inside dining)

The finest take out pizza around, to feed you and your famished friends.

"IF YOU NEED TO WORK TO GET THROUGH SCHOOL, YOU NEED TO SEE UPS."

"I need two things to get through school: good grades and money. I can take care of the grades myself and UPS is helping me take care of the second. They gave me a part-time job that really pays."

"I make almost \$10,000 a year for working about 3-4 hours a day, 5 days a week. My work hours fit around my class hours. There are three work schedules: late night, early morning and late afternoon. I still have time for classes and studying."

"I also get paid holidays and vacation and a complete benefits package that is second to none." No other company offers more to students than UPS. Talk to them. Get an education through school and let UPS help pay for it.

To arrange an interview for Seattle contact: The Aurora Job Service at 545-7027 Tuesday thru Thursday between 2:00pm - 4:00pm only.

To apply for Redmond, applications are being accepted at: The Bellevue Job Service at 13133 NE Bell-Red Road, Bellevue, WA. Apply between 9:00am - 1:00pm only.

WORKING FOR STUDENTS WHO WORK FOR US.
UPS DELIVERS EDUCATION

The World Is Still The Greatest Classroom Of All.

Applications are now being accepted for the University of Pittsburgh-sponsored Semester at Sea.

Each fall or spring 100-day odyssey aboard the American-built S.S. Universe literally offers you the world.

You can earn 12-15 transferable units from your choice of more than 50 lower and upper division courses, while calling upon places as culturally diverse as Japan, Hong Kong, India, Turkey, the Soviet Union, Yugoslavia and Spain.

It is a learning adventure designed to transform students of every color, race and creed into true citizens and scholars of the world.

For full information, including a catalog and application, call 1-800-854-0195 / 1-412-648-7490 in PA. Or write Semester at Sea, Institute for Shipboard Education, University of Pittsburgh, 2E Forbes Quadrangle, Pittsburgh, Pennsylvania 15260.

Then prepare for the learning adventure of your life.

For more information please check the Reader Service Card in this directory.

WHAT KIND OF A GUY WOULD JUST STAND THERE WHILE HIS BEST FRIEND STOPPED BREATHING?

A guy who doesn't know CPR. The sad fact is, more people know how to jump-start a car than know how to save a life.

LEARN HOW TO JUMPSTART A LIFE. LEARN RED CROSS CPR.

American
Red Cross

HEALTH PROFESSIONALS!

The Army Medical Department represents the largest comprehensive system of health care in the United States and offers unique advantages to the student, resident, and practitioner in the following professions:

- Clinical Psychology Internship Program
- Medical School Tuition Assistance
- Occupational Therapy
- Pharmacy

As an Army Officer, you will receive substantial compensation, an annual paid vacation, and participate in a remarkable non-contributory retirement plan.

For more information just fill out the attached form and mail. Or call:

(Collect calls accepted.)

MCAT • GMAT LSAT • GRE • DAT SCORE HIGH

A single exam score may be more important than your hard-earned GPA.

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

Yes! Please send me the complete preparation course checked below.

MCAT \$379.00

(Physics, Chemistry, Biology, Reading Comprehension, Quantitative Skills and Interview Preparation)
• 1132 pages of text
• 46 cassettes

LSAT \$159.00

(Reading Comprehension, Disputes and Rules, Logical Reasoning, Analytical Reasoning and Writing Samples)
• 210 pages of text
• 10 cassettes

DAT \$315.00

(Chemistry, Biology, Math Skills, Perceptual Motor Ability, Reading Comprehension and Interview Preparation)
• 1190 pages of text
• 37 cassettes

GMAT \$179

(Verbal and Quantitative Skills)
• 578 pages of text
• 14 cassettes

GRE \$159.00

(Verbal, Quantitative and Analytical Ability)
• 727 pages of text
• 17 cassettes

**"I'LL JUST
BRACE MYSELF
WITH THE
STEERING WHEEL."**

Who are you trying to fool?
There's no way a steering wheel
can stop you from slamming into a
dashboard. Only a safety belt can.
Stop making excuses and start
buckling your safety belt.
**YOU COULD LEARN A LOT
FROM A DUMMY.
BUCKLE YOUR SAFETY BELT.**

A Public Service Message

U.S. Department
of Transportation

COMPUTERS & PERIPHERALS

BUY INTO YOUR FUTURE.

There are many computer companies who can sell you a machine cheap, but not many who will be there to provide service in the years to come. Or to upgrade your system as your needs change. Drop by our offices to discuss your needs with us.

Nominated for two consecutive years by the UW Purchasing Department, Delphi is the recipient of the 1989 and 1990 U.S. Small Business Administration "Award of Excellence." At the present time, Delphi has an installed base of over 300 computers at the University of Washington.

510 N.E. 65th Street
Seattle, Washington 98115

**STATISTICS CAN BE COLD.
THIS ONE IS NEAR FREEZING.**

Actually, some of the people who pass him by are colder than he is. To them, he's just another homeless man. Which, to them, means he's something less than a man.

Where do you go when your world is this cold, this cruel?

He got help at the Salvation Army. They got help from the United Way. Thank God the United Way got help from you.

You helped provide a hot bowl of soup, a warm coat and a kind word for a homeless man. A man who simply wants to be treated like a human being.

United Way

HELP WANTED

“

*It
takes
a job
to get
experience
and
experience
to get
a job.*

”

The Directory of Classes[®] is looking for aggressive, outgoing, disciplined people who are trying to find ways to obtain valuable experience before graduation day arrives.

You owe it to yourself to make your college experience profitable as well as educational. Selling Display Advertising to local merchants and organizations around campus may be the best thing you can do to enhance your resume.

HOW MUCH MONEY CAN I MAKE?
We pay 10% for renewal business and 20% for new business. A typical order is for 2-3 time frequency. With an average order of \$600+, average commissions are \$90 per order. Most of our reps now close one order every three hours with adequate advance preparation.

Not valid with any other offer

Maybe there is a substitute for experience.

After you're done with school, you face one of the hardest lessons in life:

Without experience, it's tough to get a job. And without a job, it's tough to get experience.

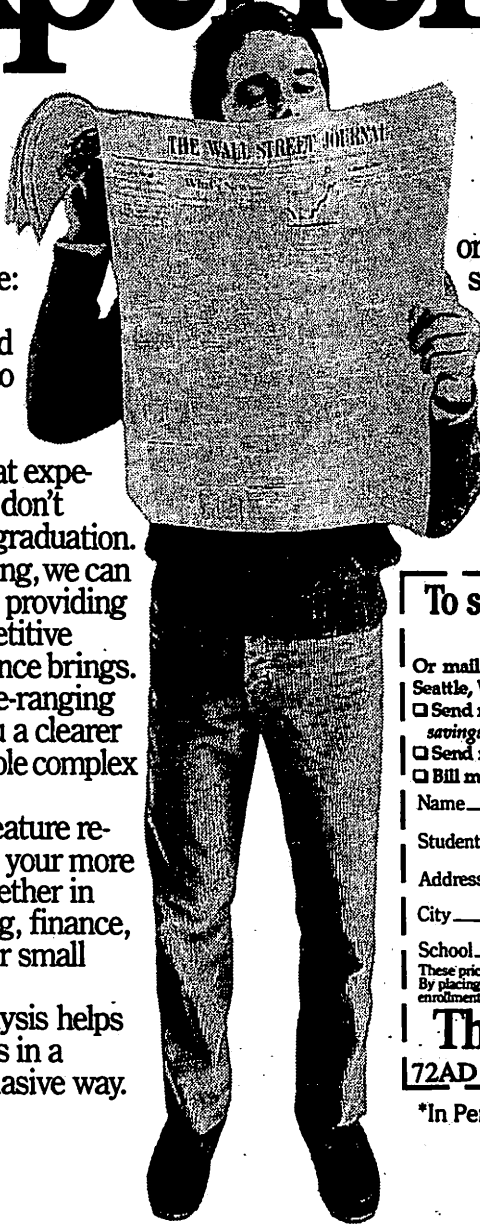

At The Wall Street Journal, we recognize that experience is something you don't start earning until after graduation.

But while you're waiting, we can give you a head start by providing some of the same competitive advantages that experience brings.

For instance, our wide-ranging news coverage gives you a clearer understanding of the whole complex world of business.

Our tightly focused feature reporting prepares you for your more specific ambitions — whether in management, accounting, finance, technology, marketing or small business.

And our in-depth analysis helps you formulate your ideas in a sharper and more persuasive way.

Call 800-257-1200,* Ext. 1066 or mail the coupon — and start your subscription to The Wall Street Journal at student savings of up to \$51 off the regular subscription price.

That's a pretty generous offer. Especially when you consider what it actually represents. Tuition for the real world.

**To subscribe, call 800-257-1200,*
Ext. 1066 toll-free.**

Or mail to: The Wall Street Journal, 500 3rd Ave. W.,
Seattle, WA 98119.

Send me one year of The Wall Street Journal for \$68 - a
savings of \$51 off the regular subscription price.

What's better than speed reading? *Speed Learning.*

Speed Learning has replaced speed reading. It's a whole new way to read and learn. It's easy to learn...lasts a lifetime... applies to everything you read. It may be the most productive course you've ever taken.

Do you have too much to read and too little time to read it? Do you mentally pronounce each word as you read? Do you frequently have to go back and reread words, or whole paragraphs, you just finished reading? Do you have trouble concentrating? Do you quickly forget most of what you read?

If you answer "Yes" to any of these questions — then here at last is the practical help you've been waiting for. Whether you read for business or pleasure, school or college, you will build exceptional skills from this major breakthrough in effective reading, created by Dr. Russell Stauffer at the University of Delaware.

**Not just "speed reading" — but
speed reading — thinking —
understanding — remembering —
and — learning**

The new *Speed Learning Program* shows you, step-by-proven step, how to increase your reading skill and speed, so you understand more, remember more and use more of everything you read. The typical remark from over one million people taking the Speed Learning program is, "Why didn't someone teach me this a long time ago." They were no longer held back by their lack of skills and poor reading habits. They could read almost as fast as they could think.

What makes Speed Learning so successful?

The new *Speed Learning Program* does not offer you a rehash of the usual eye-exercises, timing devices, and costly gadgets you've probably heard about in connection with speed reading courses, or even tried and found ineffective.

In just a few spare minutes a day of easy reading and exciting listening, you discover an entirely new way to read and think — a radical departure from anything you have ever seen or heard about. Speed Learning is the largest selling self-study reading program in the world. Successful with Fortune 500 corporations, colleges, government agencies and accredited by 18 professional societies. Research shows that reading is 95% *thinking* and only 5% eye movement. Yet most of today's speed reading programs spend their time teaching you rapid eye movement (5% of the problem), and ignore the most important part, (95%) *thinking*. In brief, *Speed Learning gives you what speed reading can't.*

Imagine the new freedom you'll have when you learn how to dash through all types of reading material at least twice as fast as you do now, and with greater comprehension. Think of being able to get on top of the avalanche of newspapers, magazines and correspondence you have to read...finishing a stimulating book and retaining facts and details

FOR FASTER SHIPMENT CALL 1-800-729-7323 OR FAX 1-609-273-7766

more clearly, and with greater accuracy, than ever before.

Listen — and learn — at your own pace

This is a practical, easy-to-learn program that will work for you — no matter how slow a reader you think you are now. The *Speed Learning Program* is scientifically planned to get you started quickly...to help you in spare minutes a day. It brings you a "teacher-on-cassettes" who guides you, instructs, and encourages, explaining material as you read. Interesting items taken from *Time Magazine*, *Business Week*, *Wall Street Journal*, *Money*, *Reader's Digest*, *N.Y. Times* and many others, make the program stimulating, easy and fun...and so much more effective.

Executives, students, professional people, men and women in all walks of life from 15 to 70 have benefitted from this program. Speed Learning is a fully accredited course...costing only 1/4 the price of less effective speed reading classroom courses. Now you can examine the same easy, practical and proven methods at home...in your spare time...without risking a penny.

Examine Speed Learning RISK FREE for 15 days

You will be thrilled at how quickly this program will begin to develop new thinking and reading skills. After listening to just one cassette and reading the preface, you will quickly see how you can achieve increases in both the speed at which you read, and in the amount you understand and remember.

You must be delighted with what you see, or you pay nothing. Examine this remark-

able program for 15 days. If, at the end of that time you are not convinced that you would like to master Speed Learning, simply return the program for a prompt refund. (See the coupon for low price and convenient credit terms.)

RISK FREE ORDER FORM

YES! I want to try Speed Learning for 15 days without risk. Enclosed is the first of 4 monthly payments of \$30.00.* If I am not completely satisfied, I may return it for a prompt refund.

SAVE \$7.00! I prefer to pay the \$120.00 now, and save the \$7.00 shipping & handling charge. I may still return the program for a full refund.

35mm Color

Prints and Slides from the same roll

Seattle FilmWorks has adapted Kodak's professional Motion Picture film for use in your 35mm camera. Now you can use the same film — with the same fine grain and rich color saturation — Hollywood's top studios demand. Its wide exposure latitude is perfect for everyday shots. You can capture special effects, too. Shoot it in bright or low light — at up to 1200 ASA. All for a surprisingly low processing cost. And Seattle FilmWorks lets you choose prints or slides, or both, from the same roll — without the high cost of slide film. Try this remarkable film today!

Kodak, 5247 and 5294 are trademarks of Eastman Kodak Co. Seattle FilmWorks is wholly separate from the manufacturer. Process at Seattle FilmWorks with limited availability from other labs. © 1987 SFW

SEND ME 2 ROLLS FREE!

RUSH me two 20-exposure rolls of Kodak MP film, Eastman 5247[®] (200 ASA) and 5294[®] (640 ASA). Enclosed is \$2 for shipping and handling. 100% Satisfaction Guaranteed

UNIVERSITY OF WASHINGTON — Fall 1990

COLLEGE JUST GOT EASIER!

Introducing the *How to Succeed in College* series, four great tape-and-text courses that will help you master the academic life by working smarter, not harder.

Each course includes a 32-page text and a 60-minute tape so you can learn at your leisure—while biking, exercising or relaxing.

THE HOW TO SUCCEED IN COLLEGE SERIES:

Section 1: Studying — Nothing will get you through like knowing the material. Here's how.

Section 2: Term Papers — From start to finish, impressive and on time.

Section 3: Exams — Don't freeze up... be prepared. There are ways to do it.

Section 4: Speed Reading — The student's #1 lifesaver. It's never too late to learn.

Save \$11.79. Get the whole series in one package: all four tapes and a 160-page book for \$29.95.

This course is simply excellent. I wish I'd had it as a Freshman!

MONEY BACK GUARANTEE

If you're not completely satisfied, return the course within 10 days for a full refund.

YES! Please rush me the course(s) I've checked below. I've enclosed my check or money order payable to SUCCEED IN COLLEGE, for the full amount shown.

UNIVERSITY OF WASHINGTON HARBORVIEW MEDICAL CENTER

Subjects (ages 18-80) are needed for research studies evaluating *Investigational Drugs for the treatment of Asthma and/or COPD (Emphysema)*. Subjects must have either asthma or emphysema, and be otherwise in good health. Medical exams, laboratory tests and study medication are provided free of charge. Subjects are compensated for travel expenses upon qualification for a study. Time commitment varies: bi-weekly to monthly visits; visits range from 20 minutes to 8 hours in length, depending on the study; studies generally last from 2 to 6 months.

If interested, please call Tammy or Gayle for more information: 223-3275. Division of Pulmonary and Critical Care Medicine.
