The listing of courses contained in this Time Schedule is a preliminary list provided for planning purposes. The University reserves the right to (1) add or delete courses from its offerings, (2) change times, days, or locations of courses, (3) change academic calendars, or (4) cancel any courses for insufficient registration or academic/administrative decision without notice. All announcements in the Time Schedule are subject to change without notice and do not constitute an agreement between the University of Washington and the students.

What's New for Autumn Quarter 1995

WELCOME TO THE CLASS OF 1999

This Time Schedule is published quarterly to assist you with registration. The introductory section contains instructions for using STAR, our touchtone telephone registration system, information about grading options such as Satisfactory/Not Satisfactory, the tuition and fee schedule, a listing of quarterly deadlines, your right of access and privacy under FERPA or the Family Educational Rights and Privacy Act, the end of the quarter examination schedule and much more. Please review this material at your earliest convenience.

The Time Schedule is a listing of courses offered for the quarter and the meeting times and places. In some cases, your first choice for a course section may be full. If other sections are available, STAR will list alternatives that will fit your section. Some of the course sections listed in this Time Schedule may have been changed or withdrawn and other sections added since publication. You may check the latest course information from the terminals in the Registration Lobby in Schmitz Hall or the Undergraduate Advising Center in 9 Communications. The University offers over 6,000 course sections each quarter. If you are unable to add a particular course your first quarter, select alternate courses which will count toward your graduation requirements. You can call STAR and check availability when you wish, including weekends since sections that were closed may again become available.

UPDATED STAR EQUIPMENT

Beginning this summer, the number of available STAR telephone lines will be increased from 64 to 144 and we expect that access will improve significantly. Although there will still be busy signals during high volume registration periods (particularly during Registration Period I), we expect that general system availability on the first try will occur more frequently than it does now. Even during the heaviest use, the 64 line system is available on the first try by 10:30 a.m.

GIVE US YOUR MOST CURRENT ADDRESS INFORMATION

If you have been away for the summer or are a student new to the University of Washington this quarter, please visit the Registration Office in 225 Schmitz and give the staff your address information. When you receive your Registration Confirmation in the mail, please review your Directory Information at that time and give us a call with any changes. You may call the office directly 7 days a week, 24 hours a day to update your address information. The phone number is 543-3868. After 5 p.m., your request will be entered in the Student Database the next working day.

Registration Eligibility, Periods, & Confirmations

REGISTRATION ELIGIBILITY

ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post-baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for admission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without re-application as returning students. For example, a student completing autumn quarter may, without registering for or completing winter quarter, register during Registration Period I for spring quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline.

GRADUATE STUDENTS

The Quarter-Off Eligibility Policy is not available to graduate students. Graduate students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter. On-leave graduate students returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). See Grading, Withdrawal & On-Leave section for more information.

REGISTRATION PERIODS

REGISTER EARLY

You may call STAR during Registration Periods I or II before your registration eligibility date and complete sections I and II of the STAR Worksheet. A \$25 late registration fee is charged students who have not completed sections I and II of the STAR Worksheet by the first day of the quarter (September 27).

STAR HOURS

STAR is available for registration Monday through Friday, 6:00 a.m. to 12:00 midnight, and most weekends 9:00 a.m. to 12:00 midnight.

PERIOD I - MAY 12 - JUNE 18

This period is open only for continuing students currently enrolled spring or for students who completed winter quarter 1995.

Priority registration dates are based on your completed credits, your spring quarter 1995 credits as of May 10, and the last digit of your student number. The student number priority will be changed each quarter so that all students will have the earliest possible priority every other quarter. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period. You may call STAR on, or after, your registration date to register and make changes to your schedule.

GRADUATING SENIOR PRIORITY

If you are a graduating senior or post-baccalaureate student with a degree application on file in the Graduation and Academic Records Office, you may register on the first day of Period I for your final two quarters. If you must postpone your graduation, you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

PERIOD II - JUNE 19 - SEPTEMBER 26

This period is primarily for newly admitted students and returning former students. Advising / registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

PERIOD III - SEPTEMBER 27 - OCTOBER 10

This period is open to all students for course adds and drops.

STAR closes at 6 p.m., Friday, October 10. STAR will be closed on Saturday, October 6. The Registration Office, 225 Schmitz will be open for transactions not available on STAR: Monday-Friday: September 27 - October 4 8 a.m. to 5:00 p.m.

The deadline to add courses is 6 p.m. Friday, October 10.

PERIOD IV - OCTOBER 11 - NOVEMBER 12

This period is open for dropping courses on STAR and to elect audit grade option only. Changing to audit grade is only available at the Registration Office, 225 Schmitz Hall, Wednesday, October 11 through Thursday, November 9, 8 a.m. to 5 p.m.

REGISTRATION CONFIRMATION

Registration confirmations for students who registered by August 26 will be mailed on August 30. If you register after August 26, your Registration Confirmation will be mailed in two working days. Call 543-3868 to record your correct address. Confirmations will not be mailed outside the United States during Registration Period II and III and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

STAR Registration

STAR

STAR (Student Telephone Assisted Registration) is the University of Washington's touch-tone telephone registration system. You may call STAR from any touch-tone phone to register. Touch-tone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the ground floor level of the HUB.

STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. STAR weekend hours are 9:00 a.m. to 12:00 midnight. Weekday hours are 6:00 a.m. to 12:00 midnight.

STAR FEATURES

ADDING COURSES

Courses may be added during Periods I, II, and III. An add code is required to add a course and a \$20 change fee is charged beginning October 4. This is in addition to any tuition. Always check your balance after adding a course. See Changes in Registration for additional information on adding courses. Friday, October 10, at 6:00 p.m. is the last day to add a course for autumn quarter 1995.

ADD CODES

Some courses require Add Codes or Faculty Numbers that are available through the department offering the course. See ENTRY CODES for more information on using Add Codes.

DROPPING COURSES

Courses may be dropped during Periods I, II, III and IV. You may drop courses through October 10 and receive no entry on your transcript. Beginning October 4, a \$20 change fee is charged to drop a course. This is in addition to any tuition forfeiture. Always check your balance after dropping a course. See Changes in Registration for additional information on dropping courses. Sunday, November 12 is the last day to drop a course for autumn quarter 1995.

DROP CODES

Some courses require drop codes that are available through the department offering the course. See ENTRY CODES for more information on using drop codes.

COURSE AVAILABILITY

Beginning Period I, you may call STAR at any time to complete section II of the Star Worksheet and check course availability.

ALTERNATE SECTIONS

STAR lists alternative sections if the requested sections are closed or canceled.

CONFIRMED REGISTRATION

You may confirm your registration schedule by calling STAR and using the List Schedule Transaction (L#). This listing includes building and classroom locations.

STUDENT ACCOUNT AND LOAN STATUS

Call STAR to: list your current student account balance; list a summary of disbursed financial aid and

aid check availability; and list the latest recorded student account payment. Review the STAR Work Sheet for the transaction codes.

GRADES ON STAR

STAR lists all officially recorded grades for the most recently completed quarter. autumn quarter 1995 grades become available on STAR beginning December 20.

CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES

If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

PRIVATE ACCESS CODE (PAC)

The first time you ever call STAR, enter your date of birth when STAR asks you to enter a Private Access Code. STAR will then prompt you to select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall or call 543-8580 to obtain your code or select a new PAC.

IF YOU MAKE A MISTAKE

If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

MERLIN TELEPHONE

If you are using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

TIME AND CALL LIMITS WHEN CALLING STAR

Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. If you are disconnected you may immediately call back to STAR. You may call STAR up to 100 times a day. No transactions will be permitted when your calls exceed 100 on that day.

CLOSED COURSE SECTIONS

If the section requested is closed, you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You may then select an alternate section to be added to your schedule. To overload a closed section see OVER-LOAD GUIDELINES on the following page.

STAR QUESTIONS

If you have questions regarding registration, please call the Registration Office, (206) 543-4000, Monday through Friday, from 8:00 a.m. to 5:00 p.m. The audiolibrary system has complete recorded instructions. If you need additional assistance, press "0" and a staff member will help you during business hours.

STAR TRANSACTIONS

The transactions you enter on your touch-tone telephone communicates to the computer the action to take (such as add a course, drop a course, etc.) and data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = List class schedule
- S = Course Status
- T = Terminate your call and receive registration confirmation information
- G = List your grades
- 11 = Account balance
- 12 = Financial Aid Summary
- 14 = Last received payment
- 15 = Optional charges
- * = Star key, used to

FOLLOW THESE STEPS BEFORE CALLING STAR

Read the Registration Eligibility, Periods, and Confirmation; STAR Registration, and the STAR Work Sheet sections.

Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before selecting your courses.

Obtain an Entry Code or Faculty Number from department for courses requiring entry codes.

Organize your registration materials (Time Schedule, STAR Work Sheet). Use the autumn quarter 1995 TIME SCHEDULE to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Prepare an alternate course section list because some sections may be full.

Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.

Call STAR from a touch-tone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR each quarter. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation.

Beginning with Registration Period I, you may call STAR as often as you want to check the status of sections, confirm schedule listed, add/drop courses, check your account balance, etc.

You may call (206) 543-3868 at any time to change your address information.

CHANGES IN REGISTRATION

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning October 4. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops, or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. You will be notified of the decision by the Office of the Registrar. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since the instructor will assign a failing grade. You may not attend a University course in which you have not been officially registered.

An instructor may allow you to attend his or her class only if your name appears on the official class list from Office of the Registrar. A faculty member may attend informally with the approval of the instructor.

CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable. All courses require add codes to add beginning October 4.

Courses requiring add codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain an entry code is found in the body of the Time Schedule, either as a comment before the course listing or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of viable codes and will not

accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

FACULTY NUMBERS

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR.

FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full-time if you are an undergraduate or professional student. If you are a graduate student, you should register for 9 or more credits. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through October 3, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning October 4, add codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after October 10. STAR closes at 6:00 p.m. on that day.

REGISTRATION ASSISTANCE

If you work during the day or are incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 543-5723 to make arrangements for assistance. If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you.

REGISTRATION HOLDS

If you have a hold on your registration, you will not be permitted to register, add courses or obtain a replacement U-Pass until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold and where to go to get it released. However, you may make other transactions on STAR.

REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures on an Authorization for Non-Star Transactions form are required for courses that conflict more than one hour a week.

UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall.

Grading, Withdrawal & On-leave Information

GRADING

AUDITORS

You must first register on STAR and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through November 9. A \$20 change fee is charged beginning October 4. Attendance in courses as an auditor is based on the consent of the instructor and space availability. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for audited courses. However, registered courses changed to audit after October 10 will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course change occurred; for graduates and professional students only a "W" will be recorded. To receive credit for an audited course, you must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on your transcript, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after October 10.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

GRADE APPEAL PROCEDURE

See the General Catalog for appeal procedure.

INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not re-register for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Your advisers should be consulted and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Register for the course on STAR, but then you must go in person to the Registration Office, 225 Schmitz, to elect the S/NS grading option. You cannot select the S/NS grade option on STAR.

The S/NS grade option can be elected through October 10. A \$20 fee is charged beginning October 4.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

"W" GRADES

If you are an undergraduate and drop a course during the first two weeks of a quarter, there is no entry on your permanent academic transcript. If all courses are dropped, then a complete withdrawal date is recorded on the transcript. A course drop made October 11 through November 12 is recorded on an undergraduate student's transcript with a "W" grade and a number designating the week of the quarter in which the course drop was transacted. Only a "W" grade is recorded on the transcript of graduate or professional students.

WITHDRAWAL

QUARTER OFF ELIGIBILITY POLICY

If you are an undergraduate or professional student (dental, law, or medical) who has completed the preceding quarter here at the University of Washington, you may take a quarter off under the Quarter Off Eligibility Policy. Review the REGISTRATION ELIGIBILITY section for complete details.

WITHDRAWAL FOR THE QUARTER

(Dropping all courses.) It is your responsibility to withdraw completely if you are unable to attend for the quarter. If you drop your last course on STAR and do not add a course you will be considered withdrawn for the quarter. If you drop your last course on STAR you will be charged the \$20 change fee beginning October 4. You may write to or withdraw in person at the Registration Office, 225 Schmitz Hall, Box 355850, University of Washington, Seattle, Washington, 98195-5850. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after December 8.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office, the date that the last class is dropped on STAR, or the postmark date for withdrawals received by mail. If you withdraw prior to October 4 you will owe a \$75 U-PASS fee unless you return your U-PASS to the Student Accounts and Cashiers Office by the tuition due date (October 13). If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker.

Review the Registration Eligibility section of the Time Schedule if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through October 10) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (summer quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of autumn quarter and winter quarter, you must reapply as a returning former student for spring quarter.

HARDSHIP WITHDRAWAL

Hardship withdrawals are for dropping individual courses after the seventh week of the quarter (November 12). The \$20 change of registration fee will be assessed.

You may petition the Registrar for a hardship withdrawal if the following apply: 1) you are unable to complete the course in question because of a severe mental or physical disability, or 2) unusual or extenuating circumstances beyond your control prevented you from dropping the course by the drop deadline, or 3) you have not been granted a degree for course work in your current status.

WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction (November 12) and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or (academic) credit and no refund. Please consult with the Office of the Registrar for complete details.

GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign an On-leave Card, then take it to the Registration Office through October 3. You must pay a \$35 non-refundable fee at the Student Accounts and Cashiers Office, room 129 Schmitz Hall after your On-leave Card is processed at the Registration Office. The cashier will issue you an On-leave Card so you will have access to the libraries. If you have pre-registered for autumn quarter 1995 and plan to go on-leave, you must officially withdraw prior to September 27, before the on-leave status will be granted.

Tuition Exemptions & Access Programs

UW FACULTY/STAFF AND WASHINGTON STATE CLASSIFIED EMPLOYEES TUITION EXEMPTION PROGRAM

If you have been continuously employed full time (100%) as permanent staff for six months with the University or an agency of the state of Washington prior to the academic quarter in which you are trying to enroll, you may be admitted to the University of Washington and take up to 6 credits per quarter using this exemption. If an employee chooses to register for more than 6 credits, then the employee will be charged for all credits. Once registration occurs it cannot be changed to tuition exempt status in the quarter registered. If an employee has been admitted as a matriculated student and desires earlier priority registration in order to be assured of getting into classes, he/she may do so and pay full tuition as a regular student. According to legislative action, all registration must be on a space available basis after other matriculated students have registered. University Tuition Exemption does not cover Math 101. You must contact the Math department prior to registration. You may not register for graduate-level independent study courses numbered 600, 700, or 800 or any self-sustaining courses. If you are admitted as nonmatriculated in order to use this exemption, you may only register for classes when using the exemption and after the exemption request form has been submitted. Matriculated students will be permitted to register even when they are not using the exemption, however, full tuition and fees will be charged.

If you are enrolling under one of these exemption programs you may attend class with the permission of the instructor, beginning the first class day if space is available. Call STAR to determine the correct classroom location. The building and room number may have been changed by the department since the Time Schedule was printed.

ADMISSION FOR UW FACULTY, STAFF, OR CLASSIFIED STATE EMPLOYEES

A tuition exemption form must be filled out for each quarter of attendance. If you would like to enroll as a new matriculated student or in a new matriculated category, apply to the Office of Undergraduate Admissions, 320 Schmitz Hall, by the regular admission closing date; July 1 is the closing date for autumn quarter applications. If you are applying to the Graduate School (including Graduate Nonmatriculated status), you should contact the applicable academic department for application information. If you are applying as a new nonmatriculated student, you should go to the Office of Undergraduate Admissions.

If you are a former student at the UW and are returning in the same classification or as a nonmatriculated student you should apply at the Registration Office, room 225 Schmitz Hall. These applications are normally accepted up to the beginning of the quarter. Graduate nonmatriculated-program participants need to apply through the intended academic department.

REGISTERING

After the tuition exemption request has been received by the Registration Office, you may call STAR on or after the appropriate eligibility dates. Registration continues through Tuesday, October 3 on STAR without assessment of late fees. Beginning Wednesday, October 4, a \$25.00 late registration fee is billed if you are initially registering for the quarter and a \$20.00 change fee is charged for registration changes. You will be billed these fees, if applicable, plus the registration fee when you register in a course. If you add your course before the tuition exemption program registration date, you will not be permitted to convert to the tuition exemption program and will be required to pay regular tuition for those credits. You will not be entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Faculty/staff identification cards may be used for library services. Washington State employees participating may obtain an ID card to be used for library services from the Student ID Center, 229 Schmitz Hall and a UPASS sticker for \$27.00 from the Registration Office, room 225 Schmitz Hall. Deadlines and registration dates are listed below:

UW FACULTY/STAFF

Friday, September 6 - Tuition exemption request card due to Registration, 225 Schmitz, Box 355850.

Friday, September 29 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, October 13 - \$5 registration fee due. Fee is billed if a student successfully registers.

WASHINGTON STATE CLASSIFIED EMPLOYEES

Friday, September 6 - Tuition exemption request card due to Registration, 225 Schmitz, Box 355850.

Monday, October 2 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, October 13 - \$30 registration fee due. Fee is billed if a student successfully registers.

NOTE: You should contact your departmental office, the Registration Office, (206) 543-8580, 225 Schmitz Hall, or UW Training and Development, (206) 543-1957 for a tuition exemption form.

ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an ACCESS student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with a greater than sign (>) require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, room 225 Schmitz Hall. The fee is \$5.00 whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment will be due by October 13. Since you are auditing the course(s), you do not receive credit and are not expected to do any class work or take examinations. You may register for all courses except UW Extension, Distance Learning, studio, laboratory courses, and honors sections. You may also register in 500 level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained.

You will be limited to two courses per quarter. For additional information about this program, you may telephone UW Extension Information, 543-2320, between 8 a.m. and 5 p.m., weekdays.

REGISTERING

Please go to the Registration Office, room 225 Schmitz Hall on Friday, September 29 during the times listed below.

Registration time for ACCESS students is based on last name. Access students do not register through STAR.

²Does not apply to first professional law students. (Fees are subject to change without notice)

Tuition charges are based on your student classification, e.g. undergraduate, graduate, or professional, and not on course level.

Fees listed do not apply to students registered through University Extension. See University Extension Bulletin for their fee structure.

TUITION FORFEITURES / REFUNDS

You will be billed for the number of credits, including audit hours, on your course schedule at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after October 3.

STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after October 3 will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures or Refunds)

Tuition is due October 13.

Charges incurred after the tuition due date must be paid in 1-3 days.
(See Tuition/Fee Assessments and Deadlines)

You will be expected to pay one-half of the tuition associated with any courses dropped beginning October 4 through October 26. Courses dropped after October 26 receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after October 26 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

- If you withdraw before October 4, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before October 3 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.
- If you withdraw October 4 through October 26 you will continue to owe one-half of your tuition. If you withdraw after October 3, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than October 13 to have the fee waived. There will be no U-PASS refunds after October 13.
- If you withdraw after October 26 you will continue to owe full tuition.
- If your registration is canceled for nonpayment of fees you will continue to owe the University one-half of your tuition and fees.
- If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office in 103 Lewis Hall at the same time you withdraw from the University.
- If you drop any classes October 4 through October 26 that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours.

g. If you are a Title IV aid recipient, attending your first quarter at the University and withdraw after October 3, you must pay a prorated portion of the University charges. Charges are prorated based on the portion of the quarter for which you are enrolled. If you withdraw after the seventh week of the quarter (November 12), you must pay full tuition. The pro rata refund provision applies to tuition, fees, room and board and other charges which would otherwise be assessed by the University. The \$100 Enrollment Confirmation Deposit is applied toward payment of tuition.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

TUITION/FEE ASSESSMENTS AND DEADLINES

It is your responsibility to see that tuition is paid in full by the tuition due date (October 13). Bills are sent at the beginning of each quarter (September 27) to facilitate payment. However, failure to receive a tuition bill does not nullify your responsibility for payment by the due date. Account balances are available through STAR (transaction 11#).

Select your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by October 6, contact the Student Accounts and Cashiers Office, or call STAR for the amount of tuition due.

You may pay your fees in person in the Student Accounts and Cashiers Office or mail them to UW, Student Accounts and Cashiers Office, 129 Schmitz, 355870, Seattle, WA 98195-5870, before October 13. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments post-marked on or before October 13 are accepted without a late fee. Mail postmarked after October 13 is subject to penalties as described below.

If you fail to pay by the deadline you will be charged a late fee. For past due balances over \$250 the late fee is \$30; \$30-\$250 balance the late fee is \$10; and if the balance is less than \$30 then there is no late fee.

If payment has not been received in the Student Accounts and Cashiers Office by the end of the late payment period, registration for the current quarter as well as any future quarters will be canceled. Reregistration after cancellation for nonpayment requires a \$75 fee, in addition to tuition.

Tuition and fees incurred after the October 13 must be paid within three working days. Exception: beginning (October 4), charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

If you reregister, you must reregister for all of the classes that were on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter (December 8) will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

Student Insurance and Optional Fees

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. Seattle Campus UW students who remain registered through are eligible to enroll in the plan. **Not eligible** are UW Seattle campus nonmatriculated students and those enrolled in programs administered by UW Extension and UW faculty/staff or Washington State classified employees attending classes under the employee tuition exemption programs.

You may sign up for the plan when you register for classes. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition due date (October 13). In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. There is no late payment period for the insurance premium.

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Cashiers Office, by the tuition due date (October 13).

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each autumn quarter (or upon initial admission if other than autumn quarter) because waivers are valid only through summer quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

For those graduate students who are eligible for Graduate Appointee Insurance, please choose the option, "no insurance" when registering on STAR. If you have questions regarding your eligibility for this plan, please contact your department.

International graduate appointees, however, must still choose the quarterly student insurance option when registering. If you are an international RA/TA/SA, the system will automatically make adjustments so that you will not have double coverage. If you are an international fellow or trainee, please contact your department for further instructions.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

OPTIONAL FEES

SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. You may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization that works on issues affecting the quality of life in Washington State. Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

UW ID CARD

You should carry your UW ID Card with you at all times since it is required for a variety of services on campus. In some situations, you may be asked to provide additional pieces of identification, including one containing your photo. A quarterly validation sticker is mailed with your registration confirmation. The sticker should be affixed to the permanent ID Card as soon as it is received. Lost ID Cards may be replaced at the Student ID Center, 229 Schmitz. A non-refundable \$5 fee is charged for replacement of non-photo ID cards or \$10 for replacement of photo ID cards. (See also U-PASS information below.)

U-PASS INFORMATION

A U-PASS validation sticker is mailed with your registration confirmation each quarter. The U-PASS is valid on all regular Metro and Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to van-pool and Night Ride passengers, and merchant discounts. The quarterly fee of \$27 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline (October 13). The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office or the Registration Office.

If you withdraw through October 3 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. If you withdraw after, you will be charged the applicable tuition and may retain the pass for \$27 or return it no later than the tuition due date (October 13) to have the \$27 fee waived. There will be no U-PASS refunds after the tuition payment deadline (October 13), and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through October 3. Replacement stickers issued after October 3 will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$27 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$27 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. The U-PASS program, replacement policies, and quarterly fee are subject to change without notice.

Notices

ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union building. You may join ASUW when registering on STAR.

DISABLED STUDENTS

If you are a student with a disability, various support services, including priority registration, note taking and examination accommodations are available. You may contact Disabled Student Services (DSS), room 448 Schmitz Hall, 543-8925 voice/TDD, for information on academic accommodations designed to meet individual student needs.

The STAR Work sheet and instructions are available from DSS in alternate media, including large print, tape recording and Braille. If you have a disability that limits your ability to use STAR, you may register through DSS or at the Registration Office, 225 Schmitz Hall.

DISCLOSURE OF STUDENT RECORDS

As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition account information only may be obtained from the Student Accounts and Cashiers Office, 129 Schmitz.

EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in employment Act Amendments of 1978, Vietnam Era veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington

with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. NE, Seattle, Washington, 98195, telephone (206) 543-1830, VTDD.

FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or autumn quarter 1987 are 57% in 5 years and 65% in 6 years.

IMMUNIZATION

University and local health authorities recommend immunization against measles for students. Individuals are considered to be immune to measles if they have received two documented doses of measles vaccine (measles-only or combined measles-mumps-rubella vaccines), with the second dose received since 1967, has laboratory evidence of measles immunity, have a documented episode of physician-diagnosed measles, or were born before 1957.

There have been outbreaks of measles at other universities, and to avoid such an occurrence on this campus, the University is asking students who are not immune to measles (as described above) to obtain the necessary shots. In the event of an outbreak here, students lacking acceptable documentation of measles immunity may be excluded from classes, living groups and/or other activities. For more information, students are encouraged to contact the Hall Health Primary Care Center, the student health service on campus, at (206) 685-1055.

RELEASE OF STUDENT

DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, the following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, major field of studies, dates of attendance, degrees and awards received, full-or part-time enrollment status, educational institutions attended, and for athletes, date-of-birth, weight and height.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory, you

may call the address change service at 543-3868 to restrict access to this information. No information will be released on students that have restricted release of directory information including degrees awarded and dates of attendance. If you wish to change your authorization and allow release, you must go to the Registration Office, 225 Schmitz and present photo identification.

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), you have the right to 1) inspect and review information contained in your education records, 2) challenge the contents of your education records, 3) request a hearing if the outcome of the challenge is unsatisfactory, 4) submit an explanatory statement for inclusion in the education record if the outcome of the hearing is unsatisfactory, 5) prevent disclosure with certain exceptions of personally identifiable information, 6) secure a copy of the institution policy, and 7) file complaints with the Department of Education concerning alleged failures by institutions to comply with the Act. Written complaints should be directed to FERPA, Department of Education, Room 4074, Switzer Building, Washington D.C. 20202.

SEXUAL HARASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283.
Human Rights Office, (206) 543-7217.

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

VETERAN'S INFORMATION

Veterans, as well as the dependents of deceased or totally disabled veterans, may contact the Office of Special Services for information regarding VA educational benefits. Tuition reductions may be available for Washington residents who served in the Southeast Asian or Persian Gulf combat zones; children of POWs or MIAs; and nonresident active duty military personnel and their dependents stationed in Washington. You may obtain specific information from the Office of Special Services, 460 Schmitz, Box 355835, Seattle, WA 98195-5835, telephone (206) 543-6122.

Grad 14,382 7,258

* Excludes medicine and dentistry

Resident vs Nonresident

Students: the University of Washington is committed to promoting respect for the rights and privileges of others, understanding and appreciation of human differences and the constructive expression of ideas.

This commitment is supported by federal and state laws and University policies prohibiting discrimination on the basis of:

- *Age*
- *Disability*
- *National Origin*
- *Sexual Orientation*
- *Creed*
- *Sex*
- *Race*
- *Status as a Disabled Veteran*
- *Color*
- *Marital Status*
- *Religion*
- *Vietnam Era Veteran*

If you believe you have been discriminated against on the basis of the factors listed above, the circumstances should be reported to:

- **Business and Personnel Services**
22 Administration Building
616-2028
- **University Ombudsman**
543-6028
Ombudsman for Sexual Harassment
543-0283

TTY 587-5168
- **U. S. Department of Education Office for Civil Rights**
220-7920,
TTY 220-7907

The University of Washington Student Conduct Code obligates students to:

- **Maintain high standards of academic and professional honesty and integrity;**
- **Respect the rights, privileges and property of other members of the academic community and visitors to the campus, refraining from actions which would interfere with the University functions or endanger the health, safety, or welfare of other persons; and**
- **Comply with the rules and regulations of the University and its schools, colleges and departments.**

Violations of these standards may result in a variety of disciplinary actions, including suspension or permanent dismissal from the University.

Copies of the Code may be obtained from 476 Schmitz Hall.

* Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.

Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

- With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.
- An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
- A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.
- If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.
Students are responsible for taking any number of examinations for which they are scheduled on a given day.
- Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
- Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.
- Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
- If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.
- Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, 543-1080.

New Courses

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

ARCHITECTURE

ARCH 540 Evolution and Aesthetics (2) Exploration of new views toward the theory and philosophy of architectural aesthetics in which responses are seen as driven, in part, by predilections contributive to biological survival and evolution.

BUILDING CONSTRUCTION

B CON 510 Advanced Construction Techniques (3) Study of techniques and practices used in complex construction projects, including industrial and high-rise structures, building renovation, and tenant improvements.

B CON 520 Construction Procurement Systems (3) Introduction to methods for procurement and delivery of projects in the construction industry.

B CON 550 Residential Project Development (3) Study of the financial, technical, and management activities and the environmental regulations and studies associated with the development of residential projects, including business and construction practices and marketing strategies for continued profitable operation of a residential construction firm.

COMMUNITY AND ENVIRONMENT

CEP 120 Introduction to Community and Environmental Planning (5) I&S Explores concepts, theories, and methods of community and environmental planning defined and developed by distinctive fields in natural and social sciences. Lecture, group discussion, and individual and group projects. Guidance for students to formulate their own curricula in an interdisciplinary manner.

CEP 301 The Idea of Community (5) I&S Explores theories of community and communal rights and responsibilities. Students plan their individual curriculum for the major, selecting appropriate cross-disciplinary course work.

CEP 446 Internship (5-7) Internships related to student's academic focus. Prerequisite: concurrent enrollment in 460.

CEP 460 Planning in Context (5) Critique of internship experience and analysis of student's role in the employment setting. Examination of employer's role in and impact on the community. Prerequisite: concurrent enrollment in 446.

COLLEGE OF ARTS AND SCIENCES

ART

ART 450 Individual Projects in Printmaking (5, max. 15) VLP Individual media study within the context of group discussion and critique. Prerequisite: art major and 345 or permission of instructor.

ART 595 MFA Research Project (2-5, max. 9) An independent research project related to and informed by the MFA student's studio work. Final project form may be a lecture, slide presentation, or paper.

CHEMISTRY

CHEM 570, 571 Topics in Biotechnology I, II (1,1) Lectures reflecting faculty research. Topics from botany, biochemistry, microbiology, genetics, chemistry, bioengineering, molecular biotechnology, pathobiology, and biological structure.

GENERAL STUDIES

GEN ST 199 University Resources, Information, and Technology (1-2) Introduces Freshman Interest Group participants to University resources, information retrieval and dissemination, and academically related technology. Credit/no credit only.

GENETICS

GENET 581 Seminar in Drosophila Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of Drosophila development. Credit/no credit only.

GENET 582 Seminar in Mouse Genetics (1) Discussion of contemporary research in and novel methods for genetic, cell biological, and molecular analysis of mammalian development, with utilization of transgenic techniques. Credit/no credit only.

GENET 583 Seminar in Molecular Cytology (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of spindle behavior in the mitotic cell cycle of budding yeast. Credit/no credit.

GENET 584 Seminar in DNA Replication (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of budding yeast, with emphasis on the mechanisms and control of DNA replication. Credit/no credit only.

GENET 585 Seminar in Bacterial Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of bacterial assembly mechanisms, with emphasis on the topogenesis of membrane proteins. Credit/no credit only.

GENET 586 Seminar in Mammalian Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of mammalian genetics, with emphasis on lymphoblast development. Credit/no credit only.

GENET 587 Seminar in Nematode Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of nematode development, with emphasis on neurogenesis and other developmental processes. Credit/no credit only.

GEOLOGY

GEOL 478 Age Determinations in the Earth Sciences and Archaeology (3) NW Principles and methods of age dating with a strong focus on radiocarbon dating. Other techniques include dendrochronology, amino acid, potassium argon, uranium series, thermoluminescence dating. History of past climatic change and cultural-global change applications.

GEOPHYSICS

GPHYS 504 Geophysics: The Ocean (3) Geophysical fluid dynamics. Fluids in geophysics with emphasis on the oceans. Development of the equations of motion with examples drawn from dynamical oceanography. Includes advanced, research-oriented problems. Prerequisites: PHYS 323, MATH 307 and 308 or equivalent and graduate standing.

GPHYS 518 Introduction to Geophysical Research (1, max. 3) Introduces research of faculty and advanced graduate students to first-year graduate students and provides experience for the formulation, oral presentation, and defense of research proposals and results.

GPHYS 519 Geophysical Research Methods (2, max. 12) Current research methodology and results based on recent literature and on faculty and student research. Designed to develop student perspective on observational and theoretical methods and on relation of specific research to broader developments in geophysics and interdisciplinary aspects of geophysics through faculty-guided presentations and discussion by students.

HISTORY

HSTAM 301 Greek History: 7000 BC to 1000 AD (5) I&S Ancient Greece from its Neolithic village origins through the Bronze Age civilization and that of the Classical period, continuing with developments during the battles of Alexander's successors, Greece's incorporation in to the Roman Empire, and its new form in the Byzantine Empire.

HIST 249 Introduction to Labor Studies (5) I&S Conceptual and theoretical issues in the study of labor and work. Role of labor in national and international politics. Formation of labor movements. Historical and contemporary role of labor in the modern world. Offered: jointly with POL S 249/SOC 266.

HIST 316 History of American Science (5) I&S History of science in the United States, including migration of European science, development in colonial America, growth of an American scientific community, and expansion of American science in the twentieth century. Issues of scientific attitudes to the natural world, race, ethnicity, and gender are included.

HSTAA 590 Topics in American History (3, max. 9) Seminar on selected topics in American history, with special emphasis on preparation for field examinations. Topics vary according to interests of students and instructor.

MATHEMATICS

MATH 598 Seminar on Technology (1, max. 3) Explores the use of computer technology in teaching and research in mathematics. Develops the basic skills required for using computer mathematics software.

MUSIC

MUSIC 119 Introduction to Music Theory and Musicianship (4) VLPAs Basic elements of music theory: major and minor scales, modes, keys, triads, and seventh chords. Introduction to acoustics, four-part writing, functional harmony, simple forms, and jazz notation. Includes concurrent, intensive aural training in lab sections. Prerequisite: placement by examination.

PHILOSOPHY

PHIL 505 Seminar in Teaching Philosophy (1, max. 3) Autumn quarter focus on topics of importance to a graduate student teaching two quiz sections a week for a larger lecture course. Winter quarter focus on assessment options. Spring quarter focus on helping student prepare to teach own course.

POLITICAL SCIENCE

POL S 249 Introduction to Labor Studies (5) I&S Conceptual and theoretical issues in the study of labor and work. Role of labor in national and international politics. Formation of labor movements. Historical and contemporary role of labor in the modern world. Offered: jointly with HIST 249/SOC 266

POL S 403 Advanced Special Topics in International Relations (5, max. 10) I&S Examination of contemporary developments in the field of international relations. Content varies according to the nature of developments and research interests of the instructor.

PSYCHOLOGY

PSYCH 461 Cognitive Neuropsychology (4) NW Discussion of neural systems underlying cognitive behavior with particular focus on breakdown of cognition following brain damage. Topics include object and space perception, language, voluntary movement, attention, and memory. Examination of contributions from related areas of neuroimaging, visual perception, linguistics, physiology, and neuroscience. Prerequisites: 222, 333, or 355.

PSYCH 516 Latent Variables and Measurement Error (4) Analyses techniques to assess effects of latent variables in presence of error in observed data. Provides experience with statistical tools for confirmatory structural equation modeling and testing of hypotheses concerning causal and other relations among latent variable. Prerequisite: 515 or permission of instructor.

PSYCH 599 Directed Research in Psychology (1-3, max. 24) Supervised participation in research. Prerequisite: permission of a supervising psychology faculty member.

FRENCH

FRENCH 431 Critical Approaches to French Poetry (5) VLPAs Interdisciplinary approaches to French poetry focusing on the intersection of fine art, cultural movements, and the production of literature in the Second Empire and the Third Republic.

Historical and contemporary role of labor in the modern world. Offered: jointly with HIST 249/POL S 249.

SOC 500 Teaching Sociology as a Teaching Assistant (1) Techniques of quiz section administration, advising of students, and student evaluation important to successful teaching as a Teaching Assistant. Students develop presentations and classroom materials and develop and grade student examinations. Prerequisite: admission to graduate program in sociology.

ZOOLOGY

ZOOL 557 Topics in Molecular Insect Endocrinology (1, max. 12) Assigned reading and discussion of current topics in molecular insect endocrinology. Prerequisite: 438 or 485 or equivalent.

SCHOOL OF DENTISTRYDENTISTRY

DENT 523 Prevention and Management of Medical Emergencies in Dentistry (1) Introduction to medical emergencies in the dental office, including cardiopulmonary resuscitation.

DENT 545 Review of Medical Emergencies and Basic Life Support (1) Review of medical emergency management in dentistry, including prevention and treatment. Review and update basic life support and airway management.

PEDODONTICS

PEDO 571 Pediatric Dentistry Seminar II (2) Covers pathology and oral manifestations of diseases of children and adolescents, pediatric radiology, and use of computers in didactic, clinical, and research endeavors.

PEDO 580, 581, 582 Developmental Disabilities Seminar (1,1,1) Multidisciplinary approach to managing children with developmental disabilities.

PEDO 660, 661, 662, 663 Clinical Pediatric Dentistry (* max. 10, * max. 10, * max. 10, * max. 10) Clinical courses involving treatment of pediatric patients, especially those with special needs.

ORAL BIOLOGY

ORAL B 577 Applied Therapeutics in Dentistry (2) Practical information about drugs included in practice of dentistry. Topics include evaluation of case histories, dental considerations pertaining to medical conditions and drug therapies, types of drugs and dosages used for common medical conditions, the pharmacology of drugs prescribed by the clinician, and the mechanisms involved in drug interactions.

ORAL MEDICINE

ORALM 601 Oral Medicine Research Seminar (1, max. 10) Presentation and discussion of current research problems by graduate students, faculty, and investigators from other departments in the university. Credit/no credit only. Prerequisite: permission of instructor.

COLLEGE OF EDUCATIONEDUCATIONAL PSYCHOLOGY

ESPSY 572 Social-Emotional Assessment (3) Techniques in social-emotional assessment of school-aged children. Diagnostic systems including DSM IV and ICD-10 presented in conjunction with assessment techniques. Emphasis on integrative method for understanding child development and family systems. Prerequisites: school psychology or counseling student or permission of instructor.

EDPSY 589 Scholarly Writing in Education and Psychology (3) Introduction to the demands and expectations for technical writing in education and psychology, including aspects of the culture of scholarship. Designed for competent writers. Does not address basic grammar and composition. Prerequisites: 587, doctoral standing, and permission of instructor. Credit/no credit only.

EDUCATION TEACHER EDUCATION PROGRAM

EDTEP 503 Third Quarter Field Experience - Elementary (4) Field experience accompanying third quarter of study in Elementary Teacher Education Program. Observe school year opening for approximately one month in August and September and spend approximately 18 hours per week during the quarter in supervised school placements and small group discussions. Credit/no credit only. Prerequisite: Elementary TEP student.

EDTEP 523 Teaching, Learning, and Assessment in Science (3) Science teaching in a manner consistent with how young children learn science concepts and skills. Opportunities are provided for work on science activities similar to those used with elementary school children and to experience many of the problems and successes of preadolescents. Prerequisite: TEP student.

EDTEP 532, 533 Teaching, Learning, and Assessment in Literacy I, II (4, 3) Introduces participants to the content and process of literacy learning in elementary school. Study of abilities needed for effective literacy use, instructional strategies to help children acquire these abilities, and assessment strategies to evaluate student progress. Prerequisite: TEP student.

EDTEP 543 Integrating Social Studies and the Arts (3) Introduction to objectives, content, and teaching strategies of social studies and arts as taught in the elementary school. Emphasis on integration of two subjects, as well as other curricular areas, within the context of instructional units. Prerequisite: TEP student.

EDTEP 561 Dilemmas of Teaching and Learning (5) Study of human learning in an educational setting, with an emphasis on learning of school subjects. Topics include nature of learning, knowledge and teaching, motivation, culture, and cognition. Prerequisite: TEP student.

EDTEP 571 Topics and Tensions in School and Society (3) Exploration of issues of value and value tension in American schools. Consideration of social values of equality, opportunity, pluralism, and community, historical and contemporary evidence of values in schooling, and how values can conflict in policy and practice. Emphasis on secondary education. Prerequisite: TEP student.

EDTEP 580-581 Teaching English and Language Arts in Secondary School I-II (5-3) Teaching of English and Language Arts, in middle, junior, or high school. Prerequisite: TEP student.

EDTEP 582-583 Teaching Mathematics in the Secondary School I-II (5-3) Prerequisite: TEP student.

EDTEP 584-585 Teaching Social Studies in the Secondary School I-II (5-3) Developing, teaching, and evaluating social studies courses on the middle, junior, and senior high school levels. Prerequisite: TEP student.

EDTEP 586-587 Teaching Science in the Secondary School I-II (5-3) Prerequisite: TEP student.

EDTEP 588-589 Teaching World Languages I-II (5-3) Introduction to currently used foreign language teaching methods and approaches, including learning and teaching strategies and techniques for the four skills -- reading, writing, speaking, listening -- and for culture. Current and future trends in pedagogy and technology. Prerequisite: TEP student.

EDTEP 591 First Quarter Field Experience - Secondary (3) Field experience accompanying the first quarter of study in the Secondary Teacher Education Program. Participation in one month field experience in September and approximately 2 days per week in supervised school placements and small group discussions. Credit/no credit only. Prerequisite: Secondary TEP student.

EDTEP 594 Fourth Quarter Field Experience - Secondary (9) Field experience accompanying the fourth quarter of study in the Secondary Teacher Education Program. Full time student teaching in supervised school placements and small group discussion. Credit/no credit only. Prerequisite: Secondary TEP student.

COLLEGE OF ENGINEERING

COMPUTER SCIENCE AND ENGINEERING

CSE 135 Computational Techniques (4) QSR/NW Principles of computation and techniques for using the computer as a tool in science and engineering. Basic programming techniques (conditionals, iteration, procedural, and data abstraction). Introduction to simulation, visualization, and symbolic mathematics. Solving engineering and science problems using programmable tools rather than conventional programming languages. Prerequisites: Math 124.

CSE 467 Advanced Digital Design (3) Advanced techniques in the design of digital systems. Hardware description languages, combinational and sequential logic synthesis and optimization methods, partitioning, mapping to regular structures. Emphasis on reconfigurable logic as an implementation medium. Memory system design. Digital communication including serial/parallel and synchronous/asynchronous methods. Prerequisites: 326 and 370.

COLLEGE OF FOREST RESOURCES

COLLEGE FOREST RESOURCES

CFR 450 Senior Planning Project (3) How to choose a topic, develop a written plan, prepare for field or laboratory work, and write the senior project. Projects may be related to resource management, conservation, or scientific research. Assistance provided in selection of faculty project coordinator. Prerequisite: senior standing.

ECOSYSTEM SCIENCE AND CONSERVATION

ESC 440 Theory and Case Studies of Ecosystem Management (5) NW Applying ecological principles in ecosystem management at the stand and landscape levels based on observations of problems and practices during a 10-12 day field trip. Students observe innovative forest management programs and experiments and prepare written and oral scientific analyses of specific topics.

FOREST ENGINEERING

F E 404 Forest Engineering Field Seminar (1) Forest engineering activities examined and discussed during three all-day site visits. Opportunity for forest engineering practitioners, faculty, and students to interact in an informal, content-rich environment. Prerequisite: forest engineering student or permission of instructor.

F M 574 Seminar in Forest Products Marketing (1-5) Evaluate and discuss current research topics in the area of marketing, marketing research, and international marketing of forest products. Presentation of a critical review of a published research paper based on research interests.

PAPER SCIENCE AND ENGINEERING

PSE 102 Paper, Society, and the Environment (5) NW Types of products and patterns of use. Overview of manufacturing processes in terms of raw material, costs, world trade and consumer requirements. Environmental implications of manufacturing, recycling, and disposal of paper and its byproducts. Societal and environmental costs of substituting petroleum-based or nonwood raw materials in paper products.

PSE 401 Wood and Fiber Identification (2) Laboratory in identification of wood fibers of North American species. Use of microscope and image analyzer in obtaining wood and fiber measurements.

PSE 555 Surface and Colloid Science of Papermaking (3) Introduction to principles of surface and colloid science, particularly as they pertain to the wet end of the papermaking process. Surface and colloidal properties of wet end additives. Examination of specific examples and case studies in papermaking situations. Prerequisite: 477 or equivalent.

URBAN HORTICULTURE

UHF 473 Principles of Ecological Restoration (5) NW Philosophy of restoration, structural components of ecosystem degradation, analysis of restoration projects and methods, and an ecosystem by ecosystem review of how systems are restored. An ecology course that emphasizes applied scientific knowledge of ecosystems.

UHF 503 Current Issues in Urban Horticulture (1) Critical evaluation and discussion of published research in urban horticulture and restoration. Students and faculty present and discuss research methods and questions from current literature. Ecology course which emphasizes applied scientific knowledge of ecosystems. Credit/no credit.

INTERDISCIPLINARY GRADUATE PROGRAMS

MOLECULAR AND CELLULAR BIOLOGY

MCB 517, 518 Topics in Molecular and Cellular Biology (1-5, max. 12, 1-5, max. 12) Advanced in-depth coverage of specific areas of molecular and cellular biology of current interest. Lectures by University of Washington faculty involved in research in this area and lectures by invited speakers. A basic knowledge of principles of molecular and cellular biology assumed.

MCB 600 Independent Study or Research (*)

MCB 800 Doctoral Dissertation (*)

MUSEOLOGY

UCONJ 290 Diversity Issues in the Health Care Environment (1-2) I&S Introduction to the complexity of the issues surrounding culture and health, the interrelatedness of ethnic and cultural characteristics and health care access, health and health care concerns of specific communities, traditional and alternative health care practices, and community-based promotion and disease prevention programs.

SCHOOL OF MEDICINE**BIOCHEMISTRY**

BIOC 517 Protein Structure (1, max. 30) Prerequisite: permission of instructor. Credit/no credit only.

BIOC 518 Signaling in Development (1) Prerequisite: permission of instructor. Credit/no credit only.

BIOC 533 Topics In Biochemistry (1-3) Provides in-depth examination of current topics in biochemistry, molecular biology, and structural biology. Designed to help participants in basic science departments become acquainted with latest ideas on topics being covered. Emphasis on analysis of key concepts in the field with reference to classical papers and recent literature. Prerequisite: permission of instructor.

BIOC 534 Topics In Molecular Biophysics (1-2) Emphasis on methods used to study macromolecular structure and dynamics, including x-ray crystallography, NMR, optical spectroscopy, computer modeling, protein folding and ligand binding. Two topics covered each quarter; students may register for one or both. Prerequisite: permission of instructor.

BIOC 560 Protein Folding (1) Prerequisite: permission of instructor. Credit/no credit only.

BIOC 561 Origin of Polarity (1) Prerequisite: permission of instructor. Credit/no credit only.

BIOLOGICAL STRUCTURE

B STR 584 Seminar in Neurogenesis (1) Discussion of current research on process by which neurons are generated in the nervous system.

MEDICAL EDUCATION

MEDED 511 Current Issues in Medical Education (2) Addresses current issues in medical education in the context of historic and contemporary developments. Possible topics include curriculum teaching and learning, clinical knowledge and reasoning, assessment, and certification.

PHYSIOLOGY AND BIOPHYSICS

P BIO 505 Nerve, Muscle, Synapse (2) Fundamental electrophysiology of single neurons, synapses, physiology of skeletal muscle cells and simple reflexes. Emphasis on cellular concepts. For first-year graduate students in biomedical graduate research and interdisciplinary programs who are interested in learning how neurons and muscle cells function and interact.

SCHOOL OF NURSING**PARENT AND CHILD NURSING**

PCN 504 Primary Care Management of Children and Adolescents with Special Health Needs (1-3) Advanced practice nursing with children and adolescents at high risk for or with physical, developmental, neurobiological, or psychosocial disorders. Focus on assessment, prevention, primary care management, and evaluation strategies. Includes community programs, multidisciplinary approaches, and health policy. Prerequisite: 501 and permission of instructor. Offered jointly with PSN 504.

PSYCHOSOCIAL NURSING

PSN 504 Primary Care Management of Children and Adolescents with Special Health Needs (1-3) Advanced practice nursing with children and adolescents at high risk for or with physical, developmental, neurobiological, or psychosocial disorders. Focus on assessment, prevention, primary care management, and evaluation strategies. Includes community programs, multidisciplinary approaches, and health policy. Prerequisite: 501 and permission of instructor. Offered jointly with PCN 504.

NURSING

NURS 583 Philosophical Bases of Nursing Inquiry (3) Exploration of contemporary views of knowledge and science, focusing on ways in which these traditions influence nursing inquiry. Examination of nature of scientific knowledge development. Emphasis on underlying assumptions of various approaches to knowledge generation, along with the implications those methods of inquiry have for nursing knowledge development.

COLLEGE OF OCEAN AND FISHERY SCIENCES**OCEANOGRAPHY**

OCEAN 541 Marine Sedimentary Processes (5) Erosion, transportation and deposition of sediment in estuarine, beach, continental shelf and slope, and deep sea environments. Development of equations characterizing boundary shear flows, initiation of grain motion, bedload and suspended load transport. Evolution of primary bed forms, processes of sediment accumulation, and measurement techniques. Prerequisite: permission of instructor.

OCEAN 544 Geochemical Evolution of Oceanic Lithosphere (3) Chemical principles of magmatic evolution and hydrothermal interaction as they apply to the formation and evolution of the oceanic lithosphere. Comparisons of theoretical models with field studies conducted using submersibles and deep ocean drilling. Prerequisite: permission of instructor.

SCHOOL OF PHARMACY**PHARMACY**

PHARM 309 Quantitative Methods I (3) Instruction in methods essential for conducting pharmacy calculations, interpreting and evaluating data and literature related to pharmacy, and responding to drug information inquiries from health professionals and patients. Introduction to statistical concepts necessary for pharmacy course work.

PHARM 462 Drug Use Review (3) Christensen Introduction to purpose, principles, and techniques of utilization review. Emphasis on steps in drug use review process, including criteria development, data collection, analysis, and interventions. Examples of drug use review and evaluation activities in variety of practice settings, including hospitals, nursing homes, and ambulatory care pharmacy networks. Guest speakers.

PHARM 468 Case Studies in Pharmaceutical Care (3, max. 9) Small groups of students work with an instructor to review cases illustrating various aspects of specific diseases: pathophysiology, clinical features, psychosocial factors, therapeutic interventions with emphasis on drug therapies, and community resources. Analytic reasoning, self-study skills, and knowledge are emphasized.

INTRAMURAL SPORTS

Intramural Sport provide an opportunity for students and faculty/staff to participate in special events, leagues, tournaments, and officiating in various sport activities such as: flag football, co-rec soccer tournament, swim meet, 3-on-3 basketball, 6' and under basketball, and volleyball. Players who are looking for a team to play on are encouraged to sign-up on the "Free Agent Roster" in the Intramural Sports Office for a specific activity. Registration information will be available the week before classes begin in the Intramural Sports Office, IMA Building.

The Intramural Sports Programs also offers employment for students as officials for flag football, basketball, volleyball and soccer. Interested students are encouraged to attend the officials orientation meeting on Monday, October 2, 1995 at 4:30 pm in the IMA Building.

For further information call the IMA Sports Line, 543-8558 daily between 12:00 noon and 8:30 p.m.

ATTENTION: SPRING QUARTER 1995 STUDENTS

Spring quarter students not attending summer quarter may use the IMA Building during Summer Quarter upon purchase of either a Quarterly Facility Use Card or a Single Use Ticket (good for one use).

Quarterly cards may be purchased beginning Tuesday, May 30, 1995 and are valid for use through the beginning of autumn quarter. Purchase may be made in the IMA Administration Office from 8:00 a.m. to 4:30 p.m., Monday through Friday, or in the Intramural Sports Office after 4:30 p.m., Monday through Friday, and all operation hours on Saturday and Sunday.

Single Use Tickets may be purchased at the front entrance to the IMA Building beginning Saturday, June 24, 1995.

Remember, you must retain your Spring Quarter Student ID Card to purchase summer quarter IMA facility use privileges.

University of Washington Student Offer - Receive Half Off Delivery.

Get The Class You've Always Wanted.

If you want to make a good impression this year, there's a class you should register for, no matter what your major. It's the class you'll get from Cort Furniture Rental.

Not only does our furniture look smart, renting it is smart. You get to choose the style of name-brand furniture you want. It won't strain your student budget. And it saves you the hassle and expense of moving that old stuff that's been sitting around your folk's attic back and forth each semester.

We also rent TVs, VCRs, microwaves and other kitchen essentials, plus bedroom and bathroom linens. So call Cort today. And get the kind of class you won't find in a course registration booklet.

Suddenly, We'll Make Your Place A Home.™

HOUSING

RENTER'S WORKSHEET

How much rent can you afford?

The recommended rule is to budget 25-30% of your gross income for rent. Your lifestyle and liabilities determine where you fall within this range. Generally you should use 28% as a guide.

Use the following formula to calculate your monthly target rent:

Yearly Gross Income _____
Divide by 12 _____
Multiply by .28 _____

TARGET RENT

Estimate your other monthly costs

Use this guide to calculate what your total monthly expenses will be after you move.

- Gas & Electric _____
- Telephone _____
- Cable TV _____
- Food _____
- Clothing _____
- Car Loan & Insurance _____
- Other Loan Payments _____
- Credit Card Payments _____
- Medical Expenses _____
- Transportation _____
- Entertainment _____
- Rental Furniture _____

TOTAL

Add these total monthly expense figures together to help assess your monthly living expenses.

DIRECTORY OF CLASSES™

Rental Checklist

Review your lease carefully

Make sure you understand the terms, your rights and your obligations. Remember: The terms of a lease can often be negotiated and the best time to negotiate is before signing. Many leases contain outdated, unfair and even illegal clauses.

Include a list of needed repairs in your lease

Give a target completion date for each repair. If the landlord fails to make the repairs specified in the lease he is in breach of the lease. Remember that oral promises are not legally binding. The written document is.

Communicate with your property owner/manager in writing

Send your letters by certified mail, return requested, especially when you give notice of termination/renewal of your lease or when you inform him/her of problems in the apartment and request repairs.

Inspect the premises again after moving in

Make a list documenting the condition of the apartment, including pre-existing damages that do not necessarily require fixing but that need to be brought to the attention of your landlord so that you will not be held responsible for them at the end of your lease. At the termination of your lease, do a similar inspection of the premises, preferably with the property owner or manager. In this way you will make sure your security deposit is returned to you if you have not done damage to the premises. You are responsible for leaving the apartment in the same condition you find it in at the beginning of the lease, normal wear and tear excluded.

Purchase renter's insurance

Protect your property against theft, fire and other hazards and get liability coverage.

**MY DEGREE GOT ME
THE INTERVIEW.
ARMY ROTC
GOT ME THE JOB.**

Things got pretty competitive for this job. I'm sure my college degree and good grades kept me in the running. But in the end it was the leadership and management experience I got through Army ROTC that won them over.

ROTC taught me leadership, discipline and responsibility. Those are things you just can't learn from a textbook.

I don't know where I'd be right now if I hadn't enrolled in Army ROTC, but I do know one thing for sure...I wouldn't be here.

Find out more. Contact Major Dean Norris at (206) 543-9010 or stop by Room 104, Clark Hall.
