# What's New for Autumn Quarter 1998 and Other Important Information

## PREREQUISITE CHECKING ON STAR

To assist undergraduate students in selecting the most appropriate courses each quarter, an extensive prerequisite checking system has been incorporated with registration beginning summer and autumn quarters 1998. When you call STAR to register for a course with prerequisites, the system will check your transcript, current quarter registration record, transfer course record, and test scores to determine if you have satisfied the prerequisites. For example, MATH 120 requires a 2.0 in MATH 098, or a grade of 3.0 in MATH 103, or 60% or better on the intermediate algebra placement test, or 40% or better on the precalculus placement test. If you have not satisfied the prerequisites, STAR will advise you that you are not eligible to register for the course. To review course prerequisites, go to the UW Home Page, click on Information for students, then Academics, followed by the UW Course Catalog. The 1998-2000 General Catalog scheduled for distribution in June will also include prerequisites in the course descriptions. If you have actually satisfied a prerequisite that is not acknowledged by STAR, contact the Registration Office at (206) 543-8580 for assistance.

In addition to specifying prerequisites, departments have the option to restrict course registration to students by major, college, or class standing. Registration may also require instructor approval with Entry Codes. These non-prerequisite instructions are listed in either the printed or electronic versions of the quarterly Time Schedule.

Courses with prerequisites are clearly marked with a "P" in the right margin of the title line of the course. See example below.

## STAR ONLINE

Simply enter the URL for the UW Home Page <http://www.washington.edu> and select "information for Students" followed by STAR Online, or go directly to STAR Online at <http://www.washington.edu/students/staronline>.

STAR Online has been expanded to provide you with an address change option. Addresses changed through STAR Online are updated immediately in the student database. This is the fastest and most convenient way for you to ensure your address information is correct. After you make changes, a message will be sent to your e-mail account containing all of your address information. This provides you with a second opportunity to review the changes that you made.

- STAR Online includes the following options:
- Displays grades for any single quarter or a complete record of grades on your transcript;
  - Displays the current quarter and subsequent quarter schedule;
  - Displays your tuition and fee statement;
  - Displays your address and includes an update option.

# Registration Eligibility, and Periods

## REGISTRATION ELIGIBILITY

### ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post-baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for admission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration Hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

You will not be eligible to register for autumn quarter 1998 if you have an outstanding balance on your tuition and fee account. Contact the Student Account Office and pay any fees due, in order to register.

### UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without submitting applications as returning students. For example, a student completing winter quarter may, without registering for or completing spring quarter, register during Registration Period I for autumn quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline.

### GRADUATE STUDENTS

The Quarter-Off Eligibility Policy is not available to graduate students. Graduate students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter, September 28. On-leave graduate students returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). If you withdraw after the

quarter begins, you may register for the next quarter during Registration Period I. See page 10, Grading, Withdrawal & On-Leave section for more information.

## REGISTRATION PERIODS

### CALL STAR EARLY

New and returning students may call STAR and establish a Private Access Code (PAC) any time after your Enrollment Confirmation Deposit has been credited to your account. Establishing your PAC enables you to set up your e-mail account and access STAR Online. In general, it takes two days after selecting your PAC on STAR before you are able to open your e-mail account. A \$25 late registration fee is charged students who have not completed sections I and II of the STAR Worksheet by the first day of the quarter (September 28).

Continuing students may call STAR any time after Registration Period I begins and complete sections I and II of the STAR Worksheet. A \$25 late registration fee is charged students who have not completed sections I and II of the STAR Worksheet by the first day of the quarter (September 28).

### STAR HOURS

STAR is available for registration Monday through Friday, 6:00 a.m. to 12:00 midnight, Saturday, 9:00 a.m. to 12:00 midnight, and Sunday 10:00 a.m. to 12:00 midnight.

The Registration Office, 225 Schmitz is open for transactions not available on STAR, Monday-Friday: 8 a.m. to 5:00 p.m.

### PERIOD I - MAY 8 - JUNE 21

This period is open only for continuing students currently enrolled spring or for students who completed winter quarter 1998.

Priority registration dates are based on your completed credits, your spring quarter 1998 credits as of May 5, and the last digit of your student number. The student number priority is changed each quarter so that all students have the earliest possible priority every other quarter. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period. You may call STAR on, or after, your registration

date to register and make changes to your schedule.

### GRADUATING SENIOR PRIORITY

If you are a graduating senior or post-baccalaureate student with a degree application on file in the Graduation and Academic Records Office, you may register on the first day of Period I for your final two quarters. If you must postpone your graduation, you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

### PERIOD II JUNE 22 - SEPTEMBER 27

This period is primarily for newly admitted students and returning former students. Advising/registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

### PERIOD III SEPTEMBER 28 - OCTOBER 4

This period is open to all students for adds and drops. Courses dropped during this period will not appear on your transcript.

### LATE ADD PERIOD OCTOBER 5 - OCTOBER 18

This period is open to all students. All courses added during this period require a Entry Code or Faculty Number. A \$20.00 change of registration fee will be charged for all registration changes made on a single day. STAR closes at 6 p.m., Friday, October 9, and remains closed on Saturday, October 10. The deadline to add courses on STAR is midnight Sunday, October 18.

### UNRESTRICTED DROP PERIOD OCTOBER 5 - OCTOBER 11

This period is open to all students. Courses dropped during this period will not appear on your transcript but are subject to a \$20 change of registration fee and tuition forfeiture.

### LATE COURSE DROP PERIOD (ANNUAL DROP) - OCTOBER 12 - NOVEMBER 15

Students may drop one course each academic year (autumn through summer quarters) after the 14<sup>th</sup> calendar day of a quarter through the 7<sup>th</sup> week. For autumn

quarter 1998 a course dropped after October 11 will count as your annual drop. If used this quarter no additional courses may be dropped after the 14<sup>th</sup> calendar day until autumn quarter 1999. A "W" and a number indicating the week you dropped the course will follow the course title on your academic transcript. A \$20 change of registration fee and tuition forfeiture. These optional drops are not cumulative.

# STAR Registration

## STAR

STAR (Student Telephone Assisted Registration) is the University of Washington's touchtone telephone registration system. You may call STAR from any touchtone phone to register. Some cellular and/or cordless phones do not always function properly with STAR. STAR acknowledges all completed transactions. Touch-tone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the ground floor level of the HUB.

STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. STAR weekend hours are 9:00 a.m. to 12:00 midnight on Saturdays and 10:00 a.m. to 12:00 midnight on Sundays. Weekday hours are 6:00 a.m. to 12:00 midnight.

In addition to registration, you may call STAR to listen to your grades for any quarter, check your tuition balance, as well as many other transactions. See STAR Transaction Codes (this page) or the STAR Work Sheet for a complete listing of STAR transactions.

### ADDING AND DROPPING COURSES

Courses may be added during Periods I, II, III and the Late Add Period. Beginning with the Late Add Period on October 5, an add code is required to add any course and a \$20 change fee is charged. This is in addition to any tuition. Always check your balance after adding a course. Sunday, October 18, at midnight is the last day to add a course for autumn quarter 1998.

You have unlimited drops through October 11 without entry on your transcript. STAR closes at 6:00 p.m. on Friday, October 9, and remains closed on Saturday, October 10. Beginning October 5, a \$20 registration-change-fee is charged to drop a course. This is in addition to any tuition forfeiture. Always check your balance after dropping a course.

If you use your annual drop that is available for that academic year, a \$20 registration-change-fee will be charged.

See Changes in Registration (page 10) for additional information on adding and dropping courses.

### ALTERNATE SECTIONS

STAR lists alternative sections if the requested sections are closed or canceled.

### PRIVATE ACCESS CODE (PAC)

The first time you ever call STAR, enter your date of birth (in 6 digits) when STAR asks you to enter a Private Access Code. STAR will then prompt you to select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. STAR will not accept zero as the first number in your PAC. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall or call 543-8580 to reset your PAC.

New students may call STAR anytime after they have been assigned an appointment date for advising or orientation to establish a PAC. Once you have selected your PAC on STAR, you may establish an e-mail account at the University. In general, you may open your e-mail account two days after selecting your PAC on STAR.

### STAR QUESTIONS

If you have questions regarding registration, please call the Registration Office, (206) 543-4000, Monday through Friday, from 8:00 a.m. to 5:00 p.m. The audio-library system has complete recorded instructions. If you need additional assistance, press "0" and a staff member will help you during business hours.

### STAR TRANSACTION CODES

The transactions you enter on your touch-tone telephone communicate to the computer the action to take (such as add a course, drop a course, etc.) and data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = List class schedule
- S = Course Status
- T = Terminate your call and receive registration confirmation information
- G = List your grades
- G QTR YEAR = Prior quarter grades. G followed by the quarter code and last two digits of the year.
- 9 = Change your PAC
- 11 = Account balance
- 12 = Financial Aid Summary
- 14 = Last received payment
- 15 = Optional charges
- \* = Star key; used to separate data
- # = Pound sign; used to send transactions

### STUDENT ACCOUNT AND AID STATUS

Call STAR to list your current student account balance; list a summary of disbursed financial aid and aid check availability; and list the latest recorded student account payment. Review the STAR Work Sheet for the transaction codes.

### TIME AND CALL LIMITS WHEN CALLING STAR

Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. If you are disconnected you may immediately call back to STAR. You may call STAR up to 100 times a day. No transactions will be permitted when your calls exceed 100 on that day.

## FOLLOW THESE STEPS BEFORE CALLING STAR

- Read the Registration Eligibility, Periods; STAR Registration; and the STAR Work Sheet sections.
- Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before selecting your courses.
- Obtain an Entry Code or Faculty Number from the department for courses requiring entry codes.
- Organize your registration materials (Time Schedule, STAR Work Sheet). Use the autumn quarter 1998 TIME SCHEDULE to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Prepare an alternate course section list because some sections may be full.
- Take care of all University obligations before calling STAR, since STAR will not permit you to register if there is a Hold on your registration. See page 9 for additional details.
- Call STAR from a touch-tone telephone and begin with Section I on the STAR Work Sheet. Always exit STAR using the "T" transaction followed by the number sign key (#) so that you can find out how to obtain your Registration Confirmation.
- Beginning with Registration Period I, you may call STAR as often as you want to check the status of sections, confirm schedule listed, add/drop courses, check your account balance, etc.

### CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES

If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

### CLOSED COURSE SECTIONS

If the section requested is closed, you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You may then select an alternate section to be added to your schedule. To overload a closed section see OVERLOAD GUIDELINES.

### CONFIRMED REGISTRATION

You may confirm your registration schedule by calling STAR and using the List Schedule Transaction (L#). This listing includes building and classroom locations.

### COURSE AVAILABILITY

Beginning Period I, you may call STAR at any time to complete section II of the Star Worksheet and check course availability using transaction (S SLN #).

### IF YOU MAKE A MISTAKE

If you make a mistake before finishing an entry, press the star key and the number sign key (\*#), and your entry will be discarded.

### GRADES ON STAR

STAR lists all officially recorded grades for the most recently completed quarter. Autumn quarter 1998 grades and GPA's become available on STAR beginning December 23.

Grades for prior quarters can also be requested on STAR by entering the quarter code and year. Review the STAR Work Sheet for the specific transaction codes. Grades are also available on STAR Online.

## STAR FEATURES

### ADD AND DROP CODES

Some courses require a special five digit code number that is available through the department offering the course. See ENTRY CODES on page 9 for more information on using these codes.

# Additional Registration Information

## ADDRESS CHANGES

You may change your address through STAR Online [www.washington.edu/students/staronline](http://www.washington.edu/students/staronline). Once updated, you will receive an e-mail message confirming your revised address information. You may also call (206) 543-3868 any time 24 hours a day to change your address information.

## CHANGES IN REGISTRATION

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning October 5. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II, or III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. You will be notified of the decision by the Office of the Registrar. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

## CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since the instructor will assign a failing grade. You may attend a University course in which you have not been officially registered during the first two weeks of the quarter.

An instructor may allow you to attend his or her class only if you are registered after October 9. A faculty member may attend informally with the approval of the instructor.

## CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. The limit is 30 credits per quarter.

## ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable.

Courses requiring add codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule. *All courses require add codes beginning October 5*

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Departments give the location for obtaining entry codes either before the course listings or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule. (Campus Operator - 543-2100.)

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional

information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of valid codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

## FACULTY NUMBERS

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR.

## FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full time or 6-11 credits for half time if you are an undergraduate or professional student. If you are a graduate student, you should register for 10 or more credits. The Graduate School requires 10 credits for full-time status and 5-9 credits for half time status. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

## OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through October 4, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning October 5, add codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after October 18.

## REGISTRATION ASSISTANCE

If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you. If you work during the day or are incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 543-8580 to make arrangements for assistance.

## REGISTRATION CONFIRMATION

Registration Confirmations for students who registered by August 28 will be mailed beginning September 1. If you register after August 28, your Registration Confirmation will be mailed in two working days. Use STAR Online or call 543-3868 to record your correct address. Confirmations will not be mailed outside the United States during Registration Period II and III and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L

#) or by selecting STAR Online from the Information for Student on the UW Home Page. These listings includes building and classroom locations.

## REGISTRATION HOLDS

If you have a Hold on your registration, you will not be permitted to register, add courses or obtain a replacement U-Pass until the Hold has been released by the initiating office. If you attempt to register on STAR before your Hold has been released, the voice response will indicate which office has placed the Hold and where to go to get it released. However, you may make other transactions on STAR.

The University will accept but not process a Returning Student Re-enrollment Application for any student who has either a financial or academic Hold on their transcript or registration. Once the Hold has been cleared, the application will be processed.

## REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

## REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

## TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures on an Authorization for Non-Star Transactions form are required for courses that conflict more than one hour a week.

## UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

## VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall. The deadline to make these changes is Friday, December 9. A \$20 change-of-registration fee will be assessed beginning October 5.

# Grading, Withdrawal & On-leave Information

## GRADING

### AUDITORS

You must first register on STAR and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through October 9. A \$20 change fee is charged beginning October 5. Attendance in courses as an auditor is based on the consent of the instructor and space availability. You may not audit a course if you have not completed a prerequisite. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. Audited courses are not recorded on your permanent record.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses are not listed on your transcript, they will be included in the billing on the fee statement. Audit credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after October 9.

### CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

### DROPPING COURSES

You may drop courses on STAR without restriction through October 11. No record of the dropped course(s) will be recorded on your transcript. A \$20 change fee and tuition forfeiture will be charged after October 4.

You may drop one course each academic year (defined as September through August) after the 14<sup>th</sup> calendar day of the quarter but no later than the 7<sup>th</sup> week of the quarter. The course will be recorded on your transcript followed by a "W" and the week designator. For example, if you drop a course in week 5 the notation will be W5.

You may also petition for a Hardship Withdrawal following the 14<sup>th</sup> calendar day if appropriate. See the following section on Hardship Withdrawals for information.

### GRADE APPEAL PROCEDURE

A student who believes he or she has been improperly graded first discusses the matter with the instructor before the end of the following academic quarter (not including summer quarter). If the student is not satisfied with the instructor's explanation, the student may submit a written appeal to the Chair of the department, or in a nondepartmental college, to the Dean, with a copy of the appeal also sent to the instructor. The Chair, or Dean, consults with the instructor to ensure that the evaluation of the student's performance has not been arbitrary or capricious. Should the Chair believe the instructor's conduct to be arbitrary or capricious and the instructor declines to revise the grade, the Chair (or the Dean in a nondepartmentalized school or college), with the approval of the voting members of his or her faculty, shall appoint an appropriate member, or members, of the faculty of that department to evaluate the performance of the student and assign a grade. The Dean and Provost should be informed of this action.

Once a student submits a written appeal, this document and all subsequent actions on this appeal are recorded in written form for deposit in a department or college file.

### INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as the Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. An instructor may request an extension of the incomplete removal deadline for up to three additional quarters. The original Incomplete grade is not removed from the transcript.

### SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Your advisers should be consulted and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Register for the course on STAR, but then you must go in person to the Registration Office, 225 Schmitz, to elect the S/NS grading option. You cannot select the S/NS grade option on STAR. The S/NS grade option can be elected through October 9. A \$20 fee is charged beginning October 5.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

Undergraduates in Arts and Sciences must have sophomore status to elect S/NS option.

## WITHDRAWAL

### WITHDRAWAL FOR THE QUARTER

(Dropping all courses.) It is your responsibility to withdraw if you are unable to attend for the quarter. You may withdraw from the quarter through the last day of instruction, which is December 9 for autumn quarter 1998. If you drop your last class on STAR after October 4 you will be charged the \$20 fee. You may also write to or withdraw in person at the Registration Office, 225 Schmitz Hall, University of Washington, Box 355850, Seattle, Washington, 98195-5850. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after December 9.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office, the

date that the last class is dropped on STAR, or the post-mark date for withdrawals received by mail (see Tuition Forfeiture, Page 11). If you withdraw prior to October 5 you will owe a \$75 U-PASS fee unless you return your U-PASS to the Student Accounts Office by the tuition due date (October 16). If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker.

Review the Registration Eligibility section of the Time Schedule if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through October 11) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (summer quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of spring quarter and autumn quarter, you must reapply as a returning former student for winter quarter.

### HARDSHIP WITHDRAWAL

You may submit a written petition to the Office of the Registrar for a hardship withdrawal after the 14<sup>th</sup> calendar day of the quarter. Petitions are granted if, in the judgment of the Registrar, you were unable to complete the course due to physical and/or mental debilitation or other unusual or extenuating circumstances, beyond your control, which have arisen after the 14<sup>th</sup> calendar day of the quarter. Petitions must be submitted promptly after the occurrence of the event and be accompanied by documentation. Approved hardship withdrawals will be entered on the transcript with a grade of HW. The \$20 change of registration fee will be assessed, plus any tuition forfeiture.

If you withdraw from the quarter based on reasons of hardship after the last day of instruction, the same petition process must be followed. If the withdrawal is approved, the courses will show a notation of W and the transcript will show withdrawn.

A hardship will not be granted for courses after you have been awarded your degree.

### WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction (November 15) and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or (academic) credit and no refund. You must submit a copy of your military orders with your request to withdraw. Please consult with the Office of the Registrar for complete details.

### GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign a Petition for On-leave Status Card, then take it to the Registration Office through October 2. The Registration Office staff will issue you an On-leave Graduate Student Card upon payment of a \$35 non-refundable fee. This card will give you access to the libraries. If you have registered for autumn quarter 1998 and plan to go on-leave, you must officially withdraw prior to September 28, before the on-leave status will be granted.

# Tuition Exemptions & Access Programs

## TUITION-EXEMPTION PROGRAM

Eligible University of Washington and State of Washington employees and members of the Washington State National Guard may enroll for and receive a tuition exemption for up to six credits each quarter provided they enroll on a space-available basis. You may not enroll for more than six credits or the exemption will be canceled. All participants in the tuition-exemption program will be assessed a quarterly \$30 registration fee and must pay other applicable fees including the Technology Fee. You may not register for any course prior to your assigned space-available registration day or the exemption will be canceled or not accepted. If you are in a matriculated status and desire a higher registration priority to facilitate course enrollment, you may register early and pay regular tuition rates.

Space-availability applies to degree programs as well as courses, and fully enrolled programs may choose not to accept or enroll you if you are using the tuition-exemption. To be eligible you must be:

- University of Washington permanent classified (WPRB) or contract classified employees with six months or more of continuous service prior to the first day of the quarter,
- University of Washington faculty and professional staff employed on a half time basis or more on the first day of the quarter of enrollment,
- Non-University of Washington permanent classified or contract state employees employed half-time or more,
- Permanent classified and exempt paraprofessional employees of technical colleges employed half-time or more,
- Nonacademic employees and members of the faculties and instructional staff employed half-time or more at state institutions of higher education other than the University of Washington, or
- Members of the Washington State Army or Air National Guard.

You must hold this status on the day the exemption form is approved, and must be in that status on the first day of the quarter for which the tuition-exemption is granted. The University tuition-exemption does not cover English 100, 101, 102, Math 098, UW Extension or Distance Learning courses, graduate-level independent study courses numbered 600, 700, and 800, or any self-sustaining courses. If you are nonmatriculated and admitted to enroll on a space-available, tuition-exempted basis, you may register for classes only when using the exemption and only after the exemption request form has been submitted. If you are matriculated, you are permitted to register without the exemption, but full tuition and fees will be charged.

With the instructor's permission, and if you are planning to register on a space-available basis, you may begin attending classes the first day of the quarter if space is available. Registration, however, will not be permitted until the your assigned space-available registration day.

You must apply for admission by the published application deadlines and be accepted to a University program. Applications may be filed with the Office of Undergraduate Admissions, 320 Schmitz Hall, or the Office of Graduate Admissions, 98 Gerberding Hall. Former UW students returning in the same classification or as nonmatriculated students may apply at the Registration Office, 225 Schmitz Hall.

**A NOTE OF CAUTION:** UW employees pursuing graduate programs or graduate level course work will have to claim the amount of the quarterly exemption as income on their federal income tax return unless the employer has certified that the program or course work is job related. If it is determined that the course is not job related, the value of the exemption will be considered income and subject to withholding.

### TUITION EXEMPTION FORMS

Employees should contact their departmental office, the Registration Office, (206) 543-8580, 225 Schmitz Hall, or UW Training and Development, (206) 543-1957, for tuition-exemption forms.

### REGISTRATION AND FEES

You may submit your tuition-exemption forms at the Registration Office, 225 Schmitz Hall, any time after registration begins for a quarter. A separate tuition-exemption form must be submitted each quarter. Course enrollment is not permitted prior to the appropriate space-available eligibility date. For autumn quarter 1998, a \$25.00 late registration fee will be assessed if you initially register for the quarter on or after Monday, October 5, and a \$20.00 fee will be charged for all registration changes made on a single day. You will be billed these fees, and other applicable fees, plus a \$30 registration fee if you have registered for a course. If you register before your assigned tuition-exemption registration date you will not be permitted to convert to the tuition-exemption program and will be required to pay regular tuition for all registered credits.

Under the Tuition Exemption Program you must pay the quarterly Technology Fee and are not entitled to student services funded by the Services and Activities Fee, such as those available from the Hall Health Center and the Intramural Activities Building. Additionally, you are not eligible to purchase tickets to athletic events at student rates. UW faculty/staff identification cards may be used for library services. Participating Washington State employees and members of the National Guard may obtain ID cards for library services from the Student ID Center, 229 Schmitz Hall, and a UPASS sticker for \$30.00 from the Registration Office, room 225 Schmitz Hall after registering for a class. Deadlines and registration dates are listed below for autumn quarter 1998:

Wednesday, September 30 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

## ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an ACCESS student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with a greater than sign (>) require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, room 225 Schmitz Hall. A \$5.00 registration fee and a prorated technology fee will be billed if registration in a course(s) is completed. The payment will be due by October 16. Since you are auditing the course(s), you do not receive credit and are not expected to do any class work, participate in discussions, or take examinations. Your registration may be canceled at the discretion of the instructor. You may register for all courses except English 100, 101, 102, Math 098, UW Extension, Distance Learning, studio, laboratory courses, and honors sections. ### TUITION FORFEITURES AND REFUNDS

You will be billed for the number of credits, including audit hours, on your course schedule at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after October 4. You will be expected to pay one-half of the tuition associated with any course dropped beginning October 5 through October 27. Courses dropped after October 27 receive no refund.

The effect of tuition forfeitures on the over 18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after October 27 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

a. If you withdraw before October 5, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before October 5 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.

b. If you withdraw October 5 through October 27 you will continue to owe one-half of your tuition. If you withdraw after October 4, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than October 16 to have the fee waived. There will be no U-PASS refunds after October 16.

c. If you withdraw after October 27 you will continue to owe full tuition.

d. If your registration is canceled for nonpayment of fees you will continue to owe the University one-half of your tuition and fees.

e. If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office, 4909 25th Avenue NE, on the 2nd floor of the King Building, at the same time you withdraw from the Uni-

weeks of summer quarter), you may owe immediate repayment of aid you received (except Direct Loans which are payable according to the terms of the promissory note). Contact the Office of Student Financial Aid, (206) 543-6101, if you have any questions.

#### **TUITION/FEE BILLINGS AND DEADLINES**

It is your responsibility to see that tuition is paid in full by the tuition due date (October 16). Bills are sent at the beginning of each quarter (September 28) to facilitate payment. However, failure to receive a tuition bill does not nullify your responsibility for payment by the due date. Account balances are available through STAR (transaction 11#) or STAR Online.

Bills are also sent periodically during the quarter for fees assessed after the beginning of the quarter. However, you should not rely on such billings to meet payment deadlines, since balances are available from STAR and STAR Online.

Select your permanent or local address on STAR or STAR Online for fee statement mailing. If you have not received a fee statement by October 9, contact the Student Accounts Office, call STAR, or access STAR Online, for the amount of tuition due.

You may pay your fees in person in the Student Accounts Office or mail them to UW, Student Accounts Office, 129 Schmitz, Box 355870, Seattle, WA 98195-5870, on or before October 16. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks.

If you fail to pay by the deadline you will be charged a late fee. For past due balances over \$250 the late fee is \$30; \$30-\$250 balance the late fee is \$10; and if the balance is less than \$30 then there is no late fee.

If payment has not been received in the Student Accounts Office by the end of the late payment period, registration for the current quarter will be canceled. Re-registration after cancellation for nonpayment requires a \$75 fee, in addition to tuition.

Tuition and fees incurred after the October 16 must be paid within three working days. Exception: beginning December 9, charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

If you reregister, you must reregister for all of the classes that were on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter (December 9) will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

The Controller is authorized to place Holds on the record of any student who fails to pay amounts due the University. Until the Hold is cleared, the University; 1) does not release the student's records. 2) does not release transcripts or certified records. 3) denies registration.

#### **APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT**

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by paying in person to the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

## Student Insurance and Special Fees

### **STUDENT INSURANCE**

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Primary Care Center. Seattle Campus UW students who remain registered through the first seven calendar days of instruction are eligible to enroll in the plan. Not eligible are UW Seattle campus non-matriculated students and those enrolled in programs administered by Educational Outreach (except Evening Degree Program students) and UW faculty/staff or Washington State employees attending classes under the employee tuition exemption programs.

You may sign up for the plan when you register for classes. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition due date (October 16). In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. **There is no late payment period for the insurance premium.**

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Office, by the tuition due date (October 16).

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each autumn quarter (or upon initial admission if other than autumn quarter) because waivers are valid only through summer quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

For those graduate students who are eligible for Graduate Appointee Insurance, please choose the option, "no insurance" when registering on STAR. If you have questions regarding your eligibility for this plan, please contact your department.

International graduate appointees, however, must still choose the quarterly student insurance option when registering. If you are an international RA/TA/SA, the

system will automatically make adjustments so that you will not have double coverage. If you are an international fellow or trainee, please contact your department for further instructions.

Brochures describing the plan in more detail are available at the Hall Health Primary Care Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

#### **INSURANCE EFFECTIVE DATES**

If a student purchases annual insurance at autumn quarter (4 quarters of coverage), the term is from September 22, 1997 through September 20, 1998. If purchased annually at winter quarter or spring quarter, the term is from the first day of the quarter it is purchased through September 20, 1999.

If insurance is purchased quarterly, the quarterly policy terms are:

Autumn Quarter 1998 - Sept. 21, 1998 to Jan. 3, 1999  
Winter Quarter 1999 - Jan. 4, 1999 to Mar. 28, 1999  
Spring Quarter 1999 - Mar. 29, 1999 to Jun. 20, 1999  
Summer Quarter 1999 - Jun. 21, 1999 to Sept. 19, 1999

### **SPECIAL FEES**

#### **QUARTERLY TECHNOLOGY FEE**

This fee is to recover, in whole or in part, the costs of providing and maintaining services to students that include, but need not be limited to the following: Access to the internet and World Wide Web, e-mail, computer and multimedia work stations and laboratories, computer software, and dial-up telephone services. Part-time students (those paying less than full-time tuition) are charged on a pro rata basis. The fee will be included on the Quarterly Tuition billing.

#### **SERVICES AND ACTIVITIES FEES**

As part of tuition, students pay the Services and Activities Fee which funds a variety of student services, including: ASUW and GPSS, the Daily, Hall Health Center,

Recreational Sports (IMA), Student Legal Services, Child-care Assistance Program, and Ethnic Cultural Center/Theater.

#### **SPECIAL COURSES AND LABORATORY FEES**

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs. Some departments do not charge auditors these fees.

Most course fees will be included in your quarterly tuition bill. Dropping a course with a course fee after the first week of the quarter will not remove the fee from your balance owed. Any adjustment to course fees after the first week of the quarter must be handled with the academic department offering the course.

#### **STUDENT ID (HUSKY CARD)**

The student ID card is a permanent, laminated card. Once obtained, do not discard it.

If you are a new student, you are eligible for a student ID card once you've paid the Enrollment Confirmation Deposit. Bring a piece of standard photo identification - this is mandatory - to the Student ID Card Center at 229 Schmitz Hall between 8 am and 5 pm Monday through Friday.

The standard UW student ID card is a non-photo card; however, students living in the dormitories (except for Stevens Court residents) will be issued a photo student ID card, since it serves also as their meal card.

A quarterly validation sticker is mailed to you with your Registration Confirmation. When it arrives, affix it to the front of the ID card in the location provided; without this sticker, the card is usually not honored on campus.

You should carry your student ID card with you whenever you come to campus. Many administrative transactions and campus services and facilities are not available to you without it. In some situations, you may also be asked to provide an additional piece of photo identification.

Never allow anyone else to use your student ID card, as such misuse will subject you to disciplinary action as described in the Student Conduct Code.

If you lose your student ID card, you should immediately make two phone calls, one to the ID Card Center at 685-4121 to report it as lost, and also to the UW library system at 543-2553. To replace the card, go to the Student ID Card Center with photo identification; a non-refundable \$5 fee is charged for replacement of non-photo cards, \$10 for photo cards.

If you lose three or more ID cards, you must schedule an interview with a registrar before a new card will be issued.

#### U-PASS INFORMATION.

A U-PASS validation sticker is mailed with your Registration Confirmation each quarter. The U-PASS is valid on all regular Metro and Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to van-pool and Night Ride passengers, and merchant discounts. The quarterly fee of \$30 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline (October 16). The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office or the Registration Office.

If you withdraw through October 4 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. If you withdraw after October 4, you will be charged the applicable tuition and may retain the pass for \$30 or return it no later than the tuition due date (October 16) to have the \$30 fee waived. There will be no U-PASS refunds after the tuition payment deadline (October 16), and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through October 2. Replacement stickers issued after October 2 (for any reason) will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$30 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$30 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. *The U-PASS program, replacement policies, and quarterly fee are subject to change without notice.*

#### WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. You may choose to support the WSL by contributing \$2.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

## IMMUNIZATION

All new and returning former students, and all students living in University of Washington residence halls or single-student apartments, are required either to provide proof of measles (rubeola) immunity or request that the requirement be waived for religious, personal or medical reasons. Measles Immunity Verification Forms are available at the Hall Health Primary Care Center and the Registration Office at 225 Schmitz Hall. For more information, students should contact the Hall Health Primary Care Center at (206) 616-4672 and leave voice-mail messages to which members of the nursing staff will respond.

## RELEASE OF STUDENT DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition account information only may be obtained from the Student Accounts Office, 129 Schmitz.

The following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, e-mail address, major field of studies, dates of attendance, full or part-time enrollment status, most recent previous educational institution attended, degrees and awards received, and for athletes, date-of-birth, weight and height.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory, you may restrict the release of this information using STAR Online which can be found in the Information for Students on the UW Home Page (<http://www.washington.edu>) or by calling the address change service at 543-3868. No information will be released on students or to students, who have restricted release of directory information including degrees awarded, dates of attendance, and notices of awards or

academic honors to home town news papers. If you wish to change your authorization and allow release, you must go to the Registration Office, 225 Schmitz and present photo identification or make the change on STAR Online, (<http://www.washington.edu>).

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), you have the right to:

1. **Inspect and review information contained in your education records within 45 days of the day the University receives a request for access.** You should submit to the registrar, dean, chair of the academic department, or other appropriate official, written requests that identify the record(s) you wish to inspect. The University official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise you of the correct official to whom the request should be addressed.

2. **Request the amendment of your education records that you believe are inaccurate or misleading.** You should write the University official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested, the University will notify you of the decision and advise you of your right to a hearing.

3. **Consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.** One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, and academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. **File a complaint with the Department of Education concerning alleged failures by the University of Washington to comply with the requirements of FERPA.** Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington D.C. 20202-4605.

The Autumn Quarter Examination Schedule is also available from the UW Home Page, <http://www.washington.edu/students/reg/calendar.html>.

- Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.
- Students are responsible for taking any number of examinations for which they are scheduled on a given day.
- Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

### Final Examination Guidelines

1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of

unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly-scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.

4. Multiple section courses, courses with two or more lecture and/or lab sections in a given quarter, may schedule a common final with approval from the dean and the registrar. Common finals will usually be held the Saturday before or during finals, or on occasion in the evening.

Common finals dates and times are normally indicated in the comment section of the Time Schedule, under individual course listings. They will be announced at the beginning of the quarter in each course-section, and included in the course syllabus. The times for common finals differ from the times shown in the above examination schedule. A make-up examination time is to be arranged for any student who cannot be present for a common final.

5. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at

8:30 a.m. and continues until 10:00 a.m. or 10:20 a.m. would use the 8:30 a.m. time to determine the examination period.

6. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.

7. Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

8. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to check on room availability.

9. Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, 543-1080.

# NOTES

A set of 20 horizontal lines for writing notes, framed by a thick black border and a grey textured background.

# NOTES

This image shows a page of lined paper for taking notes. The word "NOTES" is printed in a large, bold, serif font at the top center. The page is framed by a thick black border. The central area is filled with horizontal lines, creating a space for writing. The lines are evenly spaced and extend across the width of the page, leaving small margins on the left and right sides. The overall appearance is that of a standard, blank notebook page with a decorative border.

# NOTES

The page features a central white writing area with horizontal lines. This area is framed by a thick black border. The corners of the page are filled with a gray, stippled texture, creating a stylized, angular border around the central text area.

# NOTES

The image shows a notebook page. At the top, the word "NOTES" is written in a bold, serif font. Below it is a large, rectangular writing area with horizontal ruling lines. The page is framed by a thick, dark border that has a decorative, slightly irregular shape, resembling a folded piece of paper or a notebook cover. The background of the page is white, and the ruling lines are black. The overall style is simple and functional.
