

UNIVERSITY OF WASHINGTON

SUMMER QUARTER 1976

TIME SCHEDULE

PREREGISTRATION

May 6-12

*To receive highest priority,
register on following dates*

Freshmen (0-44 credits)	May 6, 7
Seniors (135 credits)	May 7, 10
Graduate Students	May 7, 10
Fifth-year Students	May 10, 11
Juniors (90-134 credits)	May 10, 11
Sophomores (45-89 credits)	May 11, 12
Nonmatriculated students	May 11, 12

Class standing is based on the predicted number of credits the student will have at the beginning of the next quarter.

IN-PERSON REGISTRATION

(By Appointment Only)

June 11, 14-16

>>> This symbol in the margin of the *Time Schedule* indicates that the section requires an entry card. Entry cards must accompany section requests on the Mark-Sense Registration Form. Entry cards may be obtained at locations listed on the entry card distribution list.

Consult the Summer Quarter Bulletin for detailed course descriptions.

GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, fifth-year, graduate, etc. Once a student earns a bachelor's degree, he or she must apply for readmission as a fifth-year, nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action and (2) students with a financial hold.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes *on-leave*, he or she must file an application for readmission with the Registrar's Office. See appropriate readmission closing dates.

FULL-TIME STUDENT REQUIREMENT

Many students think that because they pay full fees they are considered full-time students. This is not true! To be considered a full-time student, undergraduates must register for 12 credits and graduates must register for 9 credits. Full-time status is required for certain agencies, such as Immigration and Naturalization Service, Veterans Administration, and Social Security Administration. Consult the Registrar's Office for social security requirements, the International Services Office for immigration requirements, and the Veterans Affairs Office for VA benefits.

ENROLLMENT SERVICE FEE

The \$50 Enrollment Service Fee is not required for

Summer Quarter. If a payment has been made for the coming Autumn Quarter, it cannot be credited to Summer Quarter fees. Summer Quarter fees are entirely separate from fees collected for the regular academic year and, therefore, credit balances in student accounts may not be applied to Summer Quarter tuition. Student account credit balances must be either refunded or applied to another quarter of the regular academic year.

PHYSICALLY HANDICAPPED STUDENTS

Students with visual, ambulatory, and other severe handicaps will be given the highest registration priority if they identify themselves to the Office of Student Affairs, 466 Schmitz Hall, telephone 543-4893.

AUDITORS

Auditors pay standard tuition and fees and must be regularly admitted and registered in the course.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be cancelled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

Using the *Summer Quarter Bulletin* and the quarterly *Time Schedule* to select courses you would like to take, plan your program of study for the summer. See an academic adviser if you have questions about registration procedures, the courses you wish to take, or if approval of your quarterly program of study is required.

Nonmatriculated students may consult advisers in the academic department offering the course or courses they wish to take (adviser approval of summer programs is not required, however). Students enrolling primarily in evening classes may consult advisers in the Evening and Extension Credit Programs Office, 222 Lewis Hall.

REGISTRATION FORMS

1. Obtain a mark-sense registration form from your advisory office or from the Registration Office, second floor, Schmitz Hall, and mark the courses you are requesting on the form in accordance with directions on the form. Please note that some courses in the *Time Schedule* have restricted enrollment and you must obtain entry cards for these courses. Undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

2. If you are registering for a course "out of quarter," obtain the required permission form from your advisory office and make a request for the course during the change of registration period.

3. Summer Quarter courses offered for variable credit (this does not include variable credit courses offered for fixed credit this summer) must be taken for a whole number of credits; fractional credits that vary from student to student in a single quarter cannot be processed.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Refer to the Entry Card Distribution Points list for information on where to obtain the entry card for a given course.

SUBMIT REGISTRATION FORM

1. If you are a continuing student registering

during the preregistration period, you may deposit your form at any of the following places:

- a. Registration lobby, second floor, Schmitz Hall
- b. B10 Padelford Hall
- c. Fourth floor student lounge, T-wing, Health Sciences Building
- d. 353 Loew Hall (engineering students only)

See the cover of the *Time Schedule* for registration dates.

2. If you are a new or returning student participating in preregistration, you must deposit your form at Schmitz Hall.

3. If you are a continuing student who did not preregister, you must obtain an in-person registration appointment from the Registration Appointment Office, Window 8, second floor, Schmitz Hall. Appointments are available beginning May 13 and should be obtained before the start of in-person registration June 11, 14-16. Students registering after June 16 must pay a \$15 late registration fee.

4. If you are registering during the in-person manual registration period, go to the Sections branch office, Odegaard Undergraduate Library, on the date and time indicated on your registration appointment.

LATE REGISTRATION

Students who register after the official registration period will be charged a \$15 late registration fee. See *Summer Quarter Bulletin* for additional information.

SCHEDULE OF CLASSES

1. If you are a preregistrant, your schedule of classes will be mailed to the address you indicate on the registration form. All preregistrants are scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, fifth-year, juniors, sophomores, and nonmatriculated students.

2. If you register during the in-person period you will be scheduled manually and will be given a copy of your completed program when you have finished registering. Be prepared to pay fees when registering during this period.

DROPPING AND ADDING COURSES

1. If you don't receive the courses you request, or wish to change a course you receive, you must obtain a change appointment at Window 3, Registration Office, second floor, Schmitz Hall. (See calendar in the *Summer Quarter Bulletin* and items 4 through 10 in this section for drop/add dates.) Engineering students obtain change appointments from 353 Loew.

2. The last official change period takes place during the first week of the quarter for term *a* and full quarter courses, and the first two days of term *b* for term *b* only courses. After the official change period, a service charge of \$5 will be assessed for each change of program, change of section, or drop from a course, or any number of changes that are made to a program at the same time without an appointment. For partial fee reductions, see item 4 in this section and the *Summer Quarter Bulletin* for specific details.

3. Credit changes in variable credit courses and changes to or from S/NS grading may be accomplished without change appointments during the change periods. Changes to or from S/NS (Satisfactory/Not Satisfactory) grading must be made during the official change periods.

4. Students who drop one or more courses may qualify for a lower level of fees, depending on the number of credits he or she continues to carry and when the change was made. Students who drop full-quarter and term *a* courses June 21-25 will receive a full refund of fee differential; students who drop full-quarter and term *a* courses June 28-July 2 will receive a half refund of fee differential. Students who drop term *b* courses June 21-July 28 will receive a full refund of fee differential; students who drop term *b* courses July 29-August 4 will receive a half refund

of fee differential. After these final dates, there is no reduction in the amount of tuition and fees owed.

5. After the official change period, a service charge of \$5 will be assessed for any number of changes that are made to a program at the same time.

6. Dropped courses become effective the date received in Sections.

7. After the Official Change Period, courses may be dropped under the following conditions:

Full Quarter courses

a. Dropped courses will not be entered on the student's record—through July 2.

b. Dropped courses will be entered on the student's record with a grade of W—July 6-July 16.

c. Undergraduate student deadline to drop full-quarter courses—July 16.

d. Graduate student deadline to drop full-quarter courses—August 6.

Term *a* courses

a. Dropped courses will be entered on the student's record with a grade of W—June 28-July 2.

b. Deadline to drop term *a* courses—July 2.

Term *b* courses

a. Dropped courses will not be entered on the student's record—through July 28.

b. Dropped courses will be entered on the student's record with a grade of W—July 29-August 4.

c. Undergraduate student deadline to drop term *b* courses—August 4

d. Graduate student deadline to drop term *b* courses—August 6.

8. Undergraduate students may make a limited number of drops after the aforementioned deadlines. The number of late drops permitted depends upon the number of academic credits the student has completed at the University. While completing the first 44 credits the student has 3 drops permitted after the deadline. After 45 credits have been completed the student earns one late drop for each 45 credits earned. All but the first 3 late drops may be accumulated and used as necessary. The first 3 late drops must be used prior to earning 45 credits or they are forfeited. *No drops of any kind are permitted after the last day of instruction.*

9. Undergraduate students may petition the Registrar to drop a course after the regular drop deadline if: (1) the student is unable to complete the course in question due to a severe mental or physical disability, or (2) unusual and extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping.

10. Graduate students do not earn late drops but may drop courses only until the date specified. Graduate students may petition the Registrar for drops after the deadline in accordance with the criteria explained above for undergraduates.

11. Undergraduates in the College of Arts and Sciences must have the Dean's permission to carry more than 20 credits.

FEE PAYMENT

1. If you preregister, a fee statement will be mailed to the address you indicate on your mark-sense registration form.

2. Your fee payment is due in the Student Accounts Office on or before June 1 and should be mailed in the envelope provided for fee payment purposes.

3. If payment is not received by June 1, your registration will be cancelled. Students may reregister during In-person registration June 11-16.

4. If you register In-Person, June 11-16, you must pay full fees when you register. Registration will not be completed without fee payment.

5. If you have a scholarship or a grant, or will be receiving educational aid (from the federal govern-

ment, e.g. veterans), you must pay the required fees if the notice of award is not on file at the Scholarship and Loan Fiscal Office.

STUDENT INSURANCE

All students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance, will automatically be enrolled and billed for student only medical, surgical, and hospital insurance. Forms are provided at the registration area.

If you are billed for student insurance and decide that you do not want coverage, you may void the policy by completing the appropriate section on the fee payment card and by paying the amount billed less the indicated amount for insurance.

GRADING SYSTEM

Beginning Summer Quarter 1976, a numerical grading system will be in effect at the University of Washington, with certain exceptions in the Schools of Dentistry, Law, and Medicine. Instructors may report passing grades from 4.0 to 0.7 in .1 increments. The number 0.0 will be assigned for failing work or unofficial withdrawal. Numerical grades may be considered equivalent to letter grades as follows:

A	4.0	Honor
	3.9	
	3.8	
A-	3.7	
	3.6	
	3.5	
	3.4	
B+	3.3

D	1.0	Poor (low pass)
	0.9	
	0.8	
D-	0.7	
E	0.0	Failure or Unofficial Withdrawal

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz Hall.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Summer Quarter course must be made up by the last day of Autumn Quarter or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work

is not completed. This time limitation may be extended up to one year with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter *in residence*. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the coursework is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. No more than 25 credits will apply to an undergraduate degree. S/NS must be elected or dropped during the official change of program period. Undergraduate students earning grades of 1.7 or above receive a grade of S(Satisfactory) while grades below 1.7 are recorded as NS(Not Satisfactory). Graduate students earning grades of 2.7 or above receive a grade of S(Satisfactory), while 2.6 or below are NS(Not Satisfactory). In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar. With the approval of his or her Graduate Program Adviser or Supervisory Committee Chairman, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on the Satisfactory/Not Satisfactory system.

Credit/No Credit Only Courses

Some courses are offered on a CR/NC only basis. These courses may be taken only on this basis and it is not necessary to be in the special Credit/No Credit program to take these courses. It is not necessary to register S/NS to take these courses as the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC are included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

Credit/No Credit Program

The University offers an undergraduate grading option called Credit/No Credit. Students entering this program automatically take all courses on a CR/NC basis. This program is not applicable to certain degrees and advisers should be consulted. Students must enter and exit the CR/NC program no later than the last day of the change of program period for the quarter the change is to be effective. Further information is available at the Registration Office, second floor of Schmitz Hall.

WITHDRAWAL FROM THE UNIVERSITY

1. To withdraw from all your Summer Quarter classes, obtain a withdrawal form from your advisory office, and have it approved by your adviser.

2. Present the withdrawal form to the Withdrawal Office, Sections, 264 Schmitz Hall. *Withdrawals are effective the date they are received in the Withdrawal Office.*

Fees owed will be based upon the date the withdrawal is received in the Withdrawal Office.

The following fee schedule will be followed: *Full-quarter or term a-only registration*

a. Students withdrawing June 21–25 receive full refund.

b. Students withdrawing June 28–July 2 receive half refund.

c. Students withdrawing after July 2 receive no refund of tuition or fees.

Term b-only registration

a. Students withdrawing June 21–July 28 receive full refund.

b. Students withdrawing July 29–August 4 receive half refund.

c. Students withdrawing after August 4 receive no refund of tuition or fees.

3. Students who were unable to turn in their withdrawal on time because of extenuating circumstances may petition the Comptroller's Office. Petition forms are available at the Student Accounts Office, 129 Schmitz Hall.

4. If you have been accepted for Autumn Quarter, withdrawal from Summer Quarter does not affect your Autumn Quarter status; the withdrawal, however, must be official in order to guarantee your Autumn Quarter space.

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Office of Independent Study provides University courses for extension credit primarily by correspondence instruction to persons who wish individual instruction. Fees for Independent Study courses are separate from residence tuition and are \$17 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Independent Study credit should consult his or her departmental adviser prior to enrolling in an Independent Study course. Applications and additional information on enrollment procedures may be obtained from the Independent Study office, 222 Lewis Hall, or by telephoning 543-2350.

The following courses are currently offered by Independent Study (credits in parentheses):

> > > ENTRY CARDS > > >

Certain courses and sections require entry cards for registration. Students requesting these courses and/or sections on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the Mark-Sense Registration Form.
