SUMMER QUARTER 1979

TIME SCHEDULE

PREREGISTRATION

April 30–May 4

	Last day to register and receive highest priority
Freshmen (0–44 credits)	April 30, May 1
Seniors (135 credits)	May 1, 2
Graduate Students	May 1, 2
Postbaccalaureate (fifth-year) Students	May 2, 3
Juniors (90–134 credits)	May 2, 3
Sophomores (45–89 credits)	May 3, 4
Nonmatriculated students	May 3, 4

Class standing is based on the predicted number of credits the student will have at the beginning of the next quarter.

IN-PERSON REGISTRATION

(By Appointment Only)

June 7, 8, 11, 12

>>>> This symbol in the margin of the *Time Schedule* indicates that the section requires an entry card. Entry cards must accompany section requests on the Mark-Sense Registration Form. Entry cards may be obtained at locations listed on the entry card distribution list.

Consult the Summer Quarter Bulletin for detailed course descriptions.

After you have used this *Time Schedule*, please leave it or pass it along so that other students may use it.

UNIVERSITY OF WASHINGTON BULLETIN
 (USPS 078-880)
 General Series No. 1187
 April 1979

Published monthly, except May when semimonthly, and
 except February, August, September, November, and
 December at Seattle, Washington, by the University of
 Washington. Second-class postage paid at Seattle,
 Washington 98195.

GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a bachelor's degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action and (2) students with a financial hold.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission with the Registrar's Office. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

FULL-TIME STUDENT REQUIREMENT

Many students think that because they pay full fees they are considered full-time students. This is not true! To be considered a full-time student, undergraduates must register for 12 credits and graduates must register for 9 credits. Full-time status requirements vary for certain agencies, such as Immigration and Naturalization Service, Veterans Administration, and Social Security Administration. Consult the Registrar's Office for social security requirements, the International Services Office for immigration requirements, and the Veterans Affairs Office for VA benefits.

ENROLLMENT SERVICE FEE

The \$50 Enrollment Service Fee is not required for Summer Quarter. If a payment has been made for the coming Autumn Quarter, it cannot be credited to Summer Quarter fees. Summer Quarter fees are entirely separate from fees collected for the regular academic year and, therefore, credit balances in student

accounts may not be applied to Summer Quarter tuition. Student account credit balances must be either refunded or applied to another quarter of the regular academic year.

AUDITORS

Auditors pay standard tuition and fees and must be regularly admitted and registered in the course.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be cancelled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

PHYSICALLY DISABLED STUDENTS

Various support services, including priority registration, are available to students with physical disabilities. Contact Phyllis Bolt Bannister, Counselor/Program Coordinator for Disabled Students, 468 Schmitz Hall, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. Access: *University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from Phyllis Bannister or from the Office of Affirmative Action, 101 Lewis Hall, 543-1830.

NONMATRICULATED STUDENTS

During summer, nonmatriculated students receive the same priority as matriculated students for registration appointments, have equal access to summer classes and to departmental advisory offices, and may preregister for summer classes if they receive their admission notification in time for preregistration.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

Using the *Summer Quarter Bulletin* and the quarterly *Time Schedule* select courses you would like and plan your program of study for the summer. See an academic adviser if you have questions about registration procedures, the courses you wish to take, or if approval of your quarterly program of study is required.

Nonmatriculated students may consult advisers in the academic department offering the course or courses they wish to take (adviser approval of summer programs is not required, however). Nonmatriculated students enrolled primarily in evening classes may see an academic adviser through Continuing Education Academic and Professional Programs, 209 Lewis Hall, 8:30-10 a.m. and 3-5 p.m., Monday through Friday, or after 5 p.m. by appointment only.

REGISTRATION FORMS

1. Obtain a mark-sense registration form from your advisory office or from the Registration Office, second floor, Schmitz Hall, and mark the courses you are requesting on the form in accordance with directions on the form. Please note that some courses in the *Time Schedule* have restricted enrollment and you must obtain entry cards for these courses. Under-

graduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program. Summer Quarter courses offered for variable credit (this does not include variable credit courses offered for fixed credit this summer) must be taken for a whole number of credits; fractional credits that vary from student to student in a single quarter cannot be processed.

2. If you are registering for a course "out of quarter," obtain the permission form from your advisory office and make a request for the course during the change of registration period.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Refer to the Entry Card Distribution Points list for informa-

tion on where to obtain the entry card for a given course.

SUBMITTING REGISTRATION FORM

1. If you are a continuing student registering during the preregistration period, you may deposit your form at any of the following places:

- a. Registration lobby, second floor, Schmitz Hall
- b. B10 Padelford Hall
- c. Fourth floor student lounge, T-wing, Health Sciences Building
- d. 353 Loew Hall (engineering students only)

See the cover of the *Time Schedule* for registration dates.

2. If you are a new or returning student participating in preregistration, you must deposit your form at Schmitz Hall.

3. If you are a continuing student who did not preregister, you must obtain an in-person registration appointment from the Registration Appointment Office, Window 8, second floor, Schmitz Hall. Appointments are available beginning May 7 and should be obtained before June 7. Students registering after June 13 must pay a \$15 late registration fee.

4. If you are registering during the in-person registration period, go to the Sections branch office, Odegaard Undergraduate Library, on the date and time indicated on your "Advising and Registration Card." Engineering students go to 353 Loew Hall.

CLASS ATTENDANCE

Registered students who do not attend at least one of the first two class meetings of the quarter and have not been specifically excused may have their space in the class reallocated by the instructor to students who are waiting to register.

Students whose class space is reallocated must officially drop the class during the official change of registration period. Students dropping after that period will be responsible for paying any fees associated with the course(s).

LATE REGISTRATION

Students registering in-person who fail to register on their originally assigned date must obtain a new appointment date from the Registration Office, second floor, Schmitz Hall, before reporting to Sections. These students may be required to register late. A \$15 late fee, payable at the time of registration, is charged all students registering after June 13.

For the late applicant

New students who miss the May 15 closing date may attend Summer Quarter as nonmatriculated students by applying in person at the Office of Admissions, 320 Schmitz Hall.

Former students apply in person at the Registration Office, second floor, Schmitz Hall, on or after May 16 for registration authorization. They will be readmitted into their former classification, if eligible; otherwise, they will be admitted as nonmatriculated students.

Registration for late applicants is on June 13. A late fee of \$15 is payable at the time of registration.

Late applicants may also enroll on or after the first day of classes, including term *b* classes, if class space is available. After certain dates, however, instructors' signatures are required; see item 3 under "Dropping and Adding Courses" below.

SCHEDULE OF CLASSES

1. If you are a preregistrant, your schedule of classes will be mailed on May 21 to the address you indicate on the registration form. All preregistrants are scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, sophomores, and nonmatriculated students.

2. If you register during the in-person period you will be scheduled manually and will be given a copy of your completed program when you have finished registering.

DROPPING AND ADDING COURSES

All changes to a student's program should be completed during the official change period (see calendar). Changes are made by appointment only. Appointments are available, beginning May 30, at Window 3, second floor, Schmitz Hall. Change of program (drop/add) requests are also available there or at advisory offices. Engineering majors go to 353 Loew Hall. A student who arrives more than a half-hour late will be required to make a new appointment. Changes made after the change period cost \$5 and may result in fee forfeiture (see item 2 of this section).

Students will be expected to present University of Washington Summer Quarter 1979 student I.D. cards when requesting appointments. No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or has expired.

Credit changes in variable credit courses and changes to or from S/NS grading may be accomplished without change appointments during the change period. Changes to or from S/NS (Satisfactory/Not Satisfactory) grading must be made during the official change period.

Undergraduates in the College of Arts and Sciences must have the Dean's permission to carry more than 20 credits.

1. Grades in Dropped Courses and Drop Restrictions

After the Official Change Period, courses may be dropped under the following conditions:

Full-Quarter courses

- a. Dropped courses will not be entered on the student's record—through June 29.
- b. Dropped courses will be entered on the student's record with a grade of W—July 2–13 (graduate students: July 2–August 3).
- c. Undergraduate student deadline to drop full-quarter courses—July 13.
- d. Graduate student deadline to drop full-quarter courses—August 3.

Term a courses

- a. Dropped courses will not be entered on the student's record—through June 22.
- b. Dropped courses will be entered on the student's record with a grade of W—June 25–29 (for both undergraduate and graduate students).
- c. Undergraduate student deadline to drop term *a* courses—June 29.
- d. Graduate student deadline to drop term *a* courses—June 29.

Term b courses

- a. Dropped courses will not be entered on the student's record—through July 25.
- b. Dropped courses will be entered on the student's record with a grade of W—July 26–August 1 (graduate students: July 26–August 3).
- c. Undergraduate student deadline to drop term *b* courses—August 1.
- d. Graduate student deadline to drop term *b* courses—August 3.

Undergraduate students may make a limited number of drops after the aforementioned deadlines. The number of late drops permitted depends upon the number of academic credits the student has completed at the University. While completing the first 44 credits at the University, the student has three drops permitted after the deadline, but before the last day of instruction. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. All but the first three late drops may be accumulated and used as necessary. The first three late drops must be used prior to earning 45 credits or they are forfeited. *No drops of any kind are permitted after the last day of instruction.*

Graduate students do not earn late drops; they may drop courses only until the date specified.

Any student may petition the Registrar to drop a course after the regular drop deadline if: (1) the student is unable to complete the course in question due to a severe mental or physical disability, or (2) unusual and extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course.

2. Fee Forfeitures or Refunds

All drops and adds made through June 22 will be reflected on your bill. Courses added after this date may result in additional fees, which are payable at the time of the change. Courses dropped may result in fee refunds, depending on the number of credits you continue to carry. Students who drop full-quarter and term *a* courses June 25–29 are eligible for a half refund of fee differential. Students who drop term *b* courses June 25–July 25 are eligible for a full refund of fee differential; students who drop term *b* courses July 26–August 1 are eligible for a half refund of fee differential. After these final dates, there is no reduction in the amount of tuition and fees owed.

Dropped courses become effective the date received in Sections.

3. Courses Added After the Official Change Period

The instructor's signature is required for adding a full-quarter or term *a* course after June 22; a term *b* course after July 20.

Courses audited may not be changed to a credit registration after June 29 for full-quarter courses; after June 22 for term *a* courses; and after July 25 for term *b* courses.

SUMMER QUARTER FEES

Credits	Undergraduate*	Graduate and Law**
2 cr (min)	\$45	\$64
3 cr	\$68	\$97
4 cr	\$91	\$130
5 cr	\$114	\$163
6 cr	\$137	\$196
7 cr	\$160	\$229
8 cr	\$183	\$229
9 cr	\$206	\$229
Over 9 cr	\$229	\$229

* Includes postbaccalaureate (formerly Fifth-Year) and nonmatriculated students.

** Fee schedule for students admitted to the Graduate School or School of Law.

Half-credit increments are charged at the next fee level. In contrast to academic year procedures, non-resident fees are not charged during Summer Quarter nor is the \$50 enrollment service fee required. There is no reduction in fees for auditors. A separate fee schedule applies to medical and dental students. Fees are subject to change without notice.

FEE PAYMENT

1. You will be billed for tuition and fees based on the number of credits on your program at the end of the first week of the quarter, including courses added or dropped through June 22. The fee statement will be mailed on June 25 to the address you indicate on your mark-sense registration form. Payment is due at the Student Accounts Office on or before July 6 and should be mailed in the envelope provided for fee payment purposes. There is no late payment period.

If payment is not received by July 6, your registration will be cancelled. *Even if your registration is cancelled, you are obligated for one-half your tuition and fees unless you have officially withdrawn from your summer classes.*

2. If you have a scholarship or a grant, or will be receiving educational aid, you must pay the required fees if the notice of award is not on file at the Scholarship and Loan Fiscal Office.

3. If you are permitted to reregister after cancellation for nonpayment, you will be assessed a \$50.00 reregistration fee.

CHANGE OF ADDRESS

If you change your address after you have turned in your mark-sense registration form, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, 2nd floor of Schmitz. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

All students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance, will automatically be enrolled and billed for *student only* medical, surgical, and hospital insurance. Forms are provided at the registration area.

If you are billed for student insurance and decide that you do not want coverage, you may void the policy by completing the appropriate section on the fee payment card and by paying the amount billed less the indicated amount for insurance.

International students must subscribe to the University's medical insurance. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not desire to support this activity, simply pay the required fee. If you want to support WASHPIRG, check the payment card and pay the required fee plus \$2.

WITHDRAWAL FROM THE UNIVERSITY

1. If you register and subsequently wish to withdraw from all your summer classes, you must withdraw officially from Summer Quarter. Unofficial withdrawal by nonpayment of fees by the July 6 deadline results in a financial obligation of one-half your tuition and fees (term *b*-only registrants excepted).

2. Obtain a withdrawal form from the Withdrawal Office, 264 Schmitz, or from your advisory office. Some colleges and schools require adviser approval to withdraw from classes, but most students (including students in the College of Arts and Sciences and all nonmatriculated students) may withdraw in person or by writing directly to the Withdrawal Office.

3. Present or mail the withdrawal form to the Withdrawal Office, 264 Schmitz. *Withdrawals are effective the date they are received in the Withdrawal Office; fee refunds or fees owed will be based on this date. No withdrawals will be accepted after the last day of instruction. The following fee schedule will be followed:*

Full-quarter or term *a*-only courses

a. Students withdrawing *before* the sixth class day of the quarter or term (June 25) do not pay tuition or fees.

b. Students withdrawing on the sixth through the tenth class day of the quarter or term (June 25–29) are obligated for one-half their tuition and fees.

c. Students withdrawing *after* the tenth class day of the quarter or term (June 29) are obligated for full tuition and fees.

3. Students whose registration is cancelled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

Term *b*-only courses

a. Students withdrawing on or before June 22 do not pay tuition or fees. Students withdrawing after June 22 and *before* the sixth class day of the term

(July 26) are eligible for a full refund of tuition and fees.

b. Students withdrawing on the sixth through the tenth class day of the term (July 26–August 1) are eligible for a half refund of tuition and fees.

c. Students withdrawing after the tenth class day of the term (August 1) receive no refund of tuition or fees.

d. Term *b*-only registrants who do not pay their tuition and fees by July 6 will have their registration automatically cancelled. However, because this date occurs during the official withdrawal period for term *b*-only registration, these students are not obligated for one-half their tuition and fees.

4. Students who were unable to turn in their withdrawal on time because of extenuating circumstances may petition the Cashier's Office, 129 Schmitz Hall. Petition forms are available at that same office.

5. If you have been accepted for Summer-Autumn, withdrawal from Summer Quarter *on or after June 18* does not affect your Autumn Quarter status. Withdrawal must, however, be official to guarantee Autumn Quarter space. Withdrawal from Summer Quarter *prior to June 18* invalidates summer registration, and a new application for Autumn Quarter is required.

6. Courses dropped as part of a University withdrawal completed by June 29 for full-quarter registration and by June 22 and July 25 for term *a* and term *b* registration, respectively, receive no grade and no entry. Withdrawals after these dates result in the courses being assigned a grade of "W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report passing grades from 4.0 to 0.7 in 0.1 increments. The number 0.0 is assigned for failing work or unofficial withdrawal. Numerical grades may be considered equivalent to letter grades as follows:

A	4.0	Honor
	3.9	
	3.8	
A-	3.7	
	3.6	
	3.5

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz Hall.

The Grade of Incomplete

In order to obtain credit for a course in which an

Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Summer Quarter course must be made up by the last day of Autumn Quarter or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter *in residence*. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the coursework is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. When the final grade is received, a diagonal line is drawn through the Incomplete grade and the final grade is posted under the quarter in which the final grade is received.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. No more than 25 credits will apply to an undergraduate degree. *S/NS must be elected or dropped during the official change of program period.* Undergraduate students earning grades of 1.7 or above receive a grade of S(Satisfactory) while grades below 1.7 are recorded as NS(Not Satisfactory). Graduate students earning grades of 2.7 or above receive a grade of S(Satisfactory), while 2.6 or below are NS(Not Satisfactory). In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar. With the approval of his or her Graduate Program Adviser or Supervisory Committee Chairman, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on the Satisfactory/Not Satisfactory system.

Credit/No Credit Courses

Some courses are offered on a CR/NC only basis. These courses may be taken only on this basis and it is not necessary to be in the special Credit/No Credit program to take these courses. It is not necessary to register S/NS to take these courses as the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

Credit/No Credit Program

The University offers an undergraduate grading option called Credit/No Credit. Students entering this program automatically take all courses on a CR/NC basis. This program is not applicable to certain degrees, and advisers should be consulted. Students must enter and exit the CR/NC program no later than the last day of the change of program period for the quarter the change is to be effective. Further information is available at the Grade Information Window, 248 Schmitz.

SUMMER QUARTER 1979 CALENDAR

Registration Period April 30–May 4

Preregistration for all matriculated and nonmatriculated students in school Spring Quarter and for new and returning students notified of preregistration eligibility.

May 7

In-person registration appointments available on or after May 7 at Window 8, second floor of Schmitz, for continuing students who missed preregistration.

May 16

Registration authorization available on or after May 16 for new and returning students who missed the admission closing date. New students apply in person at the Office of Admissions, 320 Schmitz Hall. Former students apply in person at the Registration Office, second floor of Schmitz. Late applicant registration is scheduled for June 13. A late fee of \$15 is due at the time of registration; tuition is due July 6.

May 21

Programs of study mailed to summer preregistrants.

May 30

Change of registration appointments for the June 18–22 change period available on or after May 30 at Window 2 or 3, second floor of Schmitz (engineering majors go to 353 Loew). Students will be expected to present UW Summer 1979 student ID cards when requesting appointments. Evening only students may change their program without an appointment any time after 5 p.m. and no later than 6:15 p.m. during the first week of school. Evening only students should go directly to Sections in the Undergraduate Library cafeteria.

June 7, 8, 11, 12

In-person registration (by appointment only).

June 13

In-person registration for new and returning students who missed the regular application closing dates. A \$15 late fee is due at the time of registration.

June 18–22

Official change of registration period (by appointment only). Changes made after these dates cost \$5 for any number of changes made at the same time (extends through July 25 for term *b* courses). Students will be expected to present Summer Quarter UW Student ID cards when requesting appointments.

June 25

Fee statements mailed to students registering through June 22.

June 29

Last day to drop a full-quarter course without entry on permanent record.

July 6

Fee payment deadline for summer students registering through June 22. If fees are not paid by this time, registration will be cancelled. Cancellation of registration does not change fee obligation (one-half tuition and fees) for students who do not officially withdraw.

July 25

Last day to change a *b* term course without change fee.

Academic Period June 11, Monday

School of Law instruction begins.

June 18, Monday

Instruction begins.

June 29, Friday

Last day to return approved applications to 207 Schmitz for credit by examination in term *a* courses.

July 4, Wednesday

Independence Day holiday.

July 6, Friday

Applications for bachelor's degrees and certificates to be conferred Summer Quarter 1979 must be submitted to the Graduation Office, 207 Schmitz.

Fourth week of *a* term

Credit by examination. Students must make arrangements with the Educational Assessment Center, 543–1170.

July 18, Wednesday

Term *a* ends.

July 19, Thursday

Term *b* begins.

July 20, Friday

Grades for term *a* courses due by 2 p.m. at Grade Information Office, 248 Schmitz.

July 27, Friday

Last day to return approved applications to 207 Schmitz for credit by examination in term *b* courses.

Fourth week of *b* term

Credit by examination. Students must make arrangements with the Educational Assessment Center, telephone 543–1170.

August 17, Friday

Quarter ends.

August 20, Monday

Grades for full-quarter and term *b* courses due by 9 a.m. at Grade Information Office, 248 Schmitz.

August 24, Friday

> > > ENTRY CARDS > > >

Certain courses and sections require entry cards for registration. Students requesting these courses and/or sections on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the Mark-Sense Registration Form.
