*Not accessible to students with limited mobility. Go to 264 Schmitz.

GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

Matriculated University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a bachelor's degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, or (3) students not meeting their departmental continuation policy.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission, including payment of a \$25 application fee, with the Registrar's Office. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration, Immigration and Naturalization Service, and Social Security Administration may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

ENROLLMENT SERVICE FEE

The \$50 Enrollment Service Fee is not required for Summer Quarter. If a payment has been made for the coming Autumn Quarter, it cannot be credited to Summer Quarter fees. Summer Quarter fees are entirely separate from fees collected for the other quarters and, therefore, credit balances in student accounts may not be applied to Summer Quarter tuition. Student account credit balances must be either refunded or applied to autumn, winter, or spring quarters.

NONMATRICULATED STUDENTS

During summer, nonmatriculated students receive the same priority as matriculated students for registration appointments, have equal access to departmental advisory offices, and may preregister for summer classes if they receive their admission and preregistration eligibility notification in time.

TUITION-EXEMPT FACULTY/STAFF

With the approval of their department heads, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister; registration may occur no earlier than the last day of the registration period. Faculty/staff who register before the last day will not be eligible to use a tuition exemption that quarter. Registration appointments are not required. Faculty/staff enrolling as new matriculated students must be officially admitted by the Office of Admissions by May 15. Faculty/staff members who are former students returning, either in the same classification or as nonmatriculated students, should apply at the Registration Office, Window 8, second floor, Schmitz Hall no later than June 19.

Employees should present their approved tuition exemption cards at Sections, Hutchinson Hall, according to the schedule listed below. A \$5 registration fee will be collected at the time of registration. The alphabetic priority will change each quarter. Regularly admitted faculty and

staff members who are unable to meet this schedule may register late by paying a \$25 fee if registering by the tenth day of the quarter; \$75 if registering after the tenth day. Term B students may register through July 26 without a late fee; July 29-31 with a \$25 late fee; and after July 31 with a \$75 late fee.

Summer Quarter Registration date: June 19, 1985

Last names beginning with D-E-F (8-9 a.m.); G-H (9-10 a.m.); I-J-K (10-11 a.m.); L-M (11 a.m.-noon); N-O-P (noon-1 p.m.); Q-Z (1-2 p.m.); A-B (2-3 p.m.); C (3-4 p.m.); makeup (4-4:30 p.m.).

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students on a space available basis. "Access" students are limited to two courses per quarter. The fee is \$5, whether one or two courses are attended. As auditors, students do not receive credit and are not expected to do laboratory work or to take examinations. Registration may be made in person on Wednesday, June 19, between 8 a.m. and 2 p.m. at the Sections branch office, in Hutchinson Hall. Interested students should go to the area marked Access. For additional information on mail-in registration or about the program in general, telephone University Extension, 543-2300, between 8 a.m. and 5 p.m. and ask for Conference Management.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement.

Attendance in courses as an auditor is by consent of the instructor and is on a space-available basis. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be cancelled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. Access: *University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Hutchinson Hall registration or add/drop area is reached by a full flight of stairs, so wheelchair users and other students with mobility limitations should go to the Sections Office at 264 Schmitz. Students using this location need no Change of Registration Appointment Card (although those registering for the first time do need a registration appointment).

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543-8924, and the academic adviser of that department immediately to evaluate whether some accommodation of the facilities will be necessary.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

Using the *Summer Quarter Bulletin* and the quarterly *Time Schedule*, plan your program of study for the summer. See an academic adviser if you have questions about registration procedures, the courses you wish to take, or if approval of your quarterly program of study is required.

Nonmatriculated students may consult advisers in the academic department offering the courses they wish to take (adviser approval of summer programs is not required, however).

PREREGISTRATION

1. Eligibility

Preregistration is open to all students continuing from Spring Quarter, matriculated or nonmatriculated, and to new and returning students applying early enough to be notified of preregistration eligibility. Exceptions are tuition-exempt faculty/staff and older adults auditing under the Access program, who may register only during the last day of in-person registration (see General Information section for specific registration dates).

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Window 3, Registration Office, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop basic programs.

Continuing students preregistering may turn in forms at:

- Registration lobby, second floor, Schmitz Hall
- B10 Padelford
- Fourth-floor student lounge, T-wing, Health Sciences Building

New or returning students preregistering must turn in forms at Schmitz Hall.

3. If you Miss Preregistration

Obtain in-person registration appointment beginning May 13 at Window 8, Schmitz Hall. Term *a* or full-quarter students registering after June 19 will pay a \$25 late registration fee; after July 5 the late registration fee will be \$75. Term *b* students may register through July 26 without a late fee; July 29-31 with a \$25 late fee; and after July 31 with a \$75 late fee. Late fees are to be paid at the Student Accounts and Scholarships Office, 129 Schmitz.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, sophomores, and nonmatriculated. Schedules will be mailed May 31.

5. Registered Students

Students who preregister but are not scheduled into any courses are not considered registered students. They are not included on the current file of registered students, and are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION

1. Eligibility

In-person registration is primarily for newly admitted and returning former students who do not apply early enough to be eligible for preregistration or who miss preregistration. New students who miss the May 15 closing date for matriculated status may apply for Summer Quarter as nonmatriculated students. Former students in their same classification and applicants for nonmatriculated status may apply by mail through June 1; after June 1 they must apply in person. Former students apply in person at the Registration Office, second floor, Schmitz Hall; new students apply in person at the Office of Admissions, 320 Schmitz. When admission is confirmed, a registration appointment will be issued. Students applying in person June 13-19 may register at the same time they apply.

Continuing students who miss preregistration, tuition-exempt faculty/staff, and older students in the Access program also register during in-person registration. All students, except Access students, must be admitted to the University before attempting to register.

2. How to Register

See an academic adviser as indicated in the registration instructions that you received with your registration appointment.

Develop a schedule of classes selected from courses in the quarterly *Time Schedule*. List the classes on a worksheet, available from your adviser, or at Window 3, second floor, Schmitz Hall, and take it together with your registration appointment (or your faculty/staff exemption

card) to the Sections branch office in Hutchinson Hall. If your registration appointment is for, or after, 4 p.m., try to see an adviser an hour early so that you can arrive at Sections by the time indicated on the appointment. *Your classes will be scheduled while you wait.*

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

NONSTANDARD-DATE COURSES

In general the registration, fee payment, and grading requirements of nonstandard-date courses will depend on whether the course is identified as an "a," "b," or through-term course.

For courses that begin or end on dates other than the standard dates of term *a*, term *b*, or through term:

Late registration fees. A \$25 late registration fee will be charged after the first day of the course.

Registration drop/add fee. A \$20 late registration fee will be assessed for either dropping or adding a nonstandard-date course after the first day of the course.

Tuition refunds. Full refund if course is dropped no later than the first day of course instruction. One-half refund if course is dropped during the first 40 percent of the course. After 40 percent of the course is completed, no refund.

Grading. No grade and no entry on record if course is dropped by first day. Free drops permitted with "W" grade through first 40 percent of course. No drop permitted after 40 percent except limited preemptory drops as available to each student (see preemptory drops under regular drop schedule). No drops of any kind on last day of course.

LATE REGISTRATION

Students whose initial registration occurs after June 19 (July 26 for term-*b* courses) will be charged a late registration fee, payable at the Student Accounts and Scholarships Office, 129 Schmitz, according to the following schedule:

Type of Course	Registration Date	Late Registration Fee
full-quarter	June 24-July 5	\$25 (\$75 thereafter)
term <i>a</i>	June 24-July 5	\$25 (\$75 thereafter)
term <i>b</i>	July 29-July 31	\$25 (\$75 thereafter)

Instructor signatures are required after official change periods.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) *All changes to a student's program should be completed during the official change period (see calendar).* Changes are made by appointment only. Appointments are available, beginning June 5, at Window 3, second floor lobby, Schmitz Hall. Hutchinson Hall add/drop area is reached by a full flight of stairs so wheelchair users and other students with mobility limitations should use the sections office at 264 Schmitz. Students using this location need no Change of Registration Appointment card. A student who arrives more than a half-hour late will be required to make a new appointment. Evening-only students may change their programs without an appointment any time after 5 p.m. and no later than 6:15 p.m. during the first three days of school; they should go directly to Sections in Hutchinson Hall.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, Forest Resources and the Department of Biology may make changes during the first week of the quarter, without an appointment in the lobby of the T-wing, Health Sciences Building.

Graduate students may make registration changes in 264 Schmitz during the first week of the quarter. No appointments are necessary during this week. Early changes in Hutchinson require appointments. Changes made after the official change periods cost \$20 and may result in fee forfeiture (see item 3 of this section).

b) *Students will be expected to present University of Washington Summer Quarter 1985 student identification cards when requesting appointments. Tuition-exempt faculty and staff present faculty/staff*

identification cards and copy of their program. No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or has expired.

c) Credit changes in variable credit courses and changes to or from S/NS grading may be accomplished without change appointments during the change period. Changes to or from S/NS (Satisfactory/Not Satisfactory) grading must be made during the official change period.

2. Grades in Dropped Courses and Drop Restrictions

After the Official Change Period, courses may be dropped under the following conditions:

- a. Dropped courses will not be entered on the student's record—
 - full-quarter courses: through July 5.
 - term a courses: through June 28
 - term b courses: through July 31
- b. Dropped courses will be entered on the student's record with a grade of W—
 - full-quarter courses: July 8-19 (graduate students, July 8-August 9)
 - term a courses: July 1-5 (same for graduate students)
 - term b courses: August 1-7 (graduate students, August 1-9)
- c. Undergraduate student deadline to drop courses—
 - full-quarter courses: July 19
 - term a courses: July 5
 - term b courses: August 7

A limited number of drops are permitted after this date (see below). No drops of any kind are permitted after July 17 for term a courses and August 16 for full-quarter and term b courses.

- d. Graduate student deadline to drop courses—
 - full-quarter courses: August 9
 - term a courses: July 5
 - term b courses: August 9

Undergraduate students may make a limited number of drops after the aforementioned deadlines as determined by the number of credits earned at the University. While completing the first 44 credits at the University, the student has three drops permitted after the deadline, but before the last week of instruction. Any of these three drops not used by the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. *No drops of any kind are permitted after July 17 for term a courses or after August 16 for term b courses and full-quarter courses.*

Graduate students do not earn late drops; they may drop courses only until the date specified.

Students may petition the Registrar to drop a course after the regular drop deadline if: (1) the student is unable to complete the course in question due to a severe mental or physical disability, or (2) unusual and extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course.

3. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter, June 28. Courses added after this date may result in additional fees, which are payable at the time of the change. Only partial fee reductions will result for full-quarter and term a courses dropped after June 28. Term b courses dropped by July 31 will result in full refund of fee differential.

b) For each category of course (full-quarter, term a, or term b, there is a period during which students owe one-half the tuition and fees associated with dropped courses. Example: An undergraduate originally registered for 5 credits. The fee for 5 credits is \$221. The student then drops a 3-credit course during the half-payment period. The total number of credits for which the student remains registered is 2. Tuition and fees are due for the 2 credits (\$92) and one-half the difference between 5 credits and 2 credits, in this case an additional \$64.50. Total fees owed are \$156.50. The student has been registered in the dropped course for more than the first five days of the quarter or term and therefore must pay half the fees for the course.

Type of Course	Half-payment Period
full-quarter	July 1-23
term a	July 1-12
term b	August 1-9

c) After these final dates, there is no reduction in the amount of tuition and fees owed.

d) Dropped courses become effective the date received in Sections.

4. Courses Added After the Official Change Periods

The instructor's signature is required for adding a full-quarter or term

a course after June 28; a term b course after July 31.

Courses audited may not be changed to a credit registration after June 28 for full-quarter courses or term a courses; and after July 31 for term b courses.

FEE PAYMENT

1. You will be billed for tuition and fees based on the number of credits on your program at the end of the first week of the quarter, including courses added or dropped through June 28. The fee statement will be mailed on July 1 to the address you indicate at the time of registration. If you have not received your tuition billing by July 5, please contact the Student Accounts and Scholarships Office for the amount due. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. There is no late payment period.

If payment is not received by July 12, your registration will be canceled. *Even if your registration is canceled, you are obligated for one-half your tuition and fees unless you have officially withdrawn from your summer classes by June 28 (term b registrants excepted).*

2. If you have a scholarship or a grant, or will be receiving educational aid, you must pay the required fees if the notice of award is not on file at the Student Accounts and Scholarships Office.

3. If you are permitted to reregister after cancellation for nonpayment, you will be assessed a \$75 reregistration fee. When you reregister, you must reregister for all classes on your original schedule. All fees for reregistration must be paid by cash, money order, or cashier's check.

4. Credit card checks are not accepted.

Half-credit increments are charged at the next fee level. In contrast to academic year procedures, the \$50 enrollment service fee is not required. There is no reduction in fees for auditors.

Special Course and Laboratory Fees

The amounts listed in the above fee schedule normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them, and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

CHANGE OF ADDRESS

If you change your address after you have registered, be sure to complete a change of address form at the Registration Office. Forms are

available at Window 3, second floor, Schmitz Hall. You are responsible for notifying the Registrar's Office of any address change.

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by University Extension including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, conferences, or the Access program; or
2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student health insurance and wish to cancel your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the amount billed less the indicated amount for insurance. If you wish to change or add coverage, you must do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition/fees and the student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International Students

International students must subscribe to the student insurance plan. Penalties for not paying insurance fees by the tuition due date are the same as tuition penalties under Fee Payment section. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter, (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary.

To be eligible for the student health insurance plan, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. If the health insurance premium or waiver is not submitted by the tuition due date registration cancellation may result. International students who want coverage during Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not wish to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, pay the regular tuition and fees plus \$2.

WASHINGTON STUDENT LOBBY (WSL)

An optional \$1 fee is indicated on the fee statement for the Washington Student Lobby (WSL), a voluntary, independent organization of University students whose purpose is to influence the state legislative process on matters of special interest to students. Students who do not wish to support this activity simply pay the regular tuition and fees. Students who wish to support WSL pay the regular tuition and fees plus \$1.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. If you register and subsequently wish to withdraw from all your summer classes, you must withdraw officially from Summer Quarter. Unofficial withdrawal by nonpayment of fees by the July 12 deadline results in a financial obligation of one-half your tuition and fees (term b-only registrants excepted).

2. Obtain a withdrawal form from the Withdrawal Office, 264 Schmitz, or from your advisory office. Some colleges and schools require adviser approval to withdraw from classes, but most students (including students in the College of Arts and Sciences and all non-matriculated students) may withdraw in person or by writing directly to the Withdrawal Office.

3. Present or mail the withdrawal form to the Withdrawal Office, 264 Schmitz. Withdrawals are effective the date they are received in the Withdrawal Office; fee refunds or fees owed will be based on this date. No withdrawals will be accepted after July 17 for term a courses or after August 16 for term b and full-quarter courses. The fee schedule below will be followed:

Full-quarter courses

- a. Students withdrawing on or before the fifth calendar day of the quarter (June 28) do not pay tuition or fees.
- b. After June 28, students withdrawing through the 30th calendar day

of the quarter (July 23) are obligated for one-half their tuition and fees.

c. After July 23, students withdrawing are obligated for full tuition and fees.

d. Students whose registration is canceled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

Term a courses

a. Students withdrawing on or before the fifth calendar day of the term (June 28) do not pay tuition or fees.

b. After June 28, students withdrawing through the 19th calendar day of the term (July 12) are obligated for one-half their tuition and fees.

c. After July 12, students withdrawing are obligated for full tuition and fees.

d. Students whose registration is canceled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

Term b courses

a. Students withdrawing on or before June 28 do not pay tuition or fees. Students withdrawing after June 28 and on or before the seventh calendar day of the term (July 31) are eligible for a full refund of tuition and fees.

b. After July 31, students withdrawing through the 15th calendar day of the term (August 8) are eligible for a half refund of tuition and fees.

c. After August 8, students withdrawing are obligated for full tuition and fees.

d. Term b-only registrants who do not pay their tuition and fees by July 12 will have their registration automatically canceled. However, because this date occurs during the official withdrawal period for term b registration, these students are not obligated for any tuition and fees.

4. Students who were unable to turn in their withdrawal on time because of extenuating circumstances may petition the Comptroller's Office. Petition forms are available in the Student Accounts and Scholarships Office, 129 Schmitz.

5. If you have been accepted for Summer-Autumn, withdrawal from Summer Quarter on or after June 24 does not affect your Autumn Quarter status. Withdrawal must, however, be official to guarantee Autumn Quarter space. Withdrawal from Summer Quarter prior to June 24 invalidates summer registration, and a new application for Autumn Quarter is required.

6. Courses dropped as part of a University withdrawal completed by July 5 for full-quarter registration and by June 28 and July 31 for term a and term b registration, respectively, receive no grade and no entry. Withdrawals after these dates result in the courses being assigned a grade of W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report grades from 4.0 to 0.7 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range will be converted by the Registrar's Office to 0.0. For graduate students, grades reported in the range 1.6-0.1 will be converted to 0.0; 100-200-level courses are excluded from credits earned and grade-point averages although such grades are recorded on the transcript; for 300-level courses and courses numbered 600, 601, 700, 750, and 800 grades are recorded and credit is allowed, but grades are not included in the grade-point averages. Numerical grades may be considered equivalent to letter grades as follows:

Undergraduate/Graduate*

A	4.0-3.9
A-	3.8-3.5
B+	3.4-3.2
B	3.1-2.9
B-	2.8-2.5
C+	2.4-2.2
C	2.1-1.9
C-	1.8-1.5
D+	1.4-1.2
D	1.1-0.9
D-	0.8-0.7

* Lowest grade earning credit for graduate students is 1.7.

E 0.0

Lowest passing grade for undergraduates. Failure or Unofficial Withdrawal. No credit earned.

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz.

Repeating Courses

Undergraduate courses may be repeated only if the original grade was lower than a 2.0. Courses may be repeated only once. Both the original

grade and the second grade will be computed in the student's grade-point average; but credit will be allowed once. Students repeating courses should so indicate on their registration form.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Summer Quarter course must be made up by the last day of Autumn Quarter, or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter *in residence*. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the course work is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. When the final grade is received, it is posted under the quarter in which the final grade is received.

Incomplete grades can be awarded only if the student is doing satisfactory work up until the last two weeks of the quarter. A student who receives an Incomplete grade should never reregister for the course to remove the incomplete.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted, and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected or dropped during the official change of program period.* Undergraduate students earning grades of 1.7 or above receive a grade of S (Satisfactory) while grades below 1.7 are recorded as NS (Not Satisfactory). Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are NS (Not Satisfactory). No credit is awarded for an NS grade. In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average. N, I, or X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar. With the approval of his or her Graduate Program Adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on a S/NS basis.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a W is recorded. N, I, or X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

FINAL EXAMINATIONS

There is no separate final examination week during Summer Quarter. Finals are ordinarily given during the last scheduled class unless all students and their instructor agree on another time.

The University of Washington provides equal opportunity in education without regard to race, color, national origin, religion, creed, sex, sexual orientation, age, or handicap in accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and University of Washington policy.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Office of Distance Learning provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Distance Learning courses are separate from residence tuition and are \$28 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Distance Learning credit should consult his or her departmental advisor prior to enrolling in an Distance Learning course. Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses; * indicates variable credit, to be arranged by student and instructor).

THE PLACEMENT CENTER AT THE UNIVERSITY OF WASHINGTON LOOKS FORWARD TO THE OPPORTUNITY OF HELPING YOU PLAN YOUR FUTURE

The Placement Center, located in 301 Loew Hall, is the career center on the University of Washington campus. Counselors are available to help you in career decision-making and job search techniques. A large collection of career information and company materials is available for student use. Job listings, on-campus interviews, career planning seminars, job search workshops, and educational placement and graduate school file services are available to undergraduate and graduate students. If you have questions about your career, either what it will be, or how to get that first job, we're here to help. Call 543-0535 or drop by 301 Loew.
