University of Washington Bulletin

Time Schedule

Winter 1985

PUBLISHED IN FALL 1984
© 1984 UNIVERSITY COMMUNICATIONS, INC.

Time Schedule
Winter Quarter 1985

Preregistration: November 5–9, 13–16

	Last day to register and receive highest priority
Freshmen (0-44 credits)	November 5, 6
Seniors (135 credits)	November 6, 7
Graduate students	November 7, 8
Postbaccalaureate (fifth-year) students	November 8, 9
Juniors (90-134 credits)	November 13, 14
Sophomores (45-89 credits)	November 14, 15, 16

Class standing is based on the projected number of credits the student will have at the beginning of the next quarter. Faculty and staff using tuition exemptions may not preregister.

In-person registration (by appointment only)
Matriculated students: December 19, 20
Nonmatriculated students: December 21
Tuition-exempt faculty/staff: December 21
"Access" students: December 21

Students using wheelchairs or with other mobility limitations should proceed to 264 Schmitz to register or add/drop courses instead of Hutchinson Hall, which has stairway access only.

WINTER QUARTER 1985 CALENDAR

November 5–9, 13–16	PREREGISTRATION for all matriculated students in school Autumn Quarter 1984.
November 19	IN-PERSON REGISTRATION APPOINTMENTS available at Window 8, second floor, Schmitz Hall, for continuing students who missed preregistration and for continuing nonmatriculated students.
December 6	PROGRAMS OF STUDY mailed to preregistration participants.
December 10	CHANGE OF REGISTRATION APPOINTMENTS for the December 17, 18 change period available at Window 2 or 3, second floor, Schmitz Hall, for students who have received a schedule of classes. Students will be expected to present UW Winter Quarter 1985 student identification cards when requesting appointments. Wheelchair users and other students with mobility limitations do not need appointments to make changes. Students who make only the following changes are not required to have an appointment: (a) to or from Satisfactory/Not Satisfactory grading; (b) in the credit for variable credit course; (c) drop a course. Evening-only students may change their program without an appointment any time after 5 p.m. and no later than 6:15 p.m. during the first week of school. Evening-only students should go directly to Sections in Hutchinson Hall.
December 17, 18	OFFICIAL CHANGE OF REGISTRATION PERIOD FOR ALL STUDENTS by appointment only, at the Sections branch office, Hutchinson Hall,* for students who have preregistered.
December 19, 20	IN-PERSON REGISTRATION FOR MATRICULATED STUDENTS by appointment only at the Sections branch office, Hutchinson Hall.*
December 21	IN-PERSON REGISTRATION FOR NONMATRICULATED STUDENTS, by appointment only, at Sections branch office, Hutchinson Hall.*
December 21	IN-PERSON REGISTRATION FOR TUITION-EXEMPT FACULTY/STAFF. See *Time Schedule* for appointment times, which are assigned according to last name. Register at the Sections branch office, Hutchinson Hall.*
December 21	IN-PERSON REGISTRATION FOR "ACCESS" STUDENTS at Sections branch office, Hutchinson Hall.*
January 7	Instruction begins.
January 7–11	OFFICIAL CHANGE OF REGISTRATION PERIOD, by appointment only. (See paragraph on *Change Appointments and Late Fee* for the appropriate location.)
January 11	Deadline for: (1) changes to or from S/NS grading; (2) adding a course without instructor's permission; (3) adding or dropping a course without being assessed a $20 change fee. Courses dropped after this date will be included in the tuition calculation. A change fee of $20 and a tuition forfeiture will be assessed after this date.
January 11	Last day for official withdrawal from the University without owing tuition or fees.
January 14	Fee statements mailed to all registered students.
January 18	Last day to drop a course without entry on permanent record.
January 18	Last day to return approved applications to 207 Schmitz for credit by examination.
January 22	Applications for baccalaureate degrees for Winter Quarter 1985 for Arts and Sciences must be submitted to B10 Padelford.
January 25	Applications for baccalaureate degrees and certificates to be conferred Winter Quarter 1985 must be submitted to the Graduation Office, 207 Schmitz.
January 25	Fee payment deadline for all registered students.
January28–February 1	Late-payment period (requires a $30 late-payment fee).
February 1	Last day for undergraduate, postbaccalaureate (fifth-year), and nonmatriculated students to drop a course, except for peremptory drops and hardship withdrawal.
Fifth Week of the Quarter	Credit by examination. Students must make arrangements with the Educational Assessment Center, 543–1170.
February 5	Thirtieth calendar day (see *Fee Forfeitures or Refunds* section).
February 5	Last day to hand-deliver an application for resident status to the Residence Classification Office, 209 Schmitz. Applications may be postmarked February 5 if mailed at the Terminal Annex at Third Avenue South and South Lander Street.
February 15	Last day for undergraduate, postbaccalaureate (fifth-year), and nonmatriculated students to drop a course using a peremptory drop.
February 18	Washington's Birthday holiday
February 22	Last day for graduate students to drop a course.
March 15	Last day of instruction.
March 15	Last day to withdraw from the University.
March 18–22	Final examinations.
March 25	Grades due by 10 a.m. at Grade Information Office, 248 Schmitz.
March 29	Winter Quarter 1985 grades mailed to students.

*Not accessible to students with limited mobility. Go to 264 Schmitz.

GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, or (3) students not meeting their departmental continuation policies.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission, including payment of $25 application fee, with the Registrar's Office. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543–5920.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration, Immigration and Naturalization Service, and Social Security Administration may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

NONMATRICULATED STUDENTS

Nonmatriculated students register December 21 and enroll only on a space-available basis. Because nonmatriculated students register after all other students, enrollment may be closed in the following areas: mathematics, English composition, beginning foreign languages (particularly French and Spanish), business, and art. Nonmatriculated students may participate in preregistration for the Summer Quarter.

TUITION-EXEMPT FACULTY/STAFF

With the approval of their department heads, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister; registration may occur no earlier than the last day of the registration period. Faculty/staff who register before the last day will not be eligible to use a tuition exemption that quarter. Registration appointments are not required. New faculty/staff members who enroll must be officially admitted by the Office of Admissions by the regular admission closing date; November 1 is the closing date for Winter Quarter. Faculty/staff members who are former students returning either in the same classification or as nonmatriculated students should apply at the Registration Office, Window 8, second floor, Schmitz Hall.

Employees should present their approved tuition exemption cards at Sections, Hutchinson Hall, according to the schedule listed below. A $5 registration fee will be collected at the time of registration. The alphabetical priority will change each quarter. Regularly admitted faculty and staff members who are unable to meet this schedule may register late by paying $25 if registering by the tenth day of the quarter; $75 if registering after the tenth day of the quarter.

Winter Quarter Registration Date: December 21, 1984

Last names beginning with I–J–K (8–9 a.m.); L–M (9–10 a.m.); N–O–P (10–11 a.m.); Q–Z (11 a.m.–noon); A–B (noon–1 p.m.); C (1–2 p.m.); D–E–F (2–3 p.m.); G–H (3–4 p.m.); makeup (4–4:30 p.m.).

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students, on a space-available basis. The fee is $5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. Students who attend the University under the Access program are limited to two courses per quarter. Registration may be made in person on Friday, December 21, between 8 a.m. and 2 p.m. at the Sections branch office, Hutchinson Hall. Interested students should proceed to the area marked *Access*. For additional information on mail-in registration or about the program in general, telephone Continuing Education, 545–7418, between 9 a.m. and noon.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543–8924, for information on equipment, technical aids, and accommodations to meet individual needs. *Access: University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Hutchinson Hall registration or add/drop area is reached by a full flight of stairs, so wheelchair users and other students with mobility limitations should go to the Sections Office at 264 Schmitz. Students using this location need no Change of Registration Appointment Card (although those registering for the first time do need a registration appointtment).

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543–8924, and the academic adviser of that department immediately to evaulate whether some accommodation of the facilities will be necessary.

ATHLETIC EVENTS

Students may purchase a Husky Football Season Pass at the Husky Ticket Office, 101 Graves, or at the HUB Ticket Office, for admission to the following athletic events: men's and women's basketball, baseball, track and field, and swimming. For additional information, telephone 543–2200.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

See an academic adviser to discuss your educational objectives and to learn the procedures involved in registering at the University. Have an idea of the courses you would like to take before seeing an adviser by reviewing the *General Catalog* and the quarterly *Time Schedule*.

PREREGISTRATION

1. Eligibility

Preregistration is reserved for all continuing students *except* tuition-exempt faculty/staff, older adults auditing under the Access program, and nonmatriculated students. These last three groups may register only during the last day of in-person registration (see Winter Quarter calendar).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Registration Office, Window 3, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

Students preregistering may turn in forms at:

a) Registration lobby, second floor, Schmitz Hall

b) B10 Padelford

c) Fourth-floor student lounge, T-wing, Health Sciences Building

3. If You Miss Preregistration

Obtain an in-person registration appointment and register by December 20 at Window 8, Schmitz Hall. After December 20 you will be required to register late and to pay a $25 late registration fee at the Student Accounts and Scholarships Office, 129 Schmitz, if registering by the tenth day of the quarter; $75 after the tenth day of the quarter.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, and sophomores. Schedules will be mailed December 6.

5. Registered Students

Students who preregister but are not scheduled into any courses are not considered registered students. They are not included on the current file of registered students, and are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION

1. Eligibility

In-person registration is primarily for newly admitted and returning former students who do not apply early enough to be eligible for preregistration or who miss preregistration. Continuing matriculated students who miss preregistration, tuition-exempt faculty/staff, older students in the Access program, and nonmatriculated students also register during in-person registration. All students, except Access students, must be admitted to the University before attempting to register. When you have confirmed your admission you will be issued a registration appointment.

2. How to Register

On or before your registration date, obtain a *Time Schedule* and a Registration Instructions worksheet from your advisory office or from the Registration Office, second floor, Schmitz Hall. (These may also be obtained in the Hutchinson Hall registration area *while registration is in progress*.) Obtain permission and/or course entry cards (if required) as indicated in the *Time Schedule* before your registration is processed. Once your registration is completed by the Sections staff, you are obligated for tuition and fee payment unless you officially withdraw by the fifth class day. Undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

3. Submitting the Registration Form

a) New and returning former students register by appointment only on December 19 and 20 at the sections branch office. Hutchinson Hall.

b) If you are a continuing matriculated student who did not preregister, you must obtain an in-person registration appointment and register by December 20. Continuing students who request in-person registration appointments and register after December 20 will be required to register late during the first ten days of school and pay a $25 late registration fee; after the first ten days of the quarter, a $75 late registration fee is assessed.

c) If you are registering December 19–21, go to the Sections branch office, Hutchinson Hall, on the date and time indicated on your registration appointment. Students with a mobility disability must register in 264 Schmitz because there are stairs leading to the Hutchinson gymnasium. Engineering students will register in Hutchinson Hall.

d) Nonmatriculated students may register only on December 21. Appointments are available at Window 8, second floor, Schmitz Hall.

e) Tuition-exempt faculty/staff members and students in the Access program register only on December 21.

4. Schedule of Classes

a) If you register November 5–9, 13–16, your schedule of classes will be mailed to the address you indicate on the registration form. All students registering during this period are scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth year) students, juniors, and sophomores. Schedules will be mailed December 6.

b) If you register December 19–21, your courses will be scheduled while you wait and you will be given a copy of your completed program when you have finished registering.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

LATE REGISTRATION

Students who register after the official registration period will be charged a $25 late registration fee, payable at the Student Accounts and Scholarships Office, 129 Schmitz, if registering by the tenth day of the quarter; $75 after the tenth day of the quarter.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) *All changes to a student's program should be completed during the official change periods, December 17, 18 and January 7–11.* Changes are made by appointment only. Appointments are available at Window 3, second-floor lobby, Schmitz Hall beginning December 10. Hutchinson Hall add/drop area is reached by a full flight of stairs so wheelchair users and other students with mobility limitations should use the sections office at 264 Schmitz. Students using this location need no Change of Registration Appointment card. A student who arrives more than a half-hour late will be required to make a new appointment.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, and Forest Resources, and the Department of Biology may make changes during the first week of the quarter, without an appointment, in the fourth floor lobby of the T-wing, Health Sciences Building.

Engineering students may make registration changes in 110 Engineering Library during the first week of the quarter. No appoint-

ments will be necessary for the engineering satellite registration station. The engineering satellite station will close on Friday evening of the first week of the quarter. (Hutchinson not accessible by mobility disabled students; go to 264 Schmitz); after the second week, in 264 Schmitz.

Changes made after the official change period are restricted and, if permitted, cost $20 and may result in fee forfeiture (see item 3 of this section).

b) *Students will be expected to present Winter Quarter 1985 University of Washington student identification cards when requesting appointments.* No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or the date has expired.

2. Grades in Dropped Courses and Drop Restrictions

a) *Undergraduates.* Undergraduate students who drop courses after the change periods receive no entry on their academic record if the drop is made during the first two weeks of the quarter, except if all courses are dropped then a university withdrawal date is entered. Drops made during the third and fourth weeks of the quarter will be recorded with a "W." No drops are permitted after the fourth week except a limited number may be dropped during weeks five and six as determined by the number of credits earned at the University. While completing the first 44 credits at the University, a student has three drops permitted during the fifth and sixth week. Any of these three drops not used by the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. No drops, other than hardship withdrawals may be made after the sixth week. *No drops of any kind are permitted after the last day of instruction.*

b) *Graduate Students.* Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W." No drops are permitted after the seventh week of instruction.

c) Students may petition the Registrar for a hardship withdrawal after the regular drop deadline if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course.

3. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter. Only partial fee reductions will result for courses dropped after the first week of the quarter.

b) Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition and fees associated with that course. Example: An undergraduate originally registered for 5 credits. The fee for 5 credits is $221 (resident). The student then drops a 3-credit course in the second week of the quarter. The total number of credits for which the student remains registered is 2. Tuition and fees are due for the 2 credits ($92) and one-half the difference between 5 credits and 2 credits, in this case an additional $64.50. Total fees owed are $156.50. The student has been registered in the dropped course for more than one week and therefore must pay half the fees for the course.

c) Courses dropped after the thirtieth calendar day receive no refund. Example: A student is registered for a 3-credit course. The student drops that course after the thirtieth calendar day. No refund is available. If the student adds a different 3-credit course at the time the original 3-credit course is dropped, he or she will pay tuition and fees for 6 credits.

d) The effect of fee forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as in (b) and (c) above. Also, if a student drops a course after the thirtieth calendar day and adds another, an additional fee per credit will be charged as appropriate. Example: if a student is registered for 15 credits, drops one 5-credit course and then adds another 5-credit course, after the thirtieth calendar day, he or she will be charged for 20 credits although the student's class schedule will show only the 15 registered credits. As a result, he or she will pay for 2 credits above the 18-credit limit.

e) Drops become effective the date received in Sections.

4. Courses Added After the Official Change Period

a) As a general rule, no courses may be added after the official change period. Exceptional cases may be approved if both the instructor of the course *and the dean* of the student's college consent.

b) Courses audited may not be changed to a credit registration after the first two weeks of the quarter.

FEE PAYMENT

1. A fee statement will be mailed to the address you indicate on your mark-sense registration form. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

2. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE–10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in #3 below.

3. If you fail to pay by the deadline you may continue to pay your fees, with a $30 late fee, for one week following the due date. If fees have not been received in the Student Accounts and Scholarships Office by this time, your registration will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a $75 fee, in addition to their tuition.

4. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) All fees for registration must be paid by cash, money order, or cashier's check. No reregistration will be possible after the last day of instruction. *Please note: Even if your registration is canceled you will continue to owe one-half your tuition and fees if you are a continuing student or, if you are a new or returning student, $50 or one-half your tuition and fees, whichever is greater.*

5. Credit card checks are not accepted.

Quarterly Tuition and Fee Rates

Undergraduate *(including nonmatriculated and postbaccalaureate [fifth-year])*	*Resident*	*Nonresident*
Additional fee per credit for more than 18.	$ 39	$ 116
Full time (9½–18 credits)	436	1,208
Part time: 9 credits	393	1,087
8 credits	350	966
7 credits	307	845
6 credits	264	724
5 credits	221	603
4 credits	178	482
3 credits	135	361
2 credits	92	240
Graduate and Law		
Additional fee per credit for more than 18.*	83	216

7 credits	550	1,390
6 credits	472	1,192
5 credits	394	994
4 credits	316	796
3 credits	238	598
2 credits	160	400

* Does not apply to J.D. candidates.

Fees are subject to change without notice.

Special Course and Laboratory Fees

The amounts listed in the Tuition and Fee Rate schedule normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

CHANGE OF ADDRESS

If you change your address after you have turned in your marksense registration form, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by Continuing Education or Conferences and Institutes, including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, or the Access program; or
2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student insurance and wish to cancel your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the amount billed less the indicated amount for insurance. If you wish to change or add coverage, you must do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition/fees and the student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International students

International students must subscribe to the student insurance plan. Penalties for not paying insurance fees by the tuition due date are the same as tuition penalties under #3 of Fee Payment section. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter (or upon initial admission if other than Autumn Quarter), because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary. Insurance waiver cards submitted during the late payment period require a $30 late fee. To be eligible for the student health insurance plan, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. International students who want coverage during the Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHPIRG

An optional $2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not desire to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, pay the regular tuition and fees plus $2.

WASHINGTON STUDENT LOBBY (WSL)

An optional $1 fee is indicated on the fee statement for the Washington Student Lobby (WSL), a voluntary, independent organization of university students whose purpose is to influence the state legislative process on matters of special interest to students. Students not wishing to support this activity simply pay the regular tuition and fees. Students supporting WSL pay the regular tuition and fees plus $1.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. Obtain an approved withdrawal form from your adviser or from the Withdrawal Office.
2. Present the withdrawal form to the Withdrawal Office, Sections, 264 Schmitz. *Withdrawals are effective the date they are received in the Registrar's Office.* Fees owed will be based upon the date the withdrawal is received in the Registrar's Office. No withdrawals will be accepted after the last day of instruction, March 15.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

3. Students are required to turn in their student I.D. cards when they withdraw and are not eligible to continue using University services or facilities after their withdrawal.

The forfeiture schedule for withdrawing from the University is as follows:

Continuing Students

a. Students withdrawing before the sixth day of the quarter do not pay tuition or fees.

b. Students withdrawing on the sixth day or through the thirtieth calendar day continue to owe one-half of their tuition and fees.

c. Students withdrawing after the thirtieth calendar day continue to owe full tuition and fees.

New and Returning Students

a. Students withdrawing through the sixth day of the quarter forfeit their $50 enrollment service fee.

b. Students withdrawing on the sixth day or through the thirtieth calendar day of the quarter must pay one-half of regular tuition and fees or forfeit the $50 enrollment service charge, whichever is greater.

c. Students who withdraw officially after the thirtieth calendar day must pay full tuition and fees, including the $50 enrollment service fee.

3. Students who were unable to turn in their withdrawal in time may petition the Comptroller's Office. Petition forms are available at the Student Accounts and Scholarships Office, 129 Schmitz.

4. Courses dropped as part of a University withdrawal completed during the first two weeks of a quarter receive no grade and no entry except date of withdrawal is made on the student's permanent academic record. Withdrawals completed after the first two weeks result in the courses being assigned a grade of "W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report grades from 4.0 to 0.7 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range will be converted by the Registrar's Office to 0.0. For graduate students, grades reported in the range 1.6–0.1 will be converted to 0.0; 100–200-level courses are excluded from credits earned and grade-point averages although such grades are recorded on the transcript; for 300-level courses and courses numbered 600, 601, 700, 750, and 800, grades are recorded and credit is allowed but grades are not included in the grade-point averages. Numerical grades may be considered equivalent to letter grades as follows:

Undergraduate/Graduate*

A	4.0–3.9	
A−	3.8–3.5	
B+	3.4–3.2	
B	3.1–2.9	
B−	2.8–2.5	
C+	2.4–2.2	
C	2.1–1.9	
C−	1.8–1.5	* Lowest grade earning credit for graduate students is 1.7.
D+	1.4–1.2	
D	1.1–0.9	
D−	0.8–0.7	Lowest passing grade for undergraduates.
E	0.0	Failure or Unofficial Withdrawal. No credit earned.

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz.

Repeating Courses

Undergraduate courses may be repeated only if the original grade was lower than a 2.0. Courses may be repeated only once. Both the original grade and the second grade will be computed in the student's grade-point average but credit will be allowed once. Students repeating courses should so indicate on their registration form. Exceptions may be made for students returning to the University after an absence of three or more years. Such students may petition their major departments to repeat a course taken during an earlier period of enrollment.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Spring Quarter course must be made up by the last day of Autumn Quarter or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year maximum with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter *in residence*. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the course work is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. The final grade is posted under the quarter in which the final grade is received.

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. In most cases, it should not be necessary to register for the course again the following quarter. Students should normally make up the missing work rather than registering.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted, and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected or dropped during the official change of program period.* Undergraduate students earning grades of 2.0 or above receive a grade of S (Satisfactory) while grades below 2.0 are recorded as NS (Not Satisfactory). Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar. With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

The University of Washington provides equal opportunity in education without regard to race, color, national origin, religion, creed, sex, sexual orientation, age, or handicap in accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and University of Washington policy.

Winter Quarter 1985 Examination Schedule

The last day of instruction is Friday, March 15.

HOUR lecture session actually meets during quarter	Hour and day on which examination occurs, by days of class meeting in the week.				
	Meeting four times a week, or daily	MWF; MT; MW; MF; WF; MWTh; MTh	TTh; T; Th; TThF; MTTh; TW; TF; TWTh	M; W; F; S Meeting once a week	Day of examination
7:30 a.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Friday March 22
8:30 a.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Tuesday March 19
9:30 a.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Wednesday March 20
10:30 a.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Monday March 18
11:30 a.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Wednesday March 20
12:30 p.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Thursday March 21
1:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Monday March 18
2:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Tuesday March 19
3:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Thursday March 21
4:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Friday March 22
EVENING CLASSES (5:30 or thereafter)	8-10 p.m. Thursday March 21	8-10 p.m. Monday March 18	8-10 p.m. Tuesday March 19	8-10 p.m. Wednesday March 20	
Make-ups Incomplete Removals Conflicts	When mutually agreeable to faculty members and students concerned, provided scheduled *no later than* Friday, March 22.				

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for changing the date of a final examination.

2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent. If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.

5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.

6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure that the room is going to be available.

Questions concerning the examination schedule should be directed to Room Assignments, 543–1080.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:
Entry card required symbol (>>>), if appropriate
Schedule line number
Department
Course number
Term designation—if *a* or *b* term
Section designation
Section type—laboratory, quiz, or conference

Credits—listed with lecture section only; slash (/) means *or;* 2.5 means 2½ credits; hyphen (-) means *to;* VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e.g., ½ credit—cannot be processed for variable credit courses where the credit may vary from student to student in a single quarter)

Honors (H), Permission Required (#), or New Course (%), as appropriate
Day(s) of meeting (ARR means "to be arranged")
Time of meeting
Place of meeting (** means "to be arranged")
Course title and remarks—CR/NC ONLY means course offered for credit/no credit grading only
Name of instructor

NEW COURSES FOR WINTER QUARTER 1985

The following list includes new courses that will be offered Winter Quarter 1985, which were added to the University curriculum after publication of the 1984-86 General Catalog. Consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

LANDSCAPE ARCHITECTURE

L ARC 590 Seminar in Landscape Architecture (1-3, max. 12)

Study and research in advanced topics of landscape architecture with focus on unpublished areas of research. Conducted by department faculty and visiting professors. Prerequisite: permission of instructor.

L ARC 601 Internship (3-9, max. 9)

Prerequisite: permission of instructor.

COLLEGE OF ARTS AND SCIENCES

ANTHROPOLOGY

ANTH 405 Peoples of the Soviet Union (5)

Offered jointly with SISRE 405. See International Studies for description of course. (Last quarter offered: W 85.)

ART

Art History

ART H 551 Seminar in Early Christian, Byzantine, and/or Medieval Art and Architecture (5, max. 15)

Problems in early Christian, Byzantine, and Medieval art and architecture. Content varies. Prerequisite: permission of the instructor.

ASIAN LANGUAGES AND LITERATURE

ASIAN 405 Advanced Problems in Asian Linguistics (3)

Advanced problems in the analysis of the languages of east, southeast, south, and central Asia. Includes phonolgy, morphology, syntax, lexicography, historical reconstruction, linguistic typology, and comparative grammar. Prerequisite: 401 or equivalent, or permission of instructor.

ATMOSPHERIC SCIENCES

ATM S 466 Air Quality Modeling (3)

Offered jointly with CEWA 466. See Civil Engineering for description of course.

COMPARATIVE LITERATURE

C LIT 270 The Visual Text: How to Read a Film (5)

Introduction to film form, style, and techniques. Examples drawn from silent film and from contemporary film.

C LIT 518 Colloquium in Medieval Studies (5)

Salient literary aspects of the European Middle Ages, taught by representatives from various literature departments as well as from related disciplines such as philosophy, art history, history, and comparative religion.

DRAMA

DRAMA 450 Rehearsal Laboratory (2, max. 6)

Acting in projects directed by graduate directing students. Prerequisites: one year of acting and audition.

DRAMA 564 Advanced Directing - Rehearsal (2, max. 6)

Exploration of rehearsal techniques that can be used in defining style in a variety of contemporary and historical plays. Prerequisite: completion of first year of graduate directing program.

ECONOMICS

ECON 100 Principles of Economics (5)

Fundamental concepts of economic analysis with applications to contemporary problems. Recommended for students not planning to take any additional courses in economics.

ECON 581 Econometrics II (3)

Methods, tools, and theory of econometrics as the basis for empirical investigation in economics. Specification, testing, and use of econometric models with reference to examples in the literature. Prerequisite: 580.

GEOPHYSICS

GPHYS 542 Seismology III - Theory of Seismology (3)

Expanded advanced theory of seismology. Dynamic elasticity, source representations, ray theory, Lamb's problem, matrix methods, inverse methods, and analysis of seismological data. Prerequisite: 541. (Offered odd-numbered years.)

HISTORY

HST 335 The United States and Vietnam (5)

American involvement in Vietnam from a participant's viewpoint. Areas covered: 1) complex of negotiations which accompanied the process; 2) strategies and objectives of both sides; 3) military, political, pacification, and economic operations of the United States. (Last quarter offered: W 85.)

History of the Americas

HSTAA 373 Social History of American Women (5)

Offered jointly with WOMEN 383. See WOMEN 383 in the General Catalog for description of course.

INTERNATIONAL STUDIES

SIS 424 The Soviet Military at Home and Abroad (5)

Red Army in Civil War of 1918-21, federal organization of USSR (1922-38), collectivization and industrialization. Soviet military as instrument for political socialization of Russian and non-Russian populations and as factor in Soviet economy and R&D. Internal and external functions of Soviet military alliance system in Europe and the Third World.

SIS 511- Practicum: Methods in International Studies (3-)

Assumptions underlying the leading methodologies for the comparative study of societies and other large-scale social entities. Quantitative and non-quantitative methods illustrated by recent research. Desirable preparation: course in introductory statistics.

Russian and East European Regional Studies

SISRE 405 Peoples of the Soviet Union (5)

Traditional culture and social organization of Russians and some other USSR peoples, including larger nationalities (e.g.: Ukrainian, Estonian) and some smaller ethnic groups in Siberia. Explores the role of traditional culture in shaping contemporary lifestyles in a multi-ethnic, diversified setting. Offered jointly with ANTH 405. Prerequisite: ANTH 202 or permission of instructor. (Last quarter offered: W 85.)

MATHEMATICS

MATH 107 Mathematics for the Non-Scientist (5)

The exponential function; how it applies to a wide variety of phenomena. Elementary probability and statistics; their use in a variety of applications. For students not planning to take additional mathematics. Prerequisites: 1-1/2 years high school algebra and qualifying test, or equivalent. (Last quarter offered: W 85.)

MATH 555 Several Complex Variables (3)

The Weirstrass preparation theorem and its immediate consequences. Analytic continuation. Domains of holomorphy. Pseudoconvexity. Cartan-Oka theory of coherence. Embedding theorems. The $\bar{\partial}$- equation. Connections with algebraic geometry. Prerequisites: 534, 535.

MUSIC

MUSIC 303 Music Theatre Technique (1)

Basic individual acting techniques for musical theatre and their application to period historical styles. Prerequisite: 302.

Music Ensemble

MUSEN 372 Opera Scene Study (1)

Development of group acting skills through the use of music ensemble scenes from various repertoires. Must be taken in sequence. Prerequisite: MUSIC 303 or permission of instructor.

MUSEN 472 Opera Workshop (1, max. 6)

Preparation of music theatre repertoire. Intended for the mature voice student. Prerequisite: 373 or permission of instructor.

NEAR EASTERN LANGUAGES AND CIVILIZATION

Coptic

COPTC 412 Elementary Coptic (3)

Introduction to Coptic grammar, primarily in the Sahidic dialect (southern Egypt). Readings from the Sahidic New Testament, Egyptian monastic literature, and Nag Hammadi Gnostic texts.

POLITICAL SCIENCE

POL S 401 Undergraduate Research Seminar (5)

Directed research on selected cases of global war. Students collect and analyze data pertaining to causes and consequences of global war, coalitions, and the role of global wars in selecting world leaders; and consider the potential for preventing global wars. Prerequisite: 426. (Last quarter offered: W 85.)

PSYCHOLOGY

PSYCH 310 Motor Development (4)

Analysis of motor development from infancy through adolescence with emphasis on relationships between biophysical and psychosocial development of children and youth. Prerequisite: 101 or 102 or equivalent.

PSYCH 555 Seminar in Metacognition (2)

May be repeated for credit. Prerequisite: permission of instructor.

ROMANCE LANGUAGES AND LITERATURE

Spanish

SPAN 353 Cervantes' Don Quixote, in English (5)

Cervantes' Don Quixote de la Mancha: close study of this comic masterpiece, and the life, times, and works of its author. Consideration of the work's enduring influence and vitality.

ZOOLOGY

ZOOL 340 Biomechanics (4)

Physical biology emphasizing a mechanical appraoch to ecological, evolutionary, and physiological questions. Emphasis on basic principles underlying fluid and solid mechanics to explore responses of animals to flows, loads, and motions. Recommended: some familiarity with calculus and introductory physics.

SCHOOL & GRADUATE SCHOOL OF BUSINESS ADMINISTRATION

ACCOUNTING

ACCTG 490 Special Topics in Accounting (3)

Special topics of current concern to faculty and students. Offered only when faculty is available and there is sufficient student interest. Class announced in advance of scheduled offerings.

SCHOOL OF DENTISTRY

COMMUNITY DENTISTRY

COM D 650P Community Dentistry Clinical Electives (*, max. 12)

Opportunities for students to work in various clinical activities at local hospitals or other sites outside the school. Prerequisite: permission of instructor.

DENTISTRY

DENT 512P Professional Issues (1)

Overview of dental sociology, personal/professional ethics, dental history, jurisprudence, behavioral medicine.

COLLEGE OF EDUCATION

EDUCATIONAL PSYCHOLOGY

EDPSY 509 Educational Issues in Human Development (5)

Human development theories. Attention to educational implications of theory, methodology, and application. Comprehensive review of current research complements attention to historical antecedents of current practice. Age range covered varies as function of current issues in professional literature. Prerequisite: at least fifteen credits in educational psychology or psychology.

EDPSY 588 Survey Research Methodology and Theory (3)

Emphasis on survey research, research, theory, and methodology. Includes probability theory, sampling, human subjects considerations, instrumentation, and an exposure to analysis techniques. Students expected to review and critique theoretical issues in survey research and to develop a survey instrument. Prerequisite: 490 or equivalent.

COLLEGE OF ENGINEERING

CHEMICAL ENGINEERING

CH E 370 Solid State Chemical Physics of Engineering Materials (3)

Integrated analysis of solid state engineering materials from a chemical physics perspective. Electrical, optical, chemical, and equilibrium and irreversidble thermodynamics. Influence of processing conditions on solid state properties. Prerequisites: CHEM 150 or 155, MATH 238, CHEM 456 or CH E 326 (either may be taken concurrently), and college physics.

CIVIL ENGINEERING

Environmental Engineering and Science

CEWA 466 Air Quality Modeling (3)

Evaluation of air quality models relating air pollution emissions to environmental concentrations. Topics include: meteorological dispersion models and various "receptor" models based on chemical "fingerprinting" of sources. Emphasizes current problems. Offered jointly with ATM S 466. Prerequisite: 458 or 461 or permission of instructor.

ELECTRICAL ENGINEERING

E E 555 Power System Reliability Analysis (4)

Reliability considerations which influence the planning and operation of electric power systems. Concentrates on applications using reliability calculations to determine desired reserves (static and spinning) and the reliability of power supply. The required foundation in probability methods is developed. Prerequisite: 455 or permission of instructor.

E E 564 Parallel Computer Systems (3)

Pipelined and vector processors; interconnection network for parallel processing, array and associative processors; multiprocessors; data flow machines; systolic arrays and impact of the VLSI technology on parallel processors and processing. Prerequisites: 471 and permission of instructor.

MECHANICAL ENGINEERING

M E 480 Introduction to Computer-Aided Technology (4)

Introduction to principles of computer-aided technology. Topics include: computer-aided design, engineering, drafting, and manufacturing; CAD systems, geometry, computer graphics, hardware, computer-aided vehicle/system design synthesis. System demonstrations, laboratories, and site visits included. Prerequisites: ENGR 123, ENGR 141.

Industrial Engineering

MEIE 432 Product Work Breakdown Structure in Shipyards (3)

Includes work packages determined by problem area, flow lanes,

and material and production control for hull, outfit, and painting. Planning, scheduling, information feedback systems for estimating and design discussed. Principles of flexible manufacturing described are applicable to other large construction projects. Offered jointly with O ENG 432. Prerequisite: 431

OCEAN ENGINEERING

O ENG 432 Product Work Breakdown Structure in Shipyards (3)

Offered jointly with MEIE 432. See MEIE 432 for course description.

O ENG 480 Introduction to Computer-Aided Techology (4)

Offered jointly with M E 480. See M E 480 for course description.

O ENG 561 Dynamics of Marine Systems (3)

Dynamic response of offshore structures and vehicles. Equations of motion formulated, including derivation of added-mass and damping terms in the presence of a free surface. Wave forcing functions derived. Various methods of simplifying the equations investigated and computational techniques discussed. Prerequisite: ENGR 230.

INTERDISCIPLINARY GRADUATE DEGREE PROGRAMS

APPLIED MATHEMATICS

AMATH 502 Applied Mathematics Clinic (1-2)

Provides consulting service for problems from different academic units requiring assistance in formulation, analysis, and interpretation of mathematical models. With faculty assistance, students actively learn to delineate sources of difficulties, identify or devise a method of solution, and effectively communicate it to clients. Prerequisites: 568, 569, and 584.

INTERSCHOOL/INTERCOLLEGE PROGRAMS

QUANTITATIVE SCIENCE

Q SCI 599 Research in Quantitative Resource Management and Ecology (*, max. 12)

Topics can be theoretical in nature or combined theory and experiment. Research might be a prelude to thesis or dissertation research.

UNIVERSITY CONJOINT COURSES

UCONJ 505 Cell and Molecular Biology and Disease (3)

Focuses on nucleus, normal, and abnormal function. Prerequisite: 504.

SCHOOL OF MEDICINE

MEDICAL EDUCATION

MEDED 499 Undergraduate Research (*, max. 12)

Investigative research or readings in medical education: topics include clinical reasoning, curriculum development evaluation, use of computers in medical education, and educational research in medical settings. Prerequisite: permission of instructor.

SURGERY

SURG 688P Subinternship in General Surgery (*, max. 12)

Offered on the general surgery wards of the University-affiliated hospitals. Diagnosis, preoperative care, and postoperative care; management of surgical emergencies and outpatient follow-up of discharged patients. Students function at the intern level under close supervision of the staff and housestaff. Prerequisite: 665P

COLLEGE OF OCEAN AND FISHERY SCIENCES

OCEANOGRAPHY

OCEAN 202 Oceanic Geography (3)

Physical properties of ocean basins. Descriptive, regional outline of world's oceans. Water mass, T/S analysis, conservation, water salt and heat budgets, advection and diffusion

SCHOOL OF PUBLIC HEALTH AND COMMUNITY MEDICINE

HEALTH SERVICES

HSERV 559 Medical Geography (3)

Offered jointly with GEOG 580. See GEOG 580 in the General Catalog for description of course.

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Office of Independent Study provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Independent Study courses are separate from residence tuition and are $28 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Independent Study credit should consult his or her departmental advisor prior to enrolling in an Independent Study course. Applications and additional information on enrollment procedures may be obtained from the Independent Study office, 222 Lewis, or by telephoning 543-2350.

The following courses are currently offered by Independent Study (credits in parentheses; * indicates variable credit, to be arranged by student and instructor).

TAKE A GRADUATE COURSE IN LEADERSHIP.

If you have earned a Bachelor's Degree in technical fields like engineering, science, math and computers you've taken one giant step in building your future. But today, with our competitive job market, the person who has the edge is often the one with something extra. That something is leadership experience.

The 17-week Coast Guard Officer Candidate School (OCS) Program offers you the opportunity to receive post-graduate leadership training and be paid as you learn. Upon completing the course you'll put your training to immediate use with important leadership duties.

The Coast Guard is the smallest armed service with big global responsibilities. These include managing our coastal and inland waterways from Alaska to Puerto Rico; saving lives, protecting property and our maritime resources. As a leader you'll find the work rewarding, exciting and invaluable in priming yourself for success in the Coast Guard.

As the proud possessor of a Bachelor's Degree, a commission and leadership position, you'll earn up to $18,000 for starters. And you can expect up to 40% in wage increases and promotions the first three years. When you consider the other benefits a Coast Guard officer receives, your compensation package is even more impressive:

- Free medical/dental care for service members
- Post-graduation studies often paid for
- Living quarters allowance
- Thirty days paid vacation per year
- Retirement after 20 years

Leaders are not born... they're made! Coast Guard OCS training can help you develop the confidence, poise, maturity and problem solving abilities you'll need to take command in today's hi-tech world. To apply, call

800-424-8883

except in Alaska, Hawaii or Washington, D.C.

THE COAST GUARD.
AN ARMED SERVICE AND MORE.
