Faculty/Adviser Version
Winter Quarter

University of Washington Bulletin

Designed in the Graphic Design Workshop

Time Schedule

Winter Quarter 1987

| | <small>Last day to register and receive highest priority</small> |
|---|--|
| Preregistration: November 3-7, 10, 12-14 | |
| Freshmen (0-44 credits)..... | November 3, 4 |
| Seniors (135 credits)..... | November 4, 5 |
| Graduate students..... | November 5, 6 |
| Postbaccalaureate (fifth-year) students..... | November 6, 7 |
| Juniors (90-134 credits)..... | November 10, 12 |
| Sophomores (45-89 credits)..... | November 12, 13, 14 |

Class standing is based on the projected number of credits the student will have at the beginning of the next quarter. Faculty and staff using tuition exemptions may not preregister.

In-person registration (by appointment only)

Matriculated students: December 15-18
Nonmatriculated students: December 19
Tuition-exempt faculty/staff: December 19
"Access" students: December 19

Students using wheelchairs or with other mobility limitations should proceed to 264 Schmitz to register or add/drop courses instead of Hutchinson Hall, which has stairway access only.

Spring Quarter 1987 Preregistration dates: February 10-13, 17-20

WINTER QUARTER 1987 CALENDAR

REGISTRATION

PREREGISTRATION for all matriculated students in school Autumn Quarter 1986.

PROGRAMS OF STUDY mailed to preregistration participants.

IN-PERSON REGISTRATION APPOINTMENTS available at Window 8, second floor, Schmitz Hall, for continuing students who missed preregistration and for continuing non-matriculated students.

IN-PERSON REGISTRATION for matriculated students, by appointment only, Hutchinson Hall.*

IN-PERSON REGISTRATION for nonmatriculated students, tuition-exempt faculty/staff, and "Access" students, by appointment only, Hutchinson Hall.*

CHANGE OF REGISTRATION

December 15-19, January 5-9
Hutchinson Hall*

December 15, 16, 18, 19
All students by appointment only.

8:15 a.m.-4:00 p.m.

December 17 and January 5-9
8:15-5:30 p.m.

Go to 225 Schmitz, Window 3 for appointments (8 a.m.-5 p.m. starting December 9).

Winter I.D. required.

No appointment required for S/NS, credit changes, dropping only, or adding courses with course entry cards.

Last day to change to or from S/NS grading.

ADDING/DROPPING COURSES OR UNIVERSITY WITHDRAWAL

Last day for official withdrawal from the University without owing tuition or fees.

Last day to add or drop a course without instructor's permission.

Last day to add or drop a course without being assessed a \$20 change fee.

Last day to drop a course without entry on transcript.

Last day for undergraduate, postbaccalaureate (fifth-year), and nonmatriculated students to drop a course, except for peremptory drops and hardship withdrawal.

Last day for graduate students to drop a course.

Last day to withdraw from the University (dropping all classes).

FEE PAYMENTS

Fee statements mailed to all registered students.

Fee payment deadline for all registered students.

Late-payment period (requires a \$30 late-payment fee).

Thirtieth calendar day (see *Fee Forfeitures or Refunds* section).

APPLICATION DEADLINES

Last day to return approved applications for credit by examination, 207 Schmitz.

Applications for baccalaureate degrees for Winter Quarter 1987 for Arts and Sciences must be submitted to B10 Padelford.

Applications for baccalaureate degrees and certificates (all schools and colleges) to be conferred Winter Quarter 1987 must be submitted to Graduation Office, 207 Schmitz.

Credit by examination (students must make arrangements with the Educational Assessment Center, 543-1170).

Last day to hand-deliver an application for resident status to Residence Classification Office, 209 Schmitz. Applications must be postmarked February 4 if mailed at the Terminal Annex, Third Avenue South and South Lander Street.

GRADES

Grades for Winter Quarter 1987 mailed to students.

ACADEMIC CALENDAR

Instruction begins

Martin Luther King, Jr.'s Birthday holiday

Presidents' Day holiday

GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, or (3) students not meeting their departmental continuation policies.

If an undergraduate does not enroll for one or more quarters, he or she must file an application for readmission, including payment of \$25 application fee, with the Registrar's Office. A graduate student returning from "on leave" status must file an application for readmission but will not be charged the application fee. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration, Immigration and Naturalization Service, and Social Security Administration may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

NONMATRICULATED STUDENTS

Nonmatriculated students register December 19 and enroll only on a space-available basis. Because nonmatriculated students register after all other students, enrollment may be closed in the following areas: mathematics, English composition, beginning foreign languages (particularly French and Spanish), business, and art. Nonmatriculated students may participate in preregistration for the Summer Quarter.

TUITION-EXEMPT FACULTY/STAFF

With the approval of their department heads, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister; registration may occur no earlier than the last day of the registration period. Faculty/staff who register before the last day will not be eligible to use a tuition exemption that quarter. Registration appointments are not required. New faculty/staff members who enroll must be officially admitted by the Office of Admissions by the regular admission closing date; November 1 is the closing date for Winter Quarter. Faculty/staff members who are former students returning either in the same classification or as nonmatriculated students should apply at the Registration Office, Window 8, second floor, Schmitz Hall.

Employees should present their approved tuition exemption cards at Sections, Hutchinson Hall, according to the schedule listed below. A \$5 registration fee will be collected at the time of registration. The alphabetical priority will change each quarter. Regularly admitted faculty and staff members who are unable to meet this schedule may register late by paying \$25 if registering by the tenth day of the quarter; \$75 if registering after the tenth day of the quarter.

Winter Quarter Registration Date: December 19, 1986

Last names beginning with L-M (8-9 a.m.); N-O-P (9-10 a.m.); Q-Z (10-11 a.m.); A-B (11 a.m.-noon); C (noon-1 p.m.); D-E-F (1-2 p.m.); G-H (2-3 p.m.); I-J-K (3-4 p.m.); makeup (4-4:30 p.m.).

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students, on a space-available basis. The fee is \$5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. Students who attend the University under the Access program are limited to two courses per quarter. Registration may be made in person on December 19, between 8 a.m. and 2 p.m. at the Sections branch office, Hutchinson Hall. Interested students should proceed to the area marked *Access*. For additional information on mail-in registration or about the program in general, telephone Conference Management, 543-2300, between 8 a.m. and 5 p.m.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below.

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. *Access: University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Hutchinson Hall registration or add/drop area is reached by a full flight of stairs, so wheelchair users and other students with mobility limitations should go to the Sections Office at 264 Schmitz. Students using this location need no Change of Registration Appointment Card (although those registering for the first time do need a registration appointment).

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543-8924, and the academic adviser of that department immediately to evaluate whether some accommodation of the facilities will be necessary.

ATHLETIC EVENTS

Students may purchase a Husky Football Season Pass at the Husky Ticket Office, 101 Graves, or at the HUB Ticket Office, for admission to the following athletic events: men's and women's basketball, baseball, track and field, and swimming. For additional information, telephone 543-2200.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

See an academic adviser to discuss your educational objectives and to learn the procedures involved in registering at the University. Have an idea of the courses you would like to take before seeing an adviser by reviewing the *General Catalog* and the quarterly *Time Schedule*.

PREREGISTRATION (Continuing Students Only)

1. Eligibility

Preregistration is reserved for all continuing students *except* tuition-exempt faculty/staff, older adults auditing under the Access program, and nonmatriculated students. These last three groups may register only during the last day of in-person registration (see Winter Quarter calendar).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University.

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Registration Office, Window 3, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

Students preregistering may turn in forms at:

- Registration lobby, second floor, Schmitz Hall
- B10 Padelord
- Fourth-floor student lounge, T-wing, Health Sciences Building

3. If You Miss Preregistration

Obtain an in-person registration appointment and register by December 18 at Window 8, Schmitz Hall. After December 18 you will be required to register late and to pay a \$25 late registration fee at the Registration Office, 225 Schmitz, if registering by the tenth day of the quarter; \$75 after the tenth day of the quarter.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, and sophomores. Schedules will be mailed December 4.

5. Registered Students

Students who preregister but are not scheduled into any courses are not considered registered students, and are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION (New and Returning Students)

1. Eligibility

In-person registration is primarily for newly admitted and returning former students. Continuing matriculated students who miss preregistration, tuition-exempt faculty/staff, older students in the Access program, and nonmatriculated students also register during in-person registration. All students, except Access students, must be admitted to the University and issued a registration appointment before attempting to register.

2. How to Register

On or before your registration appointment, obtain a *Time Schedule* and a Registration Instructions worksheet from your advisory office or from the Registration Office, second floor, Schmitz Hall. (These may also be obtained in the Hutchinson Hall registration area while registration is in progress.) Obtain permission and/or course entry cards (if required) as indicated in the *Time Schedule* before attempting to register. Once your registration is completed by the Sections staff, you are obligated for tuition and fee payment unless you officially withdraw by the fifth day of the term. Undergraduates will not be scheduled for more than 19 credits until the first day of the quarter to allow all students a chance to develop a basic program.

3. Submitting the Registration Form

a) New and returning former students register by appointment only on December 15-18 at the sections branch office, Hutchinson Hall.

b) If you are a continuing matriculated student who did not preregister, you must obtain an in-person registration appointment

and register by December 18. Continuing students who request in-person registration appointments and register after December 18 will be required to register late during the first ten days of school and pay a \$25 late registration fee; after the first ten days of the quarter, a \$75 late registration fee is assessed.

c) If you are registering December 15-18, go to the Sections branch office, Hutchinson Hall, on the date and time indicated on your registration appointment. Students with a mobility disability must register in 264 Schmitz because there are stairs leading to the Hutchinson gymnasium.

d) Nonmatriculated students may register only on December 19. Appointments are available at Window 8, second floor, Schmitz Hall.

e) Tuition-exempt faculty/staff members and students in the Access program register only on December 19.

4. Schedule of Classes

a) If you register November 3-7, 10, 12-14, your schedule of classes will be mailed to the address you indicate on the registration form. All students registering during this period are scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth year) students, juniors, and sophomores. Schedules will be mailed December 4.

b) If you register December 15-18, your courses will be scheduled while you wait and you will be given a copy of your completed program when you have finished registering.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

LATE REGISTRATION

Students who register after the official registration period will be charged a \$25 late registration fee if registering by the tenth day of the quarter; \$75 after the tenth day of the quarter.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) Changes to a student's program should be completed during the following change periods: December 15-19, January 5-9.

Appointments are not required to (1) drop a course, (2) change to or from S/NS or C/NC, (3) change variable credits or (4) add a class with a course entry card. Evening-only students do not need appointments for the 5-6:00 p.m. change period during the first week of the quarter. Graduate students do not need appointments during the first week at 264 Schmitz. A student who arrives more than a half-hour late will be required to make a new appointment. Wheelchair users and other students with mobility limitations should use the sections office at 264 Schmitz; no Change of Registration Appointment card is required.

Students will be expected to present Winter Quarter 1987 UW student identification cards when requesting appointments. No more than one change appointment will be issued to a student at a time.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, and Forest Resources, and the Department of Biology may make changes during the first week of the quarter, without an appointment, in the fourth floor lobby of the T-wing, Health Sciences Building.

Engineering students may make changes without an appointment or register late with an appointment, in 209 A-B HUB, during the first week of the quarter.

Changes made after the official change period are restricted and, if permitted, cost \$20 and may result in fee forfeiture (see item 3 of this section).

b) Undergraduates in the College of Arts and Sciences must have their adviser's signature to carry more than 22 credits; 30 credits is the limit per quarter.

2. Grades in Dropped Courses and Drop Restrictions

a) *Undergraduates.* Undergraduate students who drop courses after the change periods receive no entry on their academic record if the drop is made during the first two weeks of the quarter, except if

all courses are dropped then a university withdrawal date is entered. Drops made during the third and fourth weeks of the quarter will be recorded with a "W." No drops are permitted after the fourth week except a limited number may be dropped as determined by the number of credits earned at the University. While completing the first 44 credits at the University, a student has three drops permitted after the fourth week. Any of these three drops not used at the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. No drops, other than hardship withdrawals may be made after the last day of instruction.

b) *Graduate Students.* Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W." No drops are permitted after the seventh week of instruction.

c) Students may petition the Registrar for a hardship withdrawal after the regular drop deadline if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course. Hardship withdrawals are for dropping individual courses only. See section on Withdrawal from the University for the procedure to follow for dropping all courses for the quarter; no petition is required.

3. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter. Only partial fee reductions will result for courses dropped after the first week of the quarter.

b) Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition and fees associated with that course. Example: An undergraduate originally registered for 5 credits. The fee for 5 credits is \$270 (resident). The student then drops a 3-credit course in the second week of the quarter. The total number of credits for which the student remains registered is 2. Tuition and fees are due for the 2 credits (\$111) and one-half the difference between 5 credits and 2 credits, in this case an additional \$79.50. Total fees owed are \$190.50. The student has been registered in the dropped course for more than one week and therefore must pay half the fees for the course.

c) Courses dropped after the thirtieth calendar day receive no refund. Example: A student is registered for a 3-credit course. The student drops that course after the thirtieth calendar day. No refund is available. If the student adds a different 3-credit course at the time the original 3-credit course is dropped, he or she will pay tuition and fees for 6 credits.

d) The effect of fee forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as in (b) and (c) above. Also, if a student drops a course after the thirtieth calendar day and adds another, an additional fee per credit will be charged as appropriate. Example: if a student is registered for 15 credits, drops one 5-credit course and then adds another 5-credit course, after the thirtieth calendar day, he or she will be charged for 20 credits although the student's class schedule will show only the 15 registered credits. As a result, he or she will pay for 2 credits above the 18-credit limit.

e) Drops become effective the date received in Sections.

4. Courses Added After the Official Change Period

a) As a general rule, no courses may be added after the official change period. Exceptional cases may be approved if both the instructor of the course and the dean of the student's college consent.

b) Courses audited may not be changed to a credit registration after the first two weeks of the quarter.

FEE PAYMENT

1. You should indicate your permanent or local address on your mark-sense registration form for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

2. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in # 3 below.

3. If you fail to pay by the deadline you may continue to pay your fees, with a \$30 late fee, for one week following the due date. If fees

have not been received in the Student Accounts and Scholarships Office by this time, your registration will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

4. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) No reregistration will be possible after the last day of instruction. *Please note: Even if your registration is canceled you will continue to owe one-half your tuition and fees.*

5. Credit card checks are not accepted.

6. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of amount; (12% A.P.R.), beginning with the month following the end of the quarter.

Winter Quarter 1987 Quarterly Tuition and Fee Rates

| Undergraduate (including nonmatriculated and postbaccalaureate [fifth-year]) | Resident | Nonresident |
|--|----------|-------------|
| Additional fee per credit for more than 18. | \$ 48 | \$ 143 |
| Full time (9-1/2-18 credits) | 535 | 1,487 |
| Part time: 9 credits | 482 | 1,339 |
| 8 credits | 429 | 1,191 |
| 7 credits | 376 | 1,043 |
| 6 credits | 323 | 895 |
| 5 credits | 270 | 747 |
| 4 credits | 217 | 599 |
| 3 credits | 164 | 451 |
| 2 credits | 111 | 303 |

| Graduate and Law | | |
|--|-----|-------|
| Additional fee per credit for more than 18.* | 102 | 267 |
| Full time (6-1/2-18 credits) | 773 | 1,925 |
| Part time: 6 credits | 663 | 1,651 |
| 5 credits | 553 | 1,377 |
| 4 credits | 443 | 1,103 |
| 3 credits | 333 | 829 |
| 2 credits | 223 | 555 |

| Medical and Dental | | |
|--------------------------------|-------|-------|
| Full time (13 or more credits) | 1,251 | 3,175 |
| Part time: 12 credits | 1,155 | 2,931 |
| 11 credits | 1,059 | 2,687 |
| 10 credits | 963 | 2,443 |
| 9 credits | 867 | 2,199 |
| 8 credits | 771 | 1,955 |
| 7 credits | 675 | 1,711 |
| 6 credits | 579 | 1,467 |
| 5 credits | 483 | 1,223 |
| 4 credits | 387 | 979 |
| 3 credits | 291 | 735 |
| 2 credits | 195 | 491 |

*Does not apply to J.D. candidates.
Fees are subject to change without notice.

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

CHANGE OF ADDRESS

If you change your address, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by Continuing Education or Conferences and Institutes, including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, or the Access program.

2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student insurance and wish to cancel your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the amount billed less the indicated amount for insurance. If you wish to change or add coverage, you may do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition/fees and the student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International Students

International students must subscribe to the student insurance plan. Penalties for not paying insurance fees by the tuition due date are the same as tuition penalties under #3 of Fee Payment section. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter (or upon initial admission if other than Autumn Quarter), because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary. Insurance waiver cards submitted during the late payment period require a \$30 late fee. To be eligible for the student health insurance plan, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. International students who want coverage during the Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not desire to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, pay the regular tuition and fees plus \$2.

WASHINGTON STUDENT LOBBY (WSL)

An optional \$1 fee is indicated on the fee statement for the Washington Student Lobby (WSL), a voluntary, independent organization of university students whose purpose is to influence the state legislative process on matters of special interest to students. Students not wishing to support this activity simply pay the regular tuition and fees. Students supporting WSL pay the regular tuition and fees plus \$1.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. Obtain an approved withdrawal form from your adviser or from the Withdrawal Office.

2. Present the withdrawal form to the Withdrawal Office, Sections, 264 Schmitz. Withdrawals are effective the date they are received in the Registrar's Office. Fees owed will be based upon the date the withdrawal is received in the Registrar's Office. No withdrawals accepted after the last day of instruction, March 13.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

3. Students are required to turn in their student I.D. cards when they withdraw and are not eligible to continue using University services or facilities after their withdrawal.

The forfeiture schedule for withdrawing from the University is as follows:

a) Continuing Students

(1) Students withdrawing before the sixth day of the quarter do not pay tuition or fees.

(2) Students withdrawing on the sixth day or through the thirtieth calendar day continue to owe one-half of their tuition and fees.

(3) Students withdrawing after the thirtieth calendar day continue to owe full tuition and fees.

b) New and Returning Students

(1) Students withdrawing through the sixth day of the quarter

forfeit their \$50 enrollment service fee.

(2) Students withdrawing on the sixth day or through the thirtieth calendar day of the quarter must pay one-half of the regular tuition and fees.

(3) Students who withdraw officially after the thirtieth calendar day must pay full tuition and fees.

4. Students who were unable to turn in their withdrawal in time may petition the Comptroller's Office. Petition forms are available at the Student Accounts and Scholarships Office, 129 Schmitz.

5. Courses dropped as part of a University withdrawal completed during the first two weeks of a quarter receive no grade and no entry except date of withdrawal is made on the student's permanent academic record. Withdrawals completed after the first two weeks result in the courses being assigned a grade of "W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report grades from 4.0 to 0.1 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range will be converted by the Registrar's Office to 0.0. For graduate students, grades reported in the range 1.6-0.1 will be converted to 0.0; 100-200-level courses are excluded from credits earned and grade-point averages although such grades are recorded on the transcript; for 300-level courses and courses numbered 600, 601, 700, 750, and 800, grades are recorded and credit is allowed but grades are not included in the grade-point averages. Numerical grades may be considered equivalent to letter grades as follows:

Undergraduate/Graduate*

| | |
|----|---------|
| A | 4.0-3.9 |
| A- | 3.8-3.5 |
| B+ | 3.4-3.2 |
| B | 3.1-2.9 |
| B- | 2.8-2.5 |
| C+ | 2.4-2.2 |
| C | 2.1-1.9 |
| C- | 1.8-1.5 |
| D+ | 1.4-1.2 |
| D | 1.1-0.9 |
| D- | 0.8-0.7 |
| E | 0.0 |

* Lowest grade earning credit for graduate students is 1.7.

Lowest passing grade for undergraduates.
Failure or Unofficial Withdrawal. No credit earned.

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz.

Repeating Courses

With the approval of the academic department offering the course, an undergraduate student may repeat a course once. Both the original grade and the second grade will be computed in the student's grade-point average but credit will be allowed once. Students repeating courses should so indicate on their registration form.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Spring Quarter course must be made up by the last day of Autumn Quarter or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year maximum with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter *in residence*. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the course work is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. The final grade is posted under the quarter in which the final grade is received.

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have

received an Incomplete. A grade earned in a repeat course will not be recorded as an incomplete conversion grade.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted, and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. A course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected during initial registration or added or dropped during the official change of program period.* Undergraduate students earning grades of 2.0 or above receive a grade of S (Satisfactory) while grades below 2.0 are recorded as NS (Not Satisfactory).

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average, N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

Winter Quarter 1987 Examination Schedule

The last day of instruction is Friday, March 13.

| HOUR lecture session actually meets during quarter | Hour and day on which examination occurs, by days of class meeting in the week. | | | | |
|---|---|--------------------------------------|--|--------------------------------------|-----------------------|
| | Meeting four times a week, or daily | MWF; MT; MW; MF; WF; MWTh; MTh | TTh; T; Th; TThF; MTTh; TW; TF; TWTh | M; W; F; S Meeting once a week | Day of examination |
| 7:30 a.m. | 8:30-10:20 | 8:30-10:20 | 10:30-12:20 | 12:30- 2:20 | Friday March 20 |
| 8:30 a.m. | 8:30-10:20 | 8:30-10:20 | 10:30-12:20 | 12:30- 2:20 | Tuesday March 17 |
| 9:30 a.m. | 8:30-10:20 | 8:30-10:20 | 10:30-12:20 | 12:30- 2:20 | Wednesday March 18 |
| 10:30 a.m. | 8:30-10:20 | 8:30-10:20 | 10:30-12:20 | 12:30- 2:20 | Monday March 16 |

| 2:30 p.m. | 2:30- 4:20 | 2:30- 4:20 | 4:30- 6:20 | 6:30- 8:20 | Tuesday March 17 |
| 3:30 p.m. | 2:30- 4:20 | 2:30- 4:20 | 4:30- 6:20 | 6:30- 8:20 | Thursday March 19 |
| 4:30 p.m. | 2:30- 4:20 | 2:30- 4:20 | 4:30- 6:20 | 6:30- 8:20 | Friday March 20 |
| EVENING CLASSES (5:30 or thereafter) | 8-10 p.m. Thursday March 19 | 8-10 p.m. Monday March 16 | 8-10 p.m. Tuesday March 17 | 8-10 p.m. Wednesday March 18 | |
| Makeups Incomplete Removals Conflicts | When mutually agreeable to faculty members and students concerned, provided scheduled <i>no later than Friday, March 18.</i> | | | | |

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for changing the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent. If the instructor determines that

neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure that the room is going to be available.

Questions concerning the examination schedule should be directed to Room Assignments, 543-1080.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

- Entry card required symbol (>>>), if appropriate
- Schedule line number
- Department
- Course number
- Term designation—if *a* or *b* term
- Section designation
- Section type—laboratory, quiz, or conference
- Credits—listed with lecture section only; slash (/) means *or*; 2.5 means 2½ credits; hyphen (-) means *to*; VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e.g., ½ credit—cannot be processed for variable credit courses where the credit may vary

- from student to student in a single quarter)
- Honors (H), Permission Required (#), or New Course (%), as appropriate
- Writing Course meeting University requirement (W)
- Day(s) of meeting (ARR means "to be arranged")
- Time of meeting
- Place of meeting (** means "to be arranged")
- Course title and remarks—CR/NC ONLY means course offered for credit/no credit grading only
- Name of instructor
- Classes taught in the same classroom at the same time—students register and receive credit for one course only (example: ARAB 312 with ARAB 472)

NEW COURSES FOR WINTER 1987

The following list includes new courses that will be offered Winter Quarter 1987, which were added to the University curriculum after publication of the 1986-88 General Catalog. Consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

ARCHITECTURE

ARCH 330 CONSTRUCTION MATERIALS AND TECHNIQUES I (3)

Fundamentals of building construction with emphasis on wood structures. Laboratory exercises designed to develop student intuition and understanding of how tools, materials, and structure interact in building design and construction.

ARCH 360 INTRODUCTION TO ARCHITECTURAL THEORY (3)

Function of architectural theory in comprehending and ordering various human purposes in architecture, types of architectural purpose, types of theories. Focuses on current concerns.

COLLEGE OF ARTS AND SCIENCES

ANTHROPOLOGY

ANTH 432 SOCIOLINGUISTICS (3)

Offered jointly with LING 432. See Linguistics for description.

ANTH 556 THE EVOLUTION OF THE FAMILY (3)

Offered jointly with SOC 556. See Sociology for description.

ASIAN LANGUAGES AND LITERATURE

INDIAN

INDN 404 READINGS IN URDU LITERATURE (3, MAX. 18)

Readings in Urdu prose and poetry. Urdu prose composition. Prerequisite: 403 or equivalent.

COMMUNICATIONS

CMU 502 THE MASS COMMUNICATION PROCESS AND ITS EFFECTS (5)

Analytic approach to conceptualization and research in the field since 1900.

DRAMA

DRAMA 401 DRAMA COLLOQUIUM (1-, MAX. 3)

Weekly lectures by guest artists, presentations by faculty or students of works in progress. Required of all undergraduate and graduate drama majors.

DRAMA 442 INTERMEDIATE PLAYWRITING (5, MAX. 10)

Two one-act plays rewritten for rehearsed reading. Readings of selected one-act plays address specific problems of playwright's craft. Prerequisite: 441; or practical theatre experience.

DRAMA 454 PROJECTS IN ACTING (3, MAX. 9)

Rehearsal and classroom performance of dramatic literature of various periods and styles. Prerequisite: audition.

DRAMA 541 GRADUATE PLAYWRITING SEMINAR I (3-6, MAX. 18)

Workshop for development of new plays. Graduate playwriting students develop one-act and full-length plays, continuing through rewriting until ready for public reading. Readings of representative contemporary full-length plays address specific problems of playwright's crafting.

ENGLISH

ENGL 418 ADVANCED TOPICS IN SHAKESPEARE (5)

Topics vary. Prerequisite: 231 or 314 or 315. (Last quarter offered, W 87)

GENERAL AND INTERDISCIPLINARY STUDIES

GIS 250 CONTEMPORARY ISSUES IN COLLEGIATE SPORTS (5)

Survey of the contemporary issues in collegiate sports arising from the impact of sports on the society, the academic community, and the athletes. Issues cover competition, drugs, gambling, ethics, recruiting, racism, and women in sports. (Last quarter offered, Sp 87)

HISTORY

HISTORY OF THE AMERICAS

HSTAA 212 THE MILITARY HISTORY OF THE UNITED STATES FROM COLONIAL TIMES TO THE PRESENT (5)

Development of American military policies, organizational patterns, tactics and weaponry, from beginnings as a seventeenth century frontier defense force to global conflicts and military commitments of the twentieth century. Interaction and tension between need for an effective military force and concept of civilian control of that force.

INTERNATIONAL STUDIES

JEWISH STUDIES

SISJE 464 THE JEWS IN SPANISH HISTORY (3/5)

Offered jointly with HSTEU 464. See History in the General Catalog for description.

SISJE 467 MEDIEVAL JEWISH HISTORY (5)

Offered jointly with HSTEU 467. See History in the General Catalog for description.

MIDDLE EASTERN STUDIES

SISME 530 READING SEMINAR ON MIDDLE EAST STUDIES (2)

Study of Middle Eastern historiography, Islamic law, Islamic theology, relations between the Middle East and the world economy, political structures, and social movements in the Middle East.

SOUTH ASIAN STUDIES

SISSA 434 INTERNATIONAL RELATIONS OF SOUTH ASIA (5)

Offered jointly with POL S 434. See Political Science in the General Catalog for description.

LINGUISTICS

LING 432 SOCIOLINGUISTICS (3)

Social variation in the phonology, morphology, syntax, and lexicon of languages and dialects. Also considers such variables as nonstandard language, diglossia, pidgins and creoles, gender differences, bi- and multilingualism, the ethnography of speaking, pragmatics, and language attitudes. Joint with ANTH 432. Prerequisite: 400; recommended: concurrent registration in 451 or permission of instructor.

MATHEMATICS

MATH 439 INTRODUCTION TO PARTIAL DIFFERENTIAL EQUATIONS (3)

Continuation of 438. Laplace's equation and general elliptic equations, wave equation and general hyperbolic equations, heat equation and general parabolic equations. Initial value problems and Dirichlet problems. Green's functions. Maximum principle. Prerequisite: 438.

NEAR EASTERN LANGUAGES AND CIVILIZATION

N E 250 EGYPT OF THE PHAROAHS (5)

Pharaonic Egypt from the Predynastic Period to 332 B.C. Historical events and trends illustrated through changes in architecture, literature, theological concepts. Includes discussions of Egypt's relations with the Sudan and Palestine, religious beliefs, and hieroglyphic writing. (Last quarter offered, W 87.)

PSYCHOLOGY

PSYCH 426 NEURAL BASIS OF MOTOR BEHAVIOR (5)

Focus on motor systems with emphasis on human motor behavior. Neuromuscular subsystems in motor control: spinal sensorimotor circuitry; propriospinal interlimb connections and regulation; supraspinal regulation of lower motor neurons to include motor and sensory cortex, cerebellum, basal ganglia. Prerequisites: 101 or 102, and ten credits in biology or zoology.

SOCIOLOGY

SOC 556 THE EVOLUTION OF THE FAMILY (3)

Biological evolution of species-specific behaviors and forms of sociality linked to human mating, reproduction, and parenting. Cultural evolution of human systems of kinship and marriage as fitness-maximizing adaptations to a wide range of habitats. Joint with ANTH 556. Prerequisite: upper-division course in evolutionary theory, population genetics, behavioral ecology, primatology, or animal behavior.

SCHOOL OF BUSINESS ADMINISTRATION

B A 371 COOPERATIVE EDUCATION IN BUSINESS (2, MAX. 6)

Business practicum: one or two quarter internship with approved business or government agency. Open only to students who meet requirements of the internship program. Internship credit may not be applied to fulfill specific requirements or to 180 credits required for graduation. Credit/no credit only.

COLLEGE OF EDUCATION

INDEPENDENT STUDY, RESEARCH, AND FIELD EXPERIENCES

EDUC 423 EDUCATING DIVERSE GROUPS (3)

Provides background information on socioethnic/cultural diversity in United States; its impact on decision-making in school structure, school programming, administration. Socio-economic, ethnic minority, women, handicapped groups. Emphasizes educational implications of discrimination based on gender, race, ethnicity, social class, and handicapping conditions. Prerequisite: admission to Teacher Education Program or teaching experience.

EDUCATIONAL CURRICULUM AND INSTRUCTION

EDC&I 583 MESSAGE DESIGN (3)

Study of the research and theory concerning the design of instructional messages in various modalities (visual, auditory), and in various formats (pictorial, verbal, graphic). Prerequisite: 480 or permission of instructor.

EDC&I 587 DESIGN OF INTERACTIVE INSTRUCTIONAL SYSTEMS (3)

Examination of the theoretical and empirical questions involved in design of interactive instructional systems using such technologies as videodisc, videotex, and CAI. Specific problems inherent in design of complex learning environments: control, branching, structure and sequence of material, wayfinding, help systems. Prerequisites: 436, and 481 or 582; or permission of instructor.

SPECIAL EDUCATION

EDSPE 561 ASSESSMENT OF PRESCHOOL HANDICAPPED CHILDREN (3)

Students learn to select, administer, interpret, and prepare written reports on appropriate classroom tests for preschool aged handicapped children.

COLLEGE OF ENGINEERING

CORE COURSES

ENGR 275 FUNDAMENTALS OF COMPUTER OPERATION AND ORGANIZATION (4)

Organization and operation of digital computers. Representation of information, instruction formats, addressing, flow of control, processor and system components, and software systems. The digital computer studied at various levels (microprogramming, machine, and system). Prerequisite: 141.

ENGR 280 INTRODUCTION TO SYSTEM ENGINEERING (4)

Applied general systems theory is presented as a framework for system engineering. Concepts of system hierarchies, tradeoffs, and feedback all applied in two team oriented projects. Prerequisite: 141.

CHEMICAL ENGINEERING

CH E 456 PHYSICAL CHEMISTRY (3)

Offered jointly with CHEM 456. See Chemistry in the General Catalog for description.

ELECTRICAL ENGINEERING

E E 370 INTRODUCTION TO DIGITAL SYSTEMS AND COMPUTERS (4)

Introductory course in digital logic, Boolean algebra, combinational and sequential circuits, design and operation of digital computers including ALU, memory, I/O, and control. Computer operation and organization including instruction formats, addressing, and stacks.

E E 565 COMPUTER-COMMUNICATION NETWORKS I (3)

Computer-communication network concepts and principles; queuing systems and applications; network architectures and protocols; modeling, performance analysis, and design of terrestrial networks; multiaccess techniques; satellite, ground-radio, and local area networks. Prerequisite: 505 or equivalent.

E E 579 ADVANCED TOPICS IN ELECTROMAGNETICS, OPTICS, AND ACOUSTICS (1-5)

Topics of current interest in electromagnetics, optics, and acoustics. Content varies from year to year, based on current professional interests of faculty member in charge. May be repeated for credit by permission. Prerequisite: permission of instructor.

MECHANICAL ENGINEERING

M E 431 ADVANCED FLUID MECHANICS (4)

Advanced topics in fluid mechanics, including kinematics, potential theory and vortex dynamics, viscous flow, turbulence, experimental and numerical methods, and design. Prerequisite: 333.

SCIENTIFIC AND TECHNICAL COMMUNICATION

STC 505 COMPUTERS AND INFORMATION MANAGEMENT IN TECHNICAL PUBLICATIONS (4)

After introducing the concepts of information theory, the course goes on to place the issue of information management into the larger context of computerized publishing (both procedures and technologies internal to the publishing unit and electronic media for external dissemination of information). Prerequisite: 501 or permission of instructor.

STC 510 DOCUMENT DESIGN (4)

Planning, preparing, and testing technical documents following the Document Design Model; standard and innovative document formats; identifying, using empirically verified communication principles both in text and nontextual elements; the role of the document designer and communication analyst in technical organizations. Prerequisite: 501 or permission of instructor.

COLLEGE OF FOREST RESOURCES

BIOLOGICAL SCIENCES

FOR B 524 TREE PHYSIOLOGY I - GROWTH AND DEVELOPMENT (3)

Review of the major developmental processes in trees, concentrating on regulatory mechanisms. The role of genetic, hormonal, mechanical, environmental, and ecological mechanisms in the regulation shoot, diameter, root, and reproductive development examined in a lecture-discussion format. Prerequisite: seniors in forestry, botany, or related field may enroll.

INTERDISCIPLINARY GRADUATE DEGREE PROGRAMS

NUTRITIONAL SCIENCES

NUTR 535 LABORATORY METHODS IN NUTRITION (3)

Laboratory course involving techniques used in nutrition research. Includes spectroscopy, isotopes, ultracentrifugation, chromatography; vitamin, lipid, and mineral analysis; methods for animal and human research. Prerequisite: laboratory classes in chemistry, biochemistry.

INTERSCHOOL OR INTERCOLLEGE PROGRAMS

UNIVERSITY CONJOINT

UCONJ 502 INTERNATIONAL HEALTH EDUCATION (1)

Weekly two-hour seminar provides in-depth and concrete preparation for international health work, involving extensive use of case studies, a problem-solving format, and time for teaching practical skills and tools relevant to clinical, epidemiological, and laboratory needs. Each seminar prepared and presented by a faculty/student team.

SCHOOL OF MEDICINE

BIOLOGICAL STRUCTURE

B STR 560 NEUROANATOMICAL TECHNIQUES (2)

Discussion of neuroanatomical techniques and their current applications in neurobiology. Topics include: LM and EM immunocytochemistry, histochemistry, and autoradiography; axonal transport tract-tracing; intraneuronal recording and labeling; quantitation of CNS receptors; morphometry; computer uses. Protocols provided. Prerequisite: permission of instructor.

HUMAN BIOLOGY

HUBIO 523P INTRODUCTION TO IMMUNOLOGY (2)

Basic concepts such as antigens; antibodies; complement; B- and T-lymphocyte function, including interactions with each other and with accessory cells; immunological tolerance; major histocompatibility complex; and role of these basic concepts in immunopathology (immunodeficiencies; hypersensitivities, autoimmunity, blood transfusion, and transplantation).

RESEARCH IN MEDICAL EDUCATION

MEDED 522 RESEARCH IN MEDICAL EDUCATION (2)

Basic overview of research methods and research design pertinent to educational research in medical education. Focus on development and sequencing of research projects from conceptualization through literature review, proposal development, project implementation, data management, analysis, and write-up. Critical reading of related literature stressed.

MEDICINE

MED 599P TRANSFUSION MEDICINE (3)

Group discussions and didactic sessions cover broad category of transfusion medicine. Hands-on laboratory experience in red cell serology/compatibility, coagulation, and histocompatibility with emphasis on diagnosis and management of clinical problems. Based at Puget Sound Blood Center. Prerequisites: fourth-year medical students; third-year students with permission of instructor.

OPHTHALMOLOGY

OPHTH 501P OPHTHALMOLOGY PRECEPTORSHIP (1)

Individualized experiences with one or more of the full-time faculty members of the department covering research, teaching, and patient care. Student observes activities in the clinic, hospital ward, operating room, and research laboratories. Prerequisites: first- and second-year medical students only; permission of instructor.

COLLEGE OF OCEAN AND FISHERY SCIENCES

INSTITUTE FOR MARINE STUDIES

INS 518 PORT AND MARINE TRANSPORTATION SYSTEMS (3)

Designed to introduce students to the activities associated with the waterborne movement of cargo. Looks specifically at the types of cargo handling methodologies used in ocean transport, the ship types involved in these cargo handling methods, and the seaport terminal facilities that are utilized by each cargo handling method.

GRADUATE SCHOOL OF PUBLIC AFFAIRS

PB AF 524 MANAGING PEOPLE IN PUBLIC AND NONPROFIT AGENCIES (3)

Emphasizes the role of the program manager rather than that of the personnel officer. Develops judgment and abilities for managing people within a variety of programmatic, bureaucratic, and political settings. Relies largely on actual case studies, and includes a video exercise.

SCHOOL OF PUBLIC HEALTH AND COMMUNITY MEDICINE

HEALTH SERVICES

HSERV 538 TOPICS IN MATERNAL AND CHILD HEALTH II (2)

The preconceptional through postnatal period. Topics covered include: prenatal care, nutrition, prenatal diagnosis, maternal and perinatal mortality, and family planning. Special consideration given to the political, social, and economic impacts of these issues. Prerequisites: graduate standing; permission of instructor.

W COURSES OFFERED WINTER QUARTER 1987

Students who plan to graduate in the College of Arts and Sciences and who started college Autumn Quarter 1983 or later must complete 10 credits of courses designated "W." Students who plan to graduate in colleges/schools other than Arts and Sciences and who started college at the University of Washington in Autumn Quarter 1985 or later must complete an additional writing requirement beyond basic composition. Depending on the school/college, this may be an advanced writing course or two W courses. Students should consult advisers for details. W courses are not English composition courses, but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses taught Winter Quarter 1987 have been designated as W courses.

SPORTS SKILLS CLASSES FOR WINTER QUARTER 1987

Sports skills instruction is available through the Department of Recreational Sports Programs (IMA) on a noncredit basis for a class registration fee. Classes are open to all regularly enrolled students and to faculty/staff members who are eligible facility users. Specific information on fees, dates, and times will be available at the IMA building after November 1, 1986. Registration will be on January 12, 13, and 14, from 7:45 a.m. to 6:00 p.m. in Meeting Room A of the IMA building. If spaces are still available, registration will continue in the IMA administration office, from 8:00 a.m. to 4:30 p.m., Monday through Friday. Disabled students are encouraged to participate in sports skills classes and should contact the Sports Skills Office.

CLASSES OFFERED

AEROBIC DANCE
AEROBIC EXERCISE
ARCHERY
BADMINTON
CONDITIONING
DANCE-BALLET, JAZZ
FENCING
GOLF

GYMNASTICS
HYDRO-AEROBICS
JUDO
PICKLEBALL
RACQUETBALL
ROLLERSKATING
SKIN AND SCUBA
SOCCER

SPRING BOARD DIVING
SQUASH
SKIING
TAE KWON DO
TENNIS
VOLLEYBALL
WEIGHT TRAINING

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Distance Learning office provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Distance Learning courses are separate from residence tuition and are \$35 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Distance Learning credit should consult his or her departmental advisor prior to enrolling in a Distance Learning course. Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).
