The listing of courses contained in this Time Schedule is a preliminary list provided for planning purposes. The University reserves the right to (1) add or delete courses from its offerings, (2) change times, days, or locations of courses, (3) change academic calendars, or (4) cancel any courses for insufficient registration or academic/administrative decision without notice. All announcements in the Time Schedule are subject to change without notice and do not constitute an agreement between the University of Washington and the students.

# What's New For Winter Quarter 1994

## NEW TIME SCHEDULE FORMAT

The Time Schedule is published quarterly by the Office of the Registrar to assist you with registration and to explain policy and procedures that affect your academic transcript or the record of your enrollment at the University of Washington. A committee was formed this summer in preparation for the publication of the winter 1994 edition. The committee's goal was to redesign the Time Schedule in order to create a better guide for students attending the University of Washington. The committee has arranged topics under more appropriate headings, attempted to clarify the language, particularly when describing academic policies, and clearly identified deadline dates and the financial obligations and the transcript entries associated with those dates. The contents of this bulletin are now listed alphabetically by topic and not by location in the Time Schedule. The staff of the Office of the Registrar hopes that these changes will give you a better registration guide and information resource.

## HELPFUL HINTS FOR CHANGING YOUR ADDRESS

Have you moved? Changing your address is easy to do and important so that your course schedule, tuition bill, and grades are sent to you. Call 543-3868, twenty-four hours a day, seven days a week. When calling after 5 p.m. or weekends, your call will be routed to a voice mail system that asks you for the necessary information and then records your responses. Your address is then updated on the next working day. Remember to call Financial Aid, and Housing and Food Services if you also have records with those offices.

## REGISTERING FOR INDEPENDENT STUDY COURSES

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will need to contact the instructor or academic department for a Faculty Number instead of an Entry Code. Use the Faculty Number in lieu of an Entry Code when registering for the course on STAR. This will allow us to send enrollment information to the appropriate instructor. If you are given an Entry Code in error, STAR will not accept your registration transaction for the course.

## GRADUATING SENIOR PRIORITY

A new registration priority period has been added to the Registration Period I schedule located on page 8 of this Time Schedule. If you are a graduating senior or postbaccalaureate student, and file a graduation application for March, June, or August 1994 by November 15, you may register on the first day of Period I. Check with your academic adviser for complete details.

## NEED ASSISTANCE?

The staff in the Office of the Registrar is ready to assist you with registration, grading, transcript, or graduation questions, please call or visit us. Addresses and phone numbers are in the adjacent directory.

# STAR Registration

## WHAT IS STAR ?

The University of Washington's touchtone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. You may call STAR from any touch-tone phone to register. Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Touchtone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the ground floor level of the HUB.

STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. STAR weekend hours are 9:00 a.m. to 12:00 midnight. Weekday hours are 6:00 a.m. to 12:00 midnight.

## STAR FEATURES

### ADDING COURSES

Courses may be added during Periods I, II and III. An add code is required to add a course beginning the sixth class day during Period III. Beginning Jan 10, a \$20 change fee is charged to add a course. This is in addition to any tuition forfeiture. (See *CHANGES IN REGISTRATION* for additional information on adding courses.) Friday, January 14 at 6:00 p.m. is the last day to add a course for Winter Quarter 1994.

### ADD CODES

Some courses require add codes which generally are available through the department offering the course. (See *ENTRY CODES* for more information on using add codes.)

### DROPPING COURSES

Courses may be dropped during Periods I, II, III and IV. You may drop courses through the tenth class day and receive no entry on your transcript. Beginning Jan 10, a \$20 change fee is charged to drop a course. (See *CHANGES IN REGISTRATION* for additional information on dropping courses.) Friday, February 20, is the last day to drop a course for Winter Quarter 1994.

### DROP CODES

Some courses require drop codes which generally are available through the department offering the course. (See *ENTRY CODES* for more information on using drop codes.)

### COURSE AVAILABILITY

Beginning Period I, you may call STAR at any time to complete section II of the Star Worksheet and check course availability.

### ALTERNATE SECTIONS

STAR lists alternative sections if the requested sections are closed or canceled.

### CONFIRMED REGISTRATION

You may confirm your registration schedule by calling STAR and using the List Schedule Transaction (L#). This listing includes building and classroom locations.

### STUDENT ACCOUNT AND LOAN STATUS INQUIRIES

Call STAR to: list your current student account balance; list a summary of disbursed financial aid and aid check availability; determine if outside lender loan funds are available; and list the latest recorded student account payment.

### CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES

If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

### GRADES ON STAR

STAR lists all officially recorded grades for the most recently completed quarter. Winter Quarter 1994 grades become available on STAR beginning March 23.

### PRIVATE ACCESS CODE (PAC)

When you call STAR for the first time, enter your date of birth when STAR asks you to enter a Private

Access Code. STAR will prompt you to select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall or call 543-8580 to obtain your code or select a new PAC.

### IF YOU MAKE A MISTAKE

If you make a mistake before finishing an entry, press the star key and the number sign key (\*#), and your entry will be discarded.

### DISCONNECT ACTION

Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try,

STAR will disconnect. If you are disconnected you may immediately call back to STAR.

### MERLIN TELEPHONE

If you are using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

### CLOSED SECTIONS

If the section requested is closed, you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You may then select an alternate section to be added to your schedule.

### STAR QUESTIONS

If you have questions regarding registration, please call the Registration Office, (206) 543-4000, Monday through Friday, from 8:00 a.m. to 5:00 p.m. The audiolibrary system has complete recorded instructions. If you need additional assistance, press "0" and a staff member will help you during business hours.

## FOLLOW THESE STEPS BEFORE CALLING STAR

Read Registration Eligibility, Periods, and Confirmation; STAR Registration, and the STAR Work Sheet sections carefully.

Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before selecting your courses.

Obtain entry codes from departments for courses requiring entry codes.

Organize your registration materials (Time Schedule, STAR Work Sheet). Use the Winter Quarter 1994 TIME SCHEDULE to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Prepare an alternate course section list because some sections may be full.

Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.

Call STAR from a touchtone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR each quarter. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation.

Remember once you have initially registered, you can call STAR as often as you want to check the status of sections, have your confirmed schedule listed, add/drop courses, check your account balance, etc.

# Additional Registration Information

## ADDRESS CHANGE TELEPHONE SERVICE

You may call (206) 543-3860 at any time to change your directory information.

## CHANGES IN REGISTRATION

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning the eighth calendar day of each quarter. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. You will be notified of the decision by the Office of the Registrar. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

## CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since you might receive a 0.0 grade. You may not attend a University course in which you have not been officially registered. An instructor may allow you to attend his or her class only if the your name appears on the official class list from Office of the Registrar. A faculty member may attend informally with the approval of the instructor.

## CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

## ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable. All courses require add codes to add beginning the sixth class day of the quarter.

Courses requiring add codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain entry codes is found in the body of the Time Schedule, either as a comment before the course listing or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue add codes to students when

a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to readd the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

When you use an entry code, it becomes a part of your registration record, and is visible with your name on computer terminal screens.

## INDEPENDENT STUDY COURSES

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR. If you enter an Entry Code instead of a Faculty Number, STAR will reject your request.

## FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full-time if you are an undergraduate or professional student. If you are a graduate student, you should register for 9 or more credits. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

## OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through the seventh calendar day, a student may add a section without permission unless the class is full or requires permission; then an entry code is required. Beginning the eighth calendar day, entry codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after the twelfth calendar day of the academic quarter. STAR closes at 6:00 p.m. on that day.

## REGISTRATION ASSISTANCE

If you work during the day or are temporarily incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 543-5723 to make arrangements for assistance. If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you.

## REGISTRATION HOLDS

If you have a hold on your registration, you will not be permitted to register or add courses until the hold has

been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released. You may make other transactions on STAR.

## REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

## REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

## TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures are required for courses that conflict more than one hour a week.

## UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

## VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made at the Registration Office, 225 Schmitz Hall.

# Registration Eligibility, Periods & Confirmations

## REGISTRATION ELIGIBILITY

### ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

### UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without reapplication as returning students. For example, a student completing Winter quarter may, without registering for or completing Spring quarter, register during Registration Period I for Autumn quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Application by the published deadline.

### GRADUATE STUDENTS

The quarter-off eligibility policy is not available to graduate students. Graduate students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter, may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter. On-leave graduate students returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). See Graduate Students On-leave section for more information.

## REGISTRATION PERIODS

### PERIOD I

This period is open only for continuing students currently enrolled Autumn Quarter 1993 or for students who completed Spring Quarter 1993.

Priority registration dates are based on your com-

pleted credits, your Autumn Quarter 1993 credits as of November 15, and the last digit of your student number. The number priority will be changed each quarter so that all students will have the earliest possible priority every other quarter. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period. You may call STAR on, or after, your registration date to register and make changes to your schedule.

Via STAR

November 17-December 3,

Weekday hours - 6:00 a.m. to 12:00 midnight

Weekend hours - 9:00 a.m. to 12:00 midnight

### GRADUATING SENIOR PRIORITY

If you are a graduating senior or postbaccalaureate student with a degree application on file in the Graduations Office, you may register on the first day of Period I for your final two quarters. If you must postpone your graduation, you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

### PERIOD II

This period is primarily for newly admitted students and returning former students. Advising/registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

## REGISTRATION CONFIRMATION

Registration confirmations for students who registered by December 3 will be mailed on December 7. If you register after December 3, your Registration Confirmation will be mailed in two working days. Call 543-3868 to record your correct address. Confirmations will not be mailed outside the United States during Registration Period II and III and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

# Grading, Withdrawal & On-leave Information

## GRADING

### AUDITORS

You must first register on STAR, and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through the seventh week of the quarter. A \$20 change fee is charged beginning the eighth calendar day of the quarter. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on space availability. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work, and your registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for audited courses. However, registered courses changed to audit after the second week of the quarter will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course change occurred; for graduates and professional students only a "W" will be recorded. To receive credit for an audited course, you must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on your transcript, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after the second week of the quarter.

### CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

### GRADE APPEAL PROCEDURE

See the *General Catalog*, page 31, for appeal procedure.

### INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not re-register for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

### SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Your advisers should be consulted, and in no case are undergraduate

students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Register for the course on STAR, but then you must go in person to the Registration Office, 225 Schmitz, to elect the S/NS grading option. You cannot select the S/NS grade option on STAR.

The S/NS grade option can be elected only through the twelfth calendar day. A \$20 fee is charged beginning the eighth calendar day.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program advisor or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

### "W" GRADES

If you are an undergraduate and drop a course during the first two weeks of a quarter, there is no entry on your permanent academic transcript. If all courses are dropped, then a complete withdrawal date is recorded on the transcript. A course drop made during the third through the seventh week of the quarter is recorded on an undergraduate student's transcript with a "W" grade and a number designation the week of the quarter in which the course drop was transacted. Only a "W" grade is recorded on the transcript of graduate or professional students.

## WITHDRAWAL

### QUARTER OFF ELIGIBILITY POLICY

If you are an undergraduate or professional student (dental, law, or medical) who has completed the preceding quarter here at the University of Washington, you may take a quarter off under the Quarter Off Eligibility Policy. Review the *REGISTRATION ELIGIBILITY* section for complete details.

### WITHDRAWAL FOR THE QUARTER

(Dropping all courses). It is your responsibility to withdraw completely if you are unable to attend for the quarter. You may write the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195, or withdraw in person at 225 Schmitz Hall. Withdrawals by mail are effective on the date of the postmark.

If you drop your last course on STAR and do not add a course you will be considered withdrawn for the quarter. If you drop your last course on STAR you will

be charged the \$20 change fee beginning the eighth calendar day of the quarter.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office or the postmark date for withdrawals received by mail. If you withdraw prior to the second week of the quarter you will owe a \$75 U-PASS fee unless it is returned to the Student Accounts and Cashiers Office by the tuition due date. If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker. No withdrawals are accepted after the last day of instruction for the quarter.

Review the Registration Eligibility section of the *Time Schedule* if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (Summer Quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University. For example, if you withdraw during the first week of autumn quarter and winter quarter you must reapply as a returning former student for spring quarter.

### HARDSHIP WITHDRAWAL

Hardship withdrawals are for dropping individual courses after the seventh week of the quarter. The \$20 change of registration fee will be assessed.

You may petition the Registrar for a hardship withdrawal if either of the following apply: 1) you are unable to complete the course in question because of a severe mental or physical disability, or 2) unusual or extenuating circumstances beyond your control prevented you from dropping the course by the drop deadline. See the *General Catalog* for complete information.

### WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or credit and no refund. Please consult with the Office of the Registrar for complete details.

## GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign an On-leave Card, then take it to the Registration Office through the fifth class day of the quarter. You must pay a \$35.00 non-refundable fee at the Student Accounts and Cashiers Office, room 129 Schmitz Hall after your On-leave Card is processed at the Registration Office. The cashier will issue you an On-leave Card so you will have access to the libraries. If you have pre-registered for the quarter in which you plan to go on-leave, you must officially withdraw prior to the first day of that quarter before the on-leave status will be granted.

# TUITION EXEMPTION & ACCESS PROGRAMS

## UW FACULTY/STAFF AND WASHINGTON STATE CLASSIFIED EMPLOYEES TUITION EXEMPTION PROGRAM

If you have been continuously employed full time for six months with the university or an agency of the state of Washington immediately prior to the academic quarter in which you are trying to enroll, you may be admitted to the University of Washington and take up to 6 credits per quarter using this exemption. According to legislative action, all registration must be on a space available basis after other matriculated students have registered. You may not register for graduate-level independent study courses numbered 600, 700, or 800 or any self sustaining courses. If you are admitted as nonmatriculated in order to use this exemption, you may only register for classes when using the exemption and after the exemption request form has been submitted. Matriculated students will be permitted to register even when they are not using the exemption, however, full tuition and fees will be charged.

If you are enrolling under one of these exemption programs you may attend class with the permission of the instructor, beginning the first class day if space is available. Call STAR to determine the correct classroom location. The building and room number may have been changed by the department since the Time Schedule was printed.

### ADMISSION FOR UW FACULTY, STAFF, OR CLASSIFIED STATE EMPLOYEES

If you would like to enroll as new matriculated student or in a new matriculated category, apply to the Office of Undergraduate Admissions, room 320 Schmitz Hall, by the regular admission closing date; November 1 is the closing date for Winter Quarter applications. If you are applying to the Graduate School, you should contact the applicable academic department for application information. If you are applying as a new nonmatriculated student, you should go to the Office of Undergraduate Admissions. If you are a former student at the UW and are returning in the same classification or as a nonmatriculated student you should apply at the Registration Office, room 225 Schmitz Hall. These applications are normally accepted up to the beginning of the quarter. Graduate nonmatriculated-program participants need to apply through the intended academic department.

### REGISTERING

After the tuition exemption request has been received by the Registration Office, you may call STAR on or after the appropriate eligibility dates. Registration continues through Sunday, January 9, on STAR without assessment of late fees. Beginning Monday, January 10, a \$25.00 late registration fee is billed if you are initially registering for the quarter and a \$20.00 change fee is charged for registration changes. You will be billed these fees, if applicable, plus the registration fee when you register in a course. If you add your course before the tuition exemption program registration date, you will not be permitted to convert to the tuition exemption program and will be required to pay

regular tuition for those credits. You will not be entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Faculty/staff identification cards may be used for library services. Washington State employees participating may obtain an ID card to be used for library services from the Student ID Center, 229 Schmitz Hall and a UPASS sticker for \$24.00 from the Registration Office, room 225 Schmitz Hall. Deadlines and registration dates are listed below:

### UW Faculty/Staff

Friday, December 10 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Wednesday, January 5 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, January 21 - \$5 registration fee due. Fee is billed if a student successfully registers.

### Washington State Classified Employees

Friday, December 10 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Thursday, January 6 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, January 21 - \$30 registration fee due. Fee is billed if a student successfully registers.

NOTE: You should contact your departmental office or the Registration Office, 225 Schmitz Hall, for a tuition exemption form.

## ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an ACCESS student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with a greater than sign (>) require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, room 225 Schmitz Hall. The fee is \$5.00 whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment will be due by January 18. Since you are

auditing the course(s), you do not receive credit and are not expected to do any class work or take examinations. You may register for all courses except UW Extension, Distance Learning, studio, laboratory courses, and honors sections. You may also register in 500 level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained.

You will be limited to two courses per quarter. For additional information about this program, you may telephone UW Extension Student Records, 543-2300, extension 425, between 8 a.m. and 5 p.m., weekdays.

### REGISTERING

Please go to the Registration Office, room 225 Schmitz Hall on Wednesday, January 5, 1994 during the times listed below.

Registration time for ACCESS students is based on last name. Access students do not register through STAR.

## TUITION FORFEITURES OR REFUNDS

You will be billed for the number of credits, including audit hours, on your course schedule at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter. You will be expected to pay one-half of the tuition associated with any courses dropped beginning the eighth calendar day of the quarter through the thirtieth calendar day of the quarter. Courses dropped after the thirtieth calendar day receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after the thirtieth calendar day and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

- If you withdraw before the eighth calendar day of the quarter, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before the eighth calendar day of the quarter without returning the U-PASS sticker you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.
- If you withdraw on the eighth calendar day through the thirtieth calendar day, you will continue to owe one-half of your tuition. If you withdraw after the seventh calendar day, you will be charged the applicable forfeiture and may retain your U-PASS for \$24 or return it no later than the tuition due date to have the \$24 fee waived. There will be no U-PASS refunds after the tuition payment deadline.
- If you withdraw after the thirtieth calendar day you will continue to owe full tuition.
- If your registration is canceled for nonpayment of fees you will continue to owe the University one-half of your tuition and fees.
- If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office in 103 Lewis Hall at the same time you withdraw from the University.
- If you drop any classes on the eighth through the thirtieth calendar day of the quarter that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

## TUITION/FEE ASSESSMENTS AND DEADLINES

It is your responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify your responsibility for payment by the due date. Account balances are available through STAR.

Select your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Cashiers Office, or call STAR for the amount of tuition due.

You may pay your fees in person in the Student Accounts and Cashiers Office or mail them to UW, Student Accounts and Cashiers Office, 129 Schmitz,

### STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after the first week of the quarter will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures or Refunds)

Tuition is due the third Friday of the quarter.

Charges incurred after the tuition due date must be paid in 1-3 days.  
(See Tuition/Fee Assessments and Deadlines)

PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before the due date are ac-

cepted without a late fee. Mail postmarked after the due date is subject to penalties as described below.

If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee as follows:

Past Due Balance/Over	Late Fee
\$250	\$30
\$30-\$250	\$10
Less than \$30	\$ 0

If payment has not been received in the Student Accounts and Cashiers Office by the end of the late payment period, registration for the current quarter as well as any future quarters will be canceled. Reregister after cancellation for nonpayment will result in a \$75 fee, in addition to tuition.

Tuition and fees incurred after the tuition due date must be paid within three working days to avoid cancellation of registration. Exception: As of the last week of instruction, charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

If you reregister, you must reregister for all of the classes that were on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) If you wish to drop any courses after you reregister, you may do so on STAR until the end of the seventh week of the quarter. A \$20 change fee will be assessed. Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

## APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

# Student Insurance and Optional Fees

## STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. Seattle Campus UW students (except nonmatriculated students and those enrolled in programs administered by UW Extension and UW faculty/staff or Washington State classified employees attending classes under the employee tuition exemption programs) who remain registered through at least the first seven calendar days of the quarter are eligible to enroll in the plan.

You may sign up for the plan when you register for classes. If you are registered for classes by your academic department, and no plan is indicated, you will be enrolled in the student-only quarterly plan. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition-due date. In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. There is no late payment period for the insurance premium.

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Cashiers Office, by the tuition due date.

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

## OPTIONAL FEES

### SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

### WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. You may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

### WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-

partisan research organization which works on issues affecting the quality of life in Washington State. Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$2 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

### UW ID CARD

You should carry your UW ID Card with you at all times since it is required for a variety of transactions and services on campus. In some situations, you may be asked to provide additional pieces of identification, including one containing your photo. A quarterly validation sticker is mailed with your registration confirmation. The sticker should be affixed to the permanent ID Card as soon as it is received. Lost ID Cards may be replaced at the Student ID Center, 229 Schmitz. A non-refundable \$5.00 fee is charged for replacement of non-photo ID cards or \$10.00 for replacement of photo ID cards. (See also U-PASS information below).

### U-PASS INFORMATION.

A U-PASS validation sticker is mailed with your registration confirmation each quarter. The U-PASS is valid on all regular Metro routes and most Community Transit routes at all times and provides parking privileges to carpoolers, riding privileges to vanpool and Night Ride passengers, and merchant discounts. The quarterly fee of \$24 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline. The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office.

If you withdraw through the seventh calendar day of the quarter without returning the U-PASS

sticker you will owe \$75 for the U-PASS. If you withdraw after the seventh calendar day you will be charged the applicable tuition and may retain the pass for \$24 or return it no later than the tuition due date to have the \$24 fee waived. There will be no U-PASS refunds after the tuition payment deadline, and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through the first week of the quarter. Replacement stickers issued after the first week will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued replacement sticker you will not be permitted to cancel the \$24 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$24 throughout the quarter.

The U-PASS is the property of the University of Washington and not transferable. The U-PASS program and replacement policies are subject to change without notice.

## W COURSES OFFERED WINTER 1994

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1985, or later, must complete 10 credits of courses designated "W". Some other undergraduate majors also require "W" courses. W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer "W" courses. The following courses being taught Autumn Quarter 1993 have been designated as "W" courses.

# Notices

## ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union Building. You may join ASUW when registering on STAR.

## DISABLED STUDENTS

If you are a disabled student, various support services, including priority registration, are available. You may contact Disabled Student Services (DSS), room 448 Schmitz Hall, 543-8925 voice/TDD, for information on accommodations to meet individual needs, accessibility and equipment services.

If you require special accommodations for science labs, internships, etc., you should contact your professor, the DSS Director and/or the academic adviser of that department to work out appropriate services.

The STAR Work sheet and instructions are available from DSS in alternate media, including large print, tape recording and braille. If you have a disability which limits your ability to use STAR, you may register through DSS or at the Registration Office, 225 Schmitz Hall.

## DISCLOSURE OF STUDENT RECORDS

As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition accounts information only may be obtained from the Student Accounts and Cashiers Office, 129 Schmitz.

## EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam Era Veteran's Readjustment Assistance Act of 1974,

Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. N.E., Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

## FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and the you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

## GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or autumn quarter 1986 are 55.5% in 5 years and 63.25% in 6 years.

## RELEASE OF STUDENT DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, the following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, major field of studies, dates of attendance, degrees and awards received, full-or part-time enrollment status, educational institutions attended, and date-of-birth, weight and height of athletes.

If you do not wish to authorize directory release and do not want your directory information to appear in the Student Directory, you may call the address change service at 543-3868 to restrict access to this information. No information will be released on students that have restricted release of directory information including degrees awarded and dates of attendance. If you wish to change your authorization and allow release, you must go to the Registration Office, 225 Schmitz and present photo identification.

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), you have the right to 1) inspect and review information contained in your education records, 2) challenge the contents of your education records, 3) request a hearing if the outcome of the challenge as unsatisfactory, 4) submit an explanatory statement for inclusion in the education record if the outcome of the hearing is unsatisfactory,

5) prevent disclosure with certain exceptions of personally identifiable information, 6) secure a copy of the institution policy, and 7) file complaints with the Department of Education concerning alleged failures by institutions to comply with the Act. Written complaints should be directed to FERPA, Department of Education, Room 4074, Switzer Building, Washington D.C. 20202.

## SEXUAL HARASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283

Human Rights Office, (206) 543-7217  
Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

\* Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.

Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by

the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.

Students are responsible for taking any number of examinations for which they are scheduled on a given day.

4. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.

5. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.

6. Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

7. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

8. Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, 543-1080

# INDEPENDENT STUDY *at the* UNIVERSITY *of* WASHINGTON

**With Independent Study courses you can study at your own schedule, in your home, for credit or for personal enrichment.**

With Independent Study courses, you can study at your own schedule, in your home, for credit or for personal enrichment. You can enroll at any time in Independent Study courses. You have one year to finish each course unless otherwise noted. Teachers can use unlimited Independent Study credits for certification and endorsements.

### How to Register

Complete the registration form on the page following the correspondence course listing. If you prefer to register by telephone and have a MasterCard or VISA, call (206) 543-2350. Please specify the course schedule number (CSN) when registering. To request an *Independent Study Bulletin*, call 543-2320. To register for a course without a CSN, call 543-2350.

### Fees

The cost of these courses is \$62 per credit. Any supplemental fees for tapes (T), readings (R), lab kits (L) and videos (V) are at the end of each course listing. For descriptions or additional information on optional supplemental materials, call 543-2350. Full refunds minus the \$15 registration fee are available if you withdraw within one month of registration.

Actually, some of the people who pass him by are colder than he is. To them, he's just another homeless man. Which, to them, means he's something less than a man.

Where do you go when your world is this cold, this cruel?

He got help at the Salvation Army. They got help from the United Way. Thank God the United Way got help from you.

You helped provide a hot bowl of soup, a warm coat and a kind word for a homeless man. A man who simply wants to be treated like a human being.

Check out the 10 Rules

# KAPLAN RULES

that guide our course.

## SOLID TEST PREP IS BEST.

You come to Kaplan for substance. Skills rather than tricks. Experience rather than experiments.

1

## EXPECT TO BE RESPECTED.

We value your time. We honor your determination. We understand your test anxiety.

2

## THE MORE WAYS YOU'RE TAUGHT, THE BETTER YOU LEARN.

You get better results when you learn in more ways than one.

3

## SUCCESSFUL TEST-TAKERS THINK LIKE TEST-MAKERS.

Nobody knows standardized tests like we do.

4

## PRACTICE.

It's a sure-fire way to build confidence and speed and overcome weak areas.

5

6

## YOU DESERVE INNOVATIONS, NOT FADS.

The changes we make are tried at selected sites and proven to work.

7

## THINKING CAN BE HIGHLY PLEASURABLE.

At Kaplan, we help you develop the ability to think. This is the skill that standardized tests measure, more and more.

8

## CONVENIENCE IS KEY.

When you want to work hard, we make it easy.

9

## IF AT FIRST YOU DON'T SUCCEED, YOU'RE NORMAL.

Everybody can succeed at standardized tests. But nobody can get it all right, right away.

10

## THE MORE YOU PUT IN, THE MORE YOU GO UP.

We give you the resources. You bring the resolve.

**EMPOWERMENT.** The purpose of the ten Rules is to empower you to do your personal best on the test. Your success and the success of millions of other students have made Kaplan the #1 name in test prep.

# ATLANTIC STREET PIZZA

5253  
University Way  
N.E.

**"Favorite Pizza of the Husky Band" Steve Emtman says, "Pizza every Dawg should eat."**

All our pizzas are made with your choice of our five homemade and historic sauces. Our special dough is all natural, with no sugar and no yeast, and is proofed for a full 18 hours! Smothered in mozzarella and romano cheeses, our pizzas truly capture the flavors that made the Garlic Gulch a gastronomic paradise.

## CHOOSE FROM OUR FIVE SAUCES

1. **The Classic Atlantic Street**  
Marinara with fresh basil, garlic, and our special herb and spice blend.
2. **The Two Star Classic**  
Our house marinara zestfully reinforced with extra garlic and spices.
3. **Mild Sweet Rosemary Sauce**  
Delightful, sweet option.
4. **Olive Oil-Thyme-Garlic Sauce**  
"A Truly Basic Sauce"
5. **Flora Masciao's Cinque Cheese Sauce**  
Classic white sauce.

## It now lasts up to five years longer.

Americans live longer nowadays. Up to five years longer, says one study, than in 1970. One reason is that people know more about reducing their risk of heart disease. And we've helped. This year the AHA will invest more than \$70 million in cardiovascular research and organize 2.7 million volunteers to go out and spread the word. To learn more, write us at:

**BE PREPARED!**

**GAIN THE COMPETITIVE EDGE**

Study at your own pace and gain the knowledge, confidence and competitive edge you need to succeed on your graduate admissions exam. The Graduate Admissions Preparation Service (GAPS) allows you to study at your convenience when you're more relaxed, more receptive and more likely to retain vital test preparation information. Each GAPS course includes audio tapes, instructional materials and practice exams with full explanations. The courses are designed to combine solid academic preparation with test-taking strategies to maximize your score. Over 100 colleges and universities use our courses to prepare their students. Shouldn't you?

**START TODAY**

While GAPS courses are designed for rapid review, you are strongly advised to begin as early as possible for maximum comprehension. It's never too early to start — ORDER TODAY!

# How To Read The Course Listings

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment. Course, term, and section information are listed in the following columnar order:

## GUIDE TO CLASSROOM LOCATIONS

The three letter abbreviation is spoken on STAR and accompanied by the classroom number when the list schedule transaction (L#) is performed. The classroom abbreviation is also printed with the classroom number on your printed Registration Confirmation.
