What's New for Winter Quarter 1997 and Other Important Information

GRADES ON STAR

Beginning December 12, 1996, you may send a transaction to STAR to hear your grades for any past quarter in addition to your grades for autumn or the most recently completed quarter at the University. To request grades for the just completed quarter, enter G # as you have done in the past. To request grades for any past quarter, enter G then the code for the quarter and the last 2 digits of the year. For example, G 1 93 #, is the request for grades for winter quarter 1993. The quarter codes are the same that you now use for registration - 1 = winter, 2 = spring, 3 = summer, and 4 = autumn.

Grade Reports will not be mailed automatically. You will be able to view your grades on a secure web site and print a copy if you need a paper record. STAR will refer you to the this web site or the Transcript Office if you need an unofficial transcript or a confirmation of your enrollment status for financial aid, loan deferment, or insurance. If you need a copy of your grades for the most recently completed quarter at the University mailed, STAR will give you a selection menu for ordering a copy. Copies requested through STAR will be printed and mailed Wednesday of the 3rd week following the close of the quarter. The mailing of these grade requests is done at the completion of the grade recording process in order to have as many grades as possible on your record.

Registration Eligibility, Periods, & Confirmations

REGISTRATION ELIGIBILITY

ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post-baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for admission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

You will not be eligible to register for winter quarter 1997 if you have an outstanding debit on your tuition and fee account. Contact the Student Account Office and pay any fees due, in order to register.

UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without submitting applications as returning students. For example, a student completing spring quarter may, without registering for or completing autumn quarter, register during Registration Period I for winter quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline.

GRADUATE STUDENTS

The Quarter-Off Eligibility Policy is not available to graduate students. Graduate students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter, January 6. On-leave graduate students returning to the University on or before the

termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). If you withdraw after the quarter begins, you may register for the next quarter during Registration Period I. See Grading, Withdrawal & On-Leave section for more information.

REGISTRATION PERIODS

REGISTER EARLY

You may call STAR during Registration Periods I or II before your registration eligibility date and complete sections I and II of the STAR Worksheet. A \$25 late registration fee is charged students who have not completed sections I and II of the STAR Worksheet by the first day of the quarter (January 6).

STAR HOURS

STAR is available for registration Monday through Friday, 6:00 a.m. to 12:00 midnight, Saturday, 9:00 a.m. to 12:00 midnight, and Sunday 10:00 a.m. to 12:00 midnight.

PERIOD I - NOVEMBER 15 - DECEMBER 8

This period is open only for continuing students currently enrolled autumn or for students who completed spring quarter 1996.

Priority registration dates are based on your completed credits, your autumn quarter 1996 credits as of November 13, and the last digit of your student number. The student number priority will be changed each quarter so that all students will have the earliest possible priority every other quarter. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period. You may call STAR on, or after, your registration date to register and make changes to your schedule.

GRADUATING SENIOR PRIORITY

If you are a graduating senior or post-baccalaureate student with a degree application on file in the Graduation and Academic Records Office, you may register on the first day of Period I for your final two quarters. If you must postpone your graduation, you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

PERIOD II - DECEMBER 9 - JANUARY 5

This period is primarily for newly admitted students and returning former students. Advising / registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

PERIOD III - JANUARY 6 - JANUARY 17

This period is open to all students for course adds and drops. STAR closes at 6 p.m., Friday, January 17. STAR will be closed on Saturday, January 18. The Registration Office, 225 Schmitz will be open for transactions not available on STAR, Monday-Friday: January 6 - January 17 8 a.m. to 5:00 p.m. The deadline to add courses is 6 p.m. Friday, January 17.

PERIOD IV - JANUARY 19 - FEBRUARY 23

This period is open for dropping courses on STAR and to elect audit grade option only. Changing to audit grade is only available at the Registration Office, 225 Schmitz Hall, Tuesday, January 21 through Friday, February 21, 8 a.m. to 5 p.m.

STAR Registration

STAR

STAR (Student Telephone Assisted Registration) is the University of Washington's touchtone telephone registration system. You may call STAR from any touchtone phone to register. Touch-tone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the ground floor level of the HUB.

STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. STAR weekend hours are 9:00 a.m. to 12:00 midnight on Saturdays and 10:00 a.m. to 12:00 midnight on Sundays. Weekday hours are 6:00 a.m. to 12:00 midnight.

FOLLOW THESE STEPS BEFORE CALLING STAR

- Read the Registration Eligibility, Periods, and Confirmation; STAR Registration, and the STAR Work Sheet sections.
- Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before selecting your courses.
- Obtain an Entry Code or Faculty Number from department for courses requiring entry codes.
- Organize your registration materials (Time Schedule, STAR Work Sheet). Use the winter quarter 1997 TIME SCHEDULE to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Prepare an alternate course section list because some sections may be full.
- Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.
- Call STAR from a touch-tone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR each quarter. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation.
- Beginning with Registration Period I, you may call STAR as often as you want to check the status of sections, confirm schedule listed, add/drop courses, check your account balance, etc.

STAR FEATURES

ADDRESS CHANGE TELEPHONE SERVICE

You may call (206) 543-3868 or e-mail address@u.washington.edu any time 24 hours a day to change your address information.

CHANGES IN REGISTRATION

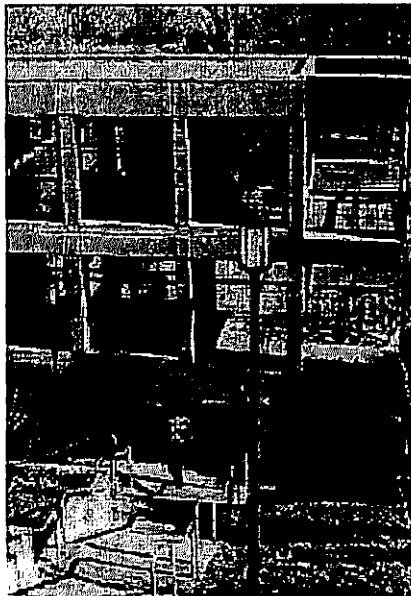

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning January 13. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. You will be notified of the decision by the Office of the Registrar. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop

for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since the instructor will assign a failing grade. You may not attend a University course in which you have not been officially registered.

An instructor may allow you to attend his or her class only if your name appears on the official class list from Office of the Registrar. A faculty member may attend informally with the approval of the instructor.

CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be

added during Registration Period III. Thirty credits is the limit per quarter.

ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable. All courses require add codes to add beginning January 13.

Courses requiring add codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain an entry code is found in the body of the Time Schedule, either as a comment before the course listing or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

FACULTY NUMBERS

If you are enrolling in Independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR.

FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full-time if you are an undergraduate or professional student. If you are a graduate student, you should register for 9 or more credits. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through January 12, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning January 13, add codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after January 17. STAR closes at 6:00 p.m. on that day.

REGISTRATION ASSISTANCE

If you work during the day or are incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 685-7874 to make arrangements for assistance. If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you.

REGISTRATION HOLDS

If you have a hold on your registration, you will not be permitted to register, add courses or obtain a replacement U-Pass until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold and where to go to get it released. However, you may make other transactions on STAR.

REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures on an Authorization for Non-Star Transactions form are required for courses that conflict more than one hour a week.

UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall. Beginning January 19, all changes to variable credits require the signature of the instructor on departmental stationary or the Non-STAR Transaction Form (available in 225 Schmitz). A \$20 change-of-registration fee will be assessed.

Grading, Withdrawal & On-leave Information

GRADING

AUDITORS

You must first register on STAR and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through February 21. A \$20 change fee is charged beginning January 13. Attendance in courses as an auditor is based on the consent of the instructor and space availability. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for audited courses. However, registered courses changed to audit after January 17 will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course change occurred; for graduates and professional students only a "W" will be recorded. To receive credit for an audited course, you must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on your transcript, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after January 17.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

GRADE APPEAL PROCEDURE

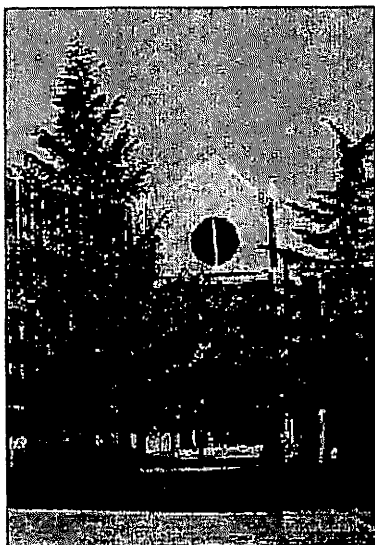

See the General Catalog for appeal procedure.

INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. An instructor may request an extension of the Incomplete removal deadline for up to three additional quarters. The original Incomplete grade is not removed from the transcript.

SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Your advisers should

be consulted and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Register for the course on STAR, but then you must go in person to the Registration Office, 225 Schmitz, to elect the S/NS grading option. You cannot select the S/NS grade option on STAR.

The S/NS grade option can be elected through January 17. A \$20 fee is charged beginning January 13.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on a S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

"W" GRADES

If you drop a course during the first two weeks of a quarter, there is no entry of that course on your permanent academic transcript. If you drop all courses, then a complete withdrawal date is recorded on the transcript. A course drop made January 19 through February 23 is recorded on an undergraduate student's transcript with a "W" grade and a number designating the week of the quarter in which the course drop was transacted. Only a "W" grade is recorded on the transcript of graduate or professional students.

WITHDRAWAL

QUARTER OFF ELIGIBILITY POLICY

If you are an undergraduate or professional student (dental, law, or medical) who has completed the preceding quarter here at the University of Washington, you may take a quarter off under the Quarter Off Eligibility Policy. Review the REGISTRATION ELIGIBILITY section for complete details.

WITHDRAWAL FOR THE QUARTER

(Dropping all courses.) It is your responsibility to withdraw if you are unable to attend for the quarter. If you drop your last course on STAR and do not add a course you will be considered withdrawn for the quarter. If you drop your last course on STAR you will be charged the

\$20 change fee beginning January 13. You may write to or withdraw in person at the Registration Office, 225 Schmitz Hall, University of Washington, Box 355850, Seattle, Washington, 98195-5850. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after March 14.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office, the date that the last class is dropped on STAR, or the postmark date for withdrawals received by mail (see Tuition Forfeiture, Page 11). If you withdraw prior to January 13 you will owe a \$75 U-PASS fee unless you return your U-PASS to the Student Accounts and Cashiers Office by the tuition due date (January 24). If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker.

Review the Registration Eligibility section of the Time Schedule if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through January 17) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (summer quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of spring quarter and autumn quarter, you must reapply as a returning former student for winter quarter.

HARDSHIP WITHDRAWAL

Hardship withdrawals are for dropping individual courses after the seventh week of the quarter (February 23). The \$20 change of registration fee will be assessed.

You may petition the Registrar for a hardship withdrawal if the following apply: 1) you are unable to complete the course in question because of a severe mental or physical disability, or 2) unusual or extenuating circumstances beyond your control prevented you from dropping the course by the drop deadline. A Hardship Withdrawal will not be granted for course work in which you have earned a degree. Petitions must be submitted promptly.

WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction (February 23) and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or (academic) credit and no refund. Please consult with the Office of the Registrar for complete details.

GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign an On-leave Card, then take it to the Registration Office through January 10. You must pay a \$35 non-refundable fee at the Student Accounts Office, room 129 Schmitz Hall after your On-leave Card is processed at the Registration Office. The cashier will issue you an On-leave Card so you will have access to the libraries. If you have registered for winter quarter 1997 and plan to go on-leave, you must officially withdraw prior to January 6, before the on-leave status will be granted.

Tuition Exemptions & Access Programs

TUITION-EXEMPTION PROGRAM

Eligible University and State of Washington employees and members of the State National Guard may enroll for and receive a tuition-exemption for up to six credits each quarter provided they enroll on a space-available basis. Eligible students may not enroll for more than six credits or the exemption will be canceled. All students participating in the tuition-exemption program will be assessed a quarterly \$30 registration fee and must pay other applicable fees including the Technology Fee. A participating student may not register for any course prior to the student's assigned space-available registration day or the exemption will be canceled or not accepted. Matriculated students desiring a higher registration priority to facilitate course enrollment may register early and pay regular tuition rates.

Space-availability applies to degree programs as well as courses, and fully enrolled programs may choose not to accept or enroll students using the tuition-exemption. Eligible students must be:

- Full-time University of Washington employees with six months or more of continuous service prior to the first day of the quarter,
- Non-University of Washington permanent classified or contract state employees employed half-time or more,
- Permanent classified and exempt paraprofessional employees of technical colleges employed half-time or more,
- Nonacademic employees and members of the faculties and instructional staff employed half-time or more at state institutions of higher education other than the University of Washington, or
- Members of the Washington State Army or Air National Guard.

Eligible students must hold this status on the day the exemption form is approved, and must be in that status on the first day of the quarter for which the tuition-exemption is granted. The University tuition-exemption does not cover English 100, 101, 102, Math 101, UW Extension or Distance Learning courses, graduate-level independent study courses numbered 600, 700, and 800, or any self-sustaining courses. Nonmatriculated students admitted to enroll on a space-available, tuition-exempted basis, may register for classes only when using the exemption and only after the exemption request form has been submitted. Matriculated students are permitted to register without the exemption, but full tuition and fees will be charged.

With the instructor's permission, students planning to register on a space-available basis may begin attending classes the first day of the quarter if space is available. Registration, however, will not be permitted until the student's assigned space-available

registration day.

Students must apply for admission by the published application deadlines and be accepted to a University program. Applications may be filed with the Office of Undergraduate Admissions, 320 Schmitz Hall, or the Office of Graduate Admissions, 98 Gerberding Hall. Former UW students returning in the same classifications or as nonmatriculated students may apply at the Registration Office, 225 Schmitz Hall.

REGISTRATION AND FEES

Students may submit their tuition-exemption forms at the Registration Office, 225 Schmitz Hall, any time after registration begins for a quarter. A separate tuition-exemption form must be submitted each quarter. Course enrollment is not permitted prior to the appropriate space-available eligibility date. For winter quarter 1997, a \$25.00 late registration fee will be assessed if the student initially registers for the quarter on or after Monday, January 6, and a \$20.00 fee will be charged for all registration changes made on a single day. Students will be billed these fees, and other applicable fees, plus a \$30 registration fee if they have registered for a course. Students registering before the assigned tuition-exemption registration date will not be permitted to convert to the tuition-exemption program and will be required to pay regular tuition for all registered credits.

Tuition-exempt students must pay the quarterly Technology Fee and are not entitled to student services funded by the Services and Activities Fee, such as those available from the Hall Health Center and the Intramural Activities Building. UW faculty/staff identification cards may be used for library services. Participating Washington State employees and members of the National Guard may obtain ID cards for library services from the Student ID Center, 229 Schmitz Hall, and a UPASS sticker for \$27.00 from the Registration Office, room 225 Schmitz Hall. Deadlines and registration dates are listed below for winter quarter 1997:

ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an ACCESS student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with a greater than sign (>) require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, room 225 Schmitz Hall. The fee is \$5.00 whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment will be due by January 24. Since you are auditing the course(s), you do not receive credit and are not expected to do any class work, participate in discussions, or take examinations. Your registration may be cancelled at the discretion of the instructor. You may register for all courses except English 100, 101, 102, Math 101, UW Extension, Distance Learning, studio, laboratory courses, and honors sections. You may register in 500 level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained.

You will be limited to two courses per quarter. For additional information about this program, you may telephone UW Extension Information, 543-2320, between 8 a.m. and 5 p.m., weekdays.

TUITION FORFEITURES / REFUNDS

You will be billed for the number of credits, including audit hours, on your course schedule at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after January 12. You will be expected to pay one-half of the tuition associated with any courses dropped beginning January 13 through February 4. Courses dropped after February 4 receive no refund.

The effect of tuition forfeitures on the over 18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after February 4 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after January 12 will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures or Refunds)

Tuition is due January 24.

Charges incurred after the tuition due date must be paid in 1-3 days.
(See Tuition/Fee Assessments and Deadlines)

h. You may petition forfeitures for extenuating circumstances (death, disability, etc.) through the Student Accounts Office.

WITHDRAWALS AND REFUNDS/REPAYMENTS

If you are a financial aid recipient and withdraw from all of your classes, your refund of University

charges will be returned to the financial aid programs. The amount depends upon when you withdraw and whether you are in your first quarter of attendance at the University.

If you are a first quarter student, the amount to be refunded will be based on how many weeks in the quarter you attended. Your refund will be based on the following percentages and the week of your withdrawal.

Academic Year (autumn, winter, spring, quarter)	Summer Quarter
First seven days	100%
Second week	70%
Third week	60%
Fourth week	50%
Fifth week	40%
Sixth week	0%
Seventh week	0%
Eighth week and beyond	0%

If you are a continuing student, your refund will be based on when you withdraw within the quarter. Generally you will receive 100% if you withdraw within the first seven days of the quarter and 50% if you withdraw between the 8th and 30th day of the quarter (8th and 21st day for summer quarter). Your refund may be greater based on your withdrawal date and the following chart.

Within first seven days of quarter	100%
Within first 10% of quarter	90%
Within 11% to 25% of quarter	50%
Within 26% to 50% of quarter	25%
51% or greater % of quarter	0%

The refund of University charges will be credited to your aid programs in the following order up to the amount you received for that quarter: Federal Direct Unsubsidized Stafford/Ford Loan, Federal Direct Subsidized Stafford/Ford Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Other Title IV aid programs, Washington State Need Grant, Institutional aid, private scholarships. If any refund remains after crediting these accounts, the balance will be refunded to you.

Please be aware that if you withdraw from all classes within the first 30 days of the quarter (first three weeks of summer quarter), you may owe immediate repayment of aid you received (except Direct Loans which are payable according to the terms of the promissory note). Contact the Office of Student Financial Aid, (206) 543-6101, if you have any questions.

TUITION/FEE ASSESSMENTS AND DEADLINES

It is your responsibility to see that tuition is paid in full by the tuition due date (January 24). Bills are sent at the beginning of each quarter (January 6) to facilitate payment. However, failure to receive a tuition bill does not nullify your responsibility for payment by the due date.

The University's forfeiture schedule is as follows:

a. If you withdraw before January 13, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before January 13 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.

b. If you withdraw January 13 through February 4 you will continue to owe one-half of your tuition. If you withdraw after January 12, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than January 24 to have the fee waived. There will be no U-PASS refunds after January 24.

c. If you withdraw after February 4 you will continue to owe full tuition.

d. If your registration is canceled for non-payment of fees you will continue to owe the University one-half of your tuition and fees.

e. If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office, 4909 25th Avenue NE, on the 2nd floor of the King Building, at the same time you withdraw from the University.

f. If you drop any classes January 13 through that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours. Drops after February 4 will not lower tuition.

g. If you are a Title IV aid recipient, attending your first quarter at the University and withdraw after January 12, you must pay a prorated portion of the University charges. Charges are prorated based on the portion of the quarter for which you are enrolled. If you withdraw after the seventh week of the quarter (February 23), you must pay full tuition. The pro rata refund provision applies to tuition, fees, room and board and other charges which would otherwise be assessed by the University. The \$100 Enrollment Confirmation Deposit is applied toward payment of tuition.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

Account balances are available through STAR (transaction 11#).

Select your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by January 18, contact the Student Accounts Office, or call STAR for the amount of tuition due.

You may pay your fees in person in the Student Accounts Office or mail them to UW, Student Accounts Office, 129 Schmitz, Box 355870, Seattle, WA 98195-5870, before January 24. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before January 24 are accepted without a late fee. Mail postmarked after January 24 is subject to penalties as described below.

If you fail to pay by the deadline you will be charged a late fee. For past due balances over \$250 the late fee is \$30; \$30-\$250 balance the late fee is \$10; and if the balance is less than \$30 then there is no late fee.

If payment has not been received in the Student Accounts Office by the end of the late payment period, registration for the current quarter as well as any future quarters will be canceled. Reregistration after cancellation for nonpayment requires a \$75 fee, in addition to tuition.

Tuition and fees incurred after the January 24 must be paid within three working days. Exception: beginning March 14, charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

If you reregister, you must reregister for all of the classes that were on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter (March 14) will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

The Controller is authorized to place holds on the record of any student who fails to pay amounts due the University. Until the hold is cleared, the University; 1) does not release the student's records, 2) does not release transcripts or certified records, 3) denies registration.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office

at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

Student Insurance and Special Fees

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Primary Care Center, Seattle Campus. UW students who remain registered through the first seven calendar days of instruction are eligible to enroll in the plan. Not eligible are UW Seattle campus nonmatriculated students and those enrolled in programs administered by Educational Outreach (except Evening Degree Program students) and UW faculty/staff or Washington State classified employees attending classes under the employee tuition exemption programs.

You may sign up for the plan when you register for classes. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition due date (January 24). In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. There is no late payment period for the insurance premium.

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Office, by the tuition due date (January 24).

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be

submitted to the International Services Office and a waiver obtained each autumn quarter (or upon initial admission if other than autumn quarter) because waivers are valid only through summer quarter each year. Students holding

visas may change each academic year, so students are encouraged to review the brochure carefully.

For those graduate students who are eligible for Graduate Appointee Insurance, please choose the option, "no insurance" when registering on STAR. If you have questions regarding your eligibility for this plan, please contact your department.

International graduate appointees, however, must still choose the quarterly student insurance option when registering. If you are an international RA/TA/SA, the system will automatically make adjustments so that you will not have double coverage. If you are an international fellow or trainee, please contact your department for further instructions.

SPECIAL FEES

QUARTERLY TECHNOLOGY FEE

This fee is to recover, in whole or in part, the costs of providing and maintaining services to students that include, but need not be limited to the following: Access to the internet and World Wide Web, e-mail, computer and multimedia work stations and laboratories, computer software, and dial-up telephone services. Part-time students (those paying less than full-time tuition) are charged on a pro rata basis. The fee will be included on the Quarterly Tuition billing.

SERVICES AND ACTIVITIES FEES

As part of tuition, students pay the Services and Activities Fee which funds a variety of student services, including: ASUW and GPSS, the Daily, Hall Health Center, Recreational Sports (IMA), Student Legal Services, Child-care Assistance Program, and Ethnic Cultural Center/Theater.

care Assistance Program, and Ethnic Cultural Center/Theater.

SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and, in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

STUDENT ID CARD

The student ID card is a permanent, laminated card. Once obtained, do not discard it.

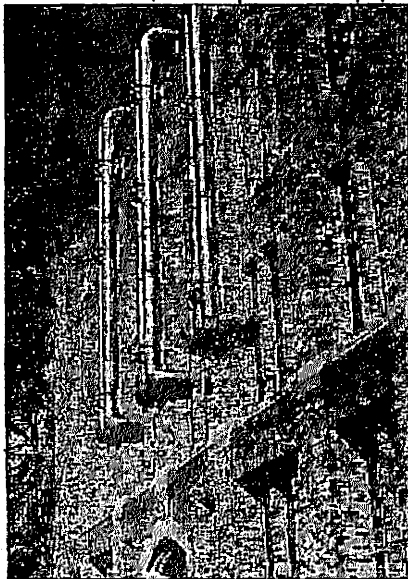

If you are a new student, you are eligible for a student ID card once you've paid the Enrollment Confirmation Deposit. Bring a piece of standard photo identification - this is mandatory - to the Student ID Card Center at 229 Schmitz Hall between 8 am and 5 pm Monday through Friday.

The standard UW student ID card is a non-photo card; however, students living in the dormitories (except for Stevens Court residents) will be issued a photo student ID card, since it serves also as their meal card.

A quarterly validation sticker is mailed to you with your registration confirmation. When it arrives, affix it to the front of the ID card in the location provided; without this sticker, the card is usually not honored on campus.

You should carry your student ID card with you whenever you come to campus. Many administrative transactions and campus services and facilities are not available to you without it. In some situations, you may also be asked to provide an additional piece of photo identification.

Never allow anyone else to use your student ID card, as such misuse will subject you to disciplinary action, as described in the Student Conduct Code.

If you lose your student ID card, you should immediately make two phone calls, one to the ID Card Center at 685-4121 to report it as lost, and also to the UW library system at 543-2553. To replace the card, go to the Student ID Card Center with photo identification; a non-refundable \$5 fee is charged for replacement of non-photo cards, \$10 for photo cards.

U-PASS INFORMATION

A U-PASS validation sticker is mailed with your registration confirmation each quarter. The U-PASS is valid on all regular Metro and Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to van-pool and Night Ride passengers, and merchant discounts. The quarterly fee of \$27 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline (January 24). The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office or the Registration Office.

If you withdraw through January 12 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. If you withdraw after January 12, you will be charged the applicable tuition and may retain the pass for \$27 or return it no later than the tuition due date (January 24) to have the \$27 fee waived. There will be no U-PASS refunds after the tuition payment deadline (January 24), and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through January 10. Replacement stickers issued after January 10 will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$27 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$27 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. The U-PASS program, replacement policies, and quarterly fee are subject to change without notice.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. You may choose to support the WSL by contributing \$2.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization that works on issues affecting the quality of life in Washington State. Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union building. You may join ASUW when registering on STAR.

DISABLED STUDENTS

If you are a student with a disability, various support services, including priority registration, note taking and examination accommodations are available. You may contact Disabled Student Services (DSS), room 448 Schmitz Hall, 543-8925 voice/TDD, for information on academic accommodations designed to meet individual student needs.

The STAR Work Sheet and instructions are available from DSS in alternate media, including large print, tape recording and Braille. If you have a disability that limits your ability to use STAR, you may register through DSS or at the Registration Office, 225 Schmitz Hall.

DISCLOSURE OF STUDENT RECORDS

As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition account information only may be obtained from the Student Accounts and Cashiers Office, 129 Schmitz.

EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam Era veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. NE, Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or autumn quarter 1988 are 58% in 5 years and 67% in 6 years.

IMMUNIZATION

All new and returning former students, and all students living in University of Washington residence halls or single-student apartments, are required either to provide proof of measles (rubeola) immunity or request that the requirement be waived for religious, personal or medical reasons. Such students will not be allowed to register for any classes until the Hall Health Primary Care Center (the student health center on campus) confirms that they have satisfied this requirement.

Students must complete the student health center's Measles Immunity Verification Form and provide either certifications by their health-care providers or copies of original immunization records as proof of: 1) two live virus measles (rubeola) vaccinations, both given after 1967 with at least one was given after 1980; or 2) positive measles (rubeola) titer (blood test for antibodies against measles); or 3) a history from a health-care provider of measles (rubeola) disease. Students born before 1957 are considered immune to measles.

While continuing students are not required to provide the Hall Health Primary Care Center with proof of measles immunity, they are encouraged to do so. In the event of an outbreak on the campus, all students lacking acceptable documentation of measles immunity, including students with waivers, will be barred from classes, living groups and other campus activities until health officials determine that there is no risk of them transmitting the disease to others. Measles Immunity Verification Forms are available at the Hall Health Primary Care Center and the Registration Office at 225 Schmitz Hall. For more information, students should contact the Hall Health Primary Care Center at (206) 616-4672 and leave voice-mail messages to which members of the nursing staff will respond.

* Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.

Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

- | | | |
|--|---|--|
| <p>1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.</p> <p>2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.</p> <p>3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a re-scheduled examination or perform work judged by the instructor to be the equivalent.</p> | <p>If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.</p> <p>Students are responsible for taking any number of examinations for which they are scheduled on a given day.</p> <p>4. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.</p> <p>5. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.</p> | <p>6. Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.</p> <p>7. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.</p> <p>8. Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, 543-1080.</p> |

RENTER'S WORKSHEET

HOW MUCH RENT CAN YOU AFFORD?

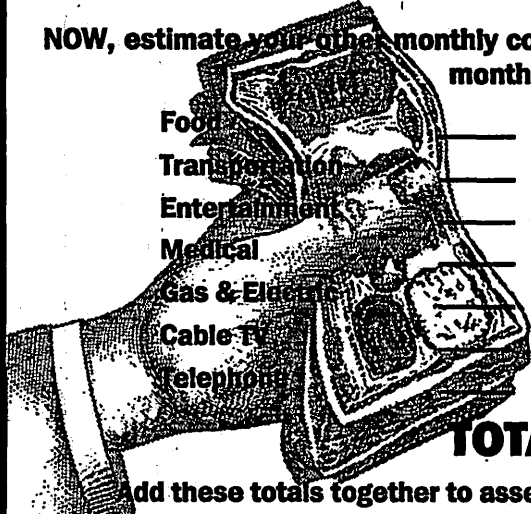

The recommended rule is to budget 25-30% of your gross income for rent. Your lifestyle and liabilities determine where you fall within this range. Generally you should use 28% as a guide.

Use the following formula to calculate your monthly target rent:

$$\text{(YEARLY GROSS INCOME} \div 12) \times 28$$

TOTAL: _____

NOW, estimate your other monthly costs. Use this guide to calculate what your total monthly expenses are:

- Food _____
- Transportation _____
- Entertainment _____
- Medical _____
- Gas & Electric _____
- Cable TV _____
- Telephone _____

- Clothing _____
- Auto Payments _____
- Auto Insurance _____
- Auto Maintenance _____
- Loan Payments _____
- Credit Card _____
- Miscellaneous _____

TOTAL: _____

Add these totals together to assess your approximate monthly living expenses.

JUST AS YOU SUSPECTED.

First, you admire the wide selection of UW/Husky clothing from top manufacturers like Champion, Russell, Gear and Nike. Then you move on to Husky souvenirs—everything from mugs to mascots, ties to tattoos, sunglasses to umbrellas. Some find it overwhelming, even frightening, but for you, University Book Store's *Husky Shop* confirms what you instinctively knew: Being a Husky is not an enthusiasm; it's a passion.
